

Market Notice

Number: A1501
Date 6 October 2011

Occupancy of JSE's Data Centre

The JSE would like to advise clients that notice has been provided to companies occupying certain areas of the JSE's Data Centre to vacate the space rented from the JSE from the middle of 2012. This is to ensure that the JSE can prepare the data centre space for its intended co-location service offerings.

The JSE is aware that JSE clients may feel that their operations could be adversely impacted by independent arrangements that JSE clients may have with the third party service providers operating out of the JSE Data Centre. JSE clients should feel free to contact Maria Dalle Ave on +27 (11) 520 7420 or MariaDA@jse.co.za at the JSE to discuss any concerns.
