SUBJECT: LIFTING OF TRADING HALT IN EUROPA METALS LTD SHARES

Name and Surname: Shaun Davies
Designation: Director - Market Regulations

Dear Client

Members are referred to Market Notice 361/2020 issued on 20 July 2020 in which the JSE advised that it had declared a trading halt in terms of its trading rules in Europa Metals Limited shares (Share Code: EUZ). The JSE advised that it had halted trading in EUZ shares in order to assess the impact on the market of potential settlement issues arising from certain transactions in EUZ shares on Thursday, 16 July and Friday, 17 July 2020. The JSE also advised that the trading halt would be lifted once the JSE had identified the parties that may be impacted by these settlement issues and those parties had been advised accordingly.

The JSE has reached a point in the process undertaken in terms of its rules to deal with the settlement issues arising from the relevant transactions in EUZ shares at which it has been able to advise the affected member firms of the status of their transactions. The affected member firms have also been afforded the opportunity to take the necessary steps to ensure that all investors whose holdings in EUZ shares were affected by the settlement issues are aware of their positions post the actions taken to date by the JSE.

The JSE has therefore lifted the trading halt in EUZ shares with effect from the commencement of trading on Friday, 24 July 2020.
