SUBJECT: MEMBER REPRESENTATION ON THE AGRICULTURAL DERIVATIVES ADVISORY COMMITTEE

Name and Surname: Raphael Karuaihe
Designation: Head - Commodities

Dear Market Participant,

In terms of rule 1.41 of the JSE Rules, members of the Agricultural Derivatives Advisory Committee are drawn from grain and oilseed industry representatives as well as representatives of authorised users of the JSE (traders, clearing members, market makers). While grain industry representatives are seconded from their structures to serve on the committee, it has been a while since we have had elections for representatives of authorised users to serve on the committee.

This note is therefore an open invitation to any Commodity Derivatives member to nominate a representative of your choice. Ideally we will welcome representatives from the traders, clearers, financiers, and from options participants. You are welcome to nominate yourself.

Representatives of the Agricultural Advisory Committee will be expected to attend quarterly meetings at the JSE at their own costs and ensure they are able to actively contribute to the broader discussion; we therefore strongly recommend representatives have a minimum 5 years' experience in the Commodity Derivatives market.

In the event that we are oversubscribed with nominations, we may have to go for a second round of voting on round robin basis. Please also note that your nominee does not have to work for your company, provided the nominee is from the identified sub-groups.

Kindly submit your nominations by no later than close of business on Monday, **12 March 2018**. Should you have any queries please contact me directly or Vuyo Mpumza on 011 520 7039 or e-mail commodities@jse.co.za.
