Grayston Drive Autos (RF) Limited Att. The Directors c.c. Investec Bank Limited 100 Grayston Drive Sandown Sandton 2196

26 July 2023

Dear Sirs

INDEPENDENT AUDITOR'S LIMITED ASSURANCE REPORT OF GRAYSTON DRIVE AUTOS (RF) LIMITED (THE "ISSUER"), REGARDING COMPLIANCE BY THE ISSUER WITH THE RELEVANT PROVISIONS OF THE SECURITISATION SCHEME REGULATIONS (GOVERNMENT NOTICE 2, GOVERNMENT GAZETTE 30628 OF 1 JANUARY 2008) (THE "SECURITISATION SCHEME REGULATIONS") ISSUED BY THE REGISTRAR OF BANKS, AS REQUIRED BY PARAGRAPHS 15(1)(A)(II) AND 16(2)(A)(VII) OF THE SECURITISATION SCHEME REGULATIONS

#### Introduction

We have completed our limited assurance engagement to report in terms of paragraphs 15(1)(a)(ii) and 16(2)(a)(vii) of the Securitisation Scheme Regulations, issued by the Prudential Authority, on whether the Securitisation Scheme and the issuance of notes (the "transaction") by the Issuer, complies, in all material respects, with the provisions of the relevant Securitisation Scheme Regulations ("subject matter").

#### Responsibility of the Directors of the Issuer

The Directors of the Issuer are responsible for the preparation of, and disclosures in the Programme Memorandum and other Transaction Documents dated on or about 26 July 2023 (the "Transaction Documents"), that are free from material misstatement, whether due to fraud or error, as required by the relevant Securitisation Scheme Regulations and for making available all relevant documentation pursuant to the transaction.

#### Our independence and quality control

We have complied with the independence and other ethical requirements of the Code of Professional Conduct for Registered Auditors issued by the Independent Regulatory Board for Auditors ("IRBA Code"), which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards).

The firm applies International Standard on Quality Management 1, Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements, which requires the firm to design, implement and operate a system of quality management, including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

#### Auditor's responsibility

Our responsibility is to express a limited assurance conclusion on whether the issuances of Notes by the Issuer, as described in the Transaction Documents, complies, in all material respects, with the provisions of the relevant Securitisation Scheme Regulations.

Our engagement was performed in accordance with the International Standard on Assurance Engagements, ISAE 3000 (Revised) International Standard on Assurance Engagements other than Audits or Reviews of Historical Financial Information. This standard requires us to to plan and perform our engagement to obtain limited assurance, expressed below, regarding the subject matter of the engagement.

#### Summary of work performed

The procedures performed were based on our professional judgement and included an examination of the applicable Transaction Documents made available to us by the Issuer, for evidence of compliance with the relevant provisions of the Securitisation Scheme Regulations affecting the transaction. We made inquiries of the Directors and Management of the Issuer, as we considered necessary for the purposes of our engagement.

We planned and performed our work to obtain all the information and explanations that we considered necessary to provide sufficient and appropriate evidence for us to express our limited assurance conclusion below. In a limited assurance engagement, the scope is substantially less than for a reasonable assurance engagement and therefore less assurance is provided than in a reasonable assurance engagement. Accordingly, we do not express a reasonable assurance opinion about whether the issuer's Securitisation Scheme and the issuance of Notes have been prepared, in all material respects, in accordance with the Security Scheme Regulations.

We believe that the evidence obtained as part of our limited assurance engagement is sufficient and appropriate to provide a basis for our conclusion expressed below.

#### Limited Assurance Conclusion

Based on the procedures performed and the evidence obtained, nothing has come to our attention which causes us to believe that the issuances of Notes by the Issuer, as

described in the Transaction Documents, is not, in all material respects, in compliance with all the relevant provisions of the Securitisation Scheme Regulations.

#### Restriction on use and distribution

This report is issued for the purpose of providing the Issuer with assurance as to compliance with the Securitisation Scheme Regulations as required by paragraphs 15(1)(a)(ii) and 16(2)(a)(vii) of the Securitisation Scheme Regulations in accordance with the terms of our engagement. Our report is intended solely for the Issuer and may not be suitable for another purpose and should not be used for another purpose nor distributed to any other parties.

Yours faithfully KPMG Inc.
