Date: 5 September 2022**SUBJECT:** APPLICATION BY SENWES LIMITED TO DEREGISTER VRYBURG AS A WHEAT DELIVERY POINT**Name and Surname:** Anelisa Matutu**Designation:** Head – Commodities

Dear Client,

The JSE has received a written submission from Senwes Limited (Registration Number 1997/005336/06) informing us of their intention to deregister Vryburg silo as a JSE registered wheat delivery point effective 1 October 2022.

Appendix D5 (Voluntary deregistration of an approved silo), read in conjunction with Appendix D4.4 - 4.6 (Deregistration of an approved silo) of our rules, will guide the deregistration process.

We can confirm that this storage point does not have any outstanding JSE silo certificates as of 5 September 2022, and participants who want to manage their positions should use alternative delivery points going forward.

Please consider the above request carefully, and if you have any concerns about this deregistration, please email commodities@jse.co.za by no later than 23 September 2022. We will then issue a final market notice confirming the decision on the application.

Should you have any queries regarding this Market Notice please e-mail commodities@jse.co.za
