Dear participant,

We would like to remind you about the relief measures that have been put in place to lessen the impact of COVID-19 on our clients businesses.

**50% trading discount until the end of December 2020.**

In May 2020, the JSE announced a number of relief measures in response to COVID-19. One of the measures that we continue to profile and communicate to our clients is the 50% trading discount for small cap companies, which trade in the ZA03 segment that includes AltX companies. Trading in these stocks would entitle you to a 50% trading discount, this is valid until the end of December 2020.
