### Application by BKB Limited to register additional delivery point - Robertsdrift

An application has been received from BKB Limited (Registration number 1998/012435/06) to include Robertsdrift in the Free State as a registered delivery point. The proposed maize and wheat differentials have been calculated based on the recent road tariffs used to determine the market wheat differentials. The detail of the delivery point is as follows:

Silo name	Rail siding	Closest main road	Distance to Randfontein	Total Capacity	Proposed differential for maize	Proposed differential for wheat as from 1 October 2012	Proposed differential for sunflower seeds
<b>Robertsdrift</b>	<b>Road only access</b>	<b>R23/ P53 - 3 GPS co-ordinates: 27 01 937S 29 00 350E</b>	<b>170 km's</b>	<b>34 740 tons (silo bags of 33540tons and 1200 tons concrete bins)</b>	<b>-R158/t</b>	<b>-R158/t</b>	<b>-R190/t</b>

The application is also requested for sorghum and soya beans which will be at zero differential, the delivery point is 20km's from Standerton which is an existing point for both these commodities.

Please will members consider this application and if they are aware of any information regards the approved silo owner or delivery point that must be considered prior to approving this application please present this in writing to [commodities@jse.co.za](mailto:commodities@jse.co.za). Please also consider the proposed differentials for the various products. Subject to the final approval, the JSE is awaiting a copy of the recent financial statements and annual audit reports. An independent report has already confirmed the site meets the necessary requirements as per Appendix D.
