SUBJECT: CORRECTION OF FINAL WHEAT LOCATION DIFFERENTIALS FOR TWO NWK SILOS

Name and Surname: Raphael Karuaihe
Designation: Head: Commodities

Following publication of the final wheat location differentials for 2017/18 marketing season, we picked up two NWK silos where we erroneously swapped their respective distances to Randfontein, resulting in wrong calculations of their new location differentials

This market notice serves to correct this and the new revised figures are as follows:

Silo Name	Owner	Published Distance to Randfontein	Correct Distance to Randfontein	Published 2017/18 Differentials	Correct 2017/18 Differentials
Gerdau	NWK	167	184	171	186
Oppaslaagte	NWK	184	167	186	171

We will update our records accordingly. The JSE would like to apologize for any inconvenience that this may have caused.

Should you have any questions regarding the above, please do not hesitate to contact the Commodities Team at 011 520 7039 or email commodities@jse.co.za
