Under this ZAR5,000,000,000 Domestic Medium Term Note Programme (the **Programme**), KAP Industrial Holdings Limited (the **Issuer**) may from time to time issue notes (the **Notes**), which expression shall include Senior Notes and Subordinated Notes (each as defined herein) denominated in any currency agreed by the Issuer and the relevant Dealer(s) (as defined herein) and further subject to all Applicable Laws and, in the case of Notes listed on the Interest Rate Market of the JSE (as defined herein) or such other Financial Exchange(s) (as defined herein) as may be determined by the Issuer and the relevant authority, the debt listings requirements of the JSE Limited (the **JSE**) or such other Financial Exchange(s), that are subject to the terms and conditions (the **Terms and Conditions**) contained in this Programme Memorandum. Any other terms and conditions not contained in the Terms and Conditions that are applicable to any Notes, replacing or modifying the Terms and Conditions, will be set forth in a pricing supplement (the **Applicable Pricing Supplement**).

Capitalised terms used in this Programme Memorandum (as defined herein) are defined in the section of this Programme Memorandum headed "**Terms and Conditions of the Notes**", unless separately defined, and/or in relation to a Tranche of Notes, in the Applicable Pricing Supplement.

As at the Programme Date (as defined herein), the Programme Amount is ZAR5,000,000,000. This Programme Memorandum will apply to the Notes issued under the Programme in an aggregate outstanding Nominal Amount which will not exceed ZAR5,000,000,000 unless such amount is increased by the Issuer pursuant to the section of this Programme Memorandum headed "**General Description of the Programme**".

KAP Manufacturing Proprietary Limited, KAP Raw Materials Proprietary Limited, PG Bison Proprietary Limited, PG Bison Southern Cape Proprietary Limited, Unitrans Passenger Proprietary Limited, Mvelatrans Proprietary Limited and Unitrans Supply Chain Solutions Proprietary Limited (collectively, the **Guarantors**), jointly and severally, irrevocably and unconditionally guarantee to the holders of the Notes (the **Noteholders**) the due and punctual performance of all obligations arising under the Programme pursuant to this Programme Memorandum which the Issuer may incur to the Noteholders and the payment of all amounts owing by the Issuer in respect of the Notes arising under the Programme pursuant to this Programme Memorandum. See Condition 8 with respect to changes of the Guarantors.

The Notes may comprise, without limitation, Fixed Rate Notes, Floating Rate Notes, Mixed Rate Notes, Index-Linked Notes, Zero Coupon Notes and/or such combination of the foregoing Notes and/or such other type of Notes as may be determined by the Issuer and the relevant Dealer(s) and specified in the Applicable Pricing Supplement. Notes will be issued in individual Tranches which, together with other Tranches, may form a Series of Notes. A Tranche of Notes will be issued on, and subject to, the Terms and Conditions, as replaced, amended and/or supplemented by the terms and conditions of that Tranche of Notes set out in the Applicable Pricing Supplement.

This Programme Memorandum has been approved by the JSE. A Tranche of Notes may be listed on the Interest Rate Market of the JSE or on such other or additional Financial Exchange(s) as may be determined by the Issuer, subject to all Applicable Laws. Unlisted Notes may also be issued under the Programme but will not be regulated by the JSE. Claims against the JSE Guarantee Fund Trust may only be made in respect of the trading of Notes listed on the Interest Rate Market of the JSE in accordance with the rules of the JSE Guarantee Fund Trust. The holders of Notes that are not listed on the Interest Rate Market of the JSE will have no recourse against the JSE or the JSE Guarantee Fund Trust. Unlisted Notes are not regulated by the JSE. A copy of the Applicable Pricing Supplement relating to a Tranche of Notes which is to be listed on the Interest Rate Market of the JSE will be delivered to the JSE and the CSD, before the Issue Date, and the Notes in that Tranche may be traded by or through members of the JSE from the date specified in the Applicable Pricing Supplement, in accordance with the Applicable Procedures. The settlement of trades on the JSE will take place in accordance with the electronic settlement procedures of the JSE and the CSD for all trades done through the JSE. The placement of a Tranche of unlisted Notes may (at the sole discretion of the Issuer) be reported through the JSE reporting system, in which event the settlement of trades in such Notes will take place in accordance with the electronic settlement procedures of the JSE and the CSD for all trades done through the JSE. The settlement and redemption procedures for a Tranche of Notes listed on any Financial Exchange (other than or in addition to the JSE) will be specified in the Applicable Pricing Supplement.

The Notes may be issued on a continuing basis and be placed by one or more of the Dealers specified under the section headed "**Summary of Programme**" and any additional Dealer appointed under the Programme from time to time by the Issuer, which appointment may be for a specific issue or on an ongoing basis. References in this Programme Memorandum to the "**relevant Dealer**" shall, in the case of Notes being (or intended to be) placed by more than one Dealer, be to all Dealers agreeing to place such Notes.

As at the Programme Date, the Issuer is rated. The Programme and the Guarantors are not rated but may after the Programme Date be rated by a Rating Agency on a national or international scale basis. A Tranche of Notes may also, on or before the Issue Date, be rated by a Rating Agency on a national scale or international scale basis. Unrated Tranches of Notes may also be issued. The Rating assigned to the Issuer and/or the Guarantors and/or the Programme and/or the Notes, as the case may be, as well as the Rating Agency(ies) which assigned such Rating(s), will be specified in the Applicable Pricing Supplement.

GENERAL DESCRIPTION OF THE PROGRAMME

Capitalised terms used in this section headed "General Description of the Programme" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The Issuer may from time to time issue one or more Tranches of Notes under the Programme, pursuant to this Programme Memorandum, provided that the aggregate outstanding Nominal Amount of all of the Notes issued under the Programme from time to time does not exceed the Programme Amount.

A Tranche of Notes may be listed on the Interest Rate Market of the JSE or on such other or additional Financial Exchange(s) as may be determined by the Issuer, subject to Applicable Laws. Unlisted Notes may also be issued under the Programme. The Applicable Pricing Supplement will specify whether or not a Tranche of Notes will be listed and, if so, on which Financial Exchange. If the Issuer issues a Tranche of unlisted Notes or a Tranche of Notes is listed on any Financial Exchange other than (or in addition to) the JSE, the Issuer will, by no later than the last Day of the month of issue of that Tranche of Notes, inform the JSE in writing of the aggregate Nominal Amount and the Maturity Date (if any) of that Tranche of Notes.

This Programme Memorandum and any supplement will only be valid for the issue of Notes in an aggregate Nominal Amount which does not exceed ZAR5,000,000,000 or its equivalent in other currencies. For the purpose of calculating the South African Rand equivalent of the aggregate Nominal Amount of the Notes issued under the Programme from time to time, the South African Rand equivalent of the Notes denominated in another Specified Currency (as specified in the Applicable Pricing Supplement) shall be determined as of the date of agreement to issue such Notes (the **Agreement Date**) on the basis of the spot rate for the sale of the South African Rand against the purchase of such Specified Currency in the South African foreign exchange market quoted by any leading bank selected by the Issuer on the Agreement Date (the **Conversion Rate**) and in respect of:

- (a) Zero Coupon Notes and other Notes, the Conversion Rate shall be applied to the net subscription proceeds received by the Issuer for the relevant issue; and
- (b) Partly-Paid Notes and Index-Linked Notes, the Conversion Rate shall be applied to the Nominal Amount regardless of the amount paid up on such Notes.

From time to time the Issuer may wish to increase the Programme Amount. Subject to the Applicable Procedures, all Applicable Laws and the Programme Agreement (as defined in the section headed "*Subscription and Sale*"), the Issuer may, without the consent of Noteholders, increase the Programme Amount by delivering a notice thereof to the Noteholders in accordance with Condition 19 (*Notices*) of the Terms and Conditions, and to the Arrangers, the Dealer(s), the JSE and the CSD. Upon such notice being given to the Noteholders and the conditions set out in the Programme Agreement to exercise this right having been met, all references in this Programme Memorandum (and each agreement, deed or document relating to the Programme and/or this Programme Memorandum) to the Programme Amount will be, and will be deemed to be, references to the increased Programme Amount set out in such notice.

As at the Programme Date, the Issuer is rated. The Programme and the Guarantors are not rated but may after the Programme Date be rated by a Rating Agency on a national or international scale basis. A Tranche of Notes may also, on or before the Issue Date, be rated by a Rating Agency on a national scale or international scale basis. Unrated Tranches of Notes may also be issued. The Rating assigned to the Issuer and/or the Guarantors and/or the Programme and/or the Notes, as the case may be, as well as the Rating Agency(ies) which assigned such Rating(s), will be specified in the Applicable Pricing Supplement. A Rating is not a recommendation to subscribe for, buy, sell or hold any Notes. A Rating of the Programme and/or a Rating of a Tranche of Notes may be subject to revision, suspension or withdrawal at any time by the Rating Agency.

This Programme Memorandum will only apply to Notes issued under the Programme on or after the Programme Date.

A summary of the Programme and the Terms and Conditions appears below.

The Programme Amount at the time of the issue of any Tranche of Notes will be set out in the Applicable Pricing Supplement.

Stabilisation

In connection with the issue and distribution of any Tranche of Notes under the Programme, the Dealer(s), if any, that is specified in the Applicable Pricing Supplement as the Stabilising Manager (or any Person acting for the Stabilising Manager) may, if specified in that Applicable Pricing Supplement and only if such stabilising is permitted by the debt listings requirements of the JSE and approved by the JSE, over-allot or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail for a limited period. However, there may be no obligation on the Stabilising Manager (or any agent of the Stabilising Manager) to do this. Such stabilising, if commenced, may be discontinued at any time and must be brought to an end after a limited period. Such stabilising shall be in compliance with all Applicable Laws, regulations and rules.

Taxation

Terms and Conditions

The terms and conditions of the Notes are set out in the section of this Programme Memorandum headed "*Terms and Conditions of the Notes*". The Applicable Pricing

In the event that withholding tax or such other deduction is required by law, then the Issuer will, subject to certain exceptions as provided in Condition 12 (*Taxation*), pay such additional amounts as shall be necessary in order that the net amounts received by the Noteholders after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, as the case may be, in the absence of such withholding or deduction.

