SCHEDULE 1

ADDITIONAL CONDITION – BENCHMARK DISCONTINUATION

1 BENCHMARK DISCONTINUATION

The provisions of this Schedule 1 (*Additional Condition – Benchmark Discontinuation*) shall apply to the IDCS06 Notes (the "**Notes**") and in an event where a Benchmark Event occurs, and the Relevant Nominating Body has not announced a Successor Rate and Adjustment Spread.

1.1 Independent Adviser

1.1.1 If a Benchmark Event occurs in relation to an Original Reference Rate when any Interest Rate (or any component part thereof) remains to be determined by reference to that Original Reference Rate, then the Issuer shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, with a view to the Issuer determining a Successor Rate (in accordance with Condition 1.2 (*Successor Rate*)) and an Adjustment Spread if any (in accordance with Condition 1.3 (*Adjustment Spread*)) and any Benchmark Amendments (in accordance with Condition 1.4 (*Benchmark Amendments*)).

1.1.2 An Independent Adviser appointed pursuant to this Condition 1.1 (*Independent Adviser*) shall act in good faith and (in the absence of bad faith or fraud) shall have no liability whatsoever to the Issuer, the Paying Agent or the Noteholders for any determination made by it or for any advice given to the Issuer in connection with any determination made by the Issuer, pursuant to this Condition 1.

1.1.3 If (i) the Issuer is unable to appoint an Independent Adviser or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate in accordance with this Condition 1 prior to the relevant Interest Rate Determination Date, the Interest Rate applicable to the next succeeding Interest Period shall be equal to the Interest Rate last determined in relation to the Notes in respect of the immediately preceding Interest Period. If there has not been a first Interest Payment Date, the Interest Rate shall be the initial Interest Rate. Where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period shall be substituted in place of the Margin relating to that last preceding Interest Period. For the avoidance of doubt, this paragraph shall apply to the relevant next succeeding Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, the first paragraph of this Condition 1.

1.2 Successor Rate

If a Benchmark Event occurs and an Independent Adviser is appointed, the Independent Adviser shall apply such Successor Rate available and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the relevant Interest Rate (or the relevant component part thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 1).

1.3 **Adjustment Spread**

The Adjustment Spread (or the formula or methodology for determining the Adjustment Spread) shall be applied to the Successor Rate. If the Independent Adviser is unable to determine the quantum of, or a formula or methodology for determining the Adjustment Spread, then the Successor Rate will apply without an Adjustment Spread.

1.4 **Benchmark Amendments**

1.4.1 If any Successor Rate and the applicable Adjustment Spread is determined in accordance with this Condition 1 and the Independent Adviser determines in its discretion (i) that amendments to the Terms and Conditions and/or the Agency Agreement are necessary to ensure the proper operation of such Successor Rate and the applicable Adjustment Spread (such amendments, the “**Benchmark Amendments**”) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to the Issuer having to give notice thereof to the Noteholders in accordance with Condition 1.5 (*Notices, etc.*), without any requirement for the consent or approval of Noteholders, modify the Terms and Conditions and/or the Agency Agreement to give effect to such Benchmark Amendments with effect from the date specified in such notice.

1.4.2 In connection with any such variation in accordance with this Condition 1.4 (*Benchmark Amendments*), the Issuer shall comply with the JSE Debt and Specialist Securities Listings Requirements.

1.5 **Notices, etc.**

Any Successor Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 1 will be notified promptly by the Issuer to the Calculation Agent and, in accordance with Condition 18 (*Notices*), the Noteholders. Such notice shall be irrevocable and shall specify the effective date of such Benchmark Amendments, if any.

1.5.1 The Issuer shall notify the Paying Agent of the same, by delivering to the Paying Agent a certificate signed by two authorised signatories of the Issuer:

1.5.1.1 confirming (i) that a Benchmark Event has occurred, (ii) the Successor Rate and (iii) where applicable, any Adjustment Spread and/or the specific terms of any Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 1; and

1.5.1.2 certifying that the Benchmark Amendments are necessary to ensure the proper operation of such Successor Rate and/or Adjustment Spread.

1.6 **Survival of Original Reference Rate Provisions**

1.6.1 The Successor Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) and without prejudice to the Paying Agent's ability to rely on such certificate) be binding on the Issuer, the Calculation Agent, the Paying Agent and the Noteholders.

- 1.6.2 Without prejudice to the obligations of the Issuer under Conditions 1.1 (*Independent Adviser*), 1.2 (*Successor Rate*), 1.3 (*Adjustment Spread*) and 1.4 (*Benchmark Amendments*), the Original Reference Rate and the fallback provisions provided for in Condition 7.2 (*Floating Rate Notes and Indexed Interest Notes – Interest Determination, Screen Rate Determination including Fallback Provisions*) will continue to apply unless and until notification of the Successor Rate, and any Adjustment Spread (if applicable) and Benchmark Amendments, has been provided in accordance with Condition 1.5 (*Notices, etc.*).
