

**JSE Limited
Listings Requirements**

Introduction

The definitions contained in the “Definitions” section of these Listings Requirements apply to this Introduction.

Objectives

It is an integral function of the JSE to provide facilities for the listing of securities (including securities issued by companies, domestic or foreign), to provide the JSE’s users with an orderly market place for trading in such securities and to regulate the market accordingly.

The Listings Requirements set out in this document apply to companies seeking a listing for the first time, presently listed companies, all other securities that applicants may wish to list and those presently listed and, where applicable, to directors (as defined in each relevant section) of applicant issuers and to sponsors. The Listings Requirements contain the rules and procedures governing new applications, all corporate actions and continuing obligations applicable to issuers and issuers of specialist securities. They are furthermore aimed at ensuring that the business of the JSE is carried on with due regard to the public interest.

General Principles

It is impracticable and undesirable for the JSE’s requirements and procedures to attempt to govern all circumstances that may arise in commercial practice. Accordingly, the Listings Requirements fall into two categories as follows:

- (a) general principles (“the General Principles”) which are set out below and which must be observed in all corporate actions and also in all submissions pertaining to securities listed and to be listed; and
- (b) the main body of the Listings Requirements (“the main body”) which consists of the sections, schedules and practice notes. The main body is derived from the application and interpretation of the General Principles by the JSE.

Moreover, the spirit of the General Principles and the main body may be applied by the JSE in areas or circumstances not expressly covered in the Listings Requirements.

The JSE has discretion to modify the application of a requirement contained in the main body in exceptional circumstances, for example when the JSE considers that the strict application of the requirement would conflict with the General Principles.

Accordingly, users of the Listings Requirements must at all times observe the spirit as well as the precise wording of the General Principles and main body.

If there is any doubt as to the interpretation or application of the Listings Requirements, users must consult the JSE.

The General Principles are as follows:

- (i) to ensure the existence of a market for the raising of primary capital, an efficient mechanism for the trading of securities in the secondary market, and to protect investors;
- (ii) to ensure that securities will be admitted to the List only if the JSE is satisfied that it is appropriate for those securities to be listed;
- (iii) to ensure that full, equal and timeous public disclosure is made to all holders of

securities and the general public at large regarding the activities of an issuer that are price sensitive;

- (iv) to ensure that holders of relevant securities are given full information and are afforded adequate opportunity to consider in advance and vote upon any of the following:
 - (1) substantial changes in an issuer's business operations; and
 - (2) other matters affecting a listed company's constitution or the rights of holders of securities;
- (v) to ensure that all parties involved in the dissemination of information into the market place, whether directly to holders of relevant securities or to the public, observe the highest standards of care in doing so;
- (vi) to ensure that all holders of the same class of securities of an issuer are accorded fair and equal treatment in respect of their securities; and
- (vii) to ensure that the Listings Requirements, and in particular the continuing obligations, promote investor confidence in standards of disclosure and corporate governance in the conduct of applicant issuers' affairs and in the market as a whole.

Competent authority

The JSE is the holder of an exchange licence in terms of the provisions of the FMA. A company wishing to have its securities dealt on the JSE must apply for a listing and must be in compliance with the requirements of the JSE before being granted such listing. The Board of the JSE is the competent authority responsible for:

- the list of the securities which may be dealt on the JSE;
- applications by applicant issuers for the listing of securities on the JSE; and
- the annual revision of the List.

The Board of the JSE has delegated its authority in relation to the Listings Requirements, excluding removal of listings initiated at the instance of the JSE (which authority has been delegated to the JSE's executive committee), to the management of the Issuer Regulation Division. When a listings matter is considered by the JSE, representatives of the issuer and other advisers may accompany the relevant sponsor, any of whom may, subject to the JSE's consent, address the meeting. The JSE reserves the right to limit the number of persons attending such meetings.

Section 1

Authority of the JSE

Scope of section

This section sets out the authority of the JSE regarding its powers to list, suspend and terminate listings, and its powers to enforce the Listings Requirements.

The main headings of this section are:

Section 1.1	General powers of the JSE
Section 1.6	Suspension of securities
Section 1.11	Removal of securities
Section 1.19	Annual revision of the List
Section 1.20	Censure and penalties
Section 1.25	Power to require information
Section 1.27	Publication
Section 1.30	Amendments to the Listings Requirements

General powers of the JSE

- 1.1 Subject to the provisions of the FMA, the JSE has the power:
- (a) to grant, defer, refuse, suspend or remove a listing of securities in accordance with the Listings Requirements;
 - (b) to prescribe, from time to time, the Listings Requirements with which a new applicant must comply before securities issued by such new applicant are granted a listing;
 - (c) to prescribe, from time to time, the Listings Requirements with which applicant issuers must comply;
 - (d) to prescribe, from time to time, the Listings Requirements with which an applicant issuer's directors, officers and agents must comply while securities issued by such applicant issuer remain listed;
 - (e) to alter or rescind a Listings Requirement prescribed before or after a listing has been granted and to prescribe additional Listings Requirements from time to time;
 - (f) to prescribe the circumstances under which a listing of securities shall or may be suspended or removed; and
 - (g) to prescribe, from time to time, the Listings Requirements with which sponsors, designated advisers, auditors, IFRS advisers, reporting accountants and reporting accountant specialists must comply.
- 1.2 Listings are granted subject to compliance with the Listings Requirements and new applicants and their directors must comply with the Listings Requirements. In addition, the JSE may grant a listing subject to any additional condition(s) that it considers appropriate, in which event the new applicant will be informed of, and will be required to comply with, any such condition(s).
- 1.3 Nothing contained in this section shall limit the powers of the JSE or its officers to those contained herein, and the JSE or its officers may, at any time, exercise

any further powers granted to the JSE or its officers in terms of the FMA. Where the JSE exercises discretion in terms of these Listings Requirements, it shall use its sole discretion and, subject to the provisions of paragraphs 1.4 and 1.5 below, judicial review and the appeal provisions in the FMA, its rulings shall be final.

- 1.4 If an applicant issuer, director, auditor, IFRS adviser, reporting accountant and/or reporting accountant specialist, in respect of whom a decision (other than a decision in respect of which a specific appeal or review procedure is prescribed in these Listings Requirements, the Rules of the JSE and the FMA or any replacement legislation) is taken under these Listings Requirements, objects to such decision, such person must notify the JSE in writing within 48 hours of the decision, giving reasons for such objection. In such event the JSE shall consider the objection and shall be entitled, in its sole discretion, to consult with not less than three independent members of the Issuer Regulation Advisory Committee. After taking into account the views of those independent members, the JSE shall be entitled to reconsider and change its decision. A decision of the JSE made after following this procedure will be final.
- 1.5 Subject to the provisions of the FMA, if the JSE decides, at its instance, to remove a listing, and the issuer concerned objects to this decision, then the issuer may appeal to the Issuer Regulation Appeal Committee in writing within 48 hours of the decision, giving reasons for such objection. In such event, the JSE will constitute the Issuer Regulation Appeal Committee in accordance with the mandate issued by the JSE Board for this purpose.

Suspension of securities

Suspension initiated by the JSE

- 1.6 The JSE may, subject to the suspension provisions of the FMA, and if either of the following applies:
- (a) if it will further one or more of the objects contained in Section 2 of the FMA, which may also include if it is in the public interest to do so; or
 - (b) if the applicant issuer has failed to comply with the Listings Requirements and it is in the public interest to do so,
- suspend the listing of securities of an applicant issuer and impose such conditions as it may, in the circumstances, deem appropriate for the lifting of such suspension.
- 1.7 When the listing of securities of an issuer is under threat of suspension, the affected issuer shall be given the opportunity of making written representations to the JSE why the suspension should not be affected prior to the JSE making any decision to suspend such listing.
- 1.8 If a listing is suspended and the affected issuer fails to take adequate action to enable the JSE to reinstate the listing within a reasonable period of time, the JSE may remove the listing in accordance with the procedure set out below.

Suspension at the request of the issuer

- 1.9 The JSE may suspend a listing of securities in the following circumstances:
- (a) (i) where an issuer is placed under provisional liquidation;
 - (ii) where an issuer has adopted a special resolution to be wound up voluntarily; or
 - (iii) where an issuer is placed under business rescue proceedings in terms of

Chapter 6 of the Act;

- (b) where a written request is made by a/the director(s) of an issuer and it is apparent that there are two levels of information in the market and the JSE considers that this situation cannot be remedied by the immediate publication of an announcement to clarify the situation;
- (c) where the issuer has ceased to do business;
- (d) where the Commission issues a notice to an issuer in terms of Sections 22 and/or 23(6) of the Act. The issuer must immediately inform the JSE of any such notice issued to the issuer by the Commission; and/or
- (e) the Commission deregisters an issuer in terms of Section 82(3) of the Act.

Continuing obligations of issuers in relation to suspensions

- 1.10 If an issuer's securities are suspended, it must, unless the JSE decides otherwise:
- (a) continue to comply with all the Listings Requirements applicable to it;
 - (b) submit to the JSE a monthly progress report pertaining to the current state of affairs of the issuer and any action proposed to be taken by the issuer in order to have the listing reinstated; and
 - (c) advise the holders of securities, on a quarterly basis, concerning the current state of affairs of the issuer and any action proposed by the issuer in order to have the listing reinstated, including the date on which the suspension is expected to be lifted.

Removal of securities

Removal initiated by the JSE

- 1.11 The JSE may, subject to the removal provisions of the FMA, and if one of the following applies:
- (a) if it will further one or more of the objects contained in Section 2 of the FMA, which may also include if it is in the public interest to do so; or
 - (b) if the issuer has failed to comply with the Listings Requirements and it is in the public interest to do so,

remove from the List any securities previously included therein; provided that the listing of such securities shall first have been suspended in accordance with the above provisions.

- 1.12 When a listing of securities is under threat of removal, the affected issuer shall be given the opportunity of making representations, in writing, to the JSE why the removal should not be affected, prior to the JSE making any decision to remove such listing.

Removal at the request of the issuer

- 1.13 An issuer may make written application to the JSE for a removal of any of its securities from the List, stating from which time and date it wishes the removal to be effective. The JSE may grant the request for removal, provided paragraphs 1.14 and 1.15 are properly complied with and perfected.
- 1.14 Prior to being able to effect paragraph 1.13, an issuer must send a circular to the holders of its securities complying not only with the requirements of paragraph 11.1 (contents of all circulars) but also with the following:

- (a) where the issuer is a listed company, approval must be obtained from shareholders in general meeting for the removal of the listing prior to the issuer making written application for such removal;
 - (b) the reasons for removal must be clearly stated;
 - (c) an offer (which must be fair in terms of paragraph 1.14(d)) must be made to all holders of listed securities with terms and conditions provided in full; and
 - (d) a statement must be included by the board of directors confirming that the offer is fair insofar as the shareholders (excluding any related party/ies if it/they are equity securities holders) of the issuer are concerned and that the board of directors has been so advised by an independent expert acceptable to the JSE. The board of directors must obtain a fairness opinion (which must be included in the circular), prepared in accordance with Schedule 5, before making this statement.
- 1.15 Where approval is required in terms of paragraph 1.14(a), more than 50% of the votes of all shareholders present or represented by proxy at the general meeting, excluding any controlling shareholder, its associates and any party acting in concert, and any other party which the JSE deems appropriate, must be cast in favour of such resolution, unless the JSE otherwise decides.
- 1.16 Shareholder approval for the removal of the listing need not be sought, and a circular need not be sent to the holders of securities where the listing of such securities is intended to be removed:
- (a) following a take-over offer, the securities have become subject to Section 124 of the Act and notice has been given by the offeror of its intention to cancel the listing of the securities (in these circumstances) in the initial offer document or in any subsequent circular sent to holders of securities; or
 - (b) following the completion of a scheme of arrangement with shareholders, in terms of Sections 114 and 115 of the Act, as a result of which either all the shares have been acquired or the JSE is satisfied that the issuer no longer qualifies for listing (the JSE must be consulted for a ruling in this regard).

Redemption either wholly or in part and removal from the List of redeemable preference shares or debentures

- 1.17 Written application for the removal of redeemable preference shares or debentures, or the corresponding portion thereof, from the List, as and from the appropriate date, must be made to the JSE at least 30 days before the date of redemption and in accordance with the relevant timetable in Schedule 18.
- 1.18 The application must be accompanied by a copy of the proposed announcement and/or circular to be published and/or sent to the redeemable preference shareholders or debenture holders, notifying them of the redemption.

Annual revision of the List

- 1.19 All listings shall be revised by the JSE annually after receipt by the JSE of a certificate from each applicant issuer complying with Schedule 2 Form D1 (“the certificate”), which must be submitted to the JSE together with the applicant issuer’s annual financial statements pursuant to paragraphs 3.19 and 3.21(a). If the certificate is not received by the JSE:
- (a) a notification will be sent to the applicant issuer requesting that it rectify the

- situation and advising that it has been granted a period of 14 days, from the date of such reminder, in which to provide the JSE with the certificate, failing which the applicant issuer must make written representations to the JSE, within 7 days thereafter, as to why the securities should not be suspended and subsequently removed (in terms of paragraph 1.11);
- (b) failing compliance within 14 days of despatch of the reminder to the issuer, the JSE will release an announcement through SENS, informing holders of securities that the issuer has not provided the JSE with the certificate and cautioning holders that the listing of the securities concerned are under threat of suspension and possible removal;
 - (c) on the date of release of the announcement, the listing of the relevant securities will be annotated on the JSE trading system with an “R”, to indicate that it has failed to provide the JSE with the certificate timeously; and
 - (d) if the certificate is not submitted and the representations received in terms of paragraph 1.19(a) are not satisfactory, the listing of the relevant securities will be suspended and the lifting of the suspension will only be effected upon receipt of the certificate by the JSE.

Censure and penalties

- 1.20 Where the JSE finds that an applicant issuer or any of an applicant issuer’s director(s) or an auditor, IFRS adviser, reporting accountant and/or reporting accountant specialist, as defined, has contravened or failed to adhere to the provisions of the Listings Requirements, the JSE may, in accordance with the provisions of the FMA and without derogating from its powers of suspension and/or removal:
- (a) censure the applicant issuer and/or the applicant issuer’s director(s), individually or jointly, by means of private censure;
 - (b) censure the applicant issuer and or the applicant issuer’s directors, individually or jointly, by means of public censure;
 - (c) in the instance of either paragraph 1.20(a) or (b), impose a fine not exceeding such amount as stipulated by the FMA on the applicant issuer and/or the applicant issuer’s director(s), individually or jointly;
 - (d) disqualify an applicant issuer’s director(s) from holding the office of a director of a listed company for any period of time;
 - (e) terminate the accreditation of and remove an auditor, IFRS adviser, reporting accountant and/or reporting accountant specialist from the JSE list of Auditors and their advisers;and/or
 - (f) issue any other penalty that is appropriate in the circumstances.
- 1.21 In the event that an applicant issuer or any of an applicant issuer’s director(s) contravenes or fails to adhere to the provisions of the Listings Requirements, the JSE may elect in its discretion, that:
- (a) full particulars regarding the imposition of a penalty may be published in the *Gazette*, national newspapers, the website of the JSE or through SENS; and/or
 - (b) an investigation or hearing be convened and the applicant issuer or any of the applicant issuer’s director(s) pay the costs incurred in relation to such investigation or hearing.

- 1.22 If any of the parties fails to pay a fine as referred to in paragraph 1.20, the JSE may, in terms of the provisions of the FMA, file with the clerk or registrar of any competent court a statement certified by it as correct, stating the amount of the fine imposed, and such statement thereupon shall have all the effects of a civil judgement lawfully given in that court against that applicant issuer or any of an applicant issuer's director(s) in favour of the JSE for a liquid debt in the amount specified in that statement.
- 1.23 Unless the JSE considers that the maintenance of the smooth operation of the market or the protection of investors otherwise requires, the JSE will give advance notice to the parties involved of any action that it proposes to take under paragraphs 1.20 and 1.21, and will provide them with an opportunity to make written representations to the JSE.
- 1.24 The whole or any part of the fines issued in terms of paragraph 1.20 will be appropriated as follows:
- (a) the settlement of any costs incurred by the JSE in enforcing the provisions of the Listings Requirements; and/or
 - (b) the settlement of any future costs which may arise through the enforcement of the provisions of the Listings Requirements.

Power to require information

- 1.25 The JSE may, in accordance with the FMA, require an applicant issuer to disclose to it, within a period specified by it, such information at the applicant issuer's disposal as the JSE may determine, save to the extent that the issuer has obtained a court order excusing it from such disclosure. The JSE may request that a copy of such court order be delivered to it. If the JSE is satisfied, after such applicant issuer has had an opportunity of making representations to it, that the disclosure of that information to the registered holders of the securities in question will be in the public interest, it may, by notice in writing, require such applicant issuer to publicly disclose that information within the period specified in the notice.
- 1.26 The JSE may require an applicant issuer to provide for the publication or dissemination of any further information not specified in the Listings Requirements, in such form and within such time limits, as it considers appropriate. The applicant issuer must comply with such requirement and, if it fails to do so, the JSE may publish the information after having heard representations from the applicant issuer or after having granted the applicant issuer the opportunity to make such representations.

Publication

- 1.27 Without derogating from any other powers of publication referred to in these Listings Requirements, the JSE may, in its absolute discretion and in such manner as it may deem fit, state or announce that it has:
- (a) investigated dealings in a listed security;
 - (b) censured an applicant issuer;
 - (c) censured an applicant issuer's director(s);
 - (d) suspended the listing of any security;
 - (e) removed the listing of any security;

 - (i) terminated the accreditation of and removed an auditor, IFRS adviser, reporting accountant and/or reporting accountant specialist from the JSE list of Auditors and their advisers.
- 1.28 In a statement or announcement referred to in paragraph 1.27, the JSE may give the reasons for such investigation, censure, suspension, removal or fine as the case may be and, in the case of an investigation, so much of the JSE's conclusion or findings as it may, in its absolute discretion, deem necessary.
- 1.29 No applicant issuer or its directors, officers or holders of securities, including nominees or an auditor, IFRS adviser, reporting accountant and/or reporting accountant specialist shall have any cause of action against the JSE, or against any person employed by the JSE, for damages arising out of any statement or announcement made in terms of paragraph 1.27, unless such publication was made either grossly negligently or with wilful intent.

Amendments to the Listings Requirements

- 1.30 Subject to the provisions of the FMA, the JSE may amend the Listings Requirements through a public consultation process. The proposed amendments to the Listings Requirements will be published through SENS inviting comments from affected parties for a period of one month.
- 1.31 Once the public consultation process has been completed, the JSE will submit the proposed amendments to the Listings Requirements, together with an explanation of the reasons for the proposed amendments, and any concerns or objections raised during the public consultation process, to the registrar¹ for approval.

Section 2

Sponsors

Scope of section

This section sets out the requirements relating to sponsors.

Sponsors will normally be corporate brokers, banks and other professional advisers, including accountants and attorneys. Such sponsors must undertake to the JSE that they accept certain responsibilities. These responsibilities are detailed in Section 2 and Schedule 16 of the Listings Requirements. The responsibilities of a sponsor appointed by an applicant issuer are twofold, namely:

- (a) to assist applicant issuers with applications for listing which require the production of listing particulars and/or other relevant documentation; and
- (b) to provide advice, on a continuing basis, regarding the application of the Listings Requirements, including the application of the spirit of the Listings Requirements and upholding the integrity of the JSE, and in particular, the continuing obligations set out in Section 3.

Only sponsors recorded on the JSE's Register of Sponsors may act as sponsors.

The main headings of this section are:

Section 2.1	Qualifications
Section 2.2	Appointment
Section 2.6A	Termination
Section 2.7	Responsibilities of a sponsor
Section 2.13	Direct access
Section 2.17	Disciplinary action

Qualifications

- 2.1 In order for an applicant to become a sponsor and to perform its responsibilities in accordance with the Listings Requirements, it must:
- (a) submit written application as set out in Schedule 16 of the Listings Requirements or in such other form as the JSE may from time to time approve;
 - (b) be entered on the JSE's Register of Sponsors, having successfully completed all necessary application forms prescribed by the JSE; and
 - (c) have paid the necessary fees.

The authority to act as a sponsor will be reviewed on an annual basis in accordance with the provisions of Schedule 16.

Appointment

- 2.2 An applicant issuer is required to have an appointed sponsor at all times.
- 2.3 A joint independent sponsor must be appointed where:
- (a) the JSE believes, in its sole discretion, that the sponsor's procedures to

ensure and maintain independence and objectivity in professional dealings in relation to the applicant issuer and a corporate action, as disclosed by the sponsor in the Schedule 17 pursuant to Schedule 16, cannot be achieved and/or maintained; or

- (b) the sponsor is also the applicant issuer or is a subsidiary, an associate or a division of the applicant issuer, however such sponsor may attend to the routine administrative issues pursuant to Practice Note 1/2003.

- 2.4 Where a joint independent sponsor is required to be appointed in terms of paragraph 2.3, such appointed joint independent sponsor shall be the lead sponsor of the applicant issuer. Where an applicant issuer has appointed more than one sponsor, the applicant issuer must appoint one of the sponsors as the lead sponsor. The lead sponsor must be identified as such in all communication with holders of securities and to the public.
- 2.5 Where a sponsor, other than an applicant issuer's appointed sponsor, initiates a specific transaction for the applicant issuer, such sponsor may be appointed as joint sponsor for that transaction. In such a case, one of the joint sponsors must be appointed as lead sponsor.
- 2.6 An applicant issuer must advise the JSE in writing (providing a copy to the sponsor) of the appointment or resignation of any sponsor. Where a sponsor resigns, the applicant issuer and the sponsor must immediately inform the JSE separately in writing of the reason for the resignation. In such a situation, the applicant issuer has 30 business days to appoint a new sponsor from the date of resignation of the sponsor, unless the JSE decides otherwise. The replacement sponsor must ensure that, before accepting an appointment, it has requested the written reasons for the resignation as submitted to the JSE from the outgoing sponsor. The outgoing sponsor must supply the reasons to the replacement sponsor within five business days of such request and the replacement sponsor must take account of the reasons for the resignation before accepting the appointment. Failure to comply with this requirement may result in disciplinary action being taken in terms of the Listings Requirements.

