Dear Client,

The JSE is proud to introduce two new UBS Actively Managed Certificates

1. The UBS Actively Managed Certificate linked to the **SA Quality Core Portfolio (SAQUAL)** consist of companies, focusing on profitability, balance sheet strength, earnings and dividend growth to determine the highest quality set of companies listed on the JSE.
2. The UBS Actively Managed Certificate linked to the **Boutique Hummingbird Portfolio (BAMHUM)** consists of investments in underlying assets that are considered deeply undervalued and poised for a significant rerating in value. The approach targets exceptional compounded returns that outpace the broad equity market while emphasizing risk management through strategic diversification across sectors, industries, and companies.
