

Market Notice

Number: A1783
Date: 20 March 2013

Approval of Bleskop Depot as delivery point

Further to Notice A1770, no objections we received and hence the JSE has approved, with immediate effect, the application by BKB Limited (Registration Number 1998/012435/06) to include the following delivery point:

Silo Name	Rail Siding #	Closest main road	Distance to Randfontein	Total Capacity	Maize Differential	Wheat Differential
Bleskop Depot , 35 km's from Luckhoff	No rail access	N12 GPS: E 24°34.113' S 29°51.264'	680 km's	12000 tons (silo bags with 1800 tons in silo bins)	-R300/t (based on road quote submitted)	-R300/t (based on road quote submitted)

Please note that the GPS coordinates above are a corrected version of the previous submission. The proposed location differentials will run for the remainder of the current marketing season for both maize and wheat respectively.
