

The JSE Securities Exchange South Africa Listings Requirements

Subscribers Note

Dear Subscriber

We have great pleasure in enclosing service issue 3 of the second edition of the JSE Listings Requirements. There is no charge for this service issue as it is covered by your annual fee.

Please note that there has been an entire revamp of the JSE Listings Requirements and the entire contents of your binder (except for the guidecard) have been replaced by issue 3.

The JSE has advised that they intend issuing Practice Notes sometime in the near future to clarify aspects of the Listings Requirements. As soon as these have been issued we will make these available to all subscribers.

Any editorial queries can be e-mailed to angela.rowe@lexisnexis.co.za. Customer service enquiries can be directed to (031) 268 3007.
