SUBJECT: PUBLISHING OF STOCK LEVELS OF GRAIN ON JSE SILO CERTIFICATES

Name and Surname: Raphael Karuaihe
Designation: Head - Commodities

Dear JSE Stakeholder,

This is a follow up to Market Notice 276/2019 published in September 2019, where the JSE indicated that it will start publishing monthly stock levels of grain, on JSE silo certificates per silo location per commodity. I'm pleased to inform you that the first online publication is made available on the JSE website today as per the below link:

<https://www.jse.co.za/content/JSEContractSpecificationItems/Stocks%20of%20Grain.xlsx?Web=1>

Future reports will be published on the 16th of every month (or the following Monday if date falls on weekend) for stock levels as at the end of the preceding month.

The JSE is responding to the market request to make this information available as a way of improving transparency in the physical grain market. The grain information is received on a monthly basis from JSE-registered storage operators.