FORM OF THE NOTES

Capitalised terms used in this section headed "Form of the Notes" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

9.1. Fixed Rate Notes

- 9.1.1. Each Fixed Rate Note bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement at the rate(s) per annum equal to the Fixed Rate of Interest so specified, payable in arrears on the Fixed Interest Payment Dates in each year up to and including the Maturity Date.
- 9.1.2. The first payment of interest will be made on the Fixed Interest Payment Date next following the Interest Commencement Date.
- 9.1.3. Except as provided in the Applicable Pricing Supplement, the amount of interest payable per Note on each Fixed Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount, provided that:
- 9.1.3.1. if an Initial Broken Amount is specified in the Applicable Pricing Supplement, then the first Interest Amount shall equal the Initial Broken Amount specified in the Applicable Pricing Supplement; and
- 9.1.3.2. if a Final Broken Amount is specified in the Applicable Pricing Supplement, then the final Interest Amount shall equal the Final Broken Amount.
- 9.1.4. If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Fixed Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, as specified in the Applicable Pricing Supplement, and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half such Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

9.2. Floating Rate Notes and Indexed Interest Notes

Interest Payment Dates

Each Floating Rate Note and Indexed Interest Note bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement, and such interest will be payable in arrears on the Interest Payment Date(s) in each year specified in the Applicable Pricing Supplement. Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

Rate of Interest

The Rate of Interest payable from time to time in respect of the Floating Rate Notes and Indexed Interest Notes will be determined in the manner specified in the Applicable Pricing Supplement.

Minimum and/or Maximum Rate of Interest

If the Applicable Pricing Supplement specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. If the Applicable Pricing Supplement specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

Determination of Rate of Interest and Calculation of Interest Amount

The Calculation Agent, in the case of Floating Rate Notes and Indexed Interest Notes will at,

or as soon as is practicable after, each time at which the Rate of Interest is to be determined, determine the Rate of Interest and calculate the Interest Amount payable in respect of each Floating Rate Note and Indexed Interest Note in respect of each Specified Denomination for the relevant Interest Period, and the Calculation Agent shall notify the Issuer of the Rate of Interest for the relevant Interest Period as soon as is practicable after calculating the same. Each Interest Amount shall be calculated by applying the Rate of Interest to the Specified Denomination, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half a Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Interest Determination, Screen Rate Determination including Fallback Provisions

Where ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any). For the purposes of this sub-paragraph, **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by such agent as is specified in the Applicable Pricing Supplement under an interest rate swap transaction if that agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the most recent ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the Applicable Pricing Supplement;
- (b) the Designated Maturity is the period specified in the Applicable Pricing Supplement; and
- (c) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on ZAR-JIBAR-SAFEX, the first Day of that Interest Period; or (ii) in any other case, as specified in the Applicable Pricing Supplement.

For the purposes of the above sub-paragraph **Floating Rate, Floating Rate Option, Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions specified in the Applicable Pricing Supplement.

Where Screen Rate Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject to the provisions below, be either:

- (a) if the Relevant Screen Page is available,
 - (i) the offered quotation (if only one quotation appears on the screen page); or
 - (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage per annum) for the Reference Rate which appears on the Relevant Screen Page as at 11h00 (or as otherwise specified in the Applicable Pricing Supplement) (Johannesburg time) on the Interest Determination Date in question plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any), all as determined by the Calculation Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations; or

- (b) if the Relevant Screen Page is not available or if, in the case of (a)(i) above, no such offered quotation appears or, in the case of (a)(ii) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph, the Calculation Agent shall request the principal Johannesburg office of each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11h00 (Johannesburg time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards)

of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent; or

- (c) if the Rate of Interest cannot be determined by applying the provisions of (a) and (b) above, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks offered, at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date, deposits in an amount approximately equal to the nominal amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate to prime banks in the Johannesburg inter-bank market plus or minus (as appropriate) the Margin (if any). If fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the Rate of Interest for the relevant Interest Period will be determined by the Calculation Agent as the arithmetic mean (rounded as provided above) of the rates for deposits in an amount approximately equal to the Nominal Amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate, quoted at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date, by the Reference Banks plus or minus (as appropriate) the Margin (if any). If the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the Applicable Pricing Supplement as being other than ZAR-JIBAR-SAFEX, the Rate of Interest in respect of such Notes will be determined as provided in the Applicable Pricing Supplement.

Notification of Rate of Interest and Interest Amount

The Issuer will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the JSE and the CSD and/or every other relevant exchange or authority as soon as possible after their determination but in any event no later than the 4th (fourth) Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to the JSE, the CSD and/or every other relevant exchange or authority and to the Noteholders in accordance with Condition 19 (*Notices*).

Certificates to be Final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this subparagraph 9.2, by the Calculation Agent shall (in the absence of wilful deceit, bad faith or manifest error or proven error) be binding on the Issuer and all Noteholders and in the absence as aforesaid no liability to the Issuer or the Noteholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

9.3. Dual Currency Interest Notes

In the case of Dual Currency Interest Notes, the Interest Rate or Interest Amount payable shall be determined in the manner specified in the Applicable Pricing Supplement.

9.4. **Mixed Rate Notes**

The Interest Rate payable from time to time on Mixed Rate Notes shall be the Interest Rate payable on the form of interest-bearing Note (be it a Fixed Rate Note, Floating Rate Note, Index-Linked Note or Dual Currency Note) specified for each respective period, each as specified in the Applicable Pricing Supplement. During each such applicable period, the Interest Rate on the Mixed Rate Notes shall be determined and fall due for payment on the basis that such Mixed Rate Notes are Fixed Rate Notes, Floating Rate Notes, Index-Linked Notes or Dual Currency Notes, as the case may be.

9.5. **Accrual of Interest**

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date of its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue at the Default Rate specified in the Applicable Pricing Supplement until the date on which all amounts due in respect of such Note have been paid, or, in respect of uncertificated Notes, the date on which the full amount of the money payable has been received by the CSD and/or the Participants and notice to that effect has been given to Noteholders in accordance with Condition 19 (*Notices*).

9.6. **Business Day Convention**

If any Interest Payment Date (or other date), which is specified in the Applicable Pricing Supplement to be subject to adjustment in accordance with a Business Day Convention, would otherwise fall on a Day that is not a Business Day, then, if the Business Day Convention specified is:

- (a) the **Floating Rate Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next Day which is a Business Day unless it would thereby fall into the next calendar month, in which event: (i) such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day and (ii) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the number of months, or other period specified as the Interest Period in the Applicable Pricing Supplement, after the preceding applicable Interest Payment Date (or other date) has occurred; or
- (b) the **Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next Day which is a Business Day; or
- (c) the **Modified Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next Day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other such date) shall be brought forward to the first preceding Business Day; or
- (d) the **Preceding Business Day Convention**, such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day.

10. **PAYMENTS**

10.1. **General**

Payments of principal and/or interest on an Individual Certificate shall be made to the registered holder of such Note, as set forth in the Register on the close of business on the Last Day to Register (as specified in the Applicable Pricing Supplement). In addition to the above, in the case of a final redemption payment, the holder of the Individual Certificate shall be required, on or before the Last Day to Register prior to the Maturity Date, to surrender such Individual Certificate at the offices of the Transfer Agent.

Payments of principal and/or interest in respect of uncertificated Notes shall be made to the CSD's Nominee or the Participants, as shown in the Register on the Last Day to Register, and the Issuer will be discharged of its payment obligations by proper payment to the CSD's Nominee or the Participants, in respect of each amount so paid. Each of the Persons shown in the records of the CSD and the Participants, as the case may be, shall look solely to the CSD or the Participant, as the case may be, for his share of each payment so made by the Issuer to the registered holder of such uncertificated Notes.

Payment will be subject in all cases to any fiscal or other laws, directives and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 12 (*Taxation*).

10.2. Method of Payment

Payments will be made in the Specified Currency by credit or transfer, by means of electronic settlement, to the Noteholder.

Payments will be subject in all cases to any fiscal or other laws, directives and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 12 (*Taxation*).

If the Issuer is prevented or restricted directly or indirectly from making any payment by electronic funds transfer in accordance with the preceding paragraph (whether by reason of strike, lockout, fire, explosion, floods, riot, war, accident, act of God, embargo, legislation, shortage of or breakdown in facilities, civil commotion, unrest or disturbances, cessation of labour, Government interference or control or any other cause or contingency beyond the control of the Issuer), the Issuer shall make such payment by cheque marked “*not transferable*” (or by such number of cheques as may be required in accordance with applicable banking law and practice to make payment of any such amounts). Such payments by cheque shall be sent by post to the address of the Noteholder as set forth in the Register or, in the case of joint Noteholders, the address set forth in the Register of that one of them who is first named in the Register in respect of that Note.

Each such cheque shall be made payable to the relevant Noteholder or, in the case of joint Noteholders, the first one of them named in the Register. Cheques may be posted by ordinary post, provided that neither the Issuer, nor the Paying Agent shall be responsible for any loss in transmission and the postal authorities shall be deemed to be the agent of the Noteholders for the purposes of all cheques posted in terms of this Condition 10.2.

In the case of joint Noteholders, payment by electronic funds transfer will be made to the account of the Noteholder first named in the Register. Payment by electronic transfer to the Noteholder first named in the Register shall discharge the Issuer of its relevant payment obligations under the Notes.

10.3. Payment Day

If the date for payment of any amount in respect of any Note is not a Business Day, and no Business Day Convention has been stipulated in the Applicable Pricing Supplement, the holder thereof shall not be entitled to payment until the next following Business Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay.

10.4. Interpretation of Principal and Interest

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- 10.4.1. any additional amounts which may be payable with respect to principal under Condition 12 (*Taxation*);
- 10.4.2. the Final Redemption Amount of the Notes or the Early Redemption Amount of the Notes, as the case may be;
- 10.4.3. the Optional Redemption Amount(s) (if any), as specified in the Applicable Pricing Supplement, of the Notes;
- 10.4.4. in relation to Instalment Notes, the Instalment Amounts;
- 10.4.5. in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 11.7.3); and
- 10.4.6. any premium and any other amounts which may be payable by the Issuer under or in respect of the Notes, but excluding for the avoidance of doubt, interest.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 12 (*Taxation*).

