ADDITIONAL CONDITION – BENCHMARK DISCONTINUATION**1. Benchmark Discontinuation**

The provisions of this Schedule 1 (*Additional Condition – Benchmark Discontinuation*) shall apply to the EPF030 Notes (the "**Notes**").

1.1 Independent Adviser

- (a) If a Benchmark Event occurs in relation to an Original Reference Rate when any Interest Rate (or any component part thereof) remains to be determined by reference to that Original Reference Rate, then the Issuer shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, with a view to the Issuer determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 1.2 (*Successor Rate or Alternative Rate*)) and, in either case, an Adjustment Spread if any (in accordance with Condition 1.3 (*Adjustment Spread*)) and any Benchmark Amendments (in accordance with Condition 1.4 (*Benchmark Amendments*)).
- (b) An Independent Adviser appointed pursuant to this Condition 1.1 (*Independent Adviser*) shall act in good faith and (in the absence of bad faith or fraud) shall have no liability whatsoever to the Issuer, the Paying Agent or the Noteholders for any determination made by it or for any advice given to the Issuer in connection with any determination made by the Issuer, pursuant to this Condition 1.
- (c) If (i) the Issuer is unable to appoint an Independent Adviser or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 1 prior to the relevant Interest Rate Determination Date, the Interest Rate applicable to the next succeeding Interest Period shall be equal to the Interest Rate last determined in relation to the Notes in respect of the immediately preceding Interest Period. If there has not been a first Interest Payment Date, the Interest Rate shall be the initial Interest Rate. Where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period shall be substituted in place of the Margin relating to that last preceding Interest Period. For the avoidance of doubt, this paragraph shall apply to the relevant next succeeding Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, the first paragraph of this Condition 1.

1.2 Successor Rate or Alternative Rate

If the Independent Adviser determines in its discretion that:

- (a) there is a Successor Rate, then such Successor Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the relevant Interest Rate (or the relevant component part thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 1); or
- (b) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the relevant Interest Rate (or the relevant component part thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 1).

1.3 **Adjustment Spread**

The Adjustment Spread (or the formula or methodology for determining the Adjustment Spread) shall be applied to the Successor Rate or the Alternative Rate (as the case may be). If the Independent Adviser is unable to determine the quantum of, or a formula or methodology for determining the Adjustment Spread, then the Successor Rate or the Alternative Rate (as applicable) will apply without an Adjustment Spread.

1.4 **Benchmark Amendments**

- (a) If any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 1 and the Independent Adviser determines in its discretion (i) that amendments to the Terms and Conditions and/or the Agency Agreement are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and, in either case, the applicable Adjustment Spread (such amendments, the “**Benchmark Amendments**”) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to the Issuer having to give notice thereof to the Noteholders in accordance with Condition 1.5 (*Notices, etc.*), without any requirement for the consent or approval of Noteholders, modify the Terms and Conditions and/or the Agency Agreement to give effect to such Benchmark Amendments with effect from the date specified in such notice.
- (b) In connection with any such variation in accordance with this Condition 1.4 (*Benchmark Amendments*), the Issuer shall comply with the JSE Debt Listings Requirements.

1.5 **Notices, etc.**

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 1 will be notified promptly by the Issuer to the Calculation Agent and, in accordance with Condition 18 (*Notices*), the Noteholders. Such notice shall be irrevocable and shall specify the effective date of such Benchmark Amendments, if any.

No later than notifying the Paying Agent of the same, the Issuer shall deliver to the Paying Agent a certificate signed by two authorised signatories of the Issuer:

- (a) confirming (i) that a Benchmark Event has occurred, (ii) the Successor Rate or, as the case may be, the Alternative Rate and, (iii) where applicable, any Adjustment Spread and/or the specific terms of any Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 1; and
- (b) certifying that the Benchmark Amendments are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread.