Termination

- 2.6A (a) In the event that the appointment of the sponsor is terminated by the issuer, for whatever reason, such termination must be approved by the board of directors of the issuer. Once the termination of the sponsor has been approved by the board of directors, the issuer and the sponsor must submit a report to the JSE stipulating the reasons for the termination, within 48 hours of such termination.
- (b) In the circumstances set out in paragraph 2.6(A)(a), an issuer must immediately publish an announcement confirming the termination of the services of the sponsor. The issuer must make immediate arrangements to appoint a replacement sponsor, within 30 business days of the date on which the former sponsor ceased to act, and must inform the JSE and publish a further announcement immediately after the appointment has been made.
- (c) The replacement sponsor must ensure, before accepting the appointment, that it has requested the report referred to in paragraph 2.6(A)(a) from the outgoing sponsor. The outgoing sponsor must supply this report to the replacement sponsor within five business days of such request and the replacement sponsor must take account of the reasons for the termination before accepting the appointment.

- (d) Failure to comply with this requirement may result in disciplinary action being taken in terms of the Listings Requirements.

Responsibilities of a sponsor

Nature of responsibilities

- 2.7 The responsibilities of a sponsor are contained in Schedule 16 and in paragraphs 2.8 to 2.12. Failure to carry out these responsibilities may result in the JSE taking one or more of the steps referred to in paragraph 2.17.
- 2.8 A sponsor, or in the case of more than one sponsor, the lead sponsor (as contemplated in paragraphs 2.4 and 2.5) must:
 - (a) at the date of first submission of any documentation, submit a confirmation in the form set out in Schedule 17 to the JSE;
 - (b) provide to the JSE any information or explanation known to it, in such form and within such time limit as the JSE may reasonably require, for the purpose of verifying whether the Listings Requirements are being and have been complied with by it or by an applicant issuer;
 - (c) submit all documentation required in terms of paragraph 16.2 to the JSE, ensuring that such announcements and documents, in both principle and content, are in compliance with the Listings Requirements. The JSE does not pre-approve announcements and any listing applications (in respect of class of securities already listed) and it is the sponsor's responsibility (this may only be done by an approved executive) to ensure that announcements and listing applications (in respect of class of securities already listed) comply with the requirements before they are published (in the case of announcements) or submitted to the JSE (in the case of listing applications). The sponsor must obtain confirmation, preferably in writing, from applicant issuers in respect of periodic financial announcements and annual financial statements that such announcements and documents have been prepared in compliance with the Listings Requirements. In respect of annual reports, sponsors must submit the relevant questionnaire (available on the JSE website) together with the annual report. All first submissions, together with the required checklist as contained in the Appendix to Section 16, must be signed by at least one of the approved executives of the sponsor. The sponsor must also complete the relevant checklist (available on the JSE website) before submission;
 - (d) ensure that the applicant issuer is guided and advised as to the application of the Listings Requirements, including the application of the spirit of the Listings Requirements and upholding the integrity of the JSE;
 - (e) manage the submission of all documentation to the JSE and ensure its completeness and correctness before submission;
 - (f) satisfy itself as to the credentials of the reporting accountants, auditors, competent persons, valuers, providers of fairness opinions, and any other party deemed necessary by the JSE;
 - (g) carry out any activities so requested by the JSE;
 - (h) discharge its responsibilities with due care and skill;
 - (i) prior to the submission of any documentation that requires approval by the JSE, satisfy itself, to the best of its knowledge and belief, having made due and careful enquiry of the applicant issuer and its advisers:

- (i) about the matters described in paragraphs 2.9 to 2.12, and
 - (ii) that there are no material matters, other than those disclosed in writing to the JSE, that should be taken into account by the JSE in considering the submission; and
- (j) advise the JSE immediately if they are aware, or have reason to suspect, that any of their clients have or may have breached the Listings Requirements.
- (k) Adhere to the Sponsor Code of Ethics and Standards of Professional Conduct as contained in the appendix to Schedule 16.
- (l) provide to the JSE written confirmation pursuant to paragraph 11.58(i) that the information contained in the summary circular in accordance with Appendix 2 to Section 11 has been reviewed and approved by the sponsor before it is dispatched.

Directors

- 2.9 The sponsor must be satisfied that the directors of new applicants and newly appointed directors of issuers:
- (a) have completed and submitted the directors' declaration as set out in Schedule 13;
 - (b) have had explained to them by the sponsor the nature of their responsibilities and obligations arising from the Listings Requirements; and
 - (c) in particular, understand what is required of them to enable holders of securities and the public to be able to appraise the position of an applicant issuer on an ongoing basis and to avoid the creation of a false market in the applicant issuer's securities once they are listed.

Financial reporting procedures

- 2.10 Before the application for a new listing is made, or in the event of a sponsor accepting appointment to act as such to an issuer, the sponsor must report to the JSE in writing that it has obtained written confirmation from the applicant issuer that the directors have established suitable information communication procedures, providing for a flow of information that provides a reasonable basis for the directors to make proper judgements as to the financial position and prospects of the issuer and its group.

Profit forecast

- 2.11 [Repealed]

Working capital statement

- 2.12 Where an applicant issuer prepares listing particulars in respect of a new listing, the sponsor must report to the JSE, in writing, that it has discharged all of its responsibilities in terms of Schedule 12.

Direct access

- 2.13 A sponsor must be present at all formal discussions held between the JSE and an applicant issuer.
- 2.14 Notwithstanding the provisions of this section, the JSE may, in appropriate circumstances, communicate directly with the applicant issuer or with an adviser

of the applicant issuer, in addition to its sponsor, to discuss matters of principle and/or the interpretation of the Listings Requirements.

- 2.15 Where discussions take place without the sponsor being involved, the applicant issuer or adviser concerned must ensure that the sponsor is informed (preferably in writing) of the matters discussed as soon as practicable.
- 2.16 Any information to be released through SENS will not be released until consent has been received from the sponsor.

Disciplinary action

- 2.17 If the JSE determines, after taking account of written representations, that a sponsor has breached any of its responsibilities under the Listings Requirements, the JSE is entitled to take any one or more of the following actions:
- (a) censure the sponsor;
 - (b) remove the sponsor from the Register of Sponsors maintained by the JSE;
 - (c) impose a penalty not exceeding R1 million;
 - (d) publish details of the action it has taken and the reasons for that action.
- 2.18 Where the JSE has decided to take any action described in paragraph 2.17(b), the sponsor shall be entitled to request that the decision be taken on appeal in accordance with the provisions of paragraph 1.5.

Section 3

Continuing Obligations

Scope of section

This section sets out certain of the continuing obligations that an issuer is required to observe once any of its securities have been admitted to listing. This section does not apply to issuers of specialist securities except where “applicant issuers” are specifically referred to in this section and as indicated in the continuing obligations paragraphs in Section 19.

Additional continuing obligations are set out in the following sections:

Section 8	Financial Information
Section 9	Transactions
Section 10	Transactions with Related Parties
Section 11	Circulars and Announcements
Section 16	Documents to be submitted to the JSE
Section 18	Dual Listings and Listings by Overseas Companies

Additional and/or alternative continuing obligations applicable to special classes of issuers are set out in Section 12 (Mineral Companies), Section 13 (Property Companies), Section 14 (Pyramid Companies), Section 15 (Investment Entities) and Section 19 (Specialist Securities), respectively. Observance of continuing obligations is essential for the maintenance of an orderly market in securities and to ensure that all users of the market have simultaneous access to the same information. Failure by an issuer to comply with any applicable continuing obligation may result in the JSE taking any or all of the steps described in Section 1.

Compliance with the Listings Requirements

- 3.1 Every issuer whose securities are listed shall comply with the Listings Requirements.
- 3.2 (a) Where there is an overlap of application between the Listings Requirements and any other requirements or dispensations that may be required by or

granted in terms of any law, by any statutory body or organ (such as the Panel or the Commission), an issuer must, notwithstanding such other requirements or dispensations, nonetheless comply with the Listings Requirements.

- (b) The provisions of paragraph 4.28(d) must be complied with on an ongoing basis.

3.3 An issuer is required to have an appointed sponsor at all times and all necessary correspondence between an issuer and the JSE must be communicated through the sponsor of the issuer.

General obligation of disclosure

3.4 (a) The following provisions apply in respect of material price sensitive information:

With the exception of trading statements, an issuer must, without delay, unless the information is kept confidential for a limited period of time in terms of paragraph 3.6, release an announcement providing details of any development(s) in such issuer's sphere of activity that is/are not public knowledge and which may, by virtue of its/their effect(s), lead to material movements of the reference price of such issuer's listed securities.

Save where otherwise expressly provided, the requirements of this paragraph are in addition to any specific requirements regarding obligations of disclosure contained in the Listings Requirements.

- (b) Trading statements

All issuers, other than those who publish quarterly results, must comply with the detailed requirements of paragraph 3.4(b)(i) to (viii). Issuers with a policy of publishing quarterly results must comply with the general principles contained in paragraph 3.4(b)(ix), but may also elect to comply with paragraph 3.4(b)(i) to (viii) on a voluntary basis.

- (i) Issuers must publish a trading statement as soon as they are satisfied that a reasonable degree of certainty exists (refer to 3.4(b)(ii)) that the financial results (refer to 3.4(b)(vi)) for the period to be reported upon next will differ by at least 20% (or 15% if paragraph 3.4(b)(vii) is applicable) from the most recent of the following (collectively referred to as the "base information"):

- (1) the financial results for the previous corresponding period; or
- (2) a profit forecast (in terms of paragraphs 8.35 to 8.44) previously provided to the market in relation to such period.

Issuers may publish a trading statement if the differences referred to in 3.4(b)(i) are less than 20% (or 15% if paragraph 3.4(b)(vii) is applicable), but which are viewed by the issuer as being important enough to be made the subject of a trading statement.

- (ii) The determination of a reasonable degree of certainty in terms of 3.4(b)(i) is a judgmental decision which has to be taken by the issuer and its directors and is one in which the JSE does not involve itself. This determination may differ from issuer to issuer depending on the nature of business and the factors to which they are exposed.
- (iii) Trading statements must provide specific guidance by the inclusion of the period to which it relates and include the comparative numbers

for the previous published period, and:

- (1) a specific percentage and number to describe the differences;
or
 - (2) a range (i.e. XYZ is expecting an increase of between 15% and 25%) and numbers to describe the differences. Where an issuer elects to use a range, the range may not exceed 20% (e.g. 20% to 40%, 25% to 45% etc.); or
 - (3) a minimum percentage difference and number difference, together with any other relevant information that the issuer has at its disposal at the time. This will only be applicable in instances where the issuer has reasonable certainty in respect of paragraph 3.4(b)(i) above, but it does not have the reasonable certainty to provide guidance in accordance with paragraph 3.4(b)(iii)(1) or (2). Once the issuer obtains this reasonable certainty, it must provide the guidance referred to in paragraph 3.4(b)(iii)(1) or (2).
- (iv) If, after publication of a trading statement but before publication of the relevant periodic financial results, an issuer becomes reasonably certain that its previously published number, percentage or range in the trading statement is no longer correct, then the issuer must publish another trading statement providing the revised number, percentage or range in accordance with paragraph 3.4(b).
- (v) In light of the existing Listings Requirements' definitions of "significant", "material" and "substantial", these words may not be used in trading statements because to do so would imply a range differing from that permitted in terms of 3.4(b)(i) (i.e. more than 20%).
- (vi) Financial results in terms of 3.4(b)(i) are relevant criteria that are of a price sensitive nature which, in the first instance, comprise headline earnings per share ("heps") and earnings per share ("eps"), and, in the second instance, and only if more relevant (because of the nature of the issuer's business) net asset value per share ("navps"). If an issuer wishes to adopt navps, it must announce on SENS, in advance of the first period ending which uses such navps, that it will be adopting navps for trading statement purposes. Thereafter, such policy adoption must be confirmed annually in the annual financial statements.
- (vii) Property entities may elect to adopt distribution per listed security as their relevant measure of financial results in terms of 3.4(b)(vi) provided that they:
- (1) follow the procedures set out in 3.4(b)(vi) for adopting a different relevant measure for financial results; and
 - (2) issue a trading statement if the financial results for the period to be reported on will differ by at least 15% from the base information, as opposed to the 20% referred to in 3.4(b)(i).
- (viii) In the event of an issuer publishing a trading statement, such issuer must either:
- (1) produce and submit to the JSE a profit forecast or estimate, and accountants report thereon in accordance with:

- (aa) ISAE 3400 – The Examination of Prospective Financial Information and the SAICA Revised Guide on Forecasts, in respect of profit forecasts; or
- (bb) ISAE 3000 – Assurance Engagements other than Audits or Reviews of Historical Financial Information, in respect of the estimate;

in compliance with paragraphs 8.35 to 8.44 and 8.48(c); or

- (2) include a statement (which is not deemed to be a cautionary statement and which does not give rise to the commencement of a closed period) in the trading statement advising securities holders that the forecast financial information has not been reviewed and reported on by the issuer’s auditor either in accordance with 3.4(b)(viii)(1)(aa) or 3.4(b)(viii)(1)(bb).
- (ix) Issuers who have a policy of publishing quarterly results will be exempt from the provisions of 3.4(b)(i) to (viii), but must instead include a general commentary in each quarterly results announcement to ensure that shareholders are guided on the expected performance of the issuer for the next quarter (which may be as detailed or broad as the issuer chooses). Such guidance is exempt from compliance with paragraphs 8.35 to 8.44 of the Listings Requirements.

Confidentiality

3.5 Information that is required to be announced in terms of paragraph 3.4 or any other Listings Requirement, including price sensitive information, may not, subject to paragraphs 3.6 to 3.8, be released (even subject to a time embargo):

- (a) during JSE trading hours (as defined in Schedule 9), until such time as such information has been published in accordance with paragraph 7 of Schedule 9; or
- (b) outside of JSE trading hours until such time as such information has been approved, if necessary (in accordance with paragraphs 6 of Schedule 9), and arrangements have been made for such information to be published before the opening of JSE trading hours on the next business day.

3.6 Issuers that deem it necessary to provide information, prior to releasing same on SENS must ensure that in doing so they do not commit an offence in terms of the FMA and in particular Section 78(4).

Section 78(4)[#] of the FMA states the following:

- (a) An insider who knows that he or she has inside information and who discloses the inside information to another person commits an offence.
- (b) An insider is, despite paragraph (a), not guilty of the offence contemplated in that paragraph if such insider proves on a balance of probabilities that he or she disclosed the inside information because it was necessary to do so for the purpose of the proper performance of the functions of his or her employment, office or profession in circumstances unrelated to dealing in any security listed on a regulated market and that he or she at the same time disclosed that the information was inside information.

3.7 Issuers that elect to provide information in accordance with paragraph 3.6 and

[#] JSE extraction of section 73(3) of the SSA.

become aware that the necessary degree of confidentiality of such information cannot be maintained or if the issuer suspects that confidentiality has or may have been breached, the issuer must immediately:

- (i) inform the JSE; and
- (ii) ensure that such information is announced accordingly.

3.8 When an issuer intends to release any information as contemplated in paragraph 3.5 at any meeting or forum, arrangements must be made for the publication of such information to ensure that the announcement of such information at the meeting or forum is made simultaneously with the publication through SENS in accordance with Schedule 9. If any such information is disclosed in an unplanned manner during the course of a meeting or forum, the issuer must immediately:

- (i) inform the JSE; and
- (ii) ensure that such information is announced accordingly.

Cautionary announcements

3.9 Immediately after an issuer acquires knowledge of any material price sensitive information and the necessary degree of confidentiality of such information cannot be maintained or if the issuer suspects that confidentiality has or may have been breached, an issuer must publish a cautionary announcement (complying with paragraph 11.40). An issuer that has published a cautionary announcement must provide updates thereon in the required manner and within the time limits prescribed in paragraph 11.41.

Exception

3.10 If the directors of an issuer consider that disclosure to the public of information in accordance with paragraph 3.4 will, or probably will, prejudice the issuer's legitimate interests, the JSE may grant a dispensation from the requirement to make such information public.

Disclosure of periodic information

Dividends and interest

3.11 The declaration of dividends, interest and other similar payments ("distribution payments") by an applicant issuer should be announced immediately as per paragraph 11.17(a)(i) to (x).

3.12 If an applicant issuer decides not to declare distribution payments, and such decision is deemed to be price sensitive, the decision must be announced immediately after it is taken.

3.13 The announcement required in terms of paragraph 3.11 must be in accordance with Schedule 18.

Restatement of previously published results

3.14 In the instance where an applicant issuer restates previously published results, for whatever reason, they must submit a restatement notification to the JSE containing details of the restatement and the reasons therefor. Such notification must be submitted within 24 hours from the restated results being published on SENS.

Interim and quarterly reports

- 3.15 Interim reports shall be published after the expiration of the first six-month period of a financial year, by no later than three months after that date. In the instance where the financial year end has been changed, resulting in the financial period being longer than twelve months, interim reports shall be published in respect of:
- (a) the six-month period commencing on the first day of the financial period;
 - (b) a twelve-month period commencing on the first day of such financial period, which second interim report must also comply with paragraph 3.18(h); and
 - (c) by no later than three months after the expiration of the first six months and the second twelve months respectively.

In the case of issuers that report to shareholders on a quarterly basis, the quarterly reports shall be published in accordance with Appendix 1 to Section 11 as soon as possible after the expiration of each quarter (such issuers must still comply with the provisions of this paragraph in respect of interim reports). Interim reports must comply with 8.57 to 8.61.

Provisional reports

- 3.16 (a) If an issuer has not distributed annual financial statements to all shareholders within three months of its financial year-end, it must publish provisional annual financial statements (“provisional reports”) within the three months as specified, even if the financial information is unaudited at that time, in which case paragraph 3.18(c) will apply. The provisional reports are to be prepared in accordance with paragraphs 3.15, 3.18(c) and 8.57 to 8.61. The auditor’s report on the provisional report (if applicable) does not need to be included in its entirety in the provisional report, but may instead be dealt with in terms of paragraph 3.18(f) and (g).
- (b) If an issuer has published a provisional report, then, at the date of issue of its annual financial statements, such issuer must either comply with paragraph 3.21(b) and (c) or publish an announcement stating that it has issued its annual financial statements and that it is not publishing an abridged report as the information previously published in the provisional report (including the nature of the auditor’s report) is unchanged.

Procedure for non-compliance

- 3.17 Where an issuer fails to comply with paragraphs 3.15 and/or 3.16:
- (a) on the day following the due date of issue of the issuer’s interim/provisional report, a letter of reminder will be sent to the issuer requesting that it rectify the situation and advising that it has been granted a period of one month, from the date of such reminder, in which to issue its interim/provisional report, failing which the issuer’s listing will be suspended and a meeting of the JSE will be convened to consider the continued suspension or removal of the issuer’s listing;
 - (b) failing compliance within 14 days of dispatch of the reminder to the issuer, the JSE will release an announcement through SENS informing holders of securities that the issuer has not issued its interim/provisional report and cautioning shareholders that the issuer’s listing of securities is under threat of suspension and possible removal;
 - (c) on the date of the announcement, the issuer’s listing will be annotated on the JSE trading system with a “RE” to indicate that it has failed to submit its interim/provisional report timeously;

- (d) where the listing is suspended, the lifting of the suspension will only be effected upon receipt by the JSE of the issuer's interim/provisional report, and if the JSE is satisfied that the interim/provisional report complies with IFRS and the SAICA Financial Reporting Guides as issued by the Accounting Practices Committee and Financial Pronouncements as issued by Financial Reporting Standards Council.

Requirement for review by auditors and reports issued by auditors

- 3.18 The following provisions apply in respect of unaudited interim reports, unaudited quarterly reports and unaudited provisional reports:
- (a) subject to paragraph 3.18(b), unaudited interim reports are not required to be reviewed by an issuer's auditor;
 - (b) unaudited interim reports shall be reviewed by an issuer's auditor if the issuer's auditor disclaimed, qualified or gave an adverse opinion in the issuer's last annual financial statements, unless the JSE otherwise decides;
 - (c) unaudited provisional reports shall be reviewed by an issuer's auditor unless an audit report has already been issued on the underlying annual financial statements themselves. In this instance there is no obligation to obtain a separate auditor's report on the provisional report and instead:
 - (i) the following statement must be included in the provisional report:
"This summarised report is extracted from audited information, but is not itself audited.";
 - (ii) the audited annual financial statements and the audit report must be available for inspection at the issuer's registered office and a statement to this effect, including the name of the auditor, must be included in the provisional report; and
 - (iii) a statement must be included in the provisional report that the directors take full responsibility for the preparation of the provisional report and that the financial information has been correctly extracted from the underlying annual financial statements;
 - (d) unaudited quarterly reports are not required to be reviewed by an issuer's auditor, unless otherwise requested by the JSE;
 - (e) when conducting a review of an unaudited interim or provisional report, the auditor shall follow the guidance provided in the International Standard on Review Engagements, (ISRE) 2410, Review Financial Statements of Interim Financial Information Performed by the Independent Auditor of the Entity;
 - (f) when an interim or provisional report has been reviewed or audited by the auditor, this fact and the name of the auditor must be stated in the published interim or provisional report. If the report of the auditor is not included in the published interim or provisional report, the published interim or provisional report shall state that the report of the auditor is available for inspection at the issuer's registered office;
 - (g) the published interim or provisional report must state the type of review conclusion/audit opinion that was reached on the interim or provisional report or, in the circumstances where the provisional report itself is not reviewed/audited, the conclusion that was reached on the underlying annual financial statements, i.e. unqualified, qualified, disclaimer or adverse, and must contain an extract of the exact modification paragraph from the

auditor's report. The published interim or provisional report must also mention and contain details of any:

- (i) emphasis of matter paragraph;
- (ii) paragraphs regarding a reportable irregularity, as defined in the Auditing Profession Act; and
- (iii) paragraph indicating a material inconsistency in information included in a document that contains the audited financial statements,

contained in the auditor's report;

- (h) where the financial period covers more than 12 months and interim reports are published in accordance with paragraph 3.15, a review opinion must be obtained for the second interim period;
- (i) if the auditor issues a modified auditor's report, a signed copy of the modified auditor's report must be submitted to the JSE by the issuer within 24 hours of the publication of the results; and
- (j) where unaudited/unreviewed financial information is contained in an announcement (other than a short form announcement published in accordance with paragraph 3.46(A)) and/or other publication, including preliminary reports, and the demarcation between the audited/reviewed information and any unaudited/unreviewed information is not clear, the following statement must be included in such announcement and/or other publication:

"The auditor's report does not necessarily report on all of the information contained in this announcement/financial results. Shareholders are therefore advised that in order to obtain a full understanding of the nature of the auditor's engagement they should obtain a copy of the auditor's report together with the accompanying financial information from the issuer's registered office."