11. REDEMPTION AND PURCHASE

11.1. Redemption at Maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer in the Specified Currency at its Final Redemption Amount plus interest (if any) specified in, or determined in the manner specified in, the Applicable Pricing Supplement on the Maturity Date.

11.2. Redemption for Tax Reasons

Notes may be redeemed at the option of the Issuer at any time (in the case of Notes other than Floating Rate Notes, Indexed Interest Notes or Mixed Rate Notes having an Interest Rate then determined on a floating or indexed basis) or on any Interest Payment Date (in the case of Floating Rate Notes, Indexed Interest Notes or Mixed Rate Notes), on giving not less than 30 (thirty) Days nor more than 60 (sixty) Days notice to the Noteholders prior to such redemption, in accordance with Condition 19 (*Notices*) (which notice shall be irrevocable, certified by 2 (two) authorised directors of the Issuer and include particulars of the relevant change pursuant to Condition 11.2.1 below), if the Issuer, immediately prior to the giving of such notice, is of the reasonable opinion that:

11.2.1. as a result of any change in, or amendment to, the laws or regulations of South Africa or any political sub-division of, or any authority in, or of, South Africa having power to tax, or any change or amendment which becomes effective after the relevant Issue Date, the Issuer is or would be required to pay additional amounts as provided or referred to in Condition 12 (*Taxation*); and

11.2.2. the requirement cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 (ninety) Days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Notes may be redeemed by the Issuer in accordance with this Condition 11.2 in whole or in part. A redemption in part may be effected by the Issuer:

11.2.2.1. notwithstanding that such partial redemption may not entirely avoid such obligation to pay additional amounts as provided for or referred to in Condition 12 (*Taxation*); and

11.2.2.2. *mutatis mutandis* in the manner described in Condition 11.3 (*Redemption at the Option of the Issuer*), provided that the references to the giving of notice therein and to the Minimum Redemption Amount and the Higher Redemption Amount (both as specified in the Applicable Pricing Supplement) therein shall be disregarded for such purposes.

Notes redeemed for tax reasons pursuant to this Condition 11.2 will be redeemed at their Early Redemption Amount referred to in Condition 11.7 (*Early Redemption Amounts*), together (if appropriate) with interest accrued from (and including) the immediately preceding Interest Payment Date to (but excluding) the date of redemption or as specified in the Applicable Pricing Supplement.

11.3. Redemption at the Option of the Issuer

If the Issuer is specified in the Applicable Pricing Supplement as having an option to redeem, the Issuer may, having given not less than 30 (thirty) Days nor more than 60 (sixty) Days irrevocable notice to the Noteholders in accordance with Condition 19 (*Notices*) or unless otherwise specified with the Applicable Pricing Supplement, redeem all or some of the Notes (to which such Applicable Pricing Supplement relates) then Outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the Applicable Pricing Supplement, together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

Any such redemption must be of a Nominal Amount equal to the Minimum Redemption Amount or a Higher Redemption Amount, both as indicated in the Applicable Pricing Supplement.

In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by Individual Certificates, and in accordance with the Applicable Procedures in the case of Redeemed Notes which are uncertificated, and in each case not more than 30 (thirty) Days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**).

In the case of Redeemed Notes represented by Individual Certificates, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 19 (*Notices*) not less than 30 (thirty) Days prior to the date fixed for redemption. The aggregate Nominal Amount of Redeemed Notes represented by Individual Certificates shall bear the same proportion to the aggregate Nominal Amount of all Redeemed Notes as the aggregate Nominal Amount of Individual Certificates outstanding bears to the aggregate Nominal Amount of the Notes outstanding, in each case on the Selection Date, provided that such first mentioned Nominal Amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination and the aggregate Nominal Amount of Redeemed Notes which are uncertificated shall be equal to the balance of the Redeemed Notes. No exchange of the relevant uncertificated Notes will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph, and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 19 (*Notices*) at least 10 (ten) Days prior to the Selection Date.

Holder of Redeemed Notes shall surrender the Individual Certificates, if any, representing the Notes in accordance with the provisions of the notice given to them by the Issuer as contemplated above. Where only a portion of the Notes represented by such Individual Certificates are redeemed, the Transfer Agent shall deliver new Individual Certificates to the Noteholders, as the case may be, in respect of the balance of the Notes.

11.4. **Redemption at the Option of the Senior Noteholders**

If Senior Noteholders are specified in the Applicable Pricing Supplement as having an option to request the redemption of Senior Notes, such Senior Noteholders may exercise such option in respect of such Senior Notes by delivering to the Transfer Agent, in accordance with Condition 19 (*Notices*), a duly executed notice (**Put Notice**), at least 30 (thirty) Days but not more than 60 (sixty) Days, prior to the Optional Redemption Date.

For redemption in part, the redemption amount specified in such Put Notice in respect of any such Senior Note must be of a principal amount equal to or greater than the Minimum Redemption Amount or equal to or less than the Higher Redemption Amount, each as indicated in the Applicable Pricing Supplement.

The redemption by the Senior Noteholders of uncertificated Senior Notes shall take place in accordance with the Applicable Procedures.

The Issuer shall proceed to redeem the Senior Notes in respect of which such option has been exercised in accordance with the terms of the Applicable Pricing Supplement, at the Optional Redemption Amount and on the Optional Redemption Date, together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

In the event that the redeeming Senior Noteholder is the holder of an Individual Certificate, then such Senior Noteholder shall (attached to the Put Notice) deliver the Individual Certificate to the Transfer Agent for cancellation. A holder of an Individual Certificate shall, in that holder's Put Notice, specify a bank account into which the redemption payment amount is to be paid.

The delivery of Put Notices shall be required to take place during normal office hours to the Transfer Agent. Put Notices shall be available for inspection at the Specified Offices of the Transfer Agent.

Any Put Notice given by a holder of any Senior Note pursuant to this paragraph shall be irrevocable except where, after giving the notice but prior to the due date of redemption, an Event of Default shall have occurred and be continuing in which event such Senior Noteholder, at its option, may elect by notice to the Issuer to withdraw the notice given

pursuant to this paragraph and instead to declare such Senior Note forthwith due and payable pursuant to Condition 17 (*Events of Default*).

The Issuer shall have no liability to remedy any defects in any Put Notice or bring any such defects to the attention of any Noteholder.

11.5. Redemption in the event of a Change of Control

The provisions of this Condition 11.5 (*Redemption in the event of a Change of Control*) shall apply if specified in the Applicable Pricing Supplement.

11.5.1. A “**Change of Control Event**” shall occur if at any time while any Note remains Outstanding:

- (i) a Change of Control occurs; and
- (ii) within the Change of Control Period and in respect of that Change of Control:
 - (A) a Rating Downgrade occurs in relation to the Issuer and/or a Guarantor and/or the Programme and/or any Notes rated by a Rating Agency, as the case may be; or
 - (B) if, at the time the Change of Control occurs, the Issuer and/or a Guarantor and/or the Programme and/or the Notes, as the case may be, are not so rated, a Negative Rating Event occurs.

11.5.2. Promptly upon the Issuer becoming aware that a Change of Control Event has occurred, the Issuer shall give a notice to the Noteholders in accordance with Condition 19 (*Notices*) specifying the nature of the Change of Control Event and the circumstances giving rise to it and the procedure for exercising the option contained in this Condition 11.5.

11.5.3. If a Change of Control Event occurs at any time while any Note remains Outstanding, then provided the Noteholders have:

- (i) in terms of Condition 21 (*Meeting of Noteholders*) convened a meeting of Noteholders within 30 (thirty) days of the notification set out in Condition 11.5.2 above; and
- (ii) resolved in terms of Condition 21 (*Meetings of Noteholders*) by way of Extraordinary Resolution to require the redemption of the Notes of that Class of Noteholders in these circumstances,

the Issuer shall redeem all Notes held by that Class of Noteholders at its Early Redemption Amount together with accrued interest (if any) within 15 (fifteen) days of having received a written notice from that Class of Noteholders to redeem such Note.

11.5.4. Such option shall be exercisable by a Class of Noteholders by the delivery of a written notice (a “**Change of Control Redemption Notice**”) to the Issuer at its registered office within 60 (sixty) days after the occurrence of a Change of Control Event, unless prior to the delivery by that Noteholder of its Change of Control Redemption Notice the Issuer gives notice to redeem the Notes.

11.5.5. For the purposes of this Condition 11.5 (*Redemption in the event of a Change of Control*):

- (a) “**Acting in Concert**” means a group of persons who, pursuant to an agreement or understanding (whether formal or informal), actively co-operate, through the acquisition of shares in the Issuer by any of them, either directly or indirectly, to obtain or consolidate Control of the Issuer;
- (b) a “**Change of Control**” shall be deemed to have occurred at each time (whether or not approved by the senior management or board of directors of the Issuer), save in respect of Steinhoff International Holdings Limited or any of its Subsidiaries, that any person (“**Relevant Person**”) or person Acting in Concert or any person or persons acting on behalf of any such person(s), at any time directly or indirectly acquires Control of the Issuer, provided that a Change of Control shall not be deemed to have occurred if the shareholders of the Relevant Person are also, or immediately prior to the event which would otherwise constitute a Change of Control, were all of the shareholders of the Issuer;

- (c) “**Change of Control Period**” means, in relation to a Change of Control of the Issuer, the period commencing 60 (sixty) days prior to such Change of Control and ending 60 (sixty) days after such Change of Control;

- (e) “**Investment Grade Rating**” means a national scale rating of “**Baa3za**” by Moody’s, “**BBB-(zaf)**” by Fitch, “**zaBBB-**” by S&P, “**BBB-**” by GCR or its equivalent for the time being, or better;
- (f) a “**Negative Rating Event**” shall, in relation to Notes that are unrated and/or where no Rating is assigned to the Issuer and/or the Guarantor and/or the Programme, as the case may be, by a Rating Agency at the time a Change of Control occurs, be deemed to have occurred if:
 - (A) the Issuer does not on or before the 60th (sixtieth) Business Day after the commencement of the Change of Control Period seek, and use all reasonable endeavours to obtain from a Rating Agency, a Rating in respect of itself and/or the Guarantor and/or the Programme and/or the Notes, as the case may be, that are not rated; and
 - (B) if it does so seek and use such endeavours, it has not at the expiry of the Change of Control Period and as a result of such Change of Control obtained an Investment Grade Rating in respect of itself and/or the Programme and/or such Notes, as the case may be;

 - (B) changed from an Investment Grade Rating to a non-Investment Grade Rating; or
 - (C) in the case of a non-Investment Grade Rating, downgraded by any Rating Agency by one or more Rating Notches,

provided that no Rating Downgrade shall have occurred if the Rating assigned to the Issuer and/or the Guarantor and/or the Programme and/or the Notes, as the case may be, is substituted for an Investment Grade Rating by another Rating Agency;
- (h) “**Rating Notch**” means the difference between one Rating and the Rating immediately below it, for example, from “**BB+**” to “**BB**” by the Rating Agency or such similar lower or equivalent Rating.

