APPENDIX “A” DESCRIPTION OF SECURITY ARRANGEMENTS

The below is a brief description of the security arrangements in respect of the Senior Secured Notes contemplated in this Applicable Pricing Supplement (the **Senior Secured Notes**) and does not purport to form part of the Terms and Conditions.

Security Structure Diagram

1 Interpretation

Terms used but not defined herein have the meanings set forth in the Terms and Conditions. In addition, for purposes of this Appendix “A” (*Description of Security Arrangements*), the following defined terms shall bear the following meanings:

- 1.1 **Cession in Security** means the cession in security dated 20 November 2013 concluded between the Issuer and the Debt Guarantor pursuant to which the Issuer cedes *in securitatem debiti* its rights in and to the Lease Agreements, Lease Payments, Insurance Policies and Insurance Proceeds (all as defined therein) in favour of the Debt Guarantor as security for the obligations of the Issuer under the Counter Indemnity Agreement;
- 1.2 **Counter Indemnity** means the counter indemnity agreement dated 20 November 2013 concluded between the Issuer and the Debt Guarantor pursuant to which the Issuer indemnifies the Debt Guarantor against any loss, costs or liability which the Debt Guarantor may incur as a result of or in connection with, *inter alia*, the Debt Guarantee;
- 1.3 **Debt Guarantee** means the written guarantee dated 25 September 2014 granted by the Debt Guarantor in favour of the Trustee, for the benefit of the Senior Secured Noteholders pursuant to which the Debt Guarantor irrevocably guarantees the obligations of the Issuer under the Senior Secured Notes;
- 1.4 **Debt Guarantor** means Accelerate Security SPV (RF) Proprietary Limited, a private company incorporated under the laws of South Africa with registration number 2011/100034/07 and wholly owned by an owner trust with its main business being that of a property security company;
- 1.5 **Debt Guarantor Security** means all the security interests conferred upon the Debt Guarantor pursuant to the Cession in Security and the Mortgage Bonds;

- 1.6 **Mortgage Bonds** means the first ranking continuing covering mortgage bonds registered or to be registered by the Issuer in favour of the Debt Guarantor over each of the Secured Properties. On the redemption or repayment of the Senior Secured Notes, or the disposal of a Secured Property in accordance with the Terms and Conditions of the Senior Secured Notes, the Mortgage Bonds (or any of them) will be cancelled;
- 1.7 **Senior Secured Noteholders** means the registered holders of the Senior Secured Notes as recorded in the Register and **Senior Secured Noteholder** means, as the context requires, any of them; and
- 1.8 **Trustee** means the Trustee for the time being of the Accelerate Senior Secured Notes Trust, being Maitland Group South Africa Limited.

2 **Security Arrangements**

- 2.1 The Senior Secured Notes constitute direct, senior, unconditional and secured indebtedness, but rank *pari passu* amongst themselves and *pari passu* with any indebtedness incurred to the Permitted Term Facility Lenders and the Permitted Hedging Counterparties.
- 2.2 The obligations of the Issuer under the Senior Secured Notes will be directly guaranteed and indirectly secured as set out below.

3 **Direct Guarantee**

The Debt Guarantor has irrevocably guaranteed, by way of first ranking guarantee, ranking *pari passu* with the Debt Guarantee (Permitted Hedging Counterparties) and the Debt Guarantee (Permitted Term Facility Lenders), all of the Issuer's obligations to the Trustee and the Senior Secured Noteholders under the Senior Secured Notes.

4 **Counter Indemnity and Security**

- 4.1 In terms of the Counter Indemnity, the Issuer has indemnified the Debt Guarantor against any loss, costs or liability which the Debt Guarantor may incur as a result of or in connection with the Debt Guarantor Guarantees (as defined in the Counter Indemnity).
- 4.2 The obligations of the Issuer under the Counter Indemnity are secured by:
- 4.2.1 the Cession in Security; and
- 4.2.2 the Mortgage Bonds (if any).

5 **Risks relating to the Security Structure**

- 5.1 As set out above, the Security will not be granted directly in favour of the Senior Secured Noteholders. Instead, the Security will be granted in favour of the Debt Guarantor.
- 5.2 The Security granted in favour of the Debt Guarantor is not subject to any conditions for it to be effective.