Annual financial statements

- 3.19 Every issuer shall, within six months after the end of each financial year and at least fifteen business days before the date of the annual general meeting, distribute to all holders of securities and submit to the JSE in accordance with paragraph 16.21:
- (a) a notice of the annual general meeting; and
 - (b) the annual financial statements for the relevant financial year, which financial statements will have been reported on by the issuer's auditor.
- 3.20 Where annual financial statements have not been distributed to holders of securities within three months of its financial year-end, the issuer must publish a provisional report as detailed in paragraph 3.16.
- 3.21
- (a) An issuer's annual financial statements must be distributed to the issuer's holders of securities and a copy thereof must be submitted electronically and directly to the information database maintained by Issuer Regulation Division for publication on the JSE website.
 - (b) At the same time, an abridged version of such annual financial statements ("abridged report"), complying with paragraphs 8.57 to 8.61, must be published on SENS.
 - (c) Although the audit report of the auditor on the annual financial statements

need not be included in the abridged report (or in any summary of the audited annual financial statements that the issuer chooses to produce), the name of the auditor must be included and, if such report is a modified auditor's report, details of the nature of such modification shall also be stated therein. If the audit report is not modified then a statement to this effect must be included in the report. There is no obligation to obtain a separate audit report on the abridged report itself (or any other summary of audited annual financial statements). Where the abridged report itself is not audited the following statement must be included in the abridged report (or any other summary of audited annual financial statements):

“This abridged report is extracted from audited information, but is not itself audited.”

In addition a statement must be included in the abridged report (or any other summary of audited annual financial statements) that the directors take full responsibility for the preparation of the abridged report and that the financial information has been correctly extracted from the underlying annual financial statements.

3.22 Any annual financial information published voluntarily by an issuer in advance of being required to do so in terms of paragraphs 3.20 or 3.21 must:

- (a) comply with paragraphs 8.57 to 8.61 in respect of disclosure;
- (b) at a minimum, be reviewed by the issuer's auditor, unless an audit report has been issued on the underlying annual financial statements themselves. Therefore if:
 - (i) an audit report has been issued on the underlying annual financial statements, there is no obligation to obtain a separate auditor's report on the preliminary report itself, and instead the issuer must comply with the provisions of paragraph 3.18(c), (g), (i) and (j), (where the word “provisional” should be replaced with the word “preliminary” when reading those paragraphs); or
 - (ii) no audit report has been issued on the annual financial statements, the provisions of paragraph 3.18(e), (f), (g), (i) and (j) will apply equally (where the word “provisional” should be replaced with the word “preliminary”); and
- (c) At the date of issue of its annual financial statements such issuer must comply with the provisions of paragraph 3.16(b) (where the word “provisional” should be replaced with the word “preliminary”).

Procedure for non-compliance

3.23 The following procedure shall apply to an issuer that fails to comply with paragraph 3.19 above:

- (a) five months after the issuer's financial year end, the JSE will send to the issuer a letter of reminder, advising that the issuer still has one month within which to submit its annual financial statements, failing which its listing may be suspended until such time as the annual financial statements have been submitted;
- (b) six months after the listed company's financial year end, the company's listing will be annotated on the JSE trading system with a “RE” to indicate that it has failed to submit its annual financial statements timeously;
- (c) the JSE will release an announcement over SENS, informing holders of

securities that the issuer has not submitted its annual financial statements and cautioning holders of securities that the listing of the issuer's securities is under threat of suspension and possible removal;

- (d) if the issuer has not complied with paragraph 3.19 by the end of the seventh month after its financial year end, the issuer's listing will be suspended and a meeting of the JSE will be convened to consider the continued suspension or removal of the issuer's listing;
- (e) the issuer's suspension will be lifted after the JSE receives the issuer's annual financial statements and the JSE is satisfied that these annual financial statements comply with IFRS and the SAICA Financial Reporting Guides as issued by the Accounting Practices Committee and Financial Pronouncements as issued by Financial Reporting Standards Council.

3.24 Discretionary authority shall vest with the JSE to waive the requirement for suspension of an issuer's listing where it has not submitted its annual financial statements timeously.

Modified audit report

3.25 The following procedure shall prevail where a modified auditors' report has been issued on an issuer's annual, provisional or preliminary financial statements:

- (a) When the auditors' report contains an emphasis of matter paragraph, the issuer's listing on the JSE trading system will be annotated with an "E" to indicate that the auditors' report contains an emphasis of matter paragraph.
- (b) When the auditors' report is qualified, the issuer's listing on the JSE trading system will be annotated with a "Q" to indicate that the auditors' report is qualified.
- (c) When the auditors' report contains an adverse opinion:
 - (i) the issuer's listing on the JSE trading system will be annotated with an "A" to indicate that the auditors' report contains an adverse opinion; and
 - (ii) the JSE may decide to follow the steps set out in paragraph 3.25(d)(ii) below.
- (d) When the auditors' report contains a disclaimer of opinion:
 - (i) the issuer's listing on the JSE trading system will be annotated with a "D" to indicate that the auditors' report is disclaimed; and
 - (ii) the JSE will consider the continued listing, suspension and possible subsequent removal of the issuer's listing.
- (e) When the auditor's report includes additional paragraph/s in terms of some additional reporting responsibilities of the auditor, such as the obligation to report reportable irregularities in terms of the Auditing Profession Act, this must be announced by the Issuer through SENS and the JSE may decide to take further action.

Cash company

3.26 The following requirements apply to a cash company:

- (a) Should the cash company, within six months after classification as a cash company, fail to enter into an agreement and make an announcement relating to the acquisition of viable assets that satisfy the conditions for listing set out in Section 4, its listing will be suspended.

- (b) If a cash company fails, within 3 months of suspension, to obtain approval from the JSE for a circular relating to the acquisition of viable assets that satisfy the conditions for listing set out in Section 4, its listing will be removed.
- (c) Where a cash company is to be utilised for the reversal of assets into it:
 - (i) such cash company must comply with the Listings Requirements for bringing a company to listing; and
 - (ii) the reconstituted cash company must meet the conditions for listing as set out in Section 4.

Rights between holders of securities

Equality of treatment

3.27 An issuer must ensure that all holders of any class of its securities that are in the same position, receive fair and equal treatment.

Voting rights

3.28 An issuer shall not issue any securities with voting rights differing from other securities of the same class.

Pre-emptive rights

3.29 Securities in each class for which listing is applied must rank pari passu in respect of all rights. It should be noted that a statement that 'securities in each class rank pari passu' is understood to mean that:

- (a) they are in all respects identical;
- (b) they are of the same nominal value, and that the same amount per share has been paid up;
- (c) they carry the same rights as to unrestricted transfer, attendance and voting at general/annual general meetings and in all other respects; and
- (d) they are entitled to dividends at the same rate and for the same period, so that at the next ensuing distribution the dividend payable on each share will be the same amount.

3.30 Subject to paragraphs 3.32 and 3.33, an issuer proposing to issue equity securities for cash must first offer those securities (unless the issue is an acquisition issue) effected by way of rights offer, to existing holders of equity securities in proportion to their existing holdings. Only to the extent that such securities are not taken up by holders of equity securities under the offer may they then be issued for cash to other persons or otherwise than in the proportion mentioned above.

3.31 To the extent permitted by the Commission and subject to the prior approval of the JSE, an issuer need not comply with paragraph 3.30 with respect to securities that the directors of the issuer consider necessary or expedient to be excluded from the offer because of legal impediments or compliance with the requirements of any regulatory body of any territory recognised as having import on the offer.

Waiver of pre-emptive rights

3.32 To the extent that holders of securities of an issuer provide their authorisation by way of ordinary resolution (determined in accordance with paragraph 5.51(g) or

5.52(e)), the issue by an issuer of equity securities for cash, made otherwise than to existing holders of securities in proportion to their existing holdings, will be permitted in respect of a specific issue of equity securities for cash for such equity securities issue, and in respect of a general issue of equity securities for cash, for a fixed period of time thereafter in accordance with such general authority.

- 3.33 The JSE may waive some or all of the requirements contained in paragraph 3.32 if it is satisfied that the conditions as stipulated in Schedule 11 exist.

Profit warranties

- 3.34 Where securities are the subject of a profit warranty, such securities may only be allotted and issued once the profit required has been achieved in terms of the profit warranty agreements and the issuer's auditor have confirmed in writing to the JSE that the conditions required have been met for the securities to be allotted and issued.

Issues by subsidiaries other than on listing

- 3.35 An issue of shares for cash in a subsidiary (whether listed or unlisted) of an issuer must be categorised in accordance with the provisions of Section 9 and not in terms of section 5.50 to 5.57.
- 3.36 When a subsidiary effects an offer for subscription by way of a rights offer, the rights offer must be categorised in accordance with the provisions of Section 9 and not in terms of section 5.50 to 5.57. Any shares that are renounced by the listed holding company in favour of its shareholders pro rata to their holdings need not be taken into account for categorisation purposes in terms of Section 9.

Shareholder spread

- 3.37 Issuers must use their best endeavours to ensure that a minimum percentage of each class of securities is held by the public as described in paragraph 4.28(e) ("the minimum spread requirements").
- 3.38 [Repealed]
- 3.39 [Repealed]
- 3.40 [Repealed]
- 3.41 [Repealed]

Notification

- 3.42 [Repealed]
- 3.43 An issuer must disclose in its annual financial statements the following concerning its securities held by the public (as defined in paragraphs 4.25 to 4.27):
- (a) the number of public securities holders for every class of listed securities;
 - (b) the percentages of each class of securities held by public and non-public shareholders; and
 - (c) the disclosure for non-public shareholders must be analysed in accordance with the categories set out in paragraphs 4.25 to 4.27.

Communication with holders of securities

Prescribed information to holders of securities

- 3.44 An issuer must ensure that all the necessary facilities and information are available to enable holders of securities to exercise their rights. In particular it must:
- (a) inform holders of securities of the holding of meetings that they are entitled to attend;
 - (b) enable them to exercise their right to vote, where applicable; and
 - (c) release announcements and distribute circulars in terms of the Listings Requirements.

Announcements through SENS

- 3.45 All announcements that are to be made through SENS in accordance with the Appendix 1 to Section 11 must be in English.

Press announcements

- 3.46 Announcements requiring publication in the press in accordance with the Appendix 1 to Section 11 must be published in a widely circulated daily newspaper taking into account the specific composition and demographics of the issuer's stakeholders, in the reasonable opinion of the issuer, in any official language. Announcements may be made available on the issuer's website only after the announcement has been released through SENS. Short-form announcements may be published in the press, subject to paragraph 3.46A and on the basis that the issuer has its own operational website.

- 3.46A The following details must be included in the short-form announcement:

- (a) In a prominent position at the top of the short-form announcement, all such headlines as may be appropriate as to the nature of the matter;
- (b) The short-form announcement is the responsibility of the directors;
- (c) Contain a warning statement that:
 - (i) the short-form announcement is only a summary of the information in the full announcement and does not contain full or complete details; and
 - (ii) any investment decisions by investors and/or shareholders should be based on consideration of the full announcement published on SENS and the issuer's website as a whole;
- (d) The short-form announcement must not be misleading or inaccurate;
- (e) Contain a statement that:
 - (i) the full announcement has been released on SENS and available for viewing on the issuer's website; and
 - (ii) the full announcement is available for inspection at the registered office or other designated office of the issuer and the offices of the sponsor, that such inspection is available to investors and/or shareholders at no charge, the hours of such inspection and days on which such inspection is available; or
 - (iii) copies of the full announcement may be requested including full details on how such request can be made.
- (f) A short-form announcement dealing with interim reports and provisional annual financial statements must in addition to the above include the

following:

- (i) Increases/decreases in revenue/operating profit compared to the financial results for the previous corresponding period;
- (ii) Increases/decreases in headline earnings per share compared to the financial results for the previous corresponding period;
- (iii) Increases/decreases in earnings per share compared to the financial results for the previous corresponding period;
- (iv) Increases/decreases in the dividend/distribution compared to the financial results for the previous corresponding period; and
- (v) Increases/decreases in net asset value compared to the financial results for the previous corresponding period (only if more relevant because of the nature of the issuers business).

To the extent that any of the above indicators are not considered to be a true measure to reflect the performance of an issuer in the banking and property industries, the JSE may grant dispensation from the requirement to publish such information or agree to a relevant alternative indicator/s.

- 3.47 Where the registered office of an issuer is situated outside the Republic of South Africa, the requirements of Section 18 on Dual Listings and Listings by External Companies apply.
- 3.48 Announcements relating to pre-listing statements or circulars must state in which other official languages, if any, they are printed and where copies of such documents may be obtained.

Circulars and pre-listing statements

- 3.49 Circulars and pre-listing statements must be printed in English and be distributed to all certificated holders, and to those dematerialised beneficial holders of its securities who have elected to receive such documents, at the cost of the issuer.
- 3.50 Provision must be made for the translation of circulars and pre-listing statements into other official languages where deemed necessary by the JSE or the issuer.

Transfer office or a receiving and certification office and State relationship

- 3.51 All issuers are required to:
 - (a) with respect to the certificated environment, maintain a transfer office or a receiving and certification office. All certifications must be completed within 24 hours of lodgement; and
 - (b) with respect to the dematerialised environment, be approved by State and comply with the Central Securities Depository Rules.

Proxy forms

- 3.52 (a) A proxy form must be sent, together with the notice convening a meeting of holders of securities, to each person entitled to vote at such meeting and who has elected to receive such documents.
- (b) For the purpose of resolutions proposed in terms of the Listings Requirements wherein any votes are to be excluded from that resolution, any proxy given by a holder of securities to the holder of such an excluded vote shall be excluded from voting for the purposes of that resolution.

Documents of title

- 3.53 Securities certificates and all other documents of title that need to be posted by issuers must be sent by registered post.

Temporary documents of title

- 3.54 Issuers may introduce “temporary documents of title” in South Africa provided that they are in accordance with the terms prescribed by the transfer secretary.
- 3.55 Issuers that have received such approval shall not place a time limit on the acceptance by them of any “temporary documents of title” for the purpose of issuing definitive securities certificates.
- 3.56 Issuers that have received such approval shall:
- (a) cancel any securities certificates lodged with or being issued by them, and against which a “temporary document of title” has been issued, as soon as they are able to do so; and
 - (b) issue definitive securities certificates within 21 days after presentation to them of any “temporary document of title” duly signed and completed by the transferee.
- 3.57 No issuer may charge a fee for the registration and/or transfer of its securities in the Republic of South Africa.

Receipts

- 3.58 Only on request will receipts be issued for securities lodged with an issuer, whether for registration or otherwise.

Directors

- 3.59 An issuer, through its sponsor, must notify the JSE of any change to the board of directors or company secretary including:
- (a) the appointment of a new director (including the director’s capacity in terms of paragraph 3.84(f)) or company secretary;
 - (b) the resignation, removal, retirement or death of a director or of the company secretary; and/or
 - (c) changes to any important functions or executive responsibilities of a director;
- without delay and no later than by the end of the business day following the decision or receipt of notice detailing the change. Such changes must be announced as soon as practically possible and also included in the issuer’s next publication of listing particulars, interim report or annual financial statements. Where a director retires and is re-appointed at an annual or other general meeting, no notification is required as this does not result in a change to the board of directors.
- 3.60 An issuer must submit to the JSE and its sponsor, the relevant director’s declaration in respect of each of its appointed directors within 14 days of their appointment in the form specified in Schedule 13. Directors are required to disclose to the issuer all information that the issuer requires in order to comply with this paragraph 3.60. The issuer must also advise each of its directors of their obligations to disclose to it all information that the issuer requires in order to comply with this paragraph 3.60. Any director who is aware of any change in the statements contained in paragraphs 14 and 16 to 24 of Schedule 13 is required to disclose such information to the issuer without delay and, in any event, by no later

than three business days after becoming aware of such change. An issuer must further submit to the JSE via its sponsor an updated Schedule 13, if any change has occurred to the information as contained in paragraphs 14 and 16 to 24 of Schedule 13 in respect of any director within seven business days of such change coming to its attention. In the case of an appointment of a new company secretary the information as contained in Schedule 2 Form D2 must be submitted to the JSE within 14 days. The issuer must ensure that each of the appointed directors is free of any conflict of interest between the duties he owes to the company and his private interest.

- 3.61 The notifications required by paragraph 3.59 must state the effective date of the relevant appointment. If the effective date is not yet known or has not yet been determined, the notification should state this fact and the issuer must notify the JSE once the effective date has been determined.
- 3.62 All directors of issuers are bound by and must comply with the Listings Requirements, as amended from time to time, in their capacities as directors and in their personal capacities.

Dealing in Securities

- 3.63 An issuer, via its sponsor, must announce the following information:
- (a) details of all transactions (including off market transactions) in securities relating to the issuer by or on behalf of:
 - (i) a director and company secretary (held beneficially, whether directly or indirectly) of the issuer;
 - (ii) a director and company secretary (held beneficially whether directly or indirectly) of a major subsidiary company of the issuer; or
 - (iii) any associate of 3.63 (a)(i) or (ii) above (collectively referred to for purposes of paragraphs 3.63 to 3.70 as “directors”).
 - (b) such announcement shall contain the following information:
 - (i) the name of the director;
 - (ii) the name of the company of which he is a director;
 - (iii) the date on which the transaction was effected;
 - (iv) the price, number, total value and class of securities concerned. A deemed value based on the prevailing market price must be included in situations where there is no price attributable to the transaction (e.g. donations). Aggregation and averaging of prices is not allowed and therefore, in instances where there have been various trades at various prices during the course of a day, the volume weighted average price must be shown together with the highest and lowest trading prices for the day;
 - (v) in the case of options or any other similar right or obligation, the option strike price, strike dates and periods of exercise and/or vesting;
 - (vi) the nature of the transaction;
 - (vii) the nature and the extent of the director’s interest in the transaction. In the case of dealings by associates, the announcement must disclose the name of the associate and the relationship with the director;

- (viii) confirmation as to whether the trades were done on- market or off-market; and
- (ix) whether clearance has been given in terms of paragraph 3.66. In the case of dealings by associates, this requirement does not apply.

3.64 Transaction includes:

- (a) any sale, purchase or subscription (including in terms of a rights offer, capitalisation award or scrip dividend) of securities relating to the issuer;
- (b) any agreement to sell, purchase or subscribe for securities relating to the issuer (irrespective of whether shares or cash flows);
- (c) any donations of securities relating to the issuer;
- (d) any dealing in warrants, single stock futures, contracts for difference or any other derivatives issued in respect of the issuer's securities. It should be noted that, if shares are sold and the equivalent exposure is purchased through a single stock future or any other derivative, both legs will be deemed to be transactions. The closing out of a single stock future or other derivative is also a transaction. The rolling-over of a single stock future that is merely an extension of an existing position is not a transaction;
- (e) the acceptance, acquisition, disposal, or exercise of any option (including but not limited to options in terms of a share incentive/option scheme) to acquire or dispose of securities;
- (f) any purchase or sale of nil or fully paid letters;
- (g) the acceptance, acquisition or disposal of any right or obligation, present or future, conditional or unconditional, to acquire or dispose of securities; or
- (h) any other transaction that will provide direct or indirect exposure to the share price of the issuer. It must be noted that this does not include cash settled share appreciation rights granted to directors by the issuer in the ordinary course of business.

3.65 Directors are required to disclose to the issuer all information that the issuer needs in order to comply with paragraph 3.63. The issuer shall also advise each of its directors of their obligations to disclose to it all information that the issuer needs in order to comply with paragraph 3.63. Any director who deals in securities relating to the issuer is required to disclose the information required by paragraph 3.63 to the issuer without delay and, in any event, by no later than three business days after dealing. The issuer must in turn announce such information without delay and, in any event, by no later than 24 hours after receipt of such information from the director concerned.

Clearance to deal

3.66 A director (excluding any of his/her associates) may not deal in any securities relating to the issuer without first advising the chairman (or one or more other appropriate directors designated for this purpose) in advance and receiving clearance from the chairman or other designated director. In his own case, the chairman, or other designated director, must advise the board of directors in advance, or advise another designated director, and receive clearance from the board of directors or designated director, as appropriate. The JSE may waive this requirement in situations where the director has no discretion in the transaction. The JSE must be consulted for a ruling in these cases and if a waiver is granted the announcement must clearly explain the reasons why the director had no discretion to deal.

Circumstances for refusal

- 3.67 A director must not be given clearance (as required by paragraph 3.66) to deal in any securities relating to the issuer during a prohibited period. A “prohibited period” means:
- (a) a closed period;
 - (b) any period when there exists any matter which constitutes unpublished price sensitive information in relation to the issuer’s securities (whether or not the director has knowledge of such matter).
- 3.68 A written record must be maintained by the issuer of the receipt of any advice received from a director pursuant to paragraph 3.66 and of any clearance given. Written confirmation from the issuer that such advice and clearance, if any, have been recorded must be given to the director concerned.

Dealing in prohibited periods

- 3.69 A director may not deal in any securities relating to the issuer:
- (a) during a closed period as defined; and
 - (b) at any time when he is in possession of unpublished price sensitive information in relation to those securities or otherwise where clearance to deal is not given in terms of paragraph 3.66.
- 3.70 The JSE may waive compliance with paragraph 3.69 in situations where the director has no discretion in the transaction. The JSE must be consulted for a ruling in these cases and if a waiver is granted the announcement must clearly explain the reasons why the director had no discretion to deal.

