58. Use of proceeds

The Notes are intended to be issued as Social Bonds

Sustainable Finance Fundraising and Product Framework

Standard Bank Group (“**SB Group**”) published an updated Sustainable Finance Fundraising and Product Framework (the “**SFFPF**”) in May 2026 that addresses, *inter alia*, in line with both ICMA and LMA Principles and Guidelines, the following: (i) Use of Proceeds Eligibility Criteria, (ii) Process of Selection and Evaluation of Eligible Assets, (iii) Management and Tracking of Proceeds, (iv) Allocation and Impact Reporting, (v) General Purpose Instruments (which includes Pure Play) and (vi) External Review (comprising the Second Party Opinion and Verification).

The Use of Proceeds Eligibility Criteria in the SFFPF describes the process for allocation of eligible projects/assets that underpin both loan and bond fund raising initiatives and sets out the criteria and process for the identification and evaluation of eligible projects or activities that would satisfy the criteria to enable a Tranche of Notes to be categorised as Green, Social and/or Sustainable Bonds. The SFFPF is available on the SB Group’s website: [SBG Sustainable Finance Fundraising and Product Framework - May 2026.pdf](#).

Assurance

In connection with the SFFPF and in compliance with paragraphs 3.18 and 3.19 of the JSE DSS Requirements, the SB Group appointed ISS-Corporate (“**ISS**”) as an independent external reviewer to evaluate the SFFPF and to issue a second party opinion confirming that the SFFPF is credible, impactful and that it is aligned with the ICMA and LMA Principles and Guidelines (the “**Second Party Opinion**”).

Use of Proceeds – Social Bond

The Issuer intends to allocate an amount of funding equivalent to the net proceeds of this Tranche of Notes to support growth of the SB Group's lending activities, specifically for eligible Small and Medium Enterprises ("SMEs") in line with the SFFPF, on a portfolio

basis. To qualify as an eligible SME, the loan to the enterprise would have to be aligned with the criteria described in the SFFPF.

The use of proceeds of the Notes will therefore fall within the Eligibility Criteria under Section 2.3.2 (*Social: Employment Generation and Programs Designed to Prevent and/ or Alleviate Unemployment*) of the SFFPF.

Management and Tracking of Proceeds

The Issuer will track the receipt and use of the net proceeds of this Tranche of Notes via its internal reporting systems as more fully set out in Section 2.5 of the SFFPF.

Allocation and Impact Reporting

SB Group will, in alignment with market practice, prepare and publish annual allocation and impact reporting with respect to Notes issued under the SFFPF (the “**Annual Impact and Allocation Report**”) as more fully described in Section 2.6 (*Allocation and Impact Reporting*) of the SFFPF.

External Review

SB Group will request an annual limited assurance report of the allocation of the proceeds of a Green Bond, Social Bond and Sustainable Bond to eligible assets as contemplated by Section 2.8 (*External Review*) of the SFFPF, to be provided by its external auditor.

The Annual Impact and Allocation Report and related assurance report will be included in the SB Group’s annual Sustainability Disclosures Report and be available on the SB Group’s website at https://www.standardbank.com/static_file/StandardBankGroup/filedownloads/RTS/2025/SBG_SustainabilityDisclosuresReport2025.pdf.
