Dear Client

**The JSE is proud to introduce a new Prescient Income Provider Feeder Actively Managed ETF (PIPETF)**

The **Prescient Income Provider Feeder AMETF (PIPETF)** invests in local and offshore money market, bonds, property, preference shares, inflation linked bonds and derivatives to meet the investment objectives.

The primary performance objective of the AMETF is to obtain as high a level of current income as is consistent with capital preservation and liquidity. The AMETF's performance can be generated from taking interest rate views or duration, yield enhancement via credit instruments, asset allocation between income producing asset classes, offshore exposure and via the use of derivatives.

For liquidity provider queries, contact **Prescient Securities +27 21 700 3600**
