Н.	GENERAL	
1.	Exchange control approval	Applicable (Note: see the section of the Programme Memorandum headed "Exchange Control")
		Section B.2 (Capital Transfers) – (Foreign Investments) (iii) (South African Institutional Investors) of the "Currency and Exchanges Manual for Authorised Dealers" ("Foreign Portfolio Document") is a general exchange control "pre-approval" which allows certain foreign-issued securities to be subscribed for or purchased by certain qualifying South African resident institutional investors using their "permissible foreign portfolio investment allowances".
		The Foreign Portfolio Document provides, among other things, that institutional investors (comprising all retirement funds, long-term insurers, collective investment scheme management companies and investment managers which register as institutional investors with the Exchange Control Authorities) are eligible for a "foreign portfolio investment allowance".
		Exchange Control Representation
		Each Noteholder of Note/s in this Tranche ("relevant Notes") represents and warrants that the subscription for the relevant Notes does not exceed in any way whatsoever its "permissible foreign portfolio investment allowance" provided for in the Foreign Portfolio Document. Each Noteholder further represents and warrants that it will comply with all reporting requirements applicable to the subscription for the relevant Note/s in terms of the Exchange Control Regulations.
2.	Additional selling restrictions	that the subscription for the relevant Notes does not exceed in any way whatsoever its "permissible foreign portfolio investment allowance" provided for in the Foreign Portfolio Document.