Dealings by associates of directors and investment managers

- 3.71 A director must advise the following parties of the name(s) of the issuer(s) of which he/she is a director:
- (a) any associate of his; and/or
 - (b) any investment manager dealing on his/her behalf or on behalf of any person associated with him where either he/she or any person associated with him has funds under management with that investment manager, whether on a discretionary basis or not.
- 3.72 A director must advise all of his associates in writing that they must notify him immediately after they have dealt in securities relating to the issuer(s) in order for him to comply with paragraph 3.65.
- 3.73 A director must advise his investment manager in writing that they may not deal in any securities relating to issuer(s) of which he is a director unless it obtains his express consent in writing.
- 3.74 Paragraphs 3.63 to 3.73 do not override the provisions of the FMA and should not be construed as additional defences or exclusions from having to comply with the FMA. Issuers may impose more rigorous restrictions upon dealings by directors if they so wish or if it is appropriate in certain circumstances.

Notification of change in auditor

- 3.75 An issuer must notify the JSE of:
- (a) the termination of the appointment of the auditor;

- (b) the resignation of the auditor; and/or
- (c) any change of the individual auditor classified as the designated auditor;

without delay, and by no later than the end of the business day following the decision by the issuer to terminate the appointment of the auditor or after receipt of the auditor's resignation.

- 3.76 The notification required by paragraph 3.75 must state the effective date of the termination or resignation, if it is not with immediate effect.
- 3.77 The notification required by paragraph 3.75 must be accompanied by a letter from the auditor stating the date of termination, what the auditor believes to be the reason for such termination or, in the case of resignation, the reason(s) for such resignation.
- 3.78 The JSE may, in its sole discretion, request the issuer to publish an announcement informing shareholders of the termination of the auditor appointment or resignation of the auditor and the reason(s) therefore.
- 3.79 The annual financial statements for the year end in which the termination or resignation took place must state that the auditor appointment was terminated or that the auditor resigned and the reason(s) therefore.

Miscellaneous obligations

Listing and other fees

- 3.80 An issuer must pay the listing and other fees, including its annual listing fee, as published and available on the JSE website, www.jse.co.za, per Section 17, as soon as such payment becomes due. Failure to pay any fees due may result in the censure of the issuer in terms of Section 1.

Companies listed on another exchange

- 3.81 An issuer whose securities are listed on any other exchange must ensure that equivalent information is made available at the same time to the market of each exchange on which the issuer's securities are listed, unless prohibited by or in terms of the rules or requirements of any other stock exchange. Refer to paragraph 10 of Schedule 9 and Section 18.

Information to be processed by the JSE

- 3.82 Issuers must ensure that information that is provided to the JSE for processing is the same as that provided to other parties such as transfer secretaries.

Disclosure of beneficial interests in securities

- 3.83
 - (a) Issuers must establish and maintain a register of the disclosures made in terms of Section 56 of the Act. Furthermore, the issuer is to publish the beneficial interests of directors and major shareholders in its annual financial statements as required by paragraphs 8.63(c) and (e).
 - (b) An issuer that has received a notice regarding certain share transactions, in terms of Sections 122(1) and 122(3) of the Act, must, within 48 hours after receipt of such notice, publish the information contained in the notice on SENS. No such announcement shall be required in respect of notices received by the issuer and which relate to a disposal of less than 1% of the relevant class of securities, per Section 122(3) of the Act.

Corporate Governance

- 3.84 In addition to complying with paragraph 8.63(a), issuers must comply with the following specific requirements concerning corporate governance and must disclose their compliance therewith in their annual report:
- (a) there must be a policy detailing the procedures for appointments to the board of directors. Such appointments must be formal and transparent and a matter for the board of directors as a whole, assisted where appropriate by a nomination committee. The nomination committee must constitute only non-executive directors, of whom the majority must be independent (as defined in paragraph 3.84(f)(iii)), and must be chaired by the chairman of the board of directors or the lead independent director if required pursuant to paragraph 3.84(c) below;
 - (b) there must be a policy evidencing a clear balance of power and authority at board of directors' level, to ensure that no one director has unfettered powers of decision-making;
 - (c) the issuer must have an appointed chief executive officer and a chairman and these positions must not be held by the same person. The chairman must either be an independent non-executive director, or the issuer must appoint a lead independent director, in accordance with the King Code;
 - (d) all issuers must, in compliance with the King Code appoint an audit committee and a remuneration committee and if required, given the nature of the business and composition of the board of directors, a risk and nomination committee. The composition of such committees, a brief description of their mandates, the number of meetings held and other relevant information must be disclosed in the annual report;
 - (e) a brief CV of each director must be provided in respect of a new listing. It should further be noted that a brief CV for each director standing for election or re-election at a general meeting or the annual general meeting (in relation to Main Board issuers, such election or re-election may not take place at a meeting contemplated in Section 60 of the Act) should accompany the notice of the general meeting or annual general meeting;
 - (f) the capacity of each director must be categorised as executive, non-executive or independent, using the following as guidelines to determine which category is most applicable to each director:
 - (i) executive directors:

are directors that are involved in the management of the company and/or in full-time salaried employment of the company and/or any of its subsidiaries;
 - (ii) non-executive directors are directors that are not:
 - (1) involved in the day to day management of the business, or
 - (2) full-time salaried employees of the company and/or any of its subsidiaries;
 - (iii) independent directors are as defined in the King Code. In addition, it must be noted that any director that participates in a share incentive/option scheme, will not be regarded as independent;
 - (g) all issuers must have an executive financial director. The JSE may, at its discretion, when requested to do so by the issuer and due to the existence of special circumstances, allow the financial director to be employed on a part

- time basis only. This request must be accompanied by a detailed motivation by the issuer and the audit committee; and
- (h) the audit committee must consider, on an annual basis, and satisfy itself of the appropriateness of the expertise and experience of the financial director. The issuer must confirm this by reporting to shareholders in its annual report that the audit committee has executed this responsibility.
 - (i) the board of directors must consider and satisfy itself, on an annual basis, on the competence, qualifications and experience of the company secretary. The issuer must confirm this by reporting to shareholders in its annual report that the board of directors has executed this responsibility. This communication must specifically include details of the steps which the board of directors took to make this annual assessment as well as providing information which demonstrates the actual competence, qualifications and experience of the company secretary; and
 - (j) the recommended practice of the King Report on Governance for South Africa highlights, inter alia, that the company secretary should maintain an arms-length relationship with the board of directors and that the company secretary should ideally not be a director. The board of directors must specifically consider these two points and provide an explanation in the annual report as to why it believes that there is an arms-length relationship between itself and the company secretary. If the company secretary is a director of the company or if the board of directors otherwise concludes that there is not an arms-length relationship between itself and the company secretary, the board of directors must justify how the issuer is still able to ensure that the company secretary effectively performs the role as the gatekeeper of good governance in the issuer and how they have been able to adequately and effectively perform and carry out the roles and duties of a company secretary. Where the company secretary is a juristic person the board of directors in its assessment must consider the individual/s who perform the company secretary role as well as the directors and shareholders of the juristic person. The imposition of a juristic person in itself does not create an arms-length relationship.

Liquidation, business rescue proceedings and court applications in terms of Section 163 of the Act

- 3.85 (i) In the event of an applicant issuer being placed, or making application to be placed, into liquidation, whether voluntary or compulsory, provisional or final, the applicant issuer must immediately notify the JSE of this fact.
- (ii) In the event that the board of directors of the issuer adopts a resolution to place the issuer under business rescue proceedings, or application is made to a court to place the issuer under business rescue proceedings, in terms of Chapter 6 of the Act or the board of directors issues a notice in terms of Section 129(7) of the Act, the issuer must notify the JSE thereof on the date of the first signature of the board resolution, on the date of the service of the application, or on the date of issue of the Section 129(7) notice, as the case may be. Furthermore, in the event that the business rescue proceedings are terminated and the issuer does not proceed with liquidation proceedings and wishes to:
- (a) delist, the issuer will remain subject to the delisting procedures set out in Section 1 of the Listings Requirements; or
 - (b) remain listed, the issuer must consult the JSE in order to discuss the

suitability of the issuer for continued listing on the JSE.

- (iii) Issuers must immediately notify the JSE of any application in terms of Section 163 of the Act.

Appointment of auditors and reporting accountants

- 3.86 An applicant issuer may only appoint as its auditor and reporting accountant an audit firm, individual auditor and reporting accountant who is accredited as such on the JSE list of Auditors and their advisers, as set out in Section 22. This requirement must be considered by the audit committee when recommending an auditor for appointment at the annual general meeting.
- 3.87 Within 90 days of an audit firm or individual auditor being removed from the JSE list of Auditors and their advisers, an applicant issuer must replace its auditor with an auditor who is accredited on the JSE list of Auditors and their advisers. This change should be made before the auditor signs the next audit report, failing which the applicant issuer must caution shareholders as to the status of its auditor. This warning must appear whenever reference is made to the audit report in an announcement or in the financial statements themselves.
- 3.88 Subject to the provisions of the Act and the MOI of the applicant issuer and its subsidiaries, subsidiaries of applicant issuer are not required to be audited.
- 3.89 The requirements in paragraphs 3.86 and 3.87 with regard to the auditor and reporting accountant apply equally to those foreign registered entities with a primary listing on the JSE. In this instance, the audit firm and individual auditor registered in a jurisdiction other than South Africa and the IFRS adviser need to be accredited on the JSE list of Auditors and their advisers. The specific requirements and eligibility criteria, as set out in Section 22 and Schedule 8, are, however, slightly different for auditors registered in a jurisdiction other than South Africa. The applicant issuer may approach the JSE to discuss a suitable compromise if there are legal difficulties in complying with paragraph 3.88.

Announcement of annual/general meeting details

- 3.90 An issuer must release an announcement on SENS with details concerning the date, time and venue of its annual/general meeting within 24 hours after the notices of annual/general meeting have been distributed to shareholders. In the case of written resolutions, the issuer must release an announcement on SENS with details of the written resolutions being proposed within 24 hours after the written resolutions have been distributed to shareholders.

Disclosure of voting results of annual/general meetings

- 3.91 An issuer must release an announcement on SENS within 48 hours after each annual/general meeting providing details of the voting results in respect of the resolution/s proposed at such meeting and/or passed by written resolution. The announcement must include the following:
 - (a) the resolution/s proposed at the meeting;
 - (b) the shares voted in person or by proxy disclosed as a number and a percentage (in relation to the total issued share capital of that class of the applicant issuer);
 - (c) the shares abstained disclosed as a percentage (in relation to the total issued share capital of that class of the applicant issuer); and
 - (d) the votes carried (i) for and (ii) against each resolution, disclosed as a

percentage (in relation to the total number of shares voted at the meeting in respect of (b) above).

To the extent that the number of shares in (b) and (c) differ for each resolution, details must be provided per resolution.

Dealings by share incentive schemes

3.92 The provisions of paragraphs 3.63 to 3.74 apply mutatis mutandis to any dealings by the issuer or a scheme (including a non-dilutive scheme) involving securities relating to the scheme, save for the following circumstances being present:

- (i) the instruction to deal was given by a participant of the scheme (other than a director as contemplated in paragraph 3.63(a)(i) and (ii)), where shares in the issuer have vested in favour of the participant pursuant to the provisions of the scheme;
- (ii) the scheme is merely facilitating the dealing on behalf of the participant;
- (iii) the participant takes the risk of any profit or loss in respect of the dealing; and
- (iv) the trustees of the scheme, any other party responsible and the issuer do not exercise any election/decision in respect of such dealing, other than following and acting on the specific instructions of the participant.

A non-dilutive scheme means any share incentive scheme not involving the issue of equity securities by the issuer.

Introduction

- 4.1 Listings and/or additional listings are granted subject to compliance with the Listings Requirements and approval by the JSE.
- 4.2 All applications for listing are to be submitted to the JSE through a sponsor.

Discretion of the JSE

- 4.3 It must be emphasised that, notwithstanding these requirements, the JSE may, in its overriding discretion, grant a listing to an applicant that does not meet the requirements set out below or refuse a listing to an applicant that does comply with these Listings Requirements, on the grounds that, in the JSE’s opinion, the grant or refusal of the listing is in the interests of the investing public. Applicants that wish to apply for a listing, but which do not meet all of the objective criteria prescribed by these Listings Requirements for the grant of a listing are therefore invited to discuss their intended applications with the JSE.
- 4.4 Where unusual features exist with regard to the applicant itself, the JSE must be consulted by the sponsor to discuss such features at the earliest possible date, as well as any rulings required from the JSE.
- 4.5 Applicants are required to submit to the JSE, at an early date, any matter or

unusual feature pertaining to the listing, or listing application/documentation, not specifically provided for in, or in conflict with, the Listings Requirements.

Conditions applicable to all markets

Applicant to be duly incorporated

- 4.6 The applicant must be duly incorporated or otherwise validly established under the law of the country of incorporation or establishment, and must be operating in conformity with its MOI or relevant constitutional documents, if not South African, and all laws of its country of incorporation or establishment.
- 4.7 An applicant seeking a listing on the JSE must contractually undertake to the JSE, by completing Schedule 2 Form A2, that from the date of admission to listing of any of its securities it will comply fully with all the Listings Requirements of the JSE, irrespective of the jurisdiction in which the applicant is incorporated.

Directors and Company Secretary

- 4.8 (a) The directors and senior management of an applicant must collectively have appropriate expertise and experience for the governance and management of the applicant and the group's business. Details of such expertise and experience must be disclosed in any listing particulars prepared by the applicant (refer to paragraphs 7.B.1, 7.B.2 and 7.B.3); and
- (b) All applicants (excluding an issuer of specialist securities) must have appointed an executive financial director (refer to paragraphs 7.F.6 and 3.84(g) and (h)).
- (c) All applicants (excluding an issuer of specialist securities) must appoint a company secretary. The board of directors must consider and satisfy itself on the competence, qualifications and experience of the company secretary. Details of this assessment must be included in any listing particulars prepared by the applicant (refer to paragraph 7.F. 6 and 3.84(i)). The recommended practice of the King Report on Governance for South Africa highlights, inter alia, that the company secretary should maintain an arms-length relationship with the board of directors and that the company secretary should ideally not be a director. The board of directors must specifically consider these two points and provide an explanation as to why it believes that there is an arms-length relationship between itself and the company secretary in any listing particulars prepared by the applicant (refer to paragraphs 7.F.6 and 3.84(j)).
- 4.9 An applicant must submit to the JSE and its sponsor at the date of application for listing, the directors' declaration forms contained in Schedule 13 in respect of each of the directors of the applicant. The applicant must ensure that each of the directors is free of any conflict of interest between the director's duties to the company and his private interests
- 4.10 The issuer must have an appointed chief executive officer and a chairman and these positions must not be held by the same person. The chairman must either be an independent non-executive director, or the issuer must appoint a lead independent director in accordance with the King Code.

Listing of subsidiary companies or assets

- 4.11 When, in connection with the listing of a subsidiary company, a listed holding company intends making an offer of securities in such subsidiary; or the

subsidiary intends issuing shares for cash to persons other than wholly owned entities within the listed holding company's group; or the subsidiary has an offer for subscription by way of a rights offer, the offer/issue/rights offer must be categorised in accordance with the provisions of Section 9. Any shares that are renounced by the listed holding company to its shareholders need not be categorised in accordance with Section 9.

- 4.12 The JSE must be consulted in order to provide a ruling in principle, before any listed company intends to list a subsidiary company, or any of its group assets, or when it is aware that another party intends to list certain of the listed company's assets subsequent to a disposal of such assets by the listed company.

Financial information

- 4.13 The following requirements relate to the preparation and disclosure of financial information:
- (a) the applicant must comply with Section 8 where applicable and its financial statements must have been reported on by the auditor and reporting accountant without qualification, disclaimer, adverse audit opinion or reference to an emphasis of matter;
 - (b) an issuer must publish audited annual financial statements for its financial year, as specified in the prospectus/pre-listing statement, irrespective of the fact that the company may have subsequently changed its year-end; and
 - (c) the applicant must appoint an auditor and/or reporting accountant in terms of the requirements in paragraph 3.86, Section 22 and Schedule 8.

Status of securities

- 4.14 Securities for which a listing is sought must be issued in conformity with the law of the applicant's country of incorporation or establishment and in conformity with the applicant's MOI or other relevant constitutional documents, if not South African, and all authorisations needed for their creation and issue under such law must have been duly given. No application will be considered until the MOI, or other relevant constitutional documents of the applicant and/or, if applicable, the debenture trust deed, has been approved by the JSE.
- 4.15 Where a new applicant already has securities listed on another stock exchange and is applying for admission of such securities to listing on the JSE, it must be in compliance with the requirements of that other exchange and the relevant laws of that country (see also Section 18).
- 4.16 Securities in each class for which listing is applied must rank pari passu in respect of all rights. It should be noted that a statement that "securities in each class rank pari passu" is understood to have the meaning as ascribed thereto in paragraph 3.29.

Transferability of securities

- 4.17 As provided for in Schedule 10 paragraph 2 the securities for which listing is sought must be fully paid up and freely transferable, unless otherwise required by statute. Notwithstanding the provisions of Section 40(5) of the Act, the JSE will not list shares that are not fully paid for upon listing.

Low and high voting securities

- 4.18 The JSE will not:

- (a) grant a listing to a company with low or high voting securities; or
- (b) allow an existing listed company to issue low or high voting securities.

However, where a company currently has listed low or high voting securities, the JSE will grant a listing of additional securities of that class.

- 4.19 A low voting security is one that confers on its holder, both at the time of listing of the security and subsequently, reduced voting rights in comparison with the voting rights conferred on the holders of equity securities of the issuer already listed. The voting rights may be reduced either with respect to the number of votes per security or with respect to the matters on which the holders of the securities may vote, or otherwise.
- 4.20 A high voting security, on the other hand, is one that confers on its holder, both at the time of listing of the security and subsequently, enhanced voting rights in comparison with the voting rights conferred on the holders of equity securities of the issuer already listed. The voting rights may be enhanced either with respect to the number of votes per security or with respect to the matters on which the holders of the securities may vote, or otherwise.

Convertible securities

- 4.21 In addition to any other Listings Requirements affecting convertible securities, the JSE will not grant a listing to convertible securities unless there are sufficient unissued securities in the applicant's authorised capital, into which the convertible securities could/will convert, at the time that such convertible securities are issued and listed. The applicant must also undertake to the JSE that it will, at all times, maintain a sufficient number of unissued securities in its authorised share capital to be able to effect the eventual conversion, or until such convertible securities are no longer in issue.

Whole class to be listed

- 4.22 An application for listing of securities of any class must:
- (a) if no securities of that class are already listed, relate to all securities of that class, issued or proposed to be issued; or
 - (b) if securities of that class are already listed, relate to all further securities of that class, issued or proposed to be issued.

Unlisted securities

- 4.23 In the event of an applicant issuing securities and not being granted a listing for such securities or if for any reason, certain securities are delisted:
- (a) the share certificates of such securities must be held in trust and stamped with the words "unlisted securities" and may only be released with written permission from the JSE, which permission shall provide further instruction concerning the stamping and transferability of such securities;
 - (b) the share register must show that the securities are unlisted and a statement detailing the number and status of the unlisted securities must appear in the applicant's annual financial statements; and
 - (c) subject to JSE discretion, any additional securities issued of the same class or status will also be subject to paragraphs 4.23(a) and (b).
- 4.24 Where shareholders are required to vote in terms of the Listings Requirements, the votes of shareholders of unlisted securities will not be taken into account in

determining either a quorum or for approval of any resolution considered at any general/annual general meeting.

Public shareholders

- 4.25 For the purposes of paragraph 4.28(e), securities will not be regarded as being held by the public if they are beneficially held, whether directly or indirectly, by:
- (a) the directors of the applicant or of any of its subsidiaries;
 - (b) an associate of a director of the applicant or of any of its subsidiaries;
 - (c) the trustees of any employees' share scheme or pension fund established for the benefit of any directors or employees of the applicant or any of its subsidiaries;

 - (f) employees of the issuer, where restrictions on trading in the issuer's listed securities, in any manner or form, are imposed by the issuer on such employees.
- 4.26 Notwithstanding 4.25(a) to (f) above, securities will be regarded as being held by the public if any person that is interested in 10% or more of such securities of the relevant class:
- (a) is a fund manager or portfolio manager managing more than one fund or portfolio, where each fund or portfolio is interested in less than 10% of the securities; provided that this exemption shall not apply where the fund or portfolio manager is, in relation to any such fund or portfolio, acting in concert with any person that holds relevant securities that, together with those held by the fund or portfolio in question, represent 10% or more of the securities;
 - (b) is the registered holder of securities that are the subject of a depository receipt programme and no depository receipt holder, together with any person with whom he may be acting in concert, holds depository receipts representing 10% or more of the securities, save where the holder is a fund or portfolio manager as contemplated in paragraph 4.26(a) above; or
 - (c) is a nominee shareholder and none of the beneficial shareholders represented by that nominee, together with any person with whom he may be acting in concert, is interested in 10% or more of the securities, unless the beneficial shareholder is a fund or portfolio manager as contemplated in paragraph 4.26(a) above.
- 4.27 The JSE may, in its sole discretion, require the listed company to provide it with a declaration that, to the best of the knowledge and belief of the directors, any beneficial shareholders of the company, whose shares are registered in the names of one or more nominees, do not include any person that may be acting in concert with any other person insofar as it may affect their classification as public shareholders.

- (a) The SPAC must have completed an acquisition of Viable Assets within 24 months from the date of listing as a SPAC (the "initial period"). The JSE may extend this date on an application from the SPAC only on the basis that the SPAC can illustrate to the JSE that an acquisition of Viable Assets is imminent.

- (b) The acquisition of Viable Assets must be approved by a majority of disinterested directors and the majority of security holders of the SPAC at a general meeting.
- (c) The notice of meeting as contemplated in paragraph 4.35(b) above must also include a resolution on the proposed use of the residual capital not allocated for the proposed acquisition of Viable Assets for which the approval is being sought. - (d) In the event that a SPAC has not completed an acquisition of Viable Assets within the initial period, the JSE will suspend the SPAC's listing on the first business day following the expiry of the initial period and proceed to delist the SPAC once the capital raised has been distributed to security holders pursuant to paragraph 4.37.

- (a) Capital raised by the SPAC must be held in escrow with an escrow agent.
- (b) The escrow agent must invest the capital in escrow in (i) investment grade bonds (being debt securities with a rating of "BBB" or above as rated by Standard and Poor's Corporation or an equivalent rating by any similar institution) or (ii) bank deposits with a recognised bank. The interest earned on the capital under escrow shall accrue in favour of the SPAC and accumulate in escrow.

- (d) Prior to an acquisition of Viable Assets being completed within the initial period, the JSE may permit a SPAC to raise additional capital for the acquisition of further assets by issuing further shares or units provided that:
 - (i) it is part of a rights offer; and/or
 - (ii) security holders have granted approval of the further issue in accordance with the JSE Listings Requirements.

All additional capital raised must be paid and placed directly into escrow pursuant to the provisions of paragraph 4.34(h).

Failure to acquire Viable Assets

- 4.37 In the event that a SPAC has not completed an acquisition of Viable Assets within the initial period, it must:
- (a) complete a distribution within 60 calendar days after the expiry of the initial period to all security holders pro rata to their holdings. The distribution must be the maximum amount while still complying with the solvency and liquidity test as required pursuant to the Act. All interest earned in escrow will form part of the distribution, excluding any taxes and expenses relating to the distribution and anticipated voluntary liquidation; and
 - (b) propose a special resolution to security holders for the voluntary liquidation of the SPAC.

Memorandum of Incorporation

- 4.38 A SPAC must have the following provisions included in its Memorandum of Incorporation:
- (a) it must require security holders to vote on any proposed acquisition; and
 - (b) a distribution requirement, pursuant to which security holders must, if an acquisition of Viable Assets is not completed within the initial period, be entitled to receive an amount equal to the aggregate amount then in escrow (net of any applicable taxes and expenses related to the distribution and voluntary liquidation), plus the interest earned, divided by the aggregate number of securities.

Continuing obligations

- 4.39 The following provisions apply to a SPAC:
- (a) it will be subject to the continuing obligations of Section 3, with the exception of paragraphs 3.84(a)–(c); and
 - (b) it shall not be permitted to obtain any form of debt financing (excluding those of short term trade or accounts payable used in the ordinary course of business to settle any operating expenses pursuant to paragraphs 4.34(c) and (d)), except to facilitate the acquisition of Viable Assets. A statement to this effect must be included in the prospectus/pre-listing statement of the applicant.

Post acquisition of Viable Assets

- 4.40
- (a) Once a SPAC has completed an acquisition of Viable Assets it must meet the criteria for listing as set out in paragraph 4.28 (excluding the period referred to in paragraph 4.28(d)(i)) or paragraph 21.2, as the case may be. Subject to paragraph 4.37(a), failure to meet these requirements once the acquisition of Viable Assets has been completed will result in the delisting of the SPAC by the JSE.
 - (b) Once an acquisition of Viable Assets has been completed, the SPAC will be admitted to the List and will be subject to the JSE Listings Requirements as an issuer in all respects.

Specific requirements

- 5.4 With regard to a listing by way of introduction:
- (a) the JSE will require a certified copy of the share register of the applicant; and
 - (b) the applicant must comply with the conditions for listing set out in Section 4.
- 5.5 An applicant may not bring securities to listing by way of an introduction if there are any pre-existing intentions by any holder(s) (other than public shareholders) to dispose of a material number of their securities at or immediately after listing. The applicant must satisfy the JSE in respect hereof in so far as it has knowledge

of any such intention(s).

- 5.6 In the case of an applicant whose listing has been suspended or removed:
- (a) because it was a cash company (refer to paragraph 3.26); or
 - (b) in connection with a reverse take-over (refer paragraphs 9.23 and 9.24);
- and is seeking re-admittance to listing, the JSE may require some form of marketing of the applicant's securities in order to improve or ensure compliance with the "Shareholder spread" requirements set out in Section 4, before approving the listing.

Documents to be submitted to the JSE

- 5.7 The Part I and II documents described in paragraphs 16.10 to 16.13 must be submitted to and approved by the JSE in accordance with Section 16.

- 5.11 In the case of an applicant with securities already listed, the documentation requiring submission to and approval by the JSE will be determined by the listing method applicable in terms of paragraph 5.3.

Documents to be published

- 5.12 The documents that require publication with regard to a placing are set out in paragraph 11.6 and must be actioned in accordance with the relevant timetable in Schedule 18.

Offers for sale or subscription

Specific requirements

- 5.13 An offer for subscription by a new applicant must comply with the requirements detailed under "Placings" in this section. An offer for subscription by an issuer with securities already listed on the JSE is regarded as being an issue for cash and must comply with the requirements of paragraphs 5.50 to 5.57.
- 5.14 An offer for sale by a listed company of securities in the listed company's subsidiary must be done in compliance with paragraphs 4.11 and 4.12 (Listing of subsidiary companies or assets).

Underwriting

- 5.15 An offer for sale or subscription need not be underwritten. However, with respect to new applicants, if an offer for subscription is not underwritten, the offer must be conditional upon the minimum subscription being received that will fulfil the purpose of the offer. A statement to this effect, in bold, must be made in the “Salient details” section of the pre-listing statement or prospectus, and repeated again, in bold, in the section dealing with and detailing the minimum subscription required. With respect to existing issuers, if the offer is not underwritten, it must not be conditional on a minimum subscription being received.

- 5.17 Any underwriting commission paid to a securities holder of the company should not be greater than the current market rate payable to independent underwriters. The applicant must present evidence to the JSE proving the reasonableness of such underwriting commission.

Over-subscriptions

- 5.18 In the event of an over-subscription, the formula for the basis of allotment must be calculated in such a way that a person will not, in respect of his application, receive an allocation of a lesser number of securities than any other subscriber applying for the same number or a lesser number of securities. Random allocations are allowed only where prior approval has been granted by the JSE. Where a listing is over-subscribed or cancelled and persons are owed subscription refunds in terms of applications made, the sponsor must ensure that the subscription monies are refunded to such persons on the day of listing or on the day following the decision to cancel the listing, together with all interest earned on such monies calculated from the date of receipt of such monies by the company concerned.

Documents to be submitted to the JSE

- 5.19 In the case of a new applicant, the Part I and II documents described in paragraphs 16.10 to 16.13 must be submitted to and approved by the JSE in accordance with Section 16.

Issues for cash

Description

- 5.50 An issue for cash is an issue of equity securities for cash (or the extinction of a liability, obligation or commitment, restraint, or settlement of expenses) in compliance with paragraphs 5.50 to 5.57:
- (a) on terms that are specifically approved by equity securities holders in general meeting (if applicable in terms of paragraph 5.51(g)) in respect of that particular issue (“a specific issue for cash”); or
 - (b) on terms generally approved by equity securities holders in general/annual general meeting by granting the board of directors of the issuer the authority to issue a specified number of securities for cash pursuant to paragraph 5.52(c), which authority will be valid until the issuer’s next annual general meeting or for 15 months from the date on which the general issue for cash ordinary resolution was passed, whichever period is shorter, subject to the requirements of the JSE and to any other restrictions set out in the authority

(“a general issue for cash”).

Requirements for specific issues for cash

5.51 An applicant may only undertake a specific issue for cash subject to satisfactory compliance with the following requirements:

- (a) the equity securities which are the subject of the issue for cash must be of a class already in issue or, where this is not the case, must be limited to such securities or rights that are convertible into a class already in issue;
- (b) if any of the equity securities are to be issued to non-public shareholders, as defined in paragraph 4.25 to 4.27, this fact must be disclosed;
- (c) the number or maximum number of equity securities to be issued must be disclosed;
- (d) if the discount at which the equity securities are to be issued is not limited, this fact must be disclosed;
- (e) if the discount at which the securities are to be issued is limited, such limit must be disclosed;
- (f) if the issue is:
 - (i) to a related party/ies as described in paragraphs 10.1 to 10.3, and
 - (ii) the price at which the equity securities are issued is at a discount to the weighted average traded price of such equity securities measured over the 30 business days prior to the date that the price of the issue is agreed in writing between the issuer and the party subscribing for the securities (the JSE should be consulted for a ruling if the applicant’s securities have not traded in such 30 business-day period)

then such issue shall be subject to the inclusion of a statement by the board of directors confirming whether the issue is fair insofar as the shareholders (excluding the related party/ies if it/they are equity securities holders) of the issuer are concerned and that the board of directors has been so advised by an independent expert acceptable to the JSE. The board of directors must obtain a fairness opinion prepared in accordance with Schedule 5 before making this statement; and

- (g) approval of the specific issue for cash ordinary resolution, by achieving a 75% majority of the votes cast in favour of such resolution by all equity securities holders present in person or represented by proxy at the general meeting convened to approve such resolution, on which any parties and their associates participating in the specific issue for cash have not voted or whose votes have not been counted. If the dilution, as a result of a once-off issue (calculated by taking the number of equity securities to be issued and dividing it by the number of listed equity securities, excluding treasury shares) is equal to or less than 0.25% and the price at which the equity securities are issued is equal to or at a premium to the weighted average traded price of such equity securities measured over the 30 business days prior to the date that the price of the issue is agreed in writing between the issuer and the party subscribing for the securities (the JSE should be consulted for a ruling if the applicant’s securities have not traded in such 30 business day period) then shareholder approval is not required.

Requirements for general issues for cash

- 5.52 An applicant may only undertake a general issue for cash subject to satisfactory compliance with the following requirements:
- (a) the equity securities which are the subject of the issue for cash must be of a class already in issue or, where this is not the case, must be limited to such securities or rights that are convertible into a class already in issue;
 - (b) the equity securities must be issued to public shareholders, as defined in paragraph 4.25 to 4.27, and not to related parties;
 - (c) securities which are the subject of a general issue for cash may not exceed 15% of the applicant's listed equity securities as at the date of the notice of general/annual general meeting seeking the general issue for cash authority, provided that:
 - (i) the authority shall be valid for the period contemplated in paragraph 5.50(b);
 - (ii) the calculation of the applicant's listed equity securities must be a factual assessment of the applicant's listed equity securities as at the date of the notice of general/annual general meeting, excluding treasury shares;
 - (iii) the specific number of shares representing the number up to 15% of the applicant's listed equity securities as at the date of the notice of general/annual general meeting must be included as a number in the resolution seeking the general issue for cash authority;
 - (iv) any equity securities issued under the authority during the period contemplated in paragraph 5.50(b) must be deducted from such number in (iii) above; and
 - (v) in the event of a sub-division or consolidation of issued equity securities during the period contemplated in paragraph 5.50(b), the existing authority must be adjusted accordingly to represent the same allocation ratio;
 - (d) the maximum discount at which equity securities may be issued is 10% of the weighted average traded price of such equity securities measured over the 30 business days prior to the date that the price of the issue is agreed between the issuer and the party subscribing for the securities. The JSE should be consulted for a ruling if the applicant's securities have not traded in such 30-business day period;
 - (e) approval of the general issue for cash ordinary resolution, by achieving a 75% majority of the votes cast. The resolution must be worded in such a way as to include the issue of any options/convertible securities that are convertible into an existing class of equity securities, where applicable.

Options and convertible securities granted/issued for cash

5.53 In respect of options and convertible securities granted/issued for cash:

- (a) Where options or convertible securities, excluding executive and staff share schemes, are granted/issued for cash (or for the extinction or payment of any liability, obligation or commitment, restraint(s), or settlement of expense), such options/convertible securities, issued otherwise than to existing holders of equity securities in proportion to their existing holdings, will be permitted in respect of:
 - (i) a specific issue of such options/convertible securities, provided specific approval is obtained for such grant/issue in terms of paragraph 5.51, and

- (ii) a general issue of options/convertible securities, provided approval for such grant/issue is obtained in terms of paragraph 5.52 (and in respect thereof, refer to the second sentence in paragraph 5.52(e)).
- (b) The grant/issue will be subject to the inclusion of a statement by the board of directors (the board of directors must obtain a fairness opinion prepared in accordance with Schedule 5 before making this statement) confirming whether the issue is fair insofar as the shareholders (excluding the related party/ies if it/they are equity securities holders) of the issuer are concerned and that the board of directors has been so advised by an independent expert acceptable to the JSE if:
 - (i) in respect of 5.53(a)(i), the issue is to a related party as defined in paragraphs 10.1 to 10.3, or
 - (ii) in respect of 5.53(a)(ii), the strike or conversion price of the options/convertible securities are at a discount that exceeds the maximum discount contemplated in paragraph 5.52(d) above. In this instance, the grant/issue may only proceed if the independent expert confirms that it is fair.

JSE discretion

5.54 The JSE may waive some or all of the requirements contained in paragraphs 5.51 to 5.53 if it is satisfied that the conditions as stipulated in Schedule 11 exist.

Affected transactions

5.55 Where any issue for cash constitutes an “affected transaction” as defined in the Takeover Regulations and the Act such affected transaction must be referred to the Panel by the issuer.

Documents to be submitted to the JSE

5.56 The documents detailed in paragraph 16.17 must be submitted to the JSE.

Documents to be published

5.57 The documents that require publication regarding issues for cash are set out in paragraphs 11.19 to 11.22.

Acquisition or amalgamation/merger issues

Specific requirements

5.58 Admission to listing will only be granted to securities issued as consideration for a bona fide acquisition or amalgamation/merger and not in support of a circumvention of securities holders’ rights of pre-emption.

5.59 Accordingly, the JSE must be consulted when a listed company proposes to issue securities as consideration for an acquisition or amalgamation/merger.

Documents to be submitted to the JSE

5.60 The documents detailed in paragraph 16.18 must be submitted to the JSE.

Documents to be published

5.61 The documents to be published with regard to an acquisition or amalgamation/merger issue are set out under the various categories in Section 9.

Vendor consideration placings

Specific requirements

5.62 In a vendor consideration placing:

the minimum placing price is the lower of:

- (i) a 10% discount to the 30 business day weighted average traded price prior to the date that the placing is authorised by the directors; or
- (ii) a 10% discount to the 3 business day weighted average traded price prior to the date of the placing:

provided that these limits may be exceeded if securities holders give their specific approval of such necessary ordinary resolution, voted on by 75% of all equity securities holders present or represented by proxy at the general meeting convened to approve such resolution, excluding any vendor and its associates or other party participating in the placing.

Exercise of options to subscribe for securities (including options in terms of executive and staff share schemes)

5.63 Applications for listings of securities issued in terms of options must be made in terms of Section 16.

5.64 Application for listing of shares in terms of executive and staff share schemes may either be for block listings or for specific allotments.

5.65 The JSE will grant a block listing only in multiples of R5 million for securities issued in terms of approved schemes. Subsequent issues of securities in terms of the scheme will be subtracted from the initial block until such time as that block is exhausted, at which time an application for a further block listing will be necessary.

Issues with participating or conversion rights

5.66 Classes of securities that have participating rights to profits or have equity conversion rights must be offered to equity securities holders of a company by means of a rights offer, unless issued:

- (a) by way of a claw-back offer;
- (b) by way of an issue for cash;
- (c) for the acquisition of assets or for an amalgamation/merger; or
- (d) in circumstances that the JSE considers to be exceptional and warranting special approval.

Repurchase of securities

Description

5.67 (A) In the event that a shareholder of an issuer exercises its rights in terms of Section 164 of the Act and the issuer, in terms thereof, purchases its shares from the shareholder, the purchase of such shares will not be regarded as a repurchase of securities in terms of the Listings Requirements. The issuer must, however, within 48 hours of repurchasing the shares from the shareholder:

- (a) apply to the JSE for the removal of such shares in terms of Schedule 2 Form A5 of the Listings Requirements. The application need only comply with paragraphs 1.1(a) to (e) and 1.3–1.5, however, and must state the reason for the application to delist the shares; and
 - (b) on the same day that the issuer applies to the JSE for the delisting of the shares, the applicant issuer must announce on SENS the following details concerning the delisting of the shares:
 - (i) the effective date of the delisting of the shares;
 - (ii) the number of shares that will be delisted (expressed in a number and a percentage of the issued share capital of the applicant issuer):
 - a. the price paid by the issuer for the shares;
 - b. the identity of the shareholder from whom the shares were repurchased; and
 - c. in respect of which resolution the shareholder exercised its rights in terms of Section 164(2) of the Act.
- (B) A pro rata repurchase by the applicant issuer of its securities from all its shareholders will not require shareholder approval, save to the extent required in terms of the Act. In all other instances, an acquisition by an issuer of its own securities or a purchase by a subsidiary of securities in its holding company (in accordance with Section 48 of the Act), will be regarded as a repurchase of securities in terms of the Listings Requirements, in which case the holding company must comply with paragraphs 5.67(B) to 5.84:
- (a) on terms that are approved by securities holders in a general meeting in respect of that particular repurchase (“a specific repurchase of securities”), which shall be valid until such time as the approval is amended or revoked by a special resolution; or
 - (b) generally approved by securities holders by the giving of a renewable mandate, which shall be valid until the company’s next annual general meeting or for 15 months from the date of the resolution, whichever period is shorter, to the directors of the company to repurchase its securities subject to the requirements of the JSE and to any other restrictions set out in the mandate (“a general repurchase of securities”).

5.68 The general repurchase by a company of its own securities shall not, in the aggregate in any one financial year exceed 20% of that company’s issued share capital of that class in any one financial year.

Requirements for specific authority to repurchase securities (“specific repurchase”)

5.69 In respect of specific repurchases (which includes the grant of an option in terms of which an issuer may or will be required to repurchase its securities in future) and a specific offer (being an offer from securities holders specifically named) an applicant may only make a specific repurchase subject to the following:

- (a) authorisation thereto being given by its MOI;
- (b) approval being given in terms of a special resolution excluding, in the case of a specific offer, the votes of any shareholder and its associates that are participating in the repurchase;

- (c) a statement by the directors that, after considering the effect of such repurchase, the provisions of Section 4 and Section 48 of the Act have been complied with and that the:
 - (i) company and the group will be able in the ordinary course of business to pay their debts for a period of 12 months after the date of approval of the circular; and
 - (ii) assets of the company and the group will be in excess of the liabilities of the company and the group for a period of 12 months after the date of the approval of the circular. For this purpose, the assets and liabilities should be recognised and measured in accordance with the accounting policies used in the latest audited consolidated annual financial statements which comply with the Act; and
 - (iii) share capital and reserves of the company and the group will be adequate for ordinary business purposes for a period of 12 months after the date of the circular (refer to paragraph 7.E.7); and
 - (iv) working capital of the company and the group will be adequate for ordinary business purposes for a period of 12 months after the date of approval of the circular (refer to paragraph 7.E.7);
- (d) a resolution by the board of directors of the issuer that it has authorised the repurchase, that the company and its subsidiary/ies have passed the solvency and liquidity test and that, since the test was performed, there have been no material changes to the financial position of any company of the group;
- (e) if the repurchase is:
 - (i) from a related party/ies as described in paragraphs 10.1 to 10.3, and
 - (ii) the price at which the securities are purchased is at a premium to the weighted average traded price of such equity securities measured over the 30 business days prior to the date that the price of the repurchase is agreed in writing between the issuer and the party selling the securities (the JSE should be consulted for a ruling if the applicant's securities have not traded in such 30 business day period)

then such repurchase shall be subject to the inclusion of a statement by the board of directors stating whether the repurchase is fair insofar as the shareholders (excluding the related party/ies if it/they are equity securities holders) of the issuer are concerned and that the board of directors has been so advised by an independent expert acceptable to the JSE. The board of directors must obtain a fairness opinion (which must be included in the circular) prepared in accordance with Schedule 5 before making this statement;

- (f) this requirement has been repealed;
- (g) if a company has announced that it will make a specific repurchase, it must pursue the proposal, unless the JSE permits the company not to do so; and
- (h) a company or its subsidiary may not repurchase securities during a prohibited period as defined in paragraph 3.67 unless they have in place a repurchase programme where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and has been submitted to the JSE in writing prior to the commencement of the

prohibited period. The issuer must instruct an independent third party, which makes its investment decisions in relation to the issuer's securities independently of, and uninfluenced by, the issuer, prior to the commencement of the prohibited period to execute the repurchase programme submitted to the JSE.

Documents to be submitted to the JSE

5.70 The documents detailed in paragraph 16.32 must be submitted to the JSE in accordance with the relevant timetable set out in Schedule 18.

- (b) authorisation thereto being given by its MOI;
- (c) approval by shareholders in terms of a special resolution of the company, in annual general/general meeting, which shall be valid only until the next annual general meeting or for 15 months from the date of the resolution, whichever period is shorter;
- (d) repurchases may not be made at a price greater than 10% above the weighted average of the market value for the securities for the five business days immediately preceding the date on which the transaction is effected. The JSE should be consulted for a ruling if the applicants securities have not traded in such five business day period;
- (e) at any point in time, a company may only appoint one agent to effect any repurchase(s) on the company's behalf;
- (f) this requirement has been repealed;
- (g) a resolution by the board of directors that it has authorised the repurchase, that the company and its subsidiary/ies have passed the solvency and liquidity test and that, since the test was performed, there have been no material changes to the financial position of the group; and
- (h) an issuer or its subsidiary may not repurchase securities during a prohibited period as defined in paragraph 3.67 unless they have in place a repurchase programme where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and has been submitted to the JSE in writing prior to the commencement of the prohibited period. The issuer must instruct an independent third party, which makes its investment decisions in relation to the issuer's securities independently of, and uninfluenced by, the issuer, prior to the commencement of the prohibited period to execute the repurchase programme submitted to the JSE.

- 5.76 The requirements of paragraphs 5.67 to 5.84 also apply to purchases by a subsidiary of securities in its holding company, except in the case of transactions entered into on behalf of bona fide third parties, either by the company or any other member of its group on arm's length terms. An issuer must obtain approval from its shareholders, in accordance with paragraphs 5.69 or 5.72, before any subsidiary of the listed company undertakes to purchase securities in its holding company.
- 5.77 Where there are securities in issue that are high/low voting shares or are convertible into, exchangeable for, or carry a right to subscribe for securities of the class proposed to be repurchased, a separate meeting of the holders of such convertible securities or high/low voting shares must be held and their approval by special resolution obtained before the company enters into any contract to repurchase securities of the relevant class unless the trust deed or terms of issue of the convertible securities provides for the company purchasing its own equity securities. Announcement of repurchases, early redemptions and cancellations

- 5.79 Any repurchases, early redemptions or cancellations of the issuer's securities, other than equity securities, must be announced when an aggregate of 3% of the initial number of the relevant class of securities has been purchased, redeemed or cancelled and for each 3% in aggregate of the initial number of that class acquired thereafter. Such announcement must be made as soon as possible and, in any event, by not later than 08h30 on the business day following the day on which the relevant threshold is reached or exceeded. The announcement must state the number of securities purchased, redeemed or cancelled since the most recent

announcement, the number of the class of securities that remain outstanding, and when the securities repurchased are to be cancelled and the listing removed, if applicable.

Period between repurchase and notification

5.80 In circumstances where the repurchase is not being made pursuant to an offer announced in accordance with paragraph 5.78 and the repurchase results in the company reaching or exceeding a relevant threshold as specified in paragraph 5.79, no further repurchases may be effected until after notification in compliance with paragraph 5.79 has been made.

Convertible securities

5.81 In the case of securities that are convertible into, exchangeable for, or carry a right to subscribe for equity securities, unless a partial offer is made to all holders of that class of securities on the same terms, repurchases must not be made at a price more than 10% above the 5 business day weighted average price of the securities immediately preceding the date of repurchase.

- (C) The documents that require publication regarding alterations to share capital are set out in paragraph 11.37 and must be actioned in accordance with the relevant timetable in Schedule 18.

Exchange control approval

5.93 Where approval for an issue and listing of securities is required from the Financial Surveillance Department of the South African Reserve Bank (“SARB”), JSE approval of an issue and listing of such securities will not be given until such time as copies of the requisite authority from SARB, giving a ruling regarding the use of funds introduced through normal banking channels from abroad or from a non-resident account or from an emigrant’s blocked Rand account relating to such issue, is received (refer to paragraph 16.25).

Share certificates

5.94 With respect to the certificated environment:

- (a) the normal requirement of the JSE is that all share certificates must be issued on the date of commencement of the listing of new securities or within seven days from the date of lodging of the certificates for transfer or splitting.
- (b) applicants that have not yet adopted Certified Transfer Deed Procedures must effect registration of scrip within 24 hours of receipt.

- (c) the JSE will not normally grant a listing for an issue of securities until the relevant share certificates, or other documents of title, have been made available, except where the relevant securities arise out of an entitlement derived from a holding in a listed security. Deals entered into between the date of commencement of the listing and the date the document of title is made available shall be for settlement during the week following the date the document of title is made available.
- (d) Where it is proposed to issue share certificates, which of necessity are required to be distinguishable from existing listed securities, a copy of the proposed certificate and a copy of the existing certificates are to be submitted to the JSE. The procedures to be adopted thereafter are to be agreed at this stage.

Securities registered in the name of nominee companies

- 5.95 Where an issuer intends entering into a transaction or scheme that may, in its effect, discriminate between shareholders holding securities in dematerialised form through a CSDP or broker nominee company (“the nominee company”) and shareholders holding securities directly in certificated form in such issuer, the issuer is to ensure that Strate provides it with a list of dematerialised beneficial shareholders on the relevant record date, in order to ensure that all shareholders in the issuer are treated fairly.
- 5.96 The requirement of paragraph 5.95 shall be applied in respect of all corporate actions and the issuer must ensure that the ratio of entitlement is applied to the beneficial securities holders within a nominee company.

Pre-issued trading

- 5.97 A broking member (equities) may only execute transactions in pre-issued securities after such trading has been permitted by the JSE.
- 5.98 The JSE may permit trading in pre-issued securities, subject to the following conditions:
 - (a) the sponsor, with the consent of the issuer, must apply, at the time of informal comment submission, and receive approval for pre-issued trading from the JSE;
 - (b) the JSE must have approved the listing particulars in respect of the issue;
 - (c) the issue for which pre-issued trading is requested must be an initial public offer and must be of such a size that, in the opinion of the JSE, it is appropriate to permit pre-issued trading;
 - (d) pre-issued trading will commence and end on such dates as the JSE specifies in the JSE Gazette, provided that the pre-issued trading must end on the commencement date of official trading in the securities; and
 - (e) if the listing in respect of which the pre-issued trading has been approved becomes effective, all transactions effected during the period of the pre-issued trading will settle on the same terms as all other transactions in JSE listed securities. If the listing is still ineffective on the commencement date of official trading, every transaction effected under this rule will be void ab initio and neither the broking member nor any client will have recourse against the JSE or a broking member, as the case may be, in respect of such transactions.

Price stabilisation

5.99 Description

- (a) The purpose of this section is to define the circumstances and manner in which price stabilisation will be permitted by the JSE, in accordance with the provisions of the FMA, and as a defence against prohibited trading practices, as stipulated in the FMA. Price stabilisation may be effected through an over-allotment, with or without a greenshoe. Over-allotment is a pre-cursor to a price stabilisation mechanism, aimed at supporting and maintaining the price of newly listed securities or securities the subject of a substantial offer, for a limited period after the listing or offer. The main purpose is to establish an orderly market for securities in the immediate secondary market after an offer.
- (b) The process of price stabilisation usually involves the stabilising manager, on behalf of the Bookrunners, allotting a greater number of securities than will be issued or sold, resulting in a net “short” position for the stabilising manager. Should the price of the securities drop below or remain at the issue price when securities begin to trade in the secondary market, the stabilising manager may purchase the securities to cover its “short” position and counteract the selling pressure. The “Greenshoe” from the issuer or substantial holder of relevant securities allows the stabilising manager to obtain the same number of securities that have been over-allotted, by exercising the option at the issue price. The stabilising manager may also allot more securities than the greenshoe, which is known as a naked short, or fewer securities. The stabilising manager may either close the net “short” position by exercising all or part of the greenshoe or by purchasing the securities in the market.

Definitions

5.100 For the purposes of this section, the following definitions apply:

Term	Meaning
ancillary stabilising action	action permitted under paragraph 5.103 enabling the stabilising manager to over allot securities in order to facilitate the subsequent purchase of the securities;
greenshoe	an option or other right, granted for a specified period of time, exercisable by the stabilising manager, to acquire up to a specified number of securities in addition to the initial issue number, to enable it to honour the commitments made during the stabilisation period;
introductory period	the shorter of (i) the period starting at the time of the first public announcement of the offer and (ii) the period starting 45 days before the commencement of the stabilisation period, and ending at the beginning of the stabilising period;
issue price	the price at which securities are issued or sold in the relevant offer;
over-allotment	the allotment of shares in excess of the number of securities to be issued or sold in the offer;
stabilising manager	the entity responsible for stabilising action under these requirements and referred to in paragraphs 5.102(a), 5.103(a), 5.112 and 5.113;
stabilising action	any action contemplated by paragraphs 5.102 and 5.103;

stabilising price	the initial price, at or below the issue price, up to which the stabilising manager has determined that it may wish to intervene in the market by way of stabilising action; and
relevant exchange	the JSE or any exchange approved by the JSE, for the purpose of price stabilisation.

Specific Requirements

- 5.101 Price stabilisation may only be effected in respect of an offer of securities, and must comply with the following criteria:
- (a) the offer must be an offering or issue of securities for cash, made at a specified price;
 - (b) the offer must be for securities which are already listed or are to be listed;
 - (c) the offer must be of sufficient size to satisfy the JSE that price stabilisation is warranted. Such size is to be determined in consultation with the JSE.

Permitted stabilising action

- 5.102 The stabilising manager may, subject to compliance with paragraph 5.104 undertake:
- (a) to purchase, agree to purchase, or offer to purchase any relevant securities with the aim of stabilising the market price of the relevant securities; and
 - (b) to take certain ancillary action with the aim of stabilising the market price of the relevant securities or liquidating any positions taken as a result of the stabilising process.

Permitted ancillary stabilising action

- 5.103 The stabilising manager may, subject to compliance with paragraph 5.104:
- (a) with a view to stabilising action in relevant securities:
 - (i) make allotments of a greater number of the relevant securities than will be offered;
 - (ii) sell, offer to sell, or agree to sell relevant securities in order to establish a short position in them;
 - (iii) achieve a result equivalent to that in paragraph 5.103(a)(ii), by the use of derivatives; or
 - (b) purchase, offer to purchase, or agree to purchase relevant securities in order to close out or liquidate any position established under the process of stabilising action; or
 - (c) sell, offer to sell, or agree to sell relevant securities in order to close out or liquidate any position that has been established by stabilising action; or
 - (d) achieve a result equivalent to that in paragraph 5.103(c), by the use of derivatives.

Conditions to be fulfilled

- 5.104 The following are conditions which the stabilising manager must reasonably believe have been fulfilled before any stabilising action is taken:
- (a) from the beginning of the introductory period, adequate disclosure has been made in all communications issued by or on behalf of the issuer or the

- stabilising manager to prospective investors in the securities, of the fact that stabilisation may take place in relation to the relevant offer, as stipulated in paragraphs 5.110 and 5.111;
- (b) the relevant exchange on which the securities are or will be traded has been informed in writing that stabilising action in such securities may take place during the stabilising period;
 - (c) that the price is not already artificial at the start of the stabilising period;
 - (d) the terms on which the securities may be issued, sold, exchanged for, or converted into, or the rights of the holders of the securities to subscribe for, or to acquire other securities, have been finally settled and publicly announced;
 - (e) the stabilising manager has established a register to record, in relation to each stabilising transaction effected in the securities, the matters required to be recorded in terms of paragraphs 5.112 to 5.115; and
 - (f) stabilisation may only take place during the stabilisation period.

Stabilisation period

- 5.105 If the JSE permits trading in the securities prior to listing, the stabilisation period will commence on the date such trading commences. Otherwise, the stabilisation period will commence on the date of the listing of the securities, or the date of their sale if already listed. The stabilisation period will end 30 calendar days after the relevant listing or sale date.
- 5.106 The stabilising manager is under no obligation to stabilise securities.

Pricing

- 5.107 The initial stabilising price (Price X) cannot exceed the offer price (or starting price) (Price Y), and subsequent stabilising action must equally be at or below the level of Price X. If there are no sales and purchases which are independent of the stabilising manager on both sides on the relevant exchange above Price X, the stabilising manager can operate at a price or at prices below Price X, moving up or down in that area as he wishes. But if an independent buyer and seller do a deal on the relevant exchange, at a price (Price Z) between Price X and Price Y, then the stabilising manager has a new maximum price (Price Z) instead of Price X.
- 5.108 The provisions of paragraph 5.107 will not prevent the stabilising manager from purchasing, offering to purchase or agreeing to purchase securities in order to close out a short position that is not covered by a greenshoe.

Over-allotment size

- 5.109 The over-allotment may not be more than 15% of the issue size.

Disclosures

- 5.110 Disclosure of the fact that stabilisation may take place should be provided in all communications issued by or on behalf of the issuer or stabilising manager to prospective investors in the securities in respect of the relevant offer.
- 5.111 For the preliminary offering circular (or prospectus) and/or final offering circular (or prospectus) the disclosure should contain:
- (a) the following text “In connection with this offer [name of stabilising manager] may over-allot or effect transactions which may support the

market price of [description of securities] at a level higher than that which might otherwise prevail for a limited period after the listing date. However, there is no obligation on [name of stabilising manager] to do so. Such stabilising action may under no circumstances continue beyond the 30th calendar day after the listing date”; and

- (b) where the stabilising manager has an option or other right to purchase relevant securities from the issuer or an existing securities holder for the purposes of stabilisation; and that option or right may be exercised or relied on after the start of the introductory period and during or after the remainder of the stabilising period, the existence and terms of such an option or right must be disclosed in the relevant prospectus or offering document.

Register

5.112 No bid may be made or transaction effected in the course of stabilising action unless:

- (a) the stabilising manager concerned has established the relevant register in compliance with 5.113 and 5.114; and
- (b) the stabilising manager is in compliance with the registration requirements in 5.113 and 5.114 in respect of all earlier transactions effected by it in the course of stabilising action in connection with the relevant offer in question.

5.113 The person responsible for the register must ensure that it contains, either in real time or updated overnight (from business day to business day), information on:

- (a) the name of the stabilising manager appointed as such;
- (b) the general parameters, including the initial stabilising price, laid down by the stabilising manager and the date and time of their communication, variation or revocation;

- (e) details so far as are known to the person responsible for the register of any deal which counts as a deal at a price above the then stabilising price.

5.114 The register must be kept in South Africa, or else be capable of being brought to or reconstituted inside South Africa within 48 hours of a request for access from the JSE or Financial Services Board, and, it must be retained for a period of at least twelve months from the date of the end of the stabilising period.

5.115 Disclosures by stabilising managers to issuers must comply with:

- (a) subject to the issuer agreeing to keep such information confidential, the stabilising manager shall permit the issuer of the securities to inspect the register kept under this section during the stabilising period, and for three months thereafter, on any business day;
- (b) the stabilising manager must inform the issuer that the information specified

- in paragraph 5.113(c)(i) to (iv) will be available to be shown to the issuer, if so requested, within 14 calendar days after the close of the stabilising period;
- (c) In addition to the above requirements, it is recommended that the issuer obtains an undertaking from the stabilising manager to disclose the following:
- (i) the date, time, number and value of all transactions effected with a view to supporting the market price of the relevant securities;
 - (ii) the number and value of all transactions entered into by way of permitted ancillary action under paragraph 5.103;

 - (ii) that option or right may be exercised or relied on after the date of the offer and during or after the remainder of the stabilising period, and applies whether or not the exercise or reliance counts as permitted ancillary action under paragraph 5.103;
- (e) upon exercise of the right to acquire securities during the stabilising period, it is recommended that the issuer should require the stabilising manager to inform it, in writing, of the reason for the exercise of the right at that time, specifying in particular, to what proportionate extent the exercise is attributable to:
- (i) a need to deliver relevant securities to persons unconnected with the stabilising manager;
 - (ii) an opportunity for profit taking for the benefit of the stabilising manager or its associate in the course of the stabilising period;
 - (iii) a need to make good any failures to deliver by any other counterparty; and
 - (iv) any other circumstance, if so what; and if the exercise has led to any profit for the stabilising manager or its associate, whether or not paragraph 5.115(e)(ii) is specified, the stabilising manager must also specify the amount of profit taken by it or its associate as a result of the exercise; and
- (f) the stabilising manager is not under any obligation to disclose the names of the individual clients to the issuer.

Criteria for stabilising managers

- 5.116 The issuer must appoint a stabilising manager to take the responsibility for stabilisation.
- 5.117 The overall responsibility for stabilisation must be allocated to one entity (the stabilising manager), for:

- (a) each issue (an issue with two or more tranches shall be treated as one issue); and
- (b) in each jurisdiction.

5.118 If the stabilisation is in South Africa, the stabilising manager must satisfy the following criteria, or appoint an agent that satisfies the following criteria, to act on its behalf in South Africa:

- (a) it must be a member of the JSE, Life Offices' Association of South Africa, Council of South African Banks, Merchant Bankers' Association, Banking Association of South Africa or any other person in South Africa or elsewhere (whether natural or juristic), in good standing and acceptable to the JSE;

5.119 The following information in respect of the stabilising manager must be submitted to the JSE by the sponsor:

- (a) its full name;
- (b) its date and place of incorporation;
- (c) the full names and addresses of its directors;
- (d) its audited consolidated annual financial statements for the last two completed financial years. Where more than nine months have elapsed since the end of the financial year to which the last audited annual financial statements relate, an interim report, covering at least the first six months following the end of that financial year, must be included in the documentation. If such an interim report is unaudited, that fact must be stated;

5.120 The stabilising manager is required to have a scrip lending agreement with a CSDP, a copy of which must be submitted to the JSE for approval.

Documents to be published

- 5.121 A SENS announcement in accordance with paragraph 5.110 and 5.111 must be published and a further announcement that the greenshoe has been exercised and the extent to which it has been exercised.

Stabilisation jurisdiction requirements

- 5.122 Where the issuer's primary listing is in another country/ies, there must be compliance with the relevant requirements of the overseas country/ies in which stabilisation transactions are effected or which may otherwise be affected by stabilisation activity, and compliance with such requirements will be deemed to be compliance with the requirements of the JSE.

Odd lot offers

- 5.123 An "odd-lot" offer is an offer where the listed company intends reducing administrative costs resulting from a large number of "odd-lot" holders. The JSE interprets an "odd-lot" as a total holding of:

- (a) less than 100 securities; or
- (b) 100 or more securities, provided that it can be illustrated to the JSE that the cost associated with a holder disposing of such number of shares is equal to or exceeds the total value of such number of securities.

- 5.124 When a listed company proposes to make an odd lot offer, the following criteria will apply:

- (a) in all instances a two-way election must be provided for in terms of which securities holders may:
 - (i) elect to retain their odd-lot holding; or
 - (ii) elect to sell their odd-lot holding;
- (b) this requirement has been repealed;
- (c) this requirement has been repealed; and
- (d) expropriation resulting from 5.124(a)(ii), being the default action applicable if securities holders do not make any election in terms of 5.124, will only be allowed where the issuer's MOI is amended to make provision for expropriation of odd-lots and where the specific odd-lot offer has been approved by shareholders in general meeting.

Documents to be submitted to the JSE

- 5.125 The documents detailed in paragraph 16.35 must be submitted to the JSE.

Documents to be published

- 5.126 The document that requires publication regarding odd lot offers is set out in paragraph 11.53.

Shares issued to sponsors and advisers in lieu of fees

- 5.127 For existing companies, where shares are issued to the sponsor or to the adviser(s) of the issuer in lieu of fees, such shares must be issued in compliance with paragraph 5.50. For new listings, such shares of the issuer must be held in trust by the issuer's auditors or attorneys and may not be disposed of within 2 years from the date of listing.

Restrictive Funding Arrangements

5.128 Any restrictive funding arrangements undertaken by an issuer and/or any of its subsidiaries must comply with paragraph 11.60.

Section 6

Pre-listing Statements

Scope of section

This section sets out the requirements relating to pre-listing statements and prospectuses that are issued in lieu of pre-listing statements. When a new applicant or issuer issues a prospectus, the presumption is made that, apart from compliance with the Act, such prospectus will also comply with and contain all necessary disclosures as if it were a pre-listing statement subject to compliance with the Listings Requirements. For the purposes of this section any reference to a pre-listing statement includes reference to a prospectus.

The main headings of this section are:

- Section 6.1 Requirement for pre-listing statements
- Section 6.2 Responsibility
- Section 6.6 Form and content
- Section 6.11 Formal approval
- Section 6.13 Supplementary pre-listing statements
- Section 6.15 Omission of information
- Section 6.18 Omission of material contracts from disclosure
- Section 6.19 Issues not requiring pre-listing statements
- Section 6.21 Acquisition issues
- Section 6.23 Publication/circulation of pre-listing statements
- Section 6.24 Revised take-over offers

Additional and alternative requirements relating to pre-listing statements are set out in Section 12 (Mineral Companies), Section 13 (Property Companies), Section 14 (Pyramid Companies), Section 15 (Investment Entities), Section 18 (Dual Listings and Listings by External Companies) and Section 19 (Specialist Securities), respectively.

Requirement for pre-listing statements

- 6.1 When a new applicant or an issuer applies for a listing of securities that requires the publication of a pre-listing statement, such pre-listing statement must contain the particulars referred to in this section.

Responsibility

- 6.2 The pre-listing statement must include a statement, in the form set out in paragraph 7.B.22 (responsibility statement), modified as required pursuant to paragraph 6.3 or 6.4 or in such other form as may be required by the JSE.
- 6.3 If the pre-listing statement relates to securities issued in connection with a recommended take-over of an issuer (offeree) and the directors of the issuer (offeree) accept responsibility for the information given on that company (offeree) in the pre-listing statement, then the directors of the applicant (offeror) may accept responsibility only for the rest of the information in the pre-listing statement (refer to paragraph 7.B.22) and the responsibility statement must be

adapted accordingly.

- 6.4 The JSE may require responsibility to be extended to additional persons that have made specific statements in, or have made contributions to, the pre-listing statement; in which case the responsibility statement must be amended accordingly.
- 6.5 The pre-listing statement must be signed by every director of the applicant or issuer, or by his agent or attorney, with a copy of the authority of any such agent or attorney; provided that where responsibility for any information contained in different parts of the pre-listing statement has been extended to or accepted by any other person in accordance with paragraph 6.3 or 6.4, such other person, or his agent or attorney, shall also sign the pre-listing statement and it shall be clearly stated for which part or parts of the pre-listing statement each signatory bears responsibility.

Form and content

- 6.6 Pre-listing statements must contain:
- (a) the information set out in Section 7 according to the nature and circumstances of the applicant and the type of securities concerned as specified in this section; and
 - (b) such additional information as the JSE may consider investors reasonably require for the purpose of making an informed assessment of the prospects and status of the applicant. If the JSE requires additional disclosure, it will inform the applicant of such additional information required at the earliest possible date.
- 6.7 Pre-listing statements must provide factual information in words and figures, in as easily analysable and comprehensible a form as possible.
- 6.8 There is no prescribed format for pre-listing statements, except that:
- (a) the JSE may require that prominence be given in the pre-listing statement to important information in such manner as it considers appropriate;
 - (b) in the case of pre-listing statements to be published by a new applicant, the following information must appear on the cover page, together with the names of, where applicable, the issuer, sponsor, investment/merchant bank, auditors, reporting accountants, financial advisers, attorneys and any other specialist adviser:

Paragraph	Nature of statement
7.A.4 or 5	Share capital of the company
7.B.22	Responsibility
7.C.2 or 3	Particulars of the issue
7.C.9	The Commission;

- (c) pre-listing statements must not contain pictures, charts, graphs or other illustrations unless the JSE is satisfied that this is the best and/or only way in which the information can be clearly presented or is necessary in the interests of being succinct or comprehensible and does not present the information unfairly.
- 6.9 New applicants and issuers issuing a pre-listing statement are required to provide all the information contained in paragraphs 7.A to 7.H in such document and in respect thereof:
- (a) where the information required by a particular paragraph is inappropriate to

- the applicant's sphere of activity or legal form, the information must be appropriately adapted so that equivalent information is given;
- (b) negative statements are required in all instances except where the JSE agrees otherwise;
 - (c) unless specified, all references to disclosure are at the date the pre-listing statement is issued or as near to such date as practicable;
 - (d) where another company is to become part of an applicant's group, that other company and its subsidiaries must be treated as part of the applicant's group for the purpose of the information required by this paragraph;
 - (e) the JSE will not require an indebtedness statement (refer to paragraphs 7.A.12 to 7.A.19) to be included in a pre-listing statement published in connection with an issue of securities where the issuer's business is entirely or mainly that of banking, insurance or the provision of similar financial services, provided that the JSE is satisfied that:
 - (i) the inclusion of such a statement would not provide significant information for investors; and
 - (ii) the applicant's solvency and capital adequacy are suitably regulated by another regulatory body.

Shareholder approval

- 6.10 If the issue of securities in respect of which the pre-listing statement is to be issued is made conditional upon shareholder approval, the following statement must appear on the first page of the pre-listing statement:
- “This pre-listing statement has been prepared on the assumption that the ordinary and special resolutions proposed in the Notice of General Meeting forming part of the circular to which this pre-listing statement is attached will be passed at the General Meeting of shareholders to be held on . . . and registered (if applicable).”

Formal approval

- 6.11 Pre-listing statements must be formally approved by the JSE before publication. Such approval will only be given if the JSE considers that the information in the pre-listing statement is complete.
- 6.12 Pre-listing statements submitted to the JSE for formal approval must be in the form of a typed document, but the JSE may permit neat manuscript information relating to the number of securities, the offer/issue price and any figures derived therefrom if such information is unable to be finalised and included in the pre-listing statement in typed print due to time pressures.

Supplementary pre-listing statements

- 6.13 The JSE must be advised immediately and supplementary pre-listing statements published if, at any time after pre-listing statements have been published and before dealings in the relevant securities commences, the applicant becomes aware that:
- (a) there has been a material change affecting any matter contained in the pre-listing statement; or
 - (b) a material new matter(s) has/have arisen, the inclusion of information on which new matter would have been required to be disclosed in the original

pre-listing statement had such information been known at that time.

- 6.14 Supplementary pre-listing statements must:
- (a) provide full details of the change or new matter;
 - (b) contain the responsibility statement required by paragraph 6.2;
 - (c) contain a statement that, save as disclosed, there has been no material change and no material new matter that has arisen since publication of the previous pre-listing statement.

Omission of information

- 6.15 If any information required by paragraph 6.6(a) is not applicable and no equivalent information is available, it need not be included in the pre-listing statement provided that the JSE is informed in writing of same and approves such omission.
- 6.16 The JSE may authorise the omission of information that is applicable if it considers that:
- (a) the information is of minor importance and will not influence any assessment of the financial position, changes in equity, results of operations or cash flows; or
 - (b) disclosure would be contrary to the public interest and omission thereof is not likely to mislead investors with regard to any important/material facts and/or circumstances; or
 - (c) disclosure would be seriously detrimental to the applicant or would constitute an invasion of the applicant's rights to privacy and omission is not likely to mislead investors with regard to any important/material facts and/or circumstances.
- 6.17 Requests to the JSE to authorise any omission of information must:
- (a) be in writing from the applicant or sponsor;
 - (b) identify the information concerned and the reasons for the omission; and
 - (c) state why, in the opinion of the applicant, one or more of the grounds in paragraph 6.16 apply.

Omission of material contracts from disclosure

- 6.18 The JSE, in its sole discretion, may allow all or part of a material contract to be withheld from public inspection (refer to paragraph 7.F.1) in the event that it receives such request from an applicant, which request must:
- (a) be in writing from the applicant or sponsor;
 - (b) state why, in the opinion of the applicant, one or more of the grounds in paragraph 6.16 apply;
 - (c) enclose a copy of the contract in question or, if the contract is not reduced to writing, a memorandum giving full particulars of its terms; and
 - (d) include confirmation by the applicant that the contract is a material contract not in the ordinary course of business.

Issues not requiring pre-listing statements

- 6.19 Pre-listing statements are not required for issues of securities by applicants whose

securities are already listed, and which fall into the following categories:

- (a) securities issued for cash or as a result of the conversion of convertible securities;
- (b) securities issued as a result of the exercise of rights under options;
- (c) securities issued in place of securities already listed;
- (d) securities issued/allotted to employees, if securities of the same class are already listed;
- (e) securities issued relating to the extension of a business contemplated by, and previously described in, a pre-listing statement;
- (f) securities issued as a result of a capitalisation/bonus issue;
- (g) securities issued as a result of a rights offer; or
- (h) an issue of securities that, together with any securities of the same class issued in the previous three months, would increase the securities issued by less than 50% (for this purpose a series of issues in connection with a single transaction, or series of transactions that is regarded by the JSE as a single transaction, will be aggregated and deemed to be a single issue for purposes of measurement against the 50% level).

6.20 When a pre-listing statement is not required in terms of paragraph 6.19, further information, which the JSE considers investors may reasonably require for the purposes of making an informed assessment of the prospects and status of the applicant, may be required to be announced and, in certain instances, a circular may also be required to be sent to shareholders (refer to Sections 9, 10 and 11). In regard hereto, applicants must consult with the JSE at an early stage to determine the JSE's requirements, if any.

Acquisition issues

6.21 In terms of an acquisition issue (where the consideration for a purchase of assets, regulated by Section 9, or for an offer to shareholders, regulated by the Panel, consists of securities for which a listing will be sought) a pre-listing statement may be required as described in paragraph 6.1 and 9.23. When a pre-listing statement has already been published and the consideration for the acquisition or offer is revised, resulting in the issue of a greater number of shares for which application for listing will be made, a supplementary pre-listing statement may be required (refer to paragraphs 6.13 and 6.14).

Contents of pre-listing statements

6.22 A pre-listing statement required in terms of paragraph 6.21 must comply with the relevant requirements of this section, subject to the following:

- (a) references in Section 7 to the applicant's group must also include the offeree company and its subsidiaries;
- (b) the information regarding major shareholders (refer to paragraph 7.A.27) and directors' interests in securities (refer to paragraph 7.B.20) must be given in relation to the applicant's share capital both as existing and the share capital as enlarged by the securities for which listing is sought; and
- (c) if the transaction is an offer to shareholders:
 - (i) and is recommended by the board of directors of the offeree company at the time of the publication of the offer document, the

applicant must include a working capital adequacy statement in respect of the proposed enlarged group (refer to paragraph 7.E.7) and details of material loans (refer to paragraph 7.A.15) on the basis that the offer has been completed 100% successfully (“the combined basis”);

- (ii) which has not been recommended by the board of directors of the offeree company at the time of publication of the offer document, the applicant must include a working capital adequacy statement (refer to paragraph 7.E.7) and details of material loans (refer to paragraph 7.A.15) in respect of its own group only. The JSE will allow the statement on the combined basis to be provided in a later announcement, circular or supplementary pre-listing statement, within 28 days after the offer is declared unconditional.

Publication/circulation of pre-listing statements

- 6.23 Pre-listing statements or supplementary pre-listing statements must be published, either in full or in an abridged form in compliance with Section 11. In either case, the full pre-listing statement must be distributed to all shareholders in accordance with paragraphs 3.49 and 3.50. Where pre-listing statements are revised or supplementary pre-listing statements are prepared, they will normally be required to be published and circulated to shareholders at the time of despatch of the revised offer document. The JSE may, in properly justified cases, be prepared to allow pre-listing statements to be published and circulated subsequent to the despatch of revised offer documents but before listing is granted.

Revised take-over offers

- 6.24 When a pre-listing statement has been published and circulated in connection with an offer that involves the exchange of securities for securities of another company, and the offer consideration is revised to include a new class of security for which an application for listing is to be made, it will be unnecessary to repeat the information contained in the original pre-listing statement, but any additional information applicable to the issue of the new class of securities must be contained in a supplementary pre-listing statement.

It also sets out continuing obligations relating to matters of a financial nature. When a new applicant or existing issuer issues a prospectus, the presumption is made that, apart from compliance with the Act, such prospectus will also comply with and contain all necessary disclosures as if it were a pre-listing statement subject to compliance with the Listings Requirements.

The main headings of this section are:

- Section 8.1 Report of historical financial information
- Section 8.15 Pro forma financial information
- Section 8.35 Profit forecasts and estimates
- Section 8.45 Reporting accountant's report

Financial information to be presented

- 8.3 The report of historical financial information must be prepared in accordance with IFRS and the SAICA Financial Reporting Guides as issued by the Accounting Practices Committee and Financial Pronouncements as issued by Financial Reporting Standards Council.
- 8.4 The historical financial information required under paragraph 8.3, is to be presented in consolidated form in respect of a period of at least three years up to and including the financial year immediately preceding the issue of the prospectus/pre-listing statement/circular. Where the historical financial information is not available for the prior three-year period, the JSE must be consulted for a ruling regarding disclosure and approval of the transaction. If the historical financial information required under paragraph 8.3 was not historically prepared in terms of IFRS, only the latest two financial years need to be converted to IFRS and the third year may be presented in accordance with the original (national) accounting framework. In these instances, shareholders must be warned about the potential lack of comparability of the information and must be advised to review the IFRS conversion notes in order to obtain a full understanding of any potential differences. The same historical financial information is also to be presented for the holding company, where this provides significant additional information to that presented in consolidated form.
- 8.5 When a report of historical financial information is required in terms of paragraphs 8.2(b), 8.2(e) or 8.2(f), it must be prepared in accordance with, and by applying, the accounting policies of the new applicant/issuer.
- 8.6 [Repealed]
- 8.7 In addition to the historical financial information required to be presented in accordance with paragraph 8.2, if, at the date of the prospectus/pre-listing statement/circular, more than nine months have elapsed since the end of the last financial year, reviewed interim financial information is to be prepared in accordance with IFRS on Interim Financial Reporting, and is to be presented for the first six months ended, subsequent to the relevant subject matter's latest financial year ended. Notwithstanding the requirements of IFRS, if reviewed interim financial information is being prepared for the purposes of this requirement, no comparative results need to be shown, if that interim financial information has been prepared using accounting policies that are identical to those contained in the historical financial information.
- 8.8 With respect to 8.2, only if more than 15 months have passed since the period for which audited annual financial statements were prepared and issued, then audited annual financial statements shall be prepared for the latest financial year ended and included in the pre-listing statement. As it relates to 8.2(a), if the pre-listing statement does not include the latest annual financial results these must be published pursuant to paragraphs 3.19 and 3.22, irrespective of the listing date or whether they have been previously distributed or the date of listing.
- 8.9 Where other historical financial information has been made available to the issuer's holders of securities subsequent to the issuer's latest financial year-end, such other historical financial information is also to be presented.

Non-compliance with IFRS and the Companies Act

- 8.10 In the case of a company domiciled outside the Republic of South Africa, where the historical financial information required by paragraphs 8.2 to 8.9 has not been prepared in compliance with IFRS and the Act, there is to be disclosure of the following:
- (a) the reasons for such non-compliance;
 - (b) the accounting standards and legislation under which the historical financial information has been prepared; and
 - (c) a comprehensive reconciliation to IFRS of the effect of such non-compliance on the information required to be presented in accordance with paragraph 8.3.

Additional information

- 8.11 In respect of a report of historical financial information prepared pursuant to paragraph 8.2(a), earnings, diluted earnings, headline earnings, diluted headline earnings, net asset value and tangible net asset value per share and dividends per share in respect of each class of share, expressed in cents must be provided for the last financial year, and where paragraph 8.7 is applicable, for the interim period.

Periods

- 8.13 Where the financial year-end of the issuer changed at any time during the reporting periods, the historical financial information for the full periods in question is to be provided. Annualised historical financial information is not to be presented in the report of historical financial information.

Adjustments

- 8.14 [Repealed]

This report is not required to be prepared for an announcement (other than an announcement in respect of annual financial results) or where pro forma financial information is presented as part of or accompanying interim results. - 8.16 Pro forma financial information is the responsibility of the directors of the issuer and this fact is to be stated with the pro forma financial information.

Nature of information

- 8.17 Pro forma financial information is to provide investors with information about the impact of the corporate action the subject of the prospectus/pre-listing statement/circular, by illustrating how that corporate action might affect the reported financial information, had the corporate action been undertaken at the commencement of the period being reported on, or in the case of a pro forma statement of financial position, at the date reported on. The pro forma financial information presented is not to be misleading, is to assist investors in analysing future prospects of the issuer and is to include all appropriate adjustments permitted by paragraph 8.30, of which the issuer is aware, and which are considered necessary to give effect to the corporate action as if the corporate action had been undertaken at the commencement of the period being reported on or, in the case of the pro forma statement of financial position, at the date reported on. In certain limited circumstances, permission will be granted to calculate a statement of comprehensive income effect at a date other than at the beginning of the financial period. These exceptions are detailed in The Guide on Pro forma Financial Information, issued by SAICA.

Presentation of information

- 8.18 The pro forma financial information is to state clearly:
- (a) the purpose for which it has been prepared;
 - (b) that it is prepared for illustrative purposes only; and
 - (c) that because of its nature, it may not fairly present the issuer's financial position, changes in equity, results of operations or cash flows.
- 8.19 The pro forma financial information is to be presented in columnar form showing separately the unadjusted financial information, the pro forma adjustments and the pro forma financial information. The pro forma financial information is to identify:
- (a) the basis upon which it is prepared; and
 - (b) the source of each item of information and adjustment.
- 8.20 Pro forma figures must be given no greater prominence in the document than unadjusted financial figures.

Accounting policies

- 8.21 Pro forma financial information is to be presented in a manner consistent with both the format and accounting policies adopted by the issuer in its report of historical financial information.
- 8.22 In quantifying pro forma adjustments, the issuer is to apply accounting policies on the same basis as the issuer would normally adopt in preparing its annual financial statements.
- 8.23 The requirement to apply the issuer's accounting policies in preparing pro forma financial information applies to adjustments made in respect of a material acquisition.
- 8.24 Pro forma financial information is to be prepared in accordance with the policies adopted in presenting the unadjusted financial information of the issuer at the relevant date or for the relevant period, even where new accounting standards will apply subsequently.

Selection of periods

- 8.25 Pro forma financial information may be published only in respect of:
- (a) the most recent completed financial period;

Subsequent events

- 8.26 No adjustments may be made to pro forma financial information in respect of post statement of financial position events except:
- (a) as provided for in IFRS on Events After the Reporting Period; or
 - (b) in respect of the particular corporate action for which the pro forma financial information is being presented; or
 - (c) in respect of any previously published financial effects; or
 - (d) in respect of any post statement of financial position corporate action of the issuer or the target, where it would be misleading not to make an adjustment, and in such instance, in addition to providing full details of the adjustment, details must be provided as to why the issuer believes it would be misleading not to make an adjustment.

Accounting periods

- 8.27 Where a pro forma statement of comprehensive income or cash flow statement is presented for two or more entities or business undertakings, such as may be the case in a material acquisition, the unadjusted information about the issuer and the adjustments in respect of the other entity or entities are to cover similar periods of the same length.

Unadjusted information

- 8.29 The unadjusted information of the subject matter of the acquisition or disposal is to be derived from the:
- (a) most recent published audited annual financial statements, published interim report, preliminary report or provisional report;

- (b) profit forecast which has been issued and reported on in terms of Section 8 or Section 13 for the statement of comprehensive income purposes and paragraphs 8.29(a) or (c) for the statement of financial position purposes;
- (c) unpublished management accounts provided that:
 - (i) the issuer is satisfied with the quality of those management accounts and a statement is included in the announcement confirming this;
 - (ii) shareholders are warned about the source of the information; and
 - (iii) in the case of a circular to shareholders where the circular either includes those management accounts and/or uses them for the purposes of the pro forma financial effects, a reporting accountant's review or audit opinion (whichever is applicable) must be obtained on those management accounts.

Adjustments

- 8.30 Any adjustments that are made to the information referred to in paragraphs 8.28 and 8.29 above in relation to any pro forma statement are to be:
- (a) clearly shown and explained;
 - (b) directly attributable to the transaction concerned and not relating to future events or decisions;
 - (c) factually supportable; and
 - (d) in respect of a pro forma statement of comprehensive income or cash flow statement, clearly identified as those adjustments that are expected to have a continuing effect on the issuer and those that are not.
- 8.31 In order to comply fully with paragraph 8.30, issuers must include notes to the pro forma financial information providing the explanations required in terms of paragraph 8.30 as well as:
- (a) any assumptions on which the adjustments are based;
 - (b) the range of possible outcomes where there is significant uncertainty;
 - (c) the sources of the amounts concerned; and
 - (d) where relevant, how adjustments have been aggregated or allocated to financial statement captions.

Continuing effects

- 8.32 In respect of pro forma income or cash flow statements, issuers are to identify clearly those adjustments that are expected to have a continuing effect on the issuer and those that are not. An issuer is not permitted either:
- (a) to omit adjustments that are directly attributable to a corporate action and are factually supportable, on the grounds that they do not have a continuing effect; or
 - (b) to make adjustments to eliminate items solely on the grounds that they are considered not to have a continuing effect.
- 8.33 Issuers are to interpret paragraphs 8.28 and 8.29 in line with the requirements of IFRS and the SAICA Financial Reporting Guides as issued by the Accounting Practices Committee and Financial Pronouncements as issued by Financial Reporting Standards Council.

Earnings and headline earnings per share

- 8.34 Where pro forma earnings and headline earnings per share information is given for a transaction, it must be provided in compliance with IFRS and the definition of headline earnings as set out in these Listings Requirements, except that, where the transaction includes the issue of securities, the calculation is to be based on the weighted average number of issued securities adjusted as if that issue had taken place at the beginning of the period.

Profit forecasts and estimates

- 8.35 The following requirements apply equally to forecasts or estimates of profits or losses, cash flows or net asset values (collectively defined as “profits or losses”) of an applicant issuer or an undertaking that is or will become a material part of an applicant issuer’s group.
- 8.36 Any statement or information relating to the future prospects of an applicant issuer, or an undertaking that is or will become a material part of an applicant issuer’s group, must be clear and unambiguous. The applicant issuer must determine in advance with its sponsor, whether such a statement of information will constitute a profit forecast or an estimate. Any profit forecast or estimate must be compiled using accounting policies applied by the applicant issuer.
- 8.37
- (a) A specific profit forecast is a form of words which expressly states a figure for the likely level of profits or losses for the current financial period and/or financial periods subsequent to that period, or contains data from which a calculation of such a figure for profits or losses may be made. A specific profit forecast is usually made when an applicant issuer includes a number, percentage, range or refers to “real” or any other term that has a recognised value. This list is not exhaustive and applicant issuers must consult with their sponsors to ascertain whether a statement constitutes a specific forecast.
 - (b) A general profit forecast is a form of words which, by implication, indicates a minimum or maximum figure for the likely level of profits or losses for the current financial period and/or financial periods subsequent to that period, or contains data from which such calculation may be made, even if no particular figure is mentioned and the word “profit” is not used. A general profit forecast is usually made when an applicant issuer uses the following words or terms: improvement, increase, growth, decline, decrease, similar or in line with. The use of these words or terms must not result in the statement becoming a specific profit forecast. This list is not exhaustive and applicant issuers must consult with their sponsors to ascertain whether a statement is a general forecast.
 - (c) A profit estimate bears the same meaning as a general or specific forecast, with the exception that it relates to a financial period ended but for which no financial information has yet been published.
 - (d) When an applicant issuer clearly states in an announcement that it has certain future targets or objectives that it would like to achieve, such will not be interpreted as a profit forecast or estimate as referred to above, provided that the targets or objectives do not specifically relate to the current or next reporting period.
- 8.38 A specific or general profit forecast or estimate of an applicant issuer or an undertaking that is or will become a material part of the applicant issuer’s group which is included in any communication with shareholders is the sole responsibility of the directors and must:
- (a) include the key assumptions and/or bases that have been used in arriving at the forecast or estimate; and

- (b) make reference to the relevant previously published information (line item/s in the statement of comprehensive income, statement of financial position or the statement of cash flows) to which it relates.
- 8.39 A dividend forecast must be treated as a profit forecast where the issuer has a known policy of relating dividends to earnings, or has an insufficient level of retained earnings, or the forecast otherwise implies a forecast of profit. In the event of uncertainty the JSE must be consulted.
- 8.40 In the event of an applicant issuer publishing a specific or general profit forecast or estimate in an announcement, it must either:
- (a) produce and submit to the JSE a profit forecast or estimate and auditor's report/reporting accountant's thereon in accordance with:
 - (i) ISAE 3400 – The Examination of Prospective Financial Information and the SAICA Revised Guide on Forecasts, in respect of profit forecasts; or
 - (ii) ISAE 3000 – Assurance Engagements other than Audits or Reviews of Historical Financial Information, in respect of the estimate;
 or;
 - (b) include a statement (which is not deemed to be a cautionary statement and which does not give rise to the commencement of a closed period) in the announcement advising securities holders that the forecast financial information has not been reviewed and reported on by the applicant issuer's auditor in accordance with 8.40(a).
- 8.41 The JSE reserves the right to insist on sign-off by the auditor/reporting accountant in accordance with paragraph 8.40(a), where it believes that it would be in the interests of securities holders.
- 8.42 The period of the forecast or estimate should normally be to the end of the financial period. If it is not, then the period of the forecast or estimate must be in respect of a period for which the results will be published.
- 8.43 A profit forecast or estimate included in a prospectus/pre-listing statement or circular to shareholders must be prepared in accordance with IFRS for that forecast period, must be reported on by a reporting accountant in accordance with paragraph 8.40(a)(i) or (ii) and must include a statement of the principal assumptions for each factor that would have a material effect on the achievement of the forecast or estimate. These assumptions must:
- (a) be clearly segregated between assumptions about factors that the directors can influence and assumptions about factors that are exclusively outside the influence of the directors;
 - (b) be readily understandable by investors;
 - (c) be specific about the particular aspect of the estimate/forecast to which they refer and about the uncertainty attaching to that aspect; and
 - (d) not relate to the general accuracy of the estimates (e.g. sales estimates, expense estimates, etc.) underlying the forecasts.
- 8.44 With regards to a profit estimate, the estimate may only be subject to assumptions in exceptional circumstances and such exceptional circumstances should be explained.

