SUBJECT: CURRENCY DERIVATIVES MARKET PRICE CHANGES FOR 2020

Name and Surname: Udesh Moodley
Designation: Head - Interest Rates and Currencies

Dear JSE Stakeholder,

Please see below changes to currency derivatives fees applicable for 2020. The JSE detailed challenges experienced with some of the manual zero fee processes currently in place, as well as the long term strategic objective to remove manual interventions with regard to fees.

It was advised that the following manual zero fee benefits would be removed from the existing list of benefits applicable:

- Intraday trading zero fee
- Cross market zero fees
- Options structure

The above zero fee benefits will no longer be applicable as at 2 January 2020. As such, we will therefore not be making any price changes to any of the currency derivatives fees for 2020. This implies that the booking fees will remain at the same level they have been at since 2017.

All trading fees schedules can be found at the following link: <https://www.jse.co.za/services/technologies/price-list>

Kind regards,