11.6. Redemption in the event of a failure to maintain JSE Listing or Rating

The provisions of this Condition 11.6 (*Redemption in the event of a failure to maintain JSE Listing or Rating*) shall apply if specified in the Applicable Pricing Supplement.

11.6.1. The Issuer shall, for so long as listed Notes remain Outstanding:

11.6.1.1. ensure that those Notes remain listed on the Interest Rate Market of the JSE (the **JSE Listing**); and

- 11.6.1.2. maintain a Rating in respect of the Issuer, the Notes or the Programme, as the case may be.
- 11.6.2. If a breach of the undertakings in Condition 11.6.1 above occurs, then the Issuer shall within 3 (three) Business Days of such breach and in accordance with Condition 19 (*Notices*), give notice (the **Issuer Redemption Notice**) of such breach and the procedure for exercising the option set out in Condition 11.6.3 below to the Noteholders.
- 11.6.3. Each Noteholder may within the period ending 15 (fifteen) Business Days of receipt of the Issuer Redemption Notice (the **Election Period**), require the Issuer to redeem its Notes on:
 - 11.6.3.1. the Interest Payment Date immediately following the Election Period; or
 - 11.6.3.2. if the Election Period expires within a Books Closed Period, the next Interest Payment Date falling after the Interest Payment Date at the end of the Election Period,

- 11.6.4. The Issuer shall, in accordance with Condition 11.6.3 above, redeem the Notes relevant to each Noteholder Redemption Notice at the Early Redemption Amount calculated in accordance with Condition 11.7 (*Early Redemption Amounts*), together with accrued interest (if any).

11.7. Early Redemption Amounts

For the purpose of Conditions 11.2 (*Redemption for Tax Reasons*) and/or Condition 17 (*Events of Default*), the Notes will be redeemed at the Early Redemption Amount plus interest (if any), calculated as follows:

- 11.7.1. in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- 11.7.2. in the case of Notes (other than Zero Coupon Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price, at the amount specified in, or determined in the manner specified in, the Applicable Pricing Supplement or, if no such amount or manner is so specified in the Pricing Supplement, at their Nominal Amount; or
- 11.7.3. in the case of Zero Coupon Notes, at an amount (the **Amortised Face Amount**) equal to the sum of: (i) the Reference Price; and (ii) the product of the Implied Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable; or
- 11.7.4. such other amount or method of calculation of the amount payable as is provided in the Applicable Pricing Supplement.

Where such calculation is to be made for a period which is not a whole number of years, it shall be calculated on the basis of actual Days elapsed divided by 365 (three hundred and sixty five), or such other calculation basis as may be specified in the Applicable Pricing Supplement.

11.8. Instalment Notes

Instalment Notes will be redeemed at the Instalment Amounts and on the Instalment Dates. In the case of early redemption in accordance with Conditions 11.2 (*Redemption for Tax Reasons*), 11.5 (*Redemption in the event of a Change of Control*), 11.6 (*Redemption in the event of a failure to maintain JSE listing and credit rating*) and/or Condition 17 (*Events of Default*), the Early Redemption Amount will be determined pursuant to Condition 11.7 (*Early Redemption Amounts*).

If the Notes are Partly Paid Notes, they will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition 11 (*Redemption and Purchase*) and the Applicable Pricing Supplement. In the case of early redemption in accordance with Conditions 11.2 (*Redemption for Tax Reasons*), 11.5 (*Redemption in the event of a Change of Control*), 11.6 (*Redemption in the event of a failure to maintain JSE listing and credit rating*) and/or Condition 17 (*Events of Default*), the Early Redemption Amount will be determined pursuant to Condition 11.7 (*Early Redemption Amounts*).

11.10. Exchangeable Notes

If the Notes are Exchangeable Notes, they will be redeemed, whether at maturity, early redemption or otherwise, in the manner indicated in the Applicable Pricing Supplement. Exchangeable Notes in respect of which Mandatory Exchange is indicated in the Applicable Pricing Supplement as applying, or upon the exercise by the Noteholder of the Noteholder's Exchange Right (if applicable), will be redeemed by the Issuer delivering to each Noteholder as many of the Exchange Securities as are required in accordance with the Exchange Price. The delivery by the Issuer of the Exchange Securities in the manner set out in the Applicable Pricing Supplement shall constitute the *in specie* redemption in full of such Notes.

11.11. Purchases

11.11.1. The Issuer or any Subsidiary may at any time purchase Notes (in the open market or in privately negotiated transactions with any Noteholders) at any price in the open market or otherwise. Such Notes may, subject to Applicable Law, be held, resold, or, at the option of the Issuer and/or the relevant Subsidiary, as the case may be, surrendered to the Transfer Agent for cancellation.

11.11.2. Where the Issuer or any Subsidiary purchases notes and such purchase results in the Issuer or Subsidiary, as the case may be, holding in aggregate more than 35% (thirty five percent) of the Nominal Amount of Notes issued in a particular Tranche, the Issuer undertakes to immediately notify all remaining Noteholders of such purchase in accordance with Condition 19 (*Notices*).

11.12. Cancellation

All Notes which have been redeemed will forthwith be cancelled. All Notes so cancelled shall be forwarded to the Issuer and cannot be re-issued or resold. Where only a portion of Notes represented by an Individual Certificate are cancelled, the Transfer Agent shall deliver an Individual Certificate to such Noteholder in respect of the balance of the Notes.

11.13. Late Payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 11 (*Redemption and Purchase*) or upon its becoming due and repayable as provided in Condition 17 (*Events of Default*) is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 11.7.3 as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of: (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and (ii) 5 (five) Days after the date on which the full amount of the monies payable has been received by the CSD, and notice to that effect has been given to the Noteholder in accordance with Condition 19 (*Notices*).

11.14. Applicable Procedures

The redemption and partial redemption of Beneficial Interests shall take place in accordance with the Applicable Procedures and the Financial Markets Act.

12. TAXATION

12.1. All payments of principal and interest in respect of the Notes by the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf

of South Africa or any political subdivision or any authority thereof or therein having power to tax, unless such withholding or deduction is required by law.

- 12.2. In such event, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, as the case may be, in the absence of such withholding or deduction, except that no such additional amounts shall be payable with respect to any Note:
- 12.2.1. held by or on behalf of a Noteholder who is liable for such taxes or duties in respect of such Note by reason of his having some connection with South Africa other than the mere holding of such Note or the receipt of principal or interest in respect thereof; or
- 12.2.2. presented for payment by or on behalf of, or held by, a Noteholder who could lawfully avoid (but has not so avoided) such withholding or deduction by complying with any statutory requirements in force at the present time or in the future by making a declaration of non-residence or other similar claim or filing for exemption to which it is entitled to the relevant tax authority or the Paying Agent (the effect of which is not to require the disclosure of the identity of the relevant Noteholder); or
- 12.2.3. where such withholding or deduction is in respect of taxes levied or imposed on interest or principal payments only by virtue of the inclusion of such payments in the taxable income (as defined in section 1 of the Income Tax Act) or taxable capital gain (as defined in paragraph 1 of Schedule 8 to the Income Tax Act) of any Noteholder; or
- 12.2.4. where (in the case of payment of principal and/or interest which is conditional on surrender and/or presentation of the relevant Individual Certificate in accordance with the Terms and Conditions) the relevant Individual Certificate is surrendered and/or presented more than 30 (thirty) Days after the Relevant Date, except to the extent that the Noteholder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth Day; or
- 12.2.5. if such withholding or deduction arises through the exercise by revenue authorities of special powers in respect of tax defaulters; or
- 12.2.6. if such withholding or deduction arises in terms of the US Foreign Account Tax Compliance Act (**FATCA**), any regulations or agreements thereunder, official interpretations thereof, any intergovernmental approach thereto, or implementing legislation adopted by another jurisdiction in connection with FATCA.
- 12.3. Any reference in these Terms and Conditions to any amounts in respect of the Notes shall be deemed also to refer to any additional amounts which may be payable under these Terms and Conditions or under any undertakings given in addition to, or in substitution for, these Terms and Conditions.

