Dear Client

The JSE is proud to introduce a new UBS Actively Managed Certificate

The UBS AMC linked to the **SA Allegro Portfolio (ALEGSA)** investment strategy seeks to invest in JSE listed companies that exhibit strong price momentum. Their quantitative investment process aims to evaluate each company's price action to determine which companies exhibit high quality of price momentum that could persist in the future. The resulting portfolio seeks to provide investors with a benchmark agnostic, concentrated portfolio to companies that exhibit strong price momentum characteristics.