The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) and without prejudice to the Paying Agent's ability to rely on such certificate) be binding on the Issuer, the Calculation Agent, the Paying Agent and the Noteholders.

1.6 **Survival of Original Reference Rate Provisions**

Without prejudice to the obligations of the Issuer under Conditions 1.1 (*Independent Adviser*), 1.2 (*Successor Rate or Alternative Rate*), 1.3 (*Adjustment Spread*) and 1.4 (*Benchmark Amendments*), the Original Reference Rate and the fallback provisions provided for in Condition 7.2 (*Floating Rate Notes and Indexed Interest Notes – Interest Determination, Screen Rate Determination including Fallback Provisions*) will continue to apply unless and until notification of the Successor Rate or the Alternative Rate (as the case may be), and any Adjustment Spread (if

applicable) and Benchmark Amendments, has been provided in accordance with Condition 1.5 (*Notices, etc.*).

1.7 Definitions:

As used in this Condition 1:

“Adjustment Spread” means either a spread (which may be positive, negative or zero), or the formula or methodology for calculating a spread and the spread resulting from such calculation, which spread is to be applied to the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (b) in the case of an Alternative Rate or (where (a) above does not apply) in the case of a Successor Rate, the Independent Adviser determines is recognised or acknowledged as being in customary market usage in domestic debt capital markets transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as applicable); or
- (c) if no such determination has been made, the Independent Adviser determines is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as applicable).

“Alternative Rate” means an alternative rate to the Original Reference Rate which the Independent Adviser determines in accordance with Condition 1.2 (*Successor Rate or Alternative Rate*) has replaced the Original Reference Rate in customary market usage in domestic debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for debt securities, with a commensurate interest period and in ZAR or, if no such rate exists, the rate which is most comparable (among other factors, on the basis of interest period and ZAR) to the Original Reference Rate.

- (d) the supervisor of the administrator of the Original Reference Rate publicly announces that the Original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences, in each case within the following six months; or
- (e) the supervisor of the administrator of the Original Reference Rate makes a public announcement or publishes information stating that the Original Reference Rate is no longer or, as of a specified future date will no longer be, representative of the underlying

market or economic reality that it is intended to measure and that representativeness will not be restored (as determined by such supervisor); or

- (f) there has taken place (or will otherwise take place, prior to the next following Interest Rate Determination Date) a change in customary market practice in domestic debt capital markets applicable generally to floating rate notes denominated in ZAR (determined according to factors including, but not limited to, public statements, opinions and publications of industry bodies and organisations) to refer to a base rate other than the Original Reference Rate specified in the Applicable Pricing Supplement despite the continued existence of such Original Reference Rate, when any Interest Rate (or any component part thereof) remains to be determined by reference to the Original Reference Rate; or
- (g) it has become unlawful for the Calculation Agent, the Paying Agent or the Issuer to calculate any payments due to be made to any Noteholder using the Original Reference Rate.

"Independent Adviser" means an independent financial institution of recognised standing and experienced in the domestic capital markets, selected and appointed by the Issuer at its own expense.

"Original Reference Rate" means the Reference Rate originally specified in the Applicable Pricing Supplement for the purposes of determining the relevant Interest Rate (or any component part thereof) in respect of the Notes (provided that if, following one or more Benchmark Events, such Reference Rate originally specified in the Applicable Pricing Supplement for the purposes of determining the relevant Interest Rate (or any component part thereof) in respect of the Notes (or any Successor Rate or Alternative Rate which has replaced it) has been replaced by a (or a further) Successor Rate or Alternative Rate and a Benchmark Event subsequently occurs in respect of such Successor Rate or Alternative Rate, the term Original Reference Rate shall include any such Successor Rate or Alternative Rate).

"Relevant Nominating Body" means, in respect of an Original Reference Rate:

- (a) the central bank for the currency to which the Original Reference Rate relates, or regulator or other supervisory authority; or

"Successor Rate" means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body.
