Absa Group Limited Sustainable Finance Issuance Framework

Absa Group Limited has developed and adopted the Framework which provides the foundation under which Absa Group may execute, and where applicable list, Green, Social and/or Sustainable Bonds, amongst other instruments. Green, Social and Sustainable Bonds issued under the Framework support Absa Group's lending and financing activities (including refinancing activities) to Green Projects, Social Projects and Sustainable Projects. The Framework specifies, amongst other things, categories and eligibility criteria against which a project must qualify to enable sustainable instruments to be categorised as Green, Social and/or Sustainable Bonds. The Framework is available on Absa Group's website at <https://www.absa.africa/content/dam/africa/absaafrica/pdf/dmtn/2022/ABSA-Sustainable-Finance-Issuance-Framework-May-2022.pdf>.

Assurance

In connection with the Framework and in compliance with the applicable JSE Debt Listings Requirements, Absa Group appointed a sustainability specialist, the Carbon Trust, to evaluate the Framework and to issue the Carbon Trust Second Party Opinion confirming that the Framework is aligned with the ICMA Principles and Guidelines.

The Carbon Trust Second Party Opinion is available on Absa Group's website at <https://www.absa.africa/content/dam/africa/absaafrica/pdf/dmtn/2022/Absa-SFIF-SPO-30-May-2022.pdf>.

Independent External Reviewer

The Carbon Trust is an independent external reviewer for the purposes of the JSE Debt Listings Requirements. The Carbon Trust Second Party Opinion constitutes the report of an independent external reviewer on the Framework contemplated in the JSE Debt Listings Requirements.

The Carbon Trust is an independent firm with a mission to accelerate the move to a sustainable, low-carbon economy. The Carbon Trust:

- (a) advises businesses, governments and the public sector on opportunities in a sustainable, low-carbon world;
- (b) measures and certifies the environmental footprint of organisations, products and services; and
- (c) helps develop and deploy low-carbon technologies and solutions, from energy efficiency to renewable power.

Use of Proceeds – Green Bonds – Renewable Energy

The Issuer intends to allocate an amount of funding equivalent to the net proceeds of this Tranche of Notes to finance and/or refinance, in whole or in part, on a portfolio basis, renewable energy assets which may include, without limitation, solar and wind projects.

The application of the net proceeds of this Tranche of Notes will therefore fall within the '*Renewable energy*' category, as set out in the table headed "*Green Categories*" appearing under the section of the Framework headed "*Use of Proceeds*".

Management of Proceeds

The Issuer will track the receipt and use of the net proceeds of this Tranche of Notes via its internal tracking systems as more fully set out in the section of the Framework headed "*Management of Proceeds*".

Impact Measurement and Reporting and External Review

Absa Group will prepare and publish an Annual Allocation and Impact Report as more fully set out in the section of the Framework headed “Reporting”.

Absa Group will request (from the first anniversary of the Issue Date and until the earlier to occur of the Maturity Date or full allocation of the net proceeds) a limited assurance report of the allocation of the proceeds of Green Bonds, Social Bonds and Sustainable Bonds to eligible assets as contemplated by the Framework, to be provided by an external auditor.

The Annual Allocation and Impact Report and related assurance report will be included in Absa Group’s annual Environment, Social and Governance Report and be available on Absa Group’s website at <https://www.absa.africa/absafrica/investor-relations/annual-reports/>. The Issuer will publish a SENS announcement stating when the Annual Allocation and Impact Report will be made available on Absa Group’s website.

Incorporation by Reference

The Framework and the Carbon Trust Second Party Opinion are incorporated by reference into this Applicable Pricing Supplement.

Notwithstanding the incorporation by reference of the Framework and the Carbon Trust Second Party Opinion, the attention of investors in the Notes is drawn to the risk factor headed “*In respect of any Notes issued as Green Bonds, Social Bonds or Sustainable Bonds there can be no assurance that such use of proceeds will be suitable for the investment criteria of an investor*” set out in the document entitled “*Risk Factors and Other Disclosures Schedule – DMTN Programme*” relating to the Programme which is dated 3 September 2021 (as amended or updated from time to time) and is available on Absa Group’s website at <https://www.absa.africa/absafrica/investor-relations/debt-investors/>.
