Dear Client,

Members are referred to [Market Notice 180A/2022](#) and [Market Notice 180B/2022](#) dated 8 April 2022 that contained proposed amendments to the rules and directives of the JSE Equity Market.

The purpose of these proposed amendments to the equities rules and directives is to enhance the interoperability between the JSE and other local exchanges, such as A2X, when common members of the exchanges trade cross-market in dual-listed securities on behalf of clients.

We attach hereto the following documents:
