Application by Suidwes Landbou (PTY) Limited to register additional soya and maize delivery points

The JSE has received an application from Suidwes Landbou (Pty) Limited (Registration Number 1990/006879/07) to register the following delivery points:

For **soya beans** (please take note these points have been considered only because they remain close to existing registered soya delivery points, no points will be added should they not be close to existing sites whilst no single reference point is defined)

Silo Name	Rail Siding #	Closest main road	Total Capacity	Differential
Leeudoringstad	#241237	R502	119,923 tons	No location differentials are in place for the soya bean contract
Hoopstad	No rail	R34/R700	63,538 tons	
Schweizer Reneke	#241962	R34	89,615 tons	

For **white and yellow maize** the below point will only be registered as from 1 May 2014

Silo Name	Rail Siding #	Closest main road	Distance to Randfontein	Total Capacity	Differential
Hoopstad	No rail facilities	R34/R700	289 km's	63,538 tons	To be calculated once the new season differentials are determined

Please could market participants carefully consider the above request and should there be any concerns regarding their inclusion as registered delivery points please email these to commodities@jse.co.za no later than **31 January 2014**.
