Section B.2 (Capital Transfers) – (Foreign Investments) (iii) (South African Institutional Investors) of the "Currency and Exchanges Manual for Authorised Dealers" ("Foreign Portfolio Document") is a general exchange control "pre-approval" which allows certain foreign-issued securities to be subscribed for or purchased by certain qualifying South African resident institutional investors using their "permissible foreign portfolio investment allowances".

The Foreign Portfolio Document provides, among other things, that institutional investors (comprising all retirement funds, long-term insurers, collective investment scheme management companies and investment managers which register as institutional investors with the Exchange Control Authorities) are eligible for a "foreign portfolio investment allowance".
