Dear Sirs

Limited Assurance Report of the Independent Auditor regarding the conduct of the proposed securitisation scheme of The Thekwini Fund 19 (RF) Limited in accordance with the requirements of the Securitisation Scheme Regulations (Government Notice 2, Government Gazette 30628 of 1 January 2008)

Scope

We have been engaged by The Thekwini Fund 19 (RF) Limited ("the Issuer") to perform a 'limited assurance engagement,' as defined by International Standards on Assurance Engagements, here after referred to as the engagement, to report on the conduct of the proposed securitisation scheme (the "Subject Matter") contained in the Issuer's programme memorandum dated 22 November 2023 (the "Report").

Other than as described in the preceding paragraph, which sets out the scope of our engagement, we did not perform assurance procedures on the remaining information included in the Report, and accordingly, we do not express a conclusion on this information.

Criteria applied by Issuer

In preparing the Subject Matter, The Issuer applied the relevant provisions of the Securitisation Exemption Notice (Government Notice 2, Government Gazette 30628 of 1 January 2008) issued by the Registrar of Banks (the "Notice"), as required by paragraphs 15(1)(a) and 16(2)(a)(vii) of the said Notice comprise the criteria by which the Issuer's compliance is to be evaluated (the "Criteria"). Such Criteria were specifically designed for Securitization schemes; As a result, the subject matter information may not be suitable for another purpose.

Issuer's responsibilities

The Issuer's management is responsible for presenting the Subject Matter in accordance with the Criteria, in all material respects. This responsibility includes establishing and maintaining internal controls, maintaining adequate records and making estimates that are relevant to the preparation of the subject matter, such that it is free from material misstatement, whether due to fraud or error.

EY's responsibilities

Our responsibility is to express a conclusion on the presentation of the Subject Matter based on the evidence we have obtained.

We conducted our engagement in accordance with the *International Standard for Assurance Engagements Other Than Audits or Reviews of Historical Financial Information* ("ISAE 3000" (Revised)), and the terms of reference for this engagement as agreed with the Issuer on 27 November 2023. Those standards require that we plan and perform our engagement to express a conclusion on whether we are aware of any material modifications that need to be made to the Subject Matter in order for it to be in accordance with the Criteria, and to issue a report. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risk of material misstatement, whether due to fraud or error.

We believe that the evidence obtained is sufficient and appropriate to provide a basis for our limited assurance conclusion.

Our Independence and Quality Management

We have maintained our independence and confirm that we have met the ethical requirements in the Independence Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and have the required competencies and experience to conduct this assurance engagement.

EY also applies International Standard on Quality Management 1, Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services engagements, which requires that we design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Description of procedures performed

Procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for a reasonable assurance engagement. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. Our procedures were designed to obtain a limited level of assurance on which to base our conclusion and do not provide all the evidence that would be required to provide a reasonable level of assurance.

Although we considered the effectiveness of management's internal controls when determining the nature and extent of our procedures, our assurance engagement was not designed to provide assurance on internal controls. Our procedures did not include testing controls or performing procedures relating to checking aggregation or calculation of data within IT systems.

A limited assurance engagement consists of making enquiries, primarily of persons responsible for preparing the Programme Memorandum and related information, and applying analytical and other appropriate procedures.

We have performed our procedures on the conduct of the proposed securitisation scheme as documented in the Programme Memorandum prepared by management.

Our procedures were determined having taken into account the specific considerations included in the relevant provisions of the Notice.

Our evaluation included performing such procedures as we considered necessary which included -

- review of the Programme Memorandum; and
- review of other Transaction Documents that we consider necessary in arriving at and expressing our conclusion.

We also performed such other procedures as we considered necessary in the circumstances.

Conclusion

Based on our procedures and the evidence obtained, we are not aware of any material modifications that need to be made to the proposed securitisation scheme, in order for it to be in accordance, in all material respects, with the relevant provisions being paragraphs 15(1)(a) and 16(2)(a)(vii) of the Notice.

Restricted use

This report is intended solely for the information and use of the issuer and the Registrar of Banks and for the inclusion in the applicable pricing supplement and is not intended to be and should not be used by anyone other than those specified parties.
