Clients are referred to Market Notice 166/2017 issued on the 24 March 2017 as well as Market Notice 193/2017 issued on 18 May 2017 in which clients were advised of the go-live date to migrate all Global Market products from the Equity Derivatives Market (EDM) to the Commodity Derivatives Market (CDM) on Friday 7 July 2017. This is a pre-requisite to the ITaC project implementation targeted for Q1 2018.

The JSE is pleased to announce that the migration was successfully implemented on Friday night, 7 July 2017 and ready for go-live on Monday, 10 July 2017.

Clients are reminded to make all network changes to access the IP and Port below prior to market open on Monday, 10 July 2017. Clients accessing the Global Market products via the CDM market for either trading or market data must ensure that they enable access to the following IP address and port.

**Trading Members**

- IP address : 196.216.152.131
- Port : 2210

**Data Vendors**

- IP address : 196.216.152.132