- 5.3 As a result, neither the Trustee (acting for the benefit of the Senior Secured Noteholders) nor the Senior Secured Noteholders will have the right to realise the Security directly. Instead, the Trustee (acting on the instructions of the Senior Secured Noteholders) must in accordance with Enforcement Rights Agreement, request that the Enforcement Agent take Enforcement Action. Notably, the Enforcement Agent may only act (or refrain from acting) on the instructions of Finance Providers whose Voting Entitlements are together not less than 50,1% (fifty comma one percent). This indirect claim in respect of the Security may result in a delay in realisation or could involve the Finance Providers voting against the realisation of the Security.
- 5.4 In terms of the Enforcement Rights Agreement, the enforcement agent (i.e. the agent appointed to take any enforcement action, which for the time being is TMF Corporate Services (South Africa) Proprietary Limited, under the Enforcement Rights Agreement) will only take enforcement action which includes the exercising, enforcement of, any right or remedy under any of the Counter Indemnity Agreement or each security documents in an instance of (i) a breach or default or event of default under the finance documents (including the Programme Memorandum) which has occurred and is continuing or (ii) a demand has been made on the Debt Guarantor in accordance with the provisions of the Debt Guarantee.
- 5.5 In terms of the Enforcement Rights Agreement, after any enforcement action has been taken or commenced or pursuant to any demand under any Debt Guarantee (including the Debt Guarantee (Noteholders)) being made, all monies received by any finance party (which includes the Noteholders) from any party pursuant to any payment or repayment by the Issuer under or in connection with any finance documents (including the Programme Memorandum) and from the realisation of the Security shall be regarded as forming part of the common proceeds pool (the **Pool**) and the relevant finance party receiving such proceeds shall, immediately upon receipt thereof, transfer such proceeds into the account notified to the Debt Guarantor and the finance parties. The proceeds comprising the Pool and available to be distributed amongst the finance parties (after paying all fees, costs, charges, expenses and disbursements incurred by and due to the enforcement agent, the Debt Guarantor or any other such finance party in the execution of any of the powers and provisions contained in the finance documents and in the realisation of the Security) (the **Distributable Amount**) shall be allocated to the finance parties by paying, *pari passu* and pro rata in payment to each of those finance parties in favour of whom a Debt Guarantee has been granted, the lesser of its outstandings as at such date and its proportionate share of the Distributable Amount.

APPENDIX “B” ADDITIONAL TERMS AND CONDITIONS

the Issuer shall redeem all the Senior Secured Notes held by the Noteholders at the Early Redemption Amount calculated in accordance with Condition 8.7 (*Early Redemption Amounts*), together with accrued interest (if any) within 15 (fifteen) days of having received a written notice from the Noteholders to redeem such Senior Secured Notes.

- 2.10 The option in Condition 2.9 above shall be exercisable by the Noteholders by the delivery of a written notice (a **Breach of Financial Covenant Redemption Notice**) to the Issuer at its registered office within 30 (thirty) days after the occurrence of the Breach Event, unless prior to the delivery by that Noteholder of its Breach of Financial Covenant Redemption Notice the Issuer gives notice to redeem the Notes.

2.11 **Negative Undertakings**

- 2.11.1 Subject to Condition 2.11.2, the Issuer shall not dispose of any Immovable Property owned by it and which constitutes a Secured Property, unless the Issuer has delivered a certificate to the Trustee at least 10 (ten) Business Days prior to the registration of transfer of the relevant Secured Property confirming that, immediately after the disposal of the relevant Secured Property, the Issuer will comply with the Financial Covenants (taking into account the disposal of the relevant Secured Property and calculated by reference to the latest audited consolidated annual financial statements of the Issuer on that date, or, the unaudited interim consolidated financial statements of the Issuer on that date, as the case may be) and specifying in a separate annexure to the certificate, the Secured Properties over which Mortgage Bonds have been registered (the **Disposal Compliance Certificate**).

2. INTRODUCTION

- 2.1. The Debt Guarantor has agreed to guarantee to the Trustee, for the benefit of the Senior Secured Noteholders, the due and full performance by the Obligors of the Guaranteed Obligations on the terms and conditions set out in this Agreement.
- 2.2. The Obligors have entered into the Counter Indemnity Agreement in favour of the Debt Guarantor and to provide or procure the provision of the Transaction Security as security for their obligations under and in terms of the Finance Documents to which they are a party.
- 2.3. The Debt Guarantor warrants that it knows and understands the terms and conditions of the Transaction Security and the Guaranteed Obligations and agrees to be bound by such terms and conditions.

3. GUARANTEE

3.1. Guarantee and Indemnity

With effect from the Signature Date, the Debt Guarantor hereby irrevocably and unconditionally:

- 3.1.1. guarantees to the Trustee the due and punctual performance by the Obligors of the Guaranteed Obligations;
- 3.1.2. undertakes with the Trustee that whenever any Obligor does not pay any amount or perform any obligation, as the case may be, when due and payable under or in

connection with the Guaranteed Obligations, the Debt Guarantor shall immediately on demand pay that amount or perform that obligation, as the case may be, as if it was the principal obligor; and

- 3.1.3. agrees with the Trustee that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify the Trustee immediately on demand against any cost, loss or liability it incurs as a result of any Obligor not paying any amount or performing any obligation, as the case may be, which would, but for such unenforceability, invalidity or illegality, have been payable by or due for performance by, as the case may be, it under the Guaranteed Obligations on the date when it would have been due for payment or performance, as the case may be. The amount payable by the Debt Guarantor under this indemnity will not exceed the amount it would have had to pay under this Agreement if the amount claimed had been recoverable on the basis of a guarantee.

