ANNEXURE 1A:
SALIENT TERMS OF MASTER INVESTMENT AGREEMENT

SALIENT TERMS OF THE MASTER INVESTMENT AGREEMENT

Set out below is a summary of the salient terms of the Master Investment Agreement. The Master Investment Agreement has been made available in terms of the documents incorporated by reference in terms of the Programme Memorandum, pursuant to the section headed “***Documents Incorporated by Reference***”.

1. Parties

The parties to the Master Investment Agreement are Agrarius Sustainability Engineered (RF) Limited (i.e. the Issuer), Agrarius Agri Value Chain (RF) Proprietary Limited (i.e. Agrarius OpCo) and AVC Security SPV (RF) Proprietary Limited (i.e. the SPV Guarantor).

2. Salient Terms

- 2.1. Agrarius OpCo will, from time to time, offer the Issuer an opportunity to make Investments, in order for Agrarius OpCo to enter into the Underlying Transactions.
- 2.2. Each Investment will be made by the Issuer directly to Agrarius OpCo within 5 Business Days of receipt by the Issuer of proceeds for the relevant Tranche of Notes by paying the amount of the Investment into a South African bank account nominated by Agrarius OpCo.
- 2.3. Each Investment will be made in relation to a Series or Tranche of Notes and will be subject to the details and terms and conditions of the relevant Applicable Pricing Supplement.
- 2.4. The specific details of each Investment shall be contained in a Deed of Accession and will subsequently form part of the Master Investment Agreement.
- 2.5. Each Investment is made by the Issuer for the sole purpose of Agrarius OpCo entering into the Underlying Transactions and for no other purpose.
- 2.6. The amount repayable to the Issuer on a Repayment Date in respect of each Investment shall in each case be an amount equal to the lesser of –
 - 2.6.1. the amount specified in the Applicable Pricing Supplement; and
 - 2.6.2. the actual value realised from the Investments acquired in respect of that Investment.
- 2.7. Each Investment shall be repaid by Agrarius OpCo on the Redemption Date.

3. Warranties

The Master Investment Agreement contains warranties which are standard for agreements of this nature.

4. Governing Law and Jurisdiction

The Master Investment Agreement will in all respects be governed by and construed under the laws of the Republic of South Africa.

5. The security arrangements between the Issuer and Agrarius OpCo is summarised in the Programme Memorandum under the section headed ‘Description of the Security Structure’.
6. Agrarius OpCo will use the proceeds received from the Investments by the Issuer to pursue the Underlying Transactions with the Ultimate Obligors, as identified, originated and recommended by the Administrator, and through the conclusion of appropriate Underlying Transaction agreements pertaining to the acquisition of assets. The Issuer has entered into an Administration Agreement with the Administrator, which governs the fees earned by the Administrator.
7. The Investments under each Deed of Accession, and assets of Agrarius OpCo associated with each Deed of Accession will be separately identified in the Accounting Records of the Issuer for reporting purposes to allow for, inter alia, the Independent Sustainability Advisor to report accurately on the use of proceeds and

compliance with the Sustainability Framework for each Series or Tranche of Notes, and to enhance performance reporting. These assets and liabilities associated under a Series is however not legally segregated and Noteholders' exposure is not ring-fenced to a particular Series or Tranche of Notes.

ANNEXURE 5:

ELIGIBILITY CRITERIA FOR INVESTMENTS AND UNDERLYING TRANSACTIONS

1. General

In accordance with the Programme Memorandum, each Tranche of Notes will be supported by an Applicable Pricing Supplement which will set out the terms and conditions associated with the specific Tranche of Notes, as read with the Programme Memorandum, as well as the eligibility criteria to be applied by Agrarius OpCo in considering, approving and concluding Underlying Transactions, including, *inter alia*:

- criteria for counterparties;
- nature of transaction;
- transaction term;
- maximum and minimum transaction values;
- minimum security requirements;
- financial and trading history; and
- ESG criteria.

2. Eligibility Criteria

The Issuer, Agrarius OpCo, AVC Security SPV and the Noteholders hereby agree that the Investments and Underlying Transactions to be financed from the proceeds from the issuance of Sukuk Notes will, in addition to the provisions detailed in the Programme Documents, comply with the additional criteria as detailed in this Annexure 5.

2.1. Criteria for the counterparties

Counterparties to Underlying Transactions must satisfy the following minimum criteria:

- 2.1.1. must be a juristic person whose asset value or annual turnover, together with the combined asset value or annual turnover of all related and inter-related juristic persons, at the time the agreement is concluded, is equal to or exceed R2.5 million;
- 2.1.2. must be a taxpayer in good standing;
- 2.1.3. must be actively involved in the agriculture sector (i.e. passive and/or speculative counterparties will not be considered);
- 2.1.4. must have been operating and trading as a business for at least 3 years and the key management must have at least 10 years demonstrable experience in the agriculture sector and within executive management positions;
- 2.1.5. must be compliant with all relevant legislation and regulations, including relating to broad based black economic empowerment and labour;
- 2.1.6. must be involved in starting a new processing/beneficiation operation or in expanding or upgrading an existing processing/beneficiation operation in the agriculture sector value chain; and
- 2.1.7. insofar empowerment related transactions, more relaxed criteria may be applicable, provided that the total exposure does not exceed 5% of the total value of the portfolio.

2.2. Nature of the Underlying Transactions

All Investments and Underlying Transactions will fall within the following main categories of transactions:

- 2.2.1. **Mudarabah** (profit and loss sharing transactions): is a contract between two parties; one provides the capital and the other provides the labor to form a partnership to share the profits by certain agreed proportions.
- 2.2.2. **Musharakah** (joint venture transactions): is a financial contract between two or many parties to establish a commercial enterprise based on capital and labor. The profits are split according to the agreement between the parties whilst losses are always split according to the ratio of capital contribution.

- 2.2.3. **Murabahah** ("cost plus" method transactions): refers to a sale of a good or property with an agreed profit against a deferred or a lump sum payment. There are two contracts in Murabahah: the first contract is between the client and the financier, whereas the second contract is between the financier and supplier. As an example: the client (purchaser) orders a certain commodity through the financier, the financier then buys the commodity from the supplier and sells it to the client with specified profit whereby the client can make a lump sum or a deferred payment to the financier.
- 2.2.4. **Ijarah** (leasing transactions): refers to transactions in which two parties are involved therein: the lessee and lessor. The lessor (financier) is the real owner of the asset or property and it is rented out to the lessee until full payment is received. At contract maturity, the lessor may opt to keep the asset or transfer it to the lessee via a purchase and sale agreement or as a gift.
- 2.2.5. **Salam** (deferred delivery transactions): refers to transactions where full payment for goods are made in advance by the financier but the delivery of the goods is made at an agreed future date.
- 2.2.6. any additional categories of transactions as may be directed by the SAC, provided that it complies with any relevant legislation.

2.3. Terms of the Investments and Underlying Transactions

All Investments and Underlying Transactions will be subject to the following additional terms/criteria:

- 2.3.1. all Underlying Transactions are concluded in terms of legally valid and binding agreements and that all the requisite authorizations are obtained;
- 2.3.2. all Underlying Transactions are asset-backed;