13. **EXCHANGE OF BENEFICIAL INTERESTS AND REPLACEMENT OF INDIVIDUAL CERTIFICATES**

13.1. **Exchange of Beneficial Interests**

- 13.1.1. The holder of a Beneficial Interest in Notes may, in terms of the Applicable Procedures and subject to section 42 of the Financial Markets Act, by written notice to the holder's nominated Participant (or, if such holder is a Participant, the CSD), request that such Beneficial Interest be exchanged for Notes in definitive form represented by an Individual Certificate (the **Exchange Notice**). The Exchange Notice shall specify (i) the name, address and bank account details of the holder of the Beneficial Interest and (ii) the Day on which such Beneficial Interest is to be exchanged for an Individual Certificate; provided that such Day shall be a Business Day and shall fall not less than 30 (thirty) Days after the Day on which such Exchange Notice is given.
- 13.1.2. DESCRIPTION OF KAP INDUSTRIAL HOLDINGS LIMITED

1. INTRODUCTION

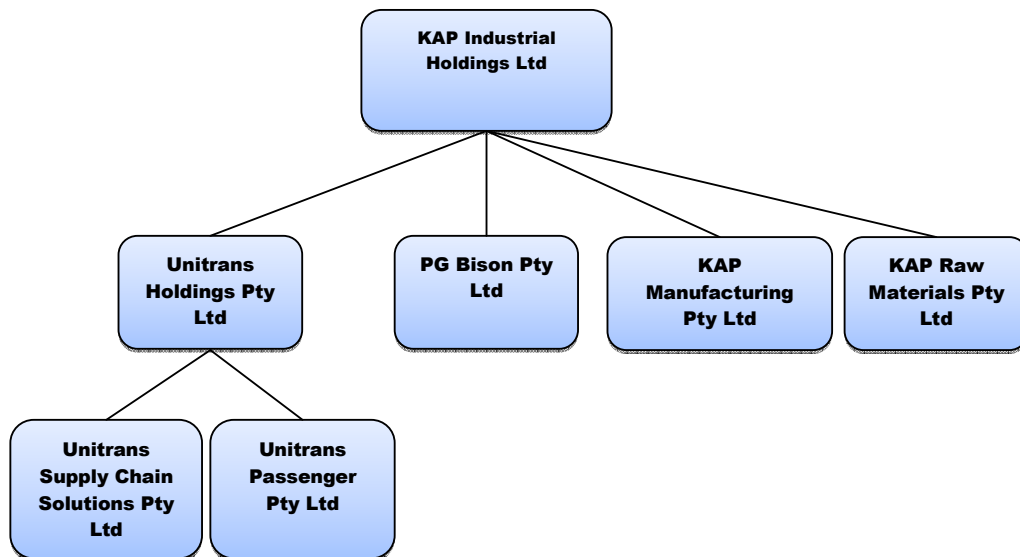

KAP Industrial Holdings Limited (**KAP** or the **Issuer**) was founded in Pretoria on 19 January 1978 and was listed on the JSE Limited in 1994 as Kolosus Holdings Limited. The company changed its name in 2004 to KAP International Holdings Limited and in 2012 to its current name. As at the Programme Date, KAP forms part of the Socially Responsible (SRI) Index of the JSE Limited. KAP's market capitalisation on 31 January 2014 was R8.1 billion. During the financial year ended 30 June 2013, the KAP group generated revenues of R14.4 billion and for the six month period ended 31 December 2013 generated revenues of R 7.8 billion.

In April 2012, KAP acquired the Industrial Assets of Steinhoff Africa, being Unitrans, PG Bison and Raw Materials assets.

The KAP group is predominantly located in and focused on industrial business in emerging African markets. It consists of four divisions: logistics, passenger, manufacturing and integrated timber. Logistics and passenger have been combined for purposes of reporting, resulting in three reporting segments; namely logistics, manufacturing and integrated timber. The combined businesses of KAP, which are primarily focused on the infrastructural industrial sector, reduce the risk of cyclicality, with all four divisions positioned to benefit from normal business cycles.

2. OWNERSHIP AND CONTROL

As at the Programme Date, the KAP Group structure is as follows:

2.1 Business of the Guarantors

Each of the Guarantors is a wholly-owned subsidiary of the Issuer.

KAP Manufacturing Proprietary Limited is a Manufacturer of polyethylene terephthalate (PET) resin, automotive components, industrial and fashion footwear. KAP Raw Materials Proprietary

Limited manufactures foam and bedding and related products, while PG Bison Proprietary Limited is a manufacturer and upgrader of timber plantations. PG Bison Southern Cape Proprietary Limited is a sawmilling manufacturer and is also involved in the timber plantations business. Unitrans passenger Proprietary Limited is a passenger transport servicing personnel, commuter, intercity and tourism business, while Mvela Trans Proprietary Limited provides commuter services to the North West Provincial Government. Unitrans Supply Chain Solutions Proprietary Limited is a supply chain business which designs, implements and manages supply chains and logistics services.

2.2 Major Shareholders

Steinhoff International Holdings Limited (**Steinhoff International**), via one of its wholly-owned subsidiaries, Ainsley Holdings Proprietary Limited, holds 61.78% of the issued share capital of KAP. Steinhoff International is an integrated retailer, listed on the JSE Limited and manufactures, sources and retails furniture and household goods in Europe, Africa and Australasia. In South Africa, Steinhoff holds majority shareholdings in KAP and JD Group Limited, a company also listed on the JSE Limited. JD Group operates household retail and associated businesses in Southern Africa.

3. REVIEW OF OPERATIONS/DESCRIPTION OF BUSINESS

3.1 Logistics

Under its divisional holding company, Unitrans Supply Chain Solutions Proprietary Limited, the logistics division houses specialised, diverse supply chain businesses which design, implement and manage supply chain and logistics services for long-term, blue-chip, contractual customers through its two sub-divisions: Fuel, Agric and Mining and Freight and Logistics. The logistics division is active in various sub-Saharan African countries and earns 21% of its revenues outside of South Africa.

Services offered include transportation, warehousing and distribution, mining and agricultural services, freight forwarding and clearing and supply chain consulting services

The division operates a fleet in excess of 3 000 vehicles and has over 400 000 square metres of warehousing under management.

3.2 Passenger

The divisional holding company of the passenger division is Unitrans Passenger Proprietary Limited. Unitrans Passenger is a diversified transport business, serving the commuter, intercity and tourism markets. The core business of the division is the offering of long term contractual solutions to large corporates and the government.

The core business is augmented by the provision of:

- Intercity transport to major cities in South Africa, extending to neighbouring African countries.
- Luxury coach services for the corporate and tourist markets.
- The Gautrain bus feeder services in Gauteng via a joint venture with Mega Express Proprietary Limited.

3.3 Manufacturing

The manufacturing division, which falls under KAP Manufacturing Proprietary Limited, is focused on being a market leader within the underlying market sectors that it serves. Its products include:

- Polyethylene terephthalate (PET) resin, a product widely used in lightweight packaging and plastic bottles. This division (Hosaf) is considered the market leader in the South African PET market.
- Automotive components. The Feltex business, which serves the original equipment manufacturers in South Africa, is also regarded as the market leader in the moulded foam seat and automotive trim (main floor carpets and acoustic products) markets.
- Furniture and Bedding. This division is a major component supplier to the furniture manufacturing industry in South Africa.
- Footwear. This business manufactures and imports a diverse branded range of industrial and fashion footwear.

The division operates from 26 manufacturing facilities, based in Southern Africa.

3.4 **Integrated Timber**

The holding company of the integrated timber division is PG Bison Proprietary Limited. The division has positioned itself as a focused flat-sheet board manufacturer and primary upgrader in South Africa.

The division manufactures and distributes sawn timber, poles, upgraded wood-based panel products and solid surfacing materials, and distributes decorative laminates. The division manages and owns 91 000 hectares of forestry land in KwaZulu-Natal, the North Eastern Cape and the Southern Cape, with almost 43 000 hectares under plantation. This yields approximately 670 000 cubic metres of wood fibre per annum on a sustainable basis, mainly for consumption in the division's 7 manufacturing facilities. Over 2 000 000 trees are planted annually in accordance with sustainable forestry practices. The division's modern Woodchem plant provides security of supply of resin to its board production and upgrading facilities.

The division is focused on enhancing efficiencies through technology and new infrastructure. New installations include a medium density fibreboard (MDF) 300 square metre per day press which was commissioned at its Boksburg plant in October 2013, a melamine faced board (MFB) press which was commissioned at the Ugie plant in the North Eastern Cape in November and a foil press at its Piet Retief plant.

4 **MANAGEMENT STRATEGY**

KAP's strategy is to be an emerging African market industrial group focused on being market leaders in the industries we serve, with high barriers to entry, sustainable earnings, solid margins, strong cash flow generation and African growth.

True to this strategy the group has made good progress in the last 6 months, such as:

- disposed of various non-core assets which were generating low returns e.g. the food assets.

- invested in new manufacturing capacity at PG Bison which will generate superior returns.
- continued to allocate capital to logistics partnerships with our customers.

High-return investments remain core to the group and we continue to investigate a number of options for organic growth.

5 RISK MANAGEMENT

The board of KAP has the responsibility for risk management within the KAP group and for ensuring compliance. The board monitors the adequacy and effectiveness of the risk management procedures set by the board and reviews any significant risks and/or opportunities identified.

To assist the board, the KAP audit and risk committee oversees group risk management. Divisional audit and risk committees have been established for each of the KAP group's four divisions. These divisional audit committees, which meet on a biannual basis, consider and interrogate the risk reports tabled by divisional management. Meetings of the divisional audit and risk committees are attended by the chief internal audit executive and the external auditor. Major risks identified are reviewed by the KAP audit and risk committee and board, together with mitigating factors and controls established.

Information technology (IT) forms an integral part of the group's risk management approach. Reports and assessments from the divisional IT executives are tabled at the quarterly divisional and KAP board and audit and risk committee meetings.

The group's success in its overall strategy is largely attributable to its business philosophy which supports decentralised, autonomous business units with an entrepreneurial culture. The board recognises that some elements of risk management can only be achieved on an integrated basis. Financial risks such as exchange rate risk, interest rate risk, liquidity risk and commodity price risk are largely controlled centrally.

Significant risks identified by management are as follows:

Financial risk

The group's financial instruments are listed in the notes to the group annual financial statements. Derivative instruments such as forward exchange contracts are used by the group for hedging purposes. The group does not speculate in trading derivatives or other financial instruments. A finance forum consisting of senior financial group executives meets regularly to analyse currency and interest rate exposure and to re-evaluate treasury management strategies in the context of prevailing economic conditions and forecasts. The finance forum also reviews the hedging policy of the group on a regular

Liquidity risk

The group's policy is to spread debt maturities over a wide range of periods to manage excessive refinancing risk in any one-year period. The group further manages liquidity risk by monitoring the forecast cash flows and maintaining adequate unused borrowing facilities. In addition, the group uses a variety of sources to fund its activities in order to reduce any concentration risk and to mitigate liquidity risk. The group uses a variety of debt suppliers and instruments to limit its exposure to any one supplier or instrument. The group extends its debt maturity profile on an ongoing basis.