3.2. Ultimate Balance

This Guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by the Obligors under the Guaranteed Obligations, regardless of any intermediate payment or discharge in whole or in part of the Guaranteed Obligations.

3.3. Reinstatement

- 3.3.1. If any payment by the Obligors or any discharge, release or arrangement given by the Trustee (whether in respect of the obligations of the Obligors or any security for those obligations or otherwise) is avoided or reduced for any reason (including, without limitation, as a result of insolvency, business rescue proceedings, liquidation, winding-up or otherwise):

- 3.3.1.1. the liability of the Obligors shall continue as if the payment, discharge, avoidance or reduction had not occurred;

- 3.3.1.2. the Trustee shall be entitled to recover the value or amount of that security or payment from the Obligors, as if the payment, discharge, avoidance or reduction had not occurred; and

- 3.3.1.3. the Trustee shall be entitled to concede or compromise any claim that any such payment, security or other disposition is liable to avoidance or repayment.

3.4. Waiver of Defences

The obligations of the Debt Guarantor under this Agreement in respect of the Guaranteed Obligations will not be affected by an act, omission, matter or thing which, but for this Clause 3.4, would reduce, release or prejudice any of its obligations under this Agreement (without limitation and whether or not known to it or the Trustee) including, without limitation:

- 3.4.1. any time, waiver or consent granted to, or composition with, the Obligors or any other person;

- 3.4.2. the release of any Obligor or any other person under the terms of any composition or arrangement with any creditor of such Obligor or such other person;
- 3.4.3. the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, execute, take up or enforce, any rights against, or security over assets of, any Obligor or any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- 3.4.4. any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;
- 3.4.5. any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of the Finance Documents or any other document or security;
- 3.4.6. any unenforceability, illegality, invalidity, suspension or cancellation of any obligation of any person under this Agreement or any other Finance Document or any other document or security;
- 3.4.7. any insolvency, liquidation, winding-up, business rescue or similar proceedings; or
- 3.4.8. this Agreement or any other Finance Document not being executed by or binding against any other guarantor or any other party.

3.5. Immediate Recourse

The Debt Guarantor waives any right it may have of first requiring the Trustee to proceed against or enforce any other rights or security or claim payment from any Person before claiming from the Debt Guarantor under this Agreement. This waiver applies irrespective of any law or any provision of the Agreement or the Finance Documents to the contrary.

3.6. Appropriations

Until all amounts which may be or become payable by the Obligors under or in connection with the Guaranteed Obligations have been irrevocably paid in full, the Trustee (or the Enforcement Agent or any other trustee or agent on their behalf) may:

- 3.6.1. refrain from applying or enforcing any other moneys, security or rights held or received by the Trustee (or the Enforcement Agent or any other trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as they see fit (whether against those amounts or otherwise) and the Debt Guarantor shall not be entitled to the benefit of the same; and
- 3.6.2. hold in an interest-bearing suspense account any moneys received from the Debt Guarantor (in its capacity as such) or on account of the Debt Guarantor's liability under this Agreement.

3.7. Additional Security

This Guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by the Trustee. The rights of the Trustee hereunder are in addition to and not exclusive of those provided by law.

3.8. Maximum Liability

Notwithstanding anything to the contrary contained herein or in any other Finance Document, the maximum amount receivable from the Debt Guarantor hereunder shall be limited to the net proceeds of recovery on enforcement by the Debt Guarantor of its rights and remedies against each of the Obligors, jointly and severally, under the Counter Indemnity Agreement and the Transaction Security, save that the Debt Guarantor's liability hereunder shall never exceed the Guaranteed Obligations.

4. PAYMENT MECHANICS

4.1. All payments to be made by the Debt Guarantor in terms of this Agreement shall be in accordance with the provisions of the Enforcement Rights Agreement and shall be:

4.1.1. made in Rand at or before 12h00 on the due date for payment in immediately available funds free of set-off, taxes, exchange, costs, charges, expenses or any other deductions;

4.1.2. in the event of any payment not being made in full on its due date, such payment shall be appropriated in such manner as the Trustee deems fit in its sole discretion, which appropriation will override any appropriation made by the Debt Guarantor.

4.2. The Debt Guarantor shall not have the right to defer, adjust or withhold any payment due to the Trustee in terms of or arising out of this Agreement or to obtain deferment of judgement for such amount or any execution of such judgement by reason of any set-off or counterclaim due to any other contractual or delictual claims or causes of whatsoever nature or howsoever arising.

4.3. Any payment which is due to be made on a day that is not a Business Day shall be made on the next Business Day in the same calendar month (if there is one) or the preceding Business Day (if there is not). In the event that the day for performance of any obligation to be performed in terms of this Agreement (other than a payment obligation) should fall on a day which is not a Business Day, the relevant day for performance shall be the succeeding Business Day.
