

## Market Notice

**Number:** A1411  
**Date:** 18 April 2011

### Application by Senwes to register additional sorghum delivery points

An application has been received from Senwes Limited (Registration number 1997/005336/06) to register additional sorghum delivery points for the new marketing season commencing 1 May 2011, the details are as follows:

Silo name	Rail siding	Closest main road	Total Capacity	Location differential
BRANDFORT	546208	R30/R34	76 754 tons	N/A
HOOGTE	546399	R57	67 399 tons	N/A
RAATHSVLEI	748 951	R54	100 790 tons	N/A
ROOIWAL	543276	R82/N1	73 082 tons	N/A
STEYNSRUS	545678	R76/R720	51 384 tons	N/A
WINDBURG	Road only access	N1/N5	60 566 tons	N/A

A number of the above silos are already registered as delivery points, those that are not will undergo an independent audit to confirm they meet the criteria as defined in Appendix D of the contract specifications.

Please consider this request in terms of the standardised sweet sorghum contract that does not reference a single basis point and so no location differentials are applicable when product is delivered in completion of a futures contract.

Since the sorghum marketing season commences 1 May 2011, the feedback period has been shortened. Please forward all feedback to Chris Sturgess via email [chriss@jse.co.za](mailto:chriss@jse.co.za) or fax 011 5207558 no later than **Friday 29<sup>th</sup> April 2011**. A final notice will be distributed confirming the outcome of this application.
