SUBJECT: CHANGES TO THE PRESENTATION OF ORIGIN DISCOUNTS

Name and Surname: Anelisa Matutu

Designation: Head – Commodities

Dear Client,

The JSE has noted that the Origin Discounts, as published on the website, may have been presented in a vague and mis-interpretative manner.

We are currently presenting the Origin Discounts on a scale similar to that of Grade discounts.

Discounts for origins are not grade dependent. The origin discount will only apply to the country of origin, regardless of the commodity's grading.

Going forward, the Wheat origin discount will no longer present the grading feature, only the grade discount is applied to the quality/ grade of the commodity.

For this purpose, the total discount will be the sum of origin and grade discounts.