Currency risk

The principal objective of our currency risk management and hedging strategy is to seek to mitigate exposure to movements in foreign exchange rates for the major currencies that the group is exposed to, taking into account the potential effect on the group's net debt and related credit metrics. It is group policy to hedge exposure to operational cash transactions in foreign currencies other than the reporting currency of the underlying operation for a range of forward periods, but not to hedge exposure for the translation of reported profits in the different jurisdictions and ultimately for reporting purposes to rand. In addition, currency assets are hedged by way of currency borrowing where practicable or, alternatively, to effectively hedge all borrowings in currencies other than where such borrowings are used. The responsibility for monitoring and managing these risks is that of management in conjunction with the central treasury and foreign exchange support functions.

Interest rate risk

Interest rate exposure is managed within limits agreed by the board. All treasury transactions are undertaken to manage exposure to underlying activities and no speculative trading is undertaken. As part of the process of managing the group's borrowing mix, the interest rate characteristics of new borrowings and the refinancing of existing borrowings are positioned according to expected movements in interest rates.

Credit risk

Trade accounts receivable and short-term cash investments pose a potential credit risk to the group. The role of the group's credit function is to set consistent standards for assessing, quantifying (scoring), monitoring, mitigating and controlling the credit risk introduced by contractual obligations of trading partners and commercial clients. The group's trade accounts receivable consist mainly of a large and widespread customer base. Group companies continually monitor the financial position of their customers, and appropriate use is made of credit guarantee insurance and/or other security. The granting of credit is controlled by application procedures and by setting account limits. Provision is made for both specific and general bad debt. At year-end, management did not consider there to be any material credit risk exposure that was not covered by credit guarantee insurance, other security or the bad debt provision. In the current economic climate, a high level of attention is paid to analysing the creditworthiness of existing and potential customers.

Acquisition risk

A formal due diligence process and procedure is in place that sets out the approach and framework to be used when acquisitions are made. This includes continuous strategic analysis of intended targets, development of acquisition criteria, both in terms of the group's strategic direction and potential value creation for the respective business units of the group. Merger and acquisition service providers are used to review and manage the entire process relating to mergers and the application and implementation of business combinations. Merger and acquisition opportunities are reviewed and proposed to the board by the executive committee. If approval in principle is granted by the board, a committee of the board is tasked with finalising the process. With its diverse and decentralised management structure the group mitigates acquisition risk.

Insurance risk

Where cost-effective, the group maintains a wide-ranging insurance programme, providing financial protection against unforeseen events which could cause financial loss. All risks are considered to be adequately covered, except for political risks. Self-insurance programmes are in operation, covering primary levels of risk at a cost more advantageous than open-market premiums. Regular risk management audits are conducted by the group's risk management and insurance consultants, whereby improvement areas are identified and resultant action plans implemented accordingly.

Sustainable financial performance

Management's aim is to maintain adequate financial performance of the Group without compromising prudent accounting standards and policies. This is done through enhancing existing income and revenue streams and identifying additional income streams through providing robust and comprehensive services and products to the market.

Succession planning

Effective and appropriate succession planning, especially for key positions, is in place to ensure continuity in the management of the group.

7 CORPORATE GOVERNANCE AND REGULATORY FRAMEWORK

The level of group borrowings, including the borrowings of the Guarantors, is subject to the level of group borrowings imposed by the Issuer, and to the provisions of the Companies Act 2008, and to their existing covenants.

The entering into of loan agreements, finance agreements, credit agreements or the like is supported by specific resolutions of the board of the directors of the relevant group companies who nominate the person(s) authorised to negotiate the terms of such agreements and to sign all documentation necessary to give effect thereto.

The Guarantors are wholly-owned subsidiaries within the KAP Industrial group and are subject to the corporate governance systems and controls of the KAP Industrial group, at both divisional and group level.

The Issuer is compliant with the principles contained in the King Report on Corporate Governance (King III), with the exception of Principle 9.3, requiring that sustainability reporting and disclosure should be independently assured on the basis that a combined assurance model for independent assurance on material sustainability issues will be developed and implemented when the KAP Group's data collation systems and reporting on sustainability issues reach a more mature stage.

8 BLACK ECONOMIC EMPOWERMENT

During 2009, Steinhoff Internal Holdings Limited implemented employee and "previously disadvantaged" management share participation schemes to empower its employees. These schemes have been extended to all qualifying KAP group employees, the majority of whom are "black" as defined in the Broad-Based Black Economic Empowerment Act no 53 of 2003 as amended. Approximately 13 000 KAP group employees participate in these schemes and collectively hold more than 40 million shares in Steinhoff International Holdings Limited.

The KAP group is committed to the principles of broad-based black economic empowerment. Prior to the recent amendments to the Broad-based Black Economic Codes of Good Practice, the KAP group companies achieved a score of Level 5 or better. The group is in the process of evaluating the new codes and will establish a sustainable revised minimum group target.

9 RECENT DEVELOPMENTS

In June 2013, KAP disposed of the businesses of Bull Brand Foods and Brenner Mills as part of its strategic focus on its core operations. These disposals were completed during the first quarter of 2014.

INVESTOR CONSIDERATIONS

Capitalised terms used in this section headed “Investor Considerations” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The Issuer believes that the factors outlined below may affect its ability to fulfil its obligations under the Notes. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring. In addition, factors which are material for the purpose of assessing the market risks associated with the Notes are also described below. The value of the Notes could decline due to any of these risks, and investors may lose some or all of their investment.

The Issuer believes that the factors described below represent the principal risks inherent in investing in the Notes, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons which may not be considered significant risks by the Issuer based on information currently available to it, or which it may not currently be able to anticipate. Accordingly, the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive.

Prospective investors should also read the detailed information set out elsewhere in this Programme Memorandum to reach their own views prior to making any investment decision.

References below to the “Terms and Conditions”, in relation to Notes, shall mean the “Terms and Conditions of the Notes” set out under the section of this Programme Memorandum headed “Terms and Conditions of the Notes”.

Factors that may affect the Issuer’s ability to fulfil its obligations under Notes issued under the Programme

Risks Relating to the Notes

The Notes may not be a suitable investment for all investors

Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Programme Memorandum or any applicable supplement;
- have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact such an investment will have on its overall investment portfolio;
- have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor’s currency;
- understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured and appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor’s overall investment portfolio.

There may not be an active trading market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there is currently no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. There is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

The Notes may be redeemed prior to maturity

Unless in the case of any particular Tranche of Notes the Applicable Pricing Supplement specifies otherwise, in the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the government of South Africa or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with the Conditions.

In addition, if in the case of any particular Tranche of Notes the Applicable Pricing Supplement specifies that the Notes are redeemable at the Issuer's option in certain other circumstances, the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes.

Because uncertificated Notes are held by or on behalf of the CSD, investors will have to rely on their procedures for transfer, payment and communication with the Issuer

Notes issued under the Programme which are listed on the Interest Rate Market of the JSE or such other or additional Financial Exchange and/or held in the CSD may, subject to Applicable Laws and the Applicable Procedures, be issued in uncertificated form. Unlisted Notes may also be held in the CSD in uncertificated form. Notes held in the CSD will be issued, cleared and settled in accordance with the Applicable Procedures through the electronic settlement system of the CSD. Except in the limited circumstances described in the Terms and Conditions, investors will not be entitled to receive Individual Certificates. The CSD will maintain records of the Beneficial Interests in Notes and/or issued in uncertificated form, which are held in the CSD (whether such Notes are listed or unlisted). Investors will be able to trade their Beneficial Interests only through the CSD and in accordance with the Applicable Procedures.

Payments of principal and/or interest in respect of uncertificated Notes will be made to the CSD's Nominee or the Participants and the Issuer will discharge its payment obligations under the Notes by making payments to or to the order of the CSD' Nominee or the Participants for distribution to their account holders. A holder of a Beneficial Interest in uncertificated Notes, whether listed or unlisted, must rely on the procedures of the CSD to receive payments under the relevant Notes. Each investor shown in the records of the CSD or the Participants, as the case may be, shall look solely to the CSD or the Participant, as the case may be, for his share of each payment so made by the Issuer to the registered holder of such uncertificated Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, such Beneficial Interests.

Holders of Beneficial Interests in uncertificated Notes will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by the CSD to appoint appropriate proxies.

Recourse to the JSE Guarantee Fund Trust

The holders of Notes that are not listed on the Interest Rate Market of the JSE will have no recourse against the JSE Guarantee Fund Trust. Claims against the JSE Guarantee Fund Trust may only be made in respect of the trading of Notes listed on the Interest Rate Market of the JSE and in accordance with the rules of the JSE Guarantee Fund Trust. Unlisted notes are not regulated by the JSE.

Credit Rating

Tranches of Notes issued under the Programme, the Guarantors, the Issuer and/or the Programme, as the case may be, may be rated or unrated. A Rating is not a recommendation to buy, sell or hold

securities and may be subject to suspension, reduction or withdrawal at any time by the assigning Rating Agency. Any adverse change in an applicable credit rating could adversely affect the trading price for the Notes issued under the Programme.

Risks related to the structure of the particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature is likely to limit the market value of the Notes. During any period when the Issuer may elect to redeem the Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period. The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to re-invest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index-Linked and Dual Currency Notes

The Issuer may issue Notes the terms of which provide for interest or principal payable in respect of such Notes to be determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a “**Relevant Factor**”) or with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- the market price of such Notes may be volatile;
- no interest may be payable on such Notes;
- payments of principal or interest on such Notes may occur at a different time or in a different currency than expected;
- the amount of principal payable at redemption may be less than the Nominal Amount of such Notes or even zero;
- a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable is likely to be magnified; and
- the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Partly-paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of its investment.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Variable Rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate may at any time be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Notes where denominations involve integral multiples: Individual Certificates

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive an Individual Certificate in respect of such holding and would need to purchase a Principal Amount of Notes such that its holding amounts to a minimum Specified Denomination.

If Individual Certificates are issued, holders should be aware that Individual Certificates which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Modification and waivers and substitution

The Conditions contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Change of law

The Notes are governed by, and will be construed in accordance with, South African law in effect as at the Programme Date. No assurance can be given as to the impact of any possible judicial decision or change to South African law or administrative practice in South Africa after the Programme Date.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

SETTLEMENT, CLEARING AND TRANSFER OF NOTES

Capitalised terms used in this section headed "Settlement, Clearing and Transfer of Notes" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

Notes listed on the Interest Rate Market of the JSE and/or held in the CSD

Each Tranche of Notes which is listed on the Interest Rate Market of the JSE in uncertificated form will be held in the CSD. A Tranche of unlisted Notes may also be held in the CSD.

