Dear Client

We would like to thank you for your support throughout the 2024 year.

We are cognizant of the challenging economic environment, and over the past decade the JSE has been committed to reducing the overall cost of trade. In our 2025 review, we have marginally adjusted prices to no more than an inflationary-linked price increase overall. We remain committed to sustaining a competitive effective cost of trade, as we continue our efforts to attract flows and drive SA capital markets forward.

It remains our key priority to ensure that SA capital markets run with the highest quality and resilience, supported by advanced technological investments.
