DISCLOSURE REQUIREMENTS IN TERMS OF PARAGRAPH 3(5) OF THE COMMERCIAL PAPER REGULATIONS IN RELATION TO THIS ISSUE OF NOTES

53. Paragraph 3(5)(a)

The "*ultimate borrower*" (as defined in the Commercial Paper Regulations) is the Issuer.

54. Paragraph 3(5)(b)

The Issuer is a going concern and can in all circumstances be reasonably expected to meet its commitments under the Notes.

55. Paragraph 3(5)(c)

The auditor of the Issuer is Ernst & Young Incorporated.

56. Paragraph 3(5)(d)

As at the date of this issue:

- (i) the Issuer has issued ZAR 5,525,748,994 (inclusive of this issue of Notes) in Commercial Paper (as defined in the Commercial Paper Regulations); and
- (ii) the Issuer estimates that it may issue ZAR 474,251,006 (exclusive of this issue of Notes) additional Commercial Paper during the remainder of the current financial year, ending 30 June 2020.

57. Paragraph 3(5)(e)

All information that may reasonably be necessary to enable the investor to ascertain the nature of the financial and commercial risk of its investment in the Notes is contained in the Programme Memorandum and this Applicable Pricing Supplement.

58. Paragraph 3(5)(f)

As at the date of this Applicable Pricing Supplement, there has been no material adverse change in the Issuer's financial position since the date of its last audited annual financial statements. However, with the outbreak of COVID-19 and related economic implications, there may or may not be a material adverse change in the business, assets or financial condition of the Issuer as detailed below.

In compliance with the national lockdown directive announced by the President of South Africa to reduce the spread of the global COVID-19 virus, the Issuer suspended all but its essential operations from midnight on Thursday, 26 March 2020.

On Thursday, 16 April 2020, the President announced certain amendments to the regulations relating to section 27(2) of the Disaster Management Act, 2002. These amendments permit mining companies to recommence all operations at a reduced capacity of not more than 50% of normalised production for the remainder of the lockdown period, or until any further directive is issued by government. In line with these amendments, the Issuer had initiated a process, on Monday, 20 April 2020, of restarting operations in a phased and controlled manner to enable the group to ramp up to 50% of normalised production, subject to the implementation of specified precautionary measures aimed at protecting the health of employees and limiting the spread of the virus. Once the provisions of the lockdown have been lifted, operations may ramp up capacity further as determined by the Minister for Mineral Resources and Energy.

Inventory pipelines are being managed at present, taking into account prevailing commodity pricing and exchange rates.

The Issuer recognises the uncertainty introduced by the global COVID-19 pandemic to its operations, global markets and the platinum group metals industry. Moreover, the future impact of the COVID-19 pandemic is currently unknown and continues to be investigated. The Issuer is working closely with the South African government and regulators at all levels to mitigate, as far as possible, the impact of this crisis on the Issuer's operations and its stakeholders. Furthermore, the Issuer continues to proactively conduct detailed planning to optimise the performance of its operations both during and after the lockdown period, including measures to enhance operational profitability, preserve liquidity and strengthen its financial position and to ensure operational resilience.

59. Paragraph 3(5)(g)

The Notes issued will be listed.

60. Paragraph 3(5)(h)

The funds to be raised through the issue of the Notes are to be used by the Issuer for its general corporate purposes.

61. Paragraph 3(5)(i)

The obligations of the Issuer in respect of the Notes are unsecured, but guaranteed by the Guarantor.

62. Paragraph 3(5)(j)

Ernst & Young Incorporated, the statutory auditors of the Issuer, have confirmed that nothing has come to their attention to indicate that this issue of Notes issued under the Programme does not comply in all material respects with the relevant provisions of the Commercial Paper Regulations.

Responsibility:

The Issuer certifies that to the best of its knowledge and belief there are no facts that have been omitted from the Programme Memorandum or this Applicable Pricing Supplement which would make any statement false or misleading and that all reasonable enquiries to ascertain such facts have been made as well as that the Programme Memorandum together with this Applicable Pricing Supplement, contains all information required by law and the Debt Listings Requirements of the JSE. The Issuer accepts full responsibility for the accuracy of the information contained in the Programme Memorandum, this Applicable Pricing Supplement, the integrated reports, which include the annual financial statements of the Issuer and any amendments or supplements to the aforementioned documents, except as otherwise stated therein.

The JSE takes no responsibility for the contents of the Programme Memorandum read with this Applicable Pricing Supplement, the integrated reports, which include the annual financial statements of the Issuer, and any amendments or supplements to the aforementioned documents. The JSE makes no representation as to the accuracy or completeness of the Programme Memorandum read with this Applicable Pricing Supplement, the integrated reports, which include the annual financial statements of the Issuer and any amendments or supplements to the aforementioned documents and expressly disclaims any liability for any loss arising from or in reliance upon the whole or any part of the aforementioned documents. The JSE's approval of the registration of the Programme Memorandum and listing of the Notes is not to be taken in any way as an indication of the merits of the Issuer or of the Notes and that, to the extent permitted by law, the JSE will not be liable for any claim whatsoever.

As at the date of this Applicable Pricing Supplement, the Issuer confirms that the authorised Programme Amount of ZAR10,000,000,000 has not been exceeded.

Application is hereby made to list this issue of Notes on 25 May 2020.

DESCRIPTION OF THE GUARANTOR

BOOYSENDAL PLATINUM PROPRIETARY LIMITED

1. DESCRIPTION OF BUSINESS

The operations of Booysendal Platinum Proprietary Limited (Booysendal) are located in the southern compartment of the eastern limb of the Bushveld Complex, situated approximately 35km from the town of Mashishing (formerly Lydenburg), straddling the border of Limpopo and Mpumalanga provinces in South Africa. The massive Booysendal orebody is host to both the UG2 and Merensky reefs which outcrop over a strike length of 14.5km and dip westwards at approximately 10°.

Mining method and features:

Shallow, mechanised mining using bord and pillar mining method.

Booysendal North mine:

The Booysendal North mine comprises a UG2 and Merensky module. A unique reverse decline at North UG2 mine connects the concentrator plant and other mine infrastructure situated on a plateau with the on-reef declines that access the underground mine and outcrop on the side of the valley. This design has helped to minimise the mine footprint. There is one 200 000tpm PGM concentrator plant on surface at the North mine, along with a dense media separation plant and a chrome spiral plant.

Booysendal South mine:

The South mine has a 250 000tpm PGM concentrator, with a chrome spiral plant and associated tailings facilities, as well as normal mining infrastructure such as offices, workshops, stores and access to underground workings. An aerial rope conveyor system transports ore from the developing Booysendal Central UG2 mine over challenging topography, with minimal environmental impact. An additional rope conveyor will transport Merensky ore from the North and Central Merensky modules.

Concentrate from Booysendal is sold to Zondereinde and all material is smelted and further processed at Zondereinde.

2. BOARD OF DIRECTORS

The members of the board of directors as at the Issue Date are:

- 2.3 Leon Charl van Schalkwyk