Clearing systems

Each Tranche of Notes listed on the Interest Rate Market of the JSE will be issued, cleared and settled in accordance with the Applicable Procedures for the time being of the JSE and the CSD through the electronic settlement system of the CSD. Such Notes will be cleared by Participants who will follow the electronic settlement procedures prescribed by the JSE and the CSD.

The CSD has, as the operator of an electronic clearing system, been appointed by the JSE to match, clear and facilitate the settlement of transactions concluded on the JSE. Subject as aforesaid each Tranche of Notes which is listed on the Interest Rate Market of the JSE will be issued, cleared and transferred in accordance with the Applicable Procedures and the Terms and Conditions, and will be settled through Participants who will comply with the electronic settlement procedures prescribed by the JSE and the CSD. The Notes may be accepted for clearance through any additional clearing system as may be agreed between the JSE, the Issuer and the Dealer(s).

Participants

The CSD maintains accounts only for Participants. As at the Programme Date, the Participants which are approved by the JSE, in terms of the listing requirements of the JSE, as Settlement Agents to perform electronic settlement of funds and scrip are Citibank N.A. South Africa Branch; FirstRand Bank Limited; Nedbank Limited; Standard Chartered Bank, Johannesburg Branch; Société Générale, Johannesburg Branch; The Standard Bank of South Africa Limited and the South African Reserve Bank. Euroclear, as operator of the Euroclear System, and Clearstream will settle offshore transfers in the Notes through their Participants.

Settlement and clearing

Participants will be responsible for the settlement of scrip and payment transfers through the CSD, the JSE and the South African Reserve Bank.

While a Tranche of Notes is held in the CSD, the CSD's Nominee, a wholly owned subsidiary of the CSD approved by the Registrar of Securities Services in terms of the Financial Markets Act, and any reference to "CSD's Nominee" shall, whenever the context permits, be deemed to include any successor nominee operating in terms of the Financial Markets Act, will be named in the Register as the sole Noteholder of the Notes in that Tranche. All amounts to be paid and all rights to be exercised in respect of Notes held in the CSD will be paid to and may be exercised only by the CSD's Nominee for the holders of Beneficial Interests in such Notes.

In relation to each Person shown in the records of the CSD or the relevant Participant, as the case may be, as the holder of a Beneficial Interest in a particular Nominal Amount of Notes, a certificate or other document issued by the CSD or the relevant Participant, as the case may be, as to the Nominal Amount of such Notes standing to the account of such Person shall be *prima facie* proof of such Beneficial Interest. The CSD's Nominee (as the registered Noteholder of such Notes named in the Register) will be treated by the Issuer, the Paying Agent, the Transfer Agent and the relevant Participant as the holder of that aggregate Nominal Amount of such Notes for all purposes.

Payments of all amounts in respect of a Tranche of Notes which is listed on the Interest Rate Market of the JSE and/or held in uncertificated form will be made to the CSD's Nominee, as the registered Noteholder of such Notes, which in turn will transfer such funds, via the Participants, to the holders of Beneficial Interests. Each of the Persons reflected in the records of the CSD or the relevant Participant, as the case may be, as the holders of Beneficial Interests in Notes shall look solely to the CSD or the relevant Participant, as the case may be, for such Person's share of each payment so made by (or on behalf of) the Issuer to, or for the order of, the CSD's Nominee, as the registered Noteholder of such Notes.

Payments of all amounts in respect of a Tranche of Notes which is listed on the Interest Rate Market of the JSE and/or held in uncertificated form will be recorded by the CSD's Nominee, as the registered Noteholder of such Notes, distinguishing between interest and principal, and such record of payments by the CSD's Nominee, as the registered Noteholder of such Notes, shall be *prima facie* proof of such payments.

Transfers and exchanges

Subject to the Applicable Laws, title to Beneficial Interest held by clients of Participants indirectly through such Participants will be freely transferable and pass on transfer thereof by electronic book entry in the securities accounts maintained by such Participants for such clients. Subject to the Applicable Laws, title to Beneficial Interests held by Participants directly through the CSD will be freely transferable and pass on transfer thereof by electronic book entry in the central securities accounts maintained by the CSD for such Participants. Beneficial Interests may be transferred only in accordance with the Applicable Procedures.

Beneficial Interests may be exchanged for Notes represented by Individual Certificates in accordance with Condition 15.2(*Transfer of Notes represented by Individual Certificates*).

Records of payments, trust and voting

Neither the Issuer nor the Paying Agent will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, Beneficial Interests, or for maintaining, supervising or reviewing any records relating to Beneficial Interests. Neither the Issuer nor the Paying Agent nor the Transfer Agent will be bound to record any trust in the Register or to take notice of or to accede to the execution of any trust (express, implied or constructive) to which any Note may be subject. Holders of Beneficial Interests vote in accordance with the Applicable Procedures.

JSE Guarantee Fund Trust

The holders of Notes that are not listed on the Interest Rate Market of the JSE will have no recourse against the JSE or the JSE Guarantee Fund Trust. Claims against the JSE Guarantee Fund Trust may only be made in respect of the trading of the Notes listed on the Interest Rate Market of the JSE and in accordance with the rules of the JSE Guarantee Fund Trust.

Notes listed on any Financial Exchange other than (or in addition to) the Interest Rate Market of the JSE

Each Tranche of Notes which is listed on any Financial Exchange other than (or in addition to) the Interest Rate Market of the JSE will be issued, cleared and settled in accordance with the rules and settlement procedures for the time being of that Financial Exchange. The settlement and redemption procedures for a Tranche of Notes which is listed on any Financial Exchange (other than or in addition to the JSE) will be specified in the Applicable Pricing Supplement.

SUBSCRIPTION AND SALE

Capitalised terms used in this section headed "Subscription and Sale" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The Dealer has in terms of the programme agreement dated 5 June 2014, as may be amended, supplemented or restated from time to time (the **Programme Agreement**), agreed with the Issuer a basis upon which it may from time to time agree to subscribe for Notes or procure the subscription of the Notes.

Selling restrictions

South Africa

Each Dealer has (or will have) represented, warranted and agreed that it (i) will not offer Notes for subscription, (ii) will not solicit any offers for subscription for or sale of the Notes, and (iii) will itself not sell or offer the Notes in South Africa in contravention of the Companies Act, Banks Act, Exchange Control Regulations and/or any other Applicable Laws and regulations of South Africa in force from time to time.

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that it will not make an "offer to the public" (as such expression is defined in the Companies Act, and which expression includes any section of the public) of Notes (whether for subscription, purchase or sale) in South Africa. This Programme Memorandum does not, nor is it intended to, constitute a prospectus prepared and registered under the Companies Act.

Offers not deemed to be offers to the public

Offers for subscription for, or sale of, Notes are not deemed to be offers to the public if:

- (a) made only to certain investors contemplated in section 96(1)(a) of the Companies Act; or
- (b) the total contemplated acquisition cost of Notes, for any single addressee acting as principal, is equal to or greater than ZAR1,000,000, or such higher amount as may be promulgated by notice in the Government Gazette of South Africa pursuant to section 96(2)(a) of the Companies Act.

Information made available in this Programme Memorandum should not be considered as "advice" as defined in the Financial Advisory and Intermediary Services Act, 2002.

United States

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the **Securities Act**) and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. Persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that:

- (a) the Notes in that Tranche have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. Persons except in certain transactions exempt from the registration requirements of the Securities Act;
- (b) it has not offered, sold or delivered any Notes in that Tranche and will not offer, sell or deliver any Notes in that Tranche (i) as part of their distribution at any time or (ii) otherwise until 40 (forty) Days after completion of the distribution, as determined and certified by the Dealer(s) or, in the case of an issue of such Notes on a syndicated basis, the relevant Lead Manager, of all Notes of the Series of which that Tranche of Notes is a part, within the United States or to, or for the account or benefit of, U.S. Persons;

- (c) it will send to each dealer to which it sells any Notes in that Tranche during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of such Notes within the United States or to, or for the account or benefit of, U.S. Persons; and
- (d) it, its Affiliates and any Persons acting on its or any of its Affiliates behalf have not engaged and will not engage in any directed selling efforts in the United States (as defined in Regulation S under the Securities Act) with respect to the Notes in that Tranche and it, its Affiliates and any Persons acting on its or any of its Affiliates' behalf have complied and will comply with the offering restrictions requirements of Regulation S.

Until 40 (forty) Days after the commencement of the offering of a Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an exemption from registration under the Securities Act.

European Economic Area

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that, in relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each a **Relevant Member State**), with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of any of such Notes to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of any of such Notes to the public in that Relevant Member State:

- (a) in the period beginning on the date of publication of a prospectus in relation to those Notes which has been approved by the competent authority in that Relevant Member State in accordance with the Prospectus Directive and/or, where appropriate, published in another Relevant Member State and notified to the competent authority in that Relevant Member State in accordance with Article 18 of the Prospectus Directive and ending on the date which is 12 (twelve) months after the date of such publication;
- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (c) at any time to fewer than 100 or, if the relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal Persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an "*offer of Notes to the public*" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression "*Prospectus Directive*" means Directive 2003/71/EC (and amendments thereto including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in each Relevant Member State and the expression "*2010 PD Amending Directive*" means Directive 2010/73/EU.

United Kingdom

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that:

- (a) in relation to any of the Notes in that Tranche which have a maturity of less than one year, (i) it is a Person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any of such Notes other than to Persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold,

manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of such Notes would otherwise constitute a contravention of section 19 of the Financial Services and Markets Act, 2000 (the **FSMA**) by the Issuer;

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any of the Notes in that Tranche under circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any of the Notes in that Tranche in, from or otherwise involving the United Kingdom.

General

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to agree that:

- (a) it will (to the best of its knowledge and belief) comply with all applicable securities laws and regulations in force in each jurisdiction in which it purchases, subscribes or procures the subscription for, offers or sells Notes in that Tranche or has in its possession or distributes the Programme Memorandum and will obtain any consent, approval or permission required by it for the purchase, subscription, offer or sale by it of Notes in that Tranche under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, subscription, offers or sales; and
- (b) it will comply with such other or additional restrictions as the Issuer and such Dealer agree and as are set out in the Applicable Pricing Supplement.

