SUBJECT: CORONATION GLOBAL PRESCIENT FEEDER AMETFs

Name and Surname: Valdene Reddy

Designation: Director - Capital Markets

Dear Client

The JSE is proud to introduce two new Coronation Global Prescient Feeder AMETFs

- 1. The Coronation Global Optimum Growth Prescient Feeder AMETF (COOPTI)** will be actively managed and aims to achieve its investment objective by investing in a range of equity and equity related securities, fixed income securities, cash and cash equivalents, collective investment schemes and instruments providing exposure to commodities and property.
- 2. The Coronation Global Emerging Markets Prescient Feeder AMETF (COGEM)** is actively managed to outperform the benchmark by investing, either directly or indirectly at least 80% of its assets in equities and equity-related securities (such as warrants, convertible preference shares, and convertible bonds) of companies listed or traded on a recognized exchange in an emerging market country; and/or of holding companies which have the predominant part of their business activities in an emerging market country; and /or of holding companies that have the predominant part of their assets in companies with their registered office in an emerging market country.
