We conducted our work in accordance with International Standards on Assurance Engagements ISAE 3000 (*Assurance engagements other than audits or reviews of historical financial information*).

Compliance with the relevant provisions of the Securitisation Regulations is the responsibility of the Issuer. Our responsibility is to report on such compliance.

Scope

Our work was generally limited to an examination of the Programme Memorandum with regard to compliance with the relevant provisions of the Securitisation Regulations. It should be recognised that our work did not constitute an audit or a review and may not necessarily have revealed all material facts.