Neither the Issuer nor any of the Dealer(s) represent that Notes may at any time lawfully be subscribed for or sold in compliance with any applicable registration or other requirements in any jurisdiction or pursuant to any exemption available thereunder nor assumes any responsibility for facilitating such subscription or sale.

SOUTH AFRICAN TAXATION

Capitalised terms used in this section headed “South African Taxation” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The comments below are intended as a general guide to the relevant tax laws of South Africa as at the Programme Date. The contents of this section headed “South African Taxation” do not constitute tax advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.

Securities Transfer Tax

The issue, transfer and redemption of the Notes will not attract securities transfer tax under the Securities Transfer Tax Act, 2007 (the **STT Act**) because the Notes do not constitute “securities” as defined in the STT Act. Any future transfer duties and/or taxes that may be introduced in respect of (or applicable to) the transfer of Notes will be for the account of holders of the Notes.

Value-Added Tax

No value-added tax (**VAT**) is payable on the issue or transfer of the Notes. The issue, sale or transfer of the Notes constitute “financial services” as defined in section 2 of the Value-Added Tax Act, 1991 (the **VAT Act**). In terms of section 2 of the VAT Act, the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of a debt security as well as the buying and selling of derivatives constitute a financial service, which is exempt from VAT in terms of section 12(a) of the VAT Act. The Notes constitute “*debt securities*” as defined in section 2(2)(iii) of the VAT Act.

However, commissions, fees or similar charges raised for the facilitation of the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of Notes will be subject to VAT at the standard rate (currently 14 percent.), except where the recipient is a non-resident as contemplated below.

Services (including exempt financial services) rendered to non-residents who are not in South Africa when the services are rendered, are subject to VAT at the zero rate in terms of section 11(2)(l) of the VAT Act.

Income Tax

Under current taxation law effective in South Africa a “*resident*” (as defined in section 1 of the Income Tax Act) is subject to income tax on his/her worldwide income. Accordingly, all Noteholders who are “*residents*” of South Africa will generally be liable to pay income tax, subject to available deductions, allowances and exemptions, on any interest earned pursuant to the Notes. Non residents of South Africa are subject to income tax on all income derived from a South African source (subject to domestic exemptions or relief in terms of an applicable double taxation treaty).

Interest income is from a South African source if that amount:

- (a) is attributable to an amount incurred by a person that is a resident, unless the interest is attributable to a permanent establishment which is situated outside of South Africa; or
- (b) is received or accrues in respect of the utilisation or application in South Africa by any person of any funds or credit obtained in terms of any form of interest-bearing arrangement.

Accordingly, the interest paid to the Noteholders will be from a South African source and subject to South African income tax unless such income is exempt under section 10(1)(h) of the Income Tax Act (see below).

Under section 10(1)(h) of the Income Tax Act interest received by or accruing to a Noteholder who, or which, is not a resident of South Africa during any year of assessment is exempt from income tax, unless that person:

- (a) is a natural person who was physically present in South Africa for a period exceeding 183 days in aggregate during the twelve month period preceding the date on which the interest is received by, or accrues to, that person; or
- (b) is received or accrues in respect of the utilisation or application in South Africa by any person of any funds or credit obtained in terms of any form of interest-bearing arrangement.

If a Noteholder does not qualify for the exemption under Section 10(1)(h) of the Income Tax Act, exemption from, or reduction of any South African income tax liability may be available under an applicable double taxation treaty.

Purchasers are advised to consult their own professional advisers as to whether the interest income earned on the Notes will be exempt under section 10(1)(h) of the Income Tax Act.

Under section 24J of the Income Tax Act, any discount or premium to the Nominal Amount of a Note is treated as part of the interest income on the Note. Section 24J of the Income Tax Act deems interest income to accrue to a Noteholder on a day to-day basis until that Noteholder disposes of the Note or until maturity unless an election has been made by the Noteholder (if the Noteholder is entitled under Section 24J(9) of the Income Tax Act to make such election) to treat its Notes on a mark to market basis. This day to day basis accrual is determined by calculating the yield to maturity and applying it to the capital involved for the relevant tax period. Interest as defined in section 24J of the Income Tax Act (including the premium or discount) may qualify for the exemption under section 10(1)(h) of the Income Tax Act.

Specific provisions dealing with the fair value taxation of financial instruments for certain covered persons have been promulgated and will apply from 1 January 2014. Noteholders should seek advice as to whether these amendments, once promulgated may apply to them.

The tax treatment of subordinated notes where the issuer has no obligation to make interest and/or capital payments, the proceeds of which qualify as primary share capital may differ from the section 24J treatment noted above.

To the extent the disposal of the Note gives rise to a gain or a loss, the normal principles are to be applied in determining whether such gain or loss should be subject to income tax in terms of the Income Tax Act.

Capital Gains Tax

Capital gains and losses of residents of South Africa on the disposal of Notes are subject to capital gains tax unless the Notes are purchased for re-sale in the short term as part of a scheme of profit making, in which case the proceeds will be subject to income tax. Any discount or premium on acquisition which has already been treated as interest for income tax purposes under section 24J of the Income Tax Act will not be taken into account when determining any capital gain or loss. If the Notes are disposed of or redeemed prior to or on maturity, a gain or loss must be calculated. The gain or loss is deemed to have been incurred or to have accrued in the year of assessment in which the transfer or redemption occurred. The calculation of the gain or loss will take into account interest which has already accrued or been incurred during the period in which the transfer or redemption occurs. In terms of section 24J(4A) of the Income Tax Act, where an adjusted loss on transfer or redemption includes interest which has been included in the income of the holder, that amount qualifies as a deduction from the income of the holder during the year of assessment in which the transfer or redemption takes place.

Capital gains tax under the Eighth Schedule to the Income Tax Act will not be levied in relation to Notes disposed of by a Person who is not a resident of South Africa unless the Notes disposed of are attributable to a permanent establishment of that Person through which a trade is carried on in South Africa during the relevant year of assessment.

Purchasers are advised to consult their own professional advisers as to whether a disposal of Notes will result in a liability to capital gains tax.

Withholding Tax

Under current taxation law in South Africa, all payments made under the Notes to resident and non-resident Noteholders will be made free of withholding or deduction for or on account of any taxes, duties, assessments or governmental charges in South Africa. However, legislation has been enacted introducing a withholding tax on South African sourced interest payments to foreign persons at a rate of 15%. It has been proposed that this withholding tax takes effect on 1 January 2015. A foreign person will be exempt from the withholding tax on interest if that foreign person –

- (a) is a natural person who was physically present in South Africa for a period exceeding 183 days in aggregate during the twelve month period preceding the date on which the interest is paid; or

- (b) at any time during the twelve month period preceding the date on which the interest is paid carried on business through a permanent establishment in South Africa.

Such persons are subject to normal South African income tax on the interest sourced in South Africa unless exempted under Section 10(1)(h) of the Income Tax Act. Please refer to the section on Income Tax above.

In terms of the legislation, South African sourced interest that is paid to a foreign person in respect of any listed debt will be exempt from the withholding tax on interest. In terms of the legislation, a "*listed debt*" is a debt that is listed on a recognised exchange as defined in the Income Tax Act.

Definition of Interest

The references to "*interest*" above means "*interest*" as understood in South African tax law. The statements above do not take account of any different definitions of "*interest*" or "*principal*" which may prevail under any other law or which may be created by the Terms and Conditions or any related documentation.

SOUTH AFRICAN EXCHANGE CONTROL

Capitalised terms used in this section headed “South African Exchange Control” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The information below is intended as a general guide to the position under the Exchange Control Regulations as at the Programme Date. The Exchange Control Regulations are subject to change at any time without notice. The contents of this section headed “South African Exchange Control” do not constitute exchange control advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.

Non-South African resident Noteholders and emigrants from the Common Monetary Area

Dealings in the Notes and the performance by the Issuer of its obligations under the Notes and the Applicable Terms and Conditions may be subject to the Exchange Control Regulations.

Blocked Rands

Blocked Rands may be used for the subscription for or purchase of Notes. Any amounts payable by the Issuer in respect of the Notes subscribed for or purchased with Blocked Rands may not, in terms of the Exchange Control Regulations, be remitted out of South Africa or paid into any non-South African bank account.

Emigrants from the Common Monetary Area

Any Individual Certificates issued to Noteholders who are emigrants from the Common Monetary Area will be endorsed “*emigrant*”. Such restrictively endorsed Individual Certificates shall be deposited with an authorised foreign exchange dealer controlling such emigrant’s blocked assets.

In the event that a Beneficial Interest in Notes is held by an emigrant from the Common Monetary Area through the CSD, the securities account maintained for such emigrant by the relevant Participant will be designated as an “*emigrant*” account.

Any payments of interest and/or principal due to a Noteholder who is an emigrant from the Common Monetary Area will be deposited into such emigrant Noteholder’s Blocked Rand account, as maintained by an authorised foreign exchange dealer. The amounts are not freely transferable from the Common Monetary Area and may only be dealt with in terms of the Exchange Control Regulations.

Non-residents of the Common Monetary Area

Any Individual Certificates issued to Noteholders who are not resident in the Common Monetary Area will be endorsed “*non-resident*”. In the event that a Beneficial Interest in Notes is held by a non-resident of the Common Monetary Area through the CSD, the securities account maintained for such Noteholder by the relevant Participant will be designated as a “*non-resident*” account.

It will be incumbent on any such non-resident Noteholder to instruct the non-resident’s nominated or authorised dealer in foreign exchange as to how any funds due to such non-resident in respect of Notes are to be dealt with. Such funds may, in terms of the Exchange Control Regulations, be remitted abroad only if the relevant Notes are acquired with foreign currency introduced into South Africa and provided that the relevant Individual Certificate has been endorsed “*non-resident*” or the relevant securities account has been designated as a “*non-resident*” account, as the case may be.

The Issuer is domiciled and incorporated in South Africa and as such is not required to obtain exchange control approval.

For purposes of this section, **Common Monetary Area** means South Africa, Lesotho, Namibia, and Swaziland.
