APPENDIX "A"

REPORT OF THE INDEPENDENT AUDITORS OF THE ISSUER

The following is the text of the letter to the Issuer by the auditors appointed for this purpose by the Issuer, confirming that the issue of the Notes referred to in the Applicable Pricing Supplement complies in all respects with the provisions of the Commercial Paper Notice promulgated in Government Notice No. 2172 (Government Gazette 16167 of 14 December 1994) pursuant to the provisions of the Banks Act, 1990.

"Independent assurance report on the compliance by Brandcorp (Proprietary) Limited (the "issuer" or "company") with the relevant provisions of the Commercial Paper Regulations (Government Notice 2172 in Government Gazette 16167 dated 14 December 1994)

Brandcorp (Proprietary) Limited established a R2 000 000 000 Domestic Medium Term Note Programme (the "Programme") in terms of which the Issuer may issue secured/unsecured registered notes ("the Notes") denominated in South African Rand from time to time. The Issuer wishes to issue Tranche 1 of Series 1 ZAR 375 000 000 Senior Secured Floating Rate Notes due 30 September 2014 and issue Tranche 1 of Series 2 ZAR 375 000 000 Senior Secured Floating Rate Notes due 30 September 2015 ((the "Notes") under the Programme (the "Issue").

We have been engaged to perform a limited assurance engagement to report on whether the Issue, as set out in the Programme Memorandum dated 15 September 2010 (the "Programme Memorandum") and the Applicable Pricing Supplements dated 16 September 2010 (the "Applicable Pricing Supplements") (the Programme Memorandum and Applicable Pricing Supplements collectively referred to as the "Placing Documents"), comply, in all material respects, with the provisions of the Banks Act 94 of 1990, Designation of an activity not falling within the meaning of "The Business of a Bank" (Commercial Paper), published under Government Notice 2172 (Government Gazette 16167) dated 14 December 1994 (the "Notice").

Management's Responsibility for the Placing Documents

Management is responsible for preparation of the Placing Documents and the compliance of the Issue with the provisions of the Notice.

Assurance Provider's Responsibility

Our responsibility is to report to the Company, based on our work performed, that nothing has come to our attention to indicate that the Issue as set out in the Placing Documents does not comply in all material respects with the relevant provisions of the Notice.

We conducted our work in accordance with the International Standard on Assurance Engagements (ISAE) 3000: *Assurance Engagements other than Audits or Reviews of Historical Financial Information*. This Standard requires that we comply with ethical requirements and plan and perform the assurance engagement to obtain limited assurance whether any matters come to our attention to indicate that the Issue as set out in the Placing Documents does not comply in all material respects with the relevant provisions of the Notice.

In a limited assurance engagement the evidence-gathering procedures are more limited than for a reasonable assurance engagement, and therefore less assurance is obtained than in a reasonable assurance engagement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material non-compliance with the provisions of the Notice.

Summary of work performed

Set out below is a summary of the procedures performed in order to obtain sufficient appropriate evidence regarding compliance of the Issue with the provisions of the Notice:

- Inspected the Placing Documents and obtained representation from management regarding compliance of the Issue with the provisions of the Notice; and
- We compared the Placing Documents with the disclosure requirements of the Notice.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

Other Matter

The Placing Documents are required to contain a statement about the Issuer's going concern status and confirmation that the issuer can in all circumstances reasonably be expected to meet its commitments, thereby reflecting the adequacy of the liquidity and solvency of the Issuer. The Notice does not require us to perform procedures on this statement, other than inspecting that it is contained in the Placing Documents. Accordingly, we do not express any assurance on the going concern status or the liquidity and solvency of the Issuer.

Conclusion

Based on our work described in this report, nothing has come to our attention to indicate that the Issue as set out in the Placing Documents does not comply in all material respects with the provisions of the Notice.

Restriction on Use and Distribution

The Placing Documents have only been prepared for the purpose of the Issue and may not be suitable for another purpose.

Our report is intended solely for your information and for the purpose described above and should not be distributed to or used by other parties.
