The JSE made amendments to the JSE Listings Requirements in relation to Section 12 Mineral Companies and Section 13 Property Entities.

Pursuant to Board Notice 15 of 2016 as published in the Government Gazette No.39711, the effective date of Bulletin 2 of 2016 is 21 March 2016 (the "Effective Date").

Section 12

The amendments to Section 12 deal with the adoption of the new SAMREC & SAMVAL Codes. These codes will be launched in May 2016. Notwithstanding the Effective Date, the JSE will communicate the effective date for compliance with the amendments to Section 12 and the new SAMREC and SAMVAL Codes in due course

Section 13

The amendments to Section 13 deal with the reference to the SAICA circular being replaced with the IRBA guide when applied to the special property forecast report and the consequential changes brought about by this new guide. The IRBA guide also deals with pro forma statements of financial position for property entities. The IRBA guide is effective for all engagements commencing on or after 1 March 2016. Accordingly, the amendments will apply to circulars submitted to the JSE on or after 21 March 2016, however, the JSE will allow early implementation.
