Dear Sirs

LIMITED ASSURANCE REPORT OF THE INDEPENDENT AUDITOR REGARDING THE CONDUCT OF THE PROPOSED SECURITISATION SCHEME OF THE THEKWINI FUND 18 (RF) LIMITED (FORMERLY KNOWN AS THE THEKWINI FUND 14 (RF) LIMITED) IN ACCORDANCE WITH THE REQUIREMENTS OF THE SECURITISATION SCHEME REGULATIONS (GOVERNMENT NOTICE 2, GOVERNMENT GAZETTE 30628 OF 1 JANUARY 2008)

Scope

We have been engaged by The Thekwini Fund 18 (RF) Limited ("the Issuer") to perform a 'limited assurance engagement,' as defined by International Standards on Assurance Engagements, here after referred to as the engagement, to report on the conduct of the proposed securitisation scheme contained in the Issuer's programme memorandum dated on 22 September 2022 (the "Subject Matter").

Criteria applied by the Issuer

For purposes of our limited assurance engagement the terms of the relevant provisions of the Securitisation Exemption Notice (Government Notice 2, Government Gazette 30628 of 1 January 2008) issued by the Registrar of Banks (the "Notice"), as required by paragraphs 15(1)(a) and 16(2)(a)(vii) of the said Notice comprise the criteria by which the Issuer's compliance is to be evaluated (the "Criteria").

Issuer's responsibilities

The Issuer's management is responsible for presenting the Subject Matter in accordance with that Criteria, in all material respects. This responsibility includes establishing and maintaining internal controls, maintaining adequate records and making estimates that are relevant to the preparation of the subject matter, such that it is free from material misstatement, whether due to fraud or error.

EY's responsibilities

Our responsibility is to express a conclusion on the presentation of the Subject Matter based on the evidence we have obtained

We conducted our engagement in accordance with the *International Standard for Assurance Engagements Other Than Audits or Reviews of Historical Financial Information* ('ISAE 3000'), and the terms of reference for this engagement as agreed with the Issuer on 22 September 2022. Those standards require that we plan and perform our engagement to express a conclusion on whether we are aware of any material modifications that need to be made to the Subject Matter in order for it to be in accordance with the Criteria, and to issue a report. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risk of material misstatement, whether due to fraud or error.

We believe that the evidence obtained is sufficient and appropriate to provide a basis for our limited assurance conclusion.

Our Independence and Quality Control

We have maintained our independence and confirm that we have met the ethical requirements in the Independence Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and have the required competencies and experience to conduct this assurance engagement.

EY also applies International Standard on Quality Control 1, *Quality Control for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance and Related Services Engagements*, and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Description of procedures performed

Procedures performed in a limited assurance engagement vary in nature and timing from and are less in extent than for a reasonable assurance engagement. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. Our procedures were designed to obtain a limited level of assurance on which to base our conclusion and do not provide all the evidence that would be required to provide a reasonable level of assurance.

Although we considered the effectiveness of management's internal controls when determining the nature and extent of our procedures, our assurance engagement was not designed to provide assurance on internal controls. Our procedures did not include testing controls or performing procedures relating to checking aggregation or calculation of data within IT systems.

A limited assurance engagement consists of making enquiries, primarily of persons responsible for preparing the subject matter and related information and applying analytical and other appropriate procedures.

We have performed our procedures on the conduct of the proposed securitisation scheme as documented in the Programme Memorandum prepared by management.

Our procedures were determined having taken into account the specific considerations included in the relevant provisions of the Notice.