Reporting accountant's report

Circumstances when a reporting accountant's report is required

- 8.45 A reporting accountant's report, signed off by an independent reporting accountant, is required when:

- (a) a report of historical financial information is required in terms of paragraph 8.2;
- (b) a report of historical financial information is prepared and presented on a voluntary basis (except when it relates to previously published information of the applicant issuer);
- (c) pro forma financial effects or pro forma financial statements are prepared (except when that pro forma information only appears in an announcement);

- 8.47 The reporting accountant shall conduct the engagement in accordance with the relevant standards issued by the International Auditing and Assurance Standards Board (IAASB) and relevant guidance issued by SAICA and/or the IRBA. The IAASB standards include: International Standards on Auditing (ISAs), International Standards on Review Engagements (ISREs), International Standards on Assurance Engagements (ISAEs) and International Standards on Related Services (ISRSs).
- 8.48 The reporting accountant is to provide opinions on the following reports:
- (a) a report of historical information by way of:
 - (i) an audit opinion on financial information relating to the financial year immediately preceding the issue of the prospectus/pre-listing statement/circular; and/or
 - (ii) either an audit opinion or a review opinion on financial information relating to the financial years prior to the financial year immediately preceding the issue of the prospectus or circular; and/or
 - (iii) a review opinion on interim financial information;
 - (b) the pro forma financial information as to whether the pro forma financial information has been compiled, on the basis required by the Listings Requirements;
 - (c) a profit forecast as to:
 - (i) whether the assumptions, barring unforeseen circumstances, provide a reasonable basis for the preparation of the forecast;
 - (ii) whether the forecast has been properly compiled on the basis stated; and
 - (iii) whether the forecast has been properly presented and all material assumptions are adequately disclosed; and
 - (iv) whether the profit forecast is presented on a basis consistent with the accounting policies of the company or group in question.

- (d) a profit estimate as to:
 - (i) whether the estimate has been properly compiled on the basis stated;
 - (ii) whether the estimate has been properly presented and all material matters are adequately disclosed; and
 - (iii) whether the estimate is presented on a basis consistent with the accounting policies of the company or group in question.

If, after receiving advice from the FRIP, the JSE finds that an issuer has not complied with any of the above, the JSE will be able, in its sole discretion:

- (a) to censure such issuer in accordance with the provisions contained in Section 1 of the Listings Requirements; and
- (b) instruct such issuer to publish or re-issue any information the JSE deems appropriate.

8.66 In addition, the JSE will refer any such non-compliance to SAICA, the IRBA or any other relevant professional body.

Section 9

Transactions

Scope of section

This section deals with transactions, principally acquisitions and disposals, by issuers and their subsidiaries. It describes how they are categorised, what the requirements are for announcements and circulars and whether or not shareholder approval is required.

Requirements for reverse takeovers and for take-overs in terms of the Takeover Regulations and the Act are also detailed. This section should be read with Section 10 for transactions involving related parties.

The JSE endorses the Takeover Regulations, but they do not form part of the Listings Requirements.

The Appendix to this section sets out, in tabular form, certain requirements for the contents of Category 1 circulars.

The main headings of this section are:

- Section 9.1 General
- Section 9.3 Categorisation and explanation of terms
- Section 9.20 Category 1 requirements
- Section 9.23 Reverse take-over requirements
- Section 9.25 Contents of circulars
- Section 9.30 Take-overs
- Section 9.34 Rescue operations

Appendix to Section 9

Additional and alternative requirements relating to transactions are set out in Section 4 (with regard to companies listed on the VCM and DCM), Section 12 (Mineral companies), Section 13 (Property entities), Section 14 (Pyramid companies) and Section 15 (Investment entities), respectively.

General

- 9.1 References in this section to a transaction by a listed company:
- (a) include a transaction by any subsidiary of the listed company;
 - (b) include the grant or acquisition of an option to acquire or dispose of assets as if the option had been exercised except that, where the right to exercise is solely at the issuer's discretion, the transaction will only be categorised on exercise of the option and only the premium/consideration (if any) for the grant will be used for categorisation purposes at the date of such grant. However, in such instance, the categorisation upon exercise will be required to be no less onerous than the classification determined at the date of grant;
 - (c) excludes:
 - (i) an issue of securities (other than an issue in terms of paragraph 3.35, 3.36 or 4.11); or
 - (ii) a transaction to raise finance that, in either case, does not involve the acquisition or disposal of any asset of the listed company or of its subsidiaries;

- (iii) a transaction between a wholly-owned subsidiary of the listed company and the listed company; or between or among:
 - (a) two or more wholly-owned subsidiaries of the same listed company; or
 - (b) a wholly-owned subsidiary of a listed company on the one hand, and that listed company and one or more wholly-owned subsidiaries of that listed company, on the other hand; and
- (d) excludes transactions in the ordinary course of business and where either:
 - (i) both of the percentage ratios referred to in paragraph 9.6 are equal to or less than 10%; or
 - (ii) the issuer or its subsidiary concluding the transaction is a financial institution (as defined in the Financial Services Board Act No 97 of 1990) dealing in funds (such as policyholders funds or trust property) which are not held primarily for the benefit of its shareholders and the counter party to the transaction is not a related party of the issuer.

The issuer must discuss the transaction with the JSE at an early stage in order for the JSE to determine whether it will classify such a transaction as being in the ordinary course of business. In assessing whether a transaction is in the ordinary course of business, the JSE will have regard to the nature of business of the transacting parties and incidence of similar transactions which have been concluded.

- (e) a transaction must be referred to the JSE at an early stage if the transaction involves treasury shares.

9.2 An issuer that is in any doubt as to the application of the Listings Requirements contained in this section must consult the JSE at an early stage in order to discuss the details of the transaction and, where necessary, to obtain a ruling from the JSE.

Categorisation and explanation of terms

9.3 Any issuer considering a transaction must, at an early stage, consider the categorisation of the transaction.

9.4 A transaction is categorised by assessing its size relative to that of the issuer proposing to make it and the listed holding company of such issuer, if applicable.

9.5 The comparison of size is made by the use of the percentage ratios set out in paragraph 9.6. The different categories of transactions are:

- (a) Category 2 – a transaction where any percentage ratio is 5% or more but each is less than 30%;
- (b) Category 1 – a transaction where any percentage ratio is 30% or more or if the total consideration is not subject to any maximum; and
- (c) Reverse take-over – an acquisition by a listed company of a business, an unlisted company or assets where any percentage ratio is 100% or more or which would result in a fundamental change in the business or in a change in board of directors or voting control (refer to definitions of “control” and “controlling shareholder”) of the listed company, in which case this will be considered a new listing.

Percentage ratios

- 9.6 The percentage ratios are the figures, expressed as a percentage, resulting from each of the following calculations:
- (a) consideration to market capitalisation, being:
the consideration divided by the aggregate market value of all the listed equity securities, excluding treasury shares* of the listed company; or
 - (b) dilution, being:
the number of listed equity securities issued by a listed company as consideration for an acquisition compared to those in issue, excluding treasury shares* prior to the transaction; or
 - (c) transactions to be settled partly in cash and partly in shares:
the category size for such transaction is to be calculated by first assessing the cash to market capitalisation percentage and then adding this percentage to the dilution percentage.

9.7 In circumstances where:

- (a) either of the above calculations produces an anomalous result; and/or
- (b) the JSE believes that any of the transaction components are not included at fair value (taking account of the particular circumstances of the transaction); and/or
- (c) the categorisation calculations are inappropriate to the sphere of activity of the issuer;

the JSE reserves the right to request a fairness opinion on transaction values, take into account other ratios or use any other relevant indicators of size to determine the categorisation.

Consideration

9.8 When calculating the consideration:

- (a) where all or part of the consideration is in the form of securities to be listed, the consideration attributable to those securities means the aggregate market value of those securities at the time the terms of the transaction are announced;
- (b) the consideration is the amount paid to the vendors, but the JSE may require the inclusion of further amounts (for instance where the purchaser agrees to discharge any liabilities, whether actual or contingent, of the vendors as part of the terms of the transaction);
- (c) if deferred consideration is or may be payable in the future, the consideration is the maximum possible total consideration. If the total consideration is not subject to any maximum the transaction will be treated as a Category 1; and
- (d) in respect of a new class of securities for which an application for listing will be made, the consideration will be the issue price of such securities or, if no price is attributable thereto, the expected aggregate market value of all those securities, determined by the JSE in the absence of evidence of same provided by the listed company.

* The calculation showing all categorisation workings, including the exclusion of treasury shares, must be supplied to the JSE at the time of submission of the announcement and circular.

Figures used for categorisation

- 9.9 Figures used for categorisation purposes must be the aggregate market value of all those listed equity securities before the announcement of the terms, or such announcement determined by the JSE to contain sufficient information to be used for the purposes of categorisation.

Indemnities and similar arrangements

- 9.10 Any agreement or arrangement with a party, not being a member of the listed company's group:

- (a) under which a listed company agrees to discharge any liabilities, costs, expenses, commissions or losses incurred by that party, whether or not on a contingent basis;
- (b) which would be exceptional; and
- (c) under which the maximum liability is unlimited:

will be treated as a Category 1 transaction. For the purpose of this paragraph, indemnities such as those customarily given in connection with sale and purchase agreements and indemnities given to advisers against liabilities to third parties arising out of providing advisory services, are not "exceptional". In cases of doubt, the JSE must be consulted at an early stage in order to discuss the details of the transaction and, where necessary, to obtain a ruling from the JSE.

Aggregation of transactions

- 9.11 The JSE will require transactions (other than transactions in terms of paragraph 9.1(d)) completed during the 12 months prior to the date of the latest transaction to be aggregated with the latest transaction for the purpose of determining the categorisation to apply to the latest transaction. Category 1 transactions that have been completed during this period will not be taken into account for purposes of the aggregation unless it will result in a reverse take-over when taken into account, in which case the reverse take-over requirements will be applicable. In cases of doubt, the JSE must be consulted at an early stage in order to discuss the details of the transaction and, where necessary, to obtain a ruling from the JSE.

- 9.12 Where acquisitions are entered into during a period of 12 months that cumulatively exceed 100% of either of the percentage ratios, the provisions relating to a reverse take-over will apply.

- 9.13 Without prejudice to the generality of paragraphs 9.11 and 9.12, transactions will normally only be aggregated in accordance with those paragraphs if they:

- (a) are entered into by the company with the same party or associates thereof;
- (b) involve the acquisition or disposal of securities or an interest in one particular company or asset; or
- (c) together lead to substantial involvement in a business activity that did not previously form a part of the company's/group's principal activities.

- 9.14 Where the aggregation performed under paragraph 9.11 results in a Category 1 transaction, then the requirement for shareholder approval is in respect of the last transaction only. The JSE is to be consulted regarding the necessary approval from shareholders.

Category 2 requirements

- 9.15 In the case of a Category 2 transaction, the issuer must publish an announcement

containing the following details of such transaction immediately after the terms have been agreed. Notwithstanding the fact that it may not be possible to include all the details required (such as the financial effects) and that there may be outstanding conditions precedent, this should not prevent issuers from immediately publishing the announcement as required:

- (a) particulars of the transaction, including the names or details of:
 - (i) any company or business the subject of the transaction;
 - (ii) if an acquisition, the vendors;
 - (iii) if a disposal, the purchasers;
 - (iv) the effective date;
 - (v) the conditions precedent; and
 - (vi) any other significant terms of the agreement;
- (b) a description of the business carried on by the subject of the transaction;
- (c) the consideration, and how it was/is to be satisfied, including the terms of any arrangements for deferred consideration;
- (d) the value of the net assets that are the subject of the transaction;
- (e) the profits attributable to the net assets that are the subject of the transaction;
- (f) [Repealed]
- (g) the rationale for the transaction;
- (h) in the case of a disposal, the application of the sale proceeds;
- (i) in the case of a disposal, if the securities formed part of the consideration received, a statement as to whether such securities are to be sold or retained; and
- (j) in the case of a property entity, the information required by paragraph 13.11.

Where it is not possible to include all of the above details, issuers must include a cautionary/further cautionary in the announcement, together with the stated intention to announce these missing details at a later stage once they have been established.

- 9.16 In addition, if securities have been acquired in a company that, as a result, becomes a subsidiary company as defined in the Act, the applicant must adhere to the provisions of paragraph 10.21 of Schedule 10. Such confirmation must be included in the announcement in terms of paragraph 9.15.

Supplementary notification

- 9.17 The JSE must be advised immediately and a supplementary announcement made without delay if, at any time after the announcement referred to in paragraphs 9.15, 9.20(a) or 10.4(a) has been made and before the relevant shareholders meeting, the issuer becomes aware that:
- (a) there has been a significant change affecting any matter contained in the earlier announcement; or
 - (b) a significant new matter has arisen, the inclusion of information on which new matter would have been required to be disclosed in the earlier announcement had such information been known at that time;

- (c) “significant” means:
 - (i) a change of 10% or more from the original announced pro forma financial effects of the transaction; or
 - (ii) any other matter or element that could influence an investor’s assessment of the matter under consideration.

9.18 The supplementary announcement must:

- (a) provide details of the change or new matter; and
- (b) contain a statement that, save as disclosed, there has been no significant change and no significant new matter that has arisen since publication of the previous announcement.

9.19 (a) If at any time there is a change to the terms of the transaction such that the percentage ratios are affected and the transaction requires re-categorisation into a higher category, and therefore requires shareholders approval or additional regulation, a supplementary announcement must be made without delay and the necessary shareholder approval must be obtained or additional regulation complied with;

- (b) Other than as dealt with in paragraph 9.19(a) above, if the matter referred to in paragraph 9.17 is identified after the relevant shareholders meeting, a supplementary announcement would not be required unless such information falls into the ambits of paragraph 3.4(a) of the Listings Requirements.

Category 1 requirements

9.20 Upon the terms of a Category 1 transaction being agreed, the issuer must:

- (a) immediately comply with the requirements for a Category 2 transaction and state within the announcement that the transaction is subject to shareholders’ approval and that a circular to shareholders will be issued in compliance with 9.20(b); and
- (b) within 60 days, dispatch a circular to shareholders containing a notice of general meeting to obtain their approval and any agreement effecting the transaction must be conditional upon such approval being obtained. The JSE may, in its sole discretion, extend this period provided that there is sufficient justification to do so.

9.21 The Category 1 circular must comply with the general requirements relating to circulars as set out in Section 11 and, in addition, must include:

- (a) the information required under a Category 2 transaction (refer to paragraph 9.15);
- (b) details of any service contracts of proposed directors of the listed company;
- (c) where goodwill is involved, a statement regarding the issuer’s accounting policy towards goodwill, as well as the reasons for such goodwill payment;
- (d) a statement giving the directors’ opinion on the transaction;
- (e) the information required by the Appendix to this section in relation to Category 1 circulars (refer to paragraph 9.25);
- (f) pro forma effects on:
 - (i) the statement of financial position and the net assets and net tangible assets per share of the issuer; and

- (ii) the statement of comprehensive income and earnings and headline earnings per share of the issuer, including, if applicable, diluted earnings and headline earnings per share;
 - (g) in the case of a transaction involving immovable freehold or leasehold property, the applicable information required by Section 13; and
 - (h) a statement giving the directors' recommendation as to how shareholders should vote at the general meeting to approve the transaction and an indication as to how the directors intend to vote their shares, if applicable, at the general meeting.
- 9.22 In addition, if the Category 1 transaction results in an issue of securities that, together with any other securities of the same class issued during the previous 3 months, would increase the securities issued by more than 50%, then the issuer must include in the Category 1 circular the information required to be disclosed for a pre-listing statement.

Reverse take-over requirements

- 9.23 The issuer, as enlarged by the acquisition, must be suitable for listing as if it was a new applicant and must satisfy the conditions for listing as set out in Section 4.
- 9.24 The announcement of a reverse take-over must contain adequate warning as to the uncertainty of whether or not the JSE will allow the listing to continue following the acquisition. The issuer must prepare a Category 1 circular and listing particulars as though the issuer were a new applicant. If such Category 1 circular and listing particulars are not provided to shareholders within 60 days of the announcement, the JSE may suspend the listing of the issuer's securities. The Category 1 circular must clearly advise shareholders whether or not the JSE will continue to grant a listing to the issuer if shareholders approve the acquisition.

Contents of circulars

- 9.25 In addition to the requirements of paragraphs 9.20 to 9.24, a Category 1 circular must include the information required by the table set out in the Appendix to this section. Where the circular is accompanied by, or forms part of, a pre-listing statement that itself contains the information required, such information need not be repeated.
- 9.26 The working capital statement and, where relevant, information on group prospects and any profit forecast, must be prepared on the basis of the enlarged group in the case of an acquisition and on the basis that the disposal has taken place in the case of a disposal.
- 9.27 Where the issuer is issuing securities for which listing is sought, the information regarding major interests in securities and directors' interests in securities must be given in relation to the share capital both as existing and the share capital as enlarged by the securities for which listing is sought.
- 9.28 Where a circular is required by this section, and a pre-listing statement is required by Section 6, a single document may be issued that includes listing particulars, except when it is a reverse listing; in which case the circular and pre-listing statement must be two distinct parts of the document.
- 9.29 If securities are being issued as consideration for an acquisition and a Category 1 circular is required, then listing will not be granted for those securities until shareholders' approval has been obtained and any required registration of a special resolution(s) has been effected.

Take-overs

- 9.30 Any announcement concerning a possible take-over must be approved by the Panel prior to its release on SENS.
- 9.31 A copy of all draft documentation that is sent to the Panel for approval must be submitted to the JSE, together with a letter confirming that the relevant documentation has been submitted to the Panel.
- 9.32 The JSE must receive written notification immediately upon approval being granted by the Panel in respect of any documentation that is to be circulated to shareholders.
- 9.33 A copy of the actual approved documentation must be sent to the JSE together with the letter referred to in paragraph 9.32 above.

Rescue operations

- 9.34 Issuers that are in severe financial difficulty must refer to Schedule 11 dealing with rescue operations.

Restrictive funding arrangements

- 9.35 Any restrictive funding arrangements undertaken by an issuer and/or any of its subsidiaries must comply with paragraph 11.60.

Section 10

Transactions with Related Parties

Scope of section

This section provides certain safeguards against those shareholders, directors and/or other persons related to an issuer taking advantage of their position. Transactions with parties related to an issuer are known as related party transactions. Reference should also be made to the Listings Requirements regarding transactions, set out in Section 9.

Where any transaction is proposed between an issuer, or any of its subsidiaries, and a related party, a circular to shareholders and the approval of shareholders of the issuer in general meeting will normally be required.

Any circular sent to shareholders in connection with a related party transaction must provide sufficient information to enable any recipient of the circular to evaluate the effects of the transaction on the listed company.

The main headings of this section are:

- Section 10.1 Definitions
- Section 10.2 Consultation with the JSE
- Section 10.4 Usual requirements for a related party transaction
- Section 10.6 Transactions not regarded as related party transactions
- Section 10.7 Small related party transactions
- Section 10.8 Aggregation
- Section 10.9 Contents of circular

Definitions

10.1 For the purposes of this section, the following definitions apply:

- (a) a “related party transaction” means a transaction, as contemplated in Section 9, or any variation or novation of an existing agreement, between an issuer, or any of its subsidiaries, and a related party;
- (b) “related party” means:
 - (i) a material shareholder;
 - (ii) any person that is, or within the 12 months preceding the date of the transaction was, a director of the issuer or its holding company. For the purpose of this definition, a director includes a person that is, or within the 12 months preceding the date of the transaction was, not a director, but in accordance with whose directions or instructions the directors are or were accustomed to act;
 - (iii) any adviser to the issuer that has, or within the 12 months preceding the date of the transaction had, a beneficial interest, whether direct or indirect, in the listed company or any of its associates;
 - (iv) any person that is, or within the 12 months preceding the date of the transaction was, a principal executive officer of the issuer, by whatever position he may be, or may have been, designated and whether or not he is, or was, a director;
 - (v) the asset manager or management company of a property entity, including anyone whose assets they manage or administer;

- (vi) the controlling shareholder of the persons in paragraph 10.1 (b) (v);
- (vii) an associate of the persons in paragraph 10.1 (b) (i) to (vi) above.

Notwithstanding the above definitions, the JSE may, in its sole discretion, determine that a transaction is a related party transaction if extra-ordinary conditions exist.

Consultation with the JSE

- 10.2 When an issuer is contemplating a transaction which will result in any unusual, vested or other interest(s) or rights being created for any of the parties in paragraph 10.1(b)(i) to (vii) above, the issuer must discuss the transaction with the JSE at an early stage in order for the JSE to determine whether it will exercise its discretion and classify the transaction as a related party transaction and any parties as related parties in terms of the transaction concerned.
- 10.3 The JSE may, in its sole discretion, require the listed company to provide it with a declaration that, to the best of the knowledge and belief of the directors, any nominee shareholders do not include any person who may be acting in concert with any other person in relation to the related party transaction.

Usual requirements for a related party transaction

- 10.4 If an issuer, or any of its subsidiaries, proposes to enter into a related party transaction or, if the JSE determines that a transaction is a related party transaction, the issuer must:
- (a) make an announcement containing:
 - (i) the information specified in paragraph 9.15;
 - (ii) the name of the related party concerned; and
 - (iii) details of the nature and extent of the interest of the related party in the transaction;
 - (b) furnish the agreement to the JSE;
 - (c) send a circular to its shareholders containing the information required by paragraph 10.9;
 - (d) obtain the approval, by resolution, of its shareholders either prior to the transaction being entered into or, if it is expressed to be conditional on such approval, prior to completion of the transaction;
 - (e) include in the ordinary resolution to approve or give effect to the transaction, a condition that the validity, for the purposes of the Listings Requirements, of the resolution will be subject to a simple majority of the votes of shareholders, other than the related party and its associates, being cast in favour of the resolution; and
 - (f) include a statement by the board of directors confirming whether the transaction is fair insofar as the shareholders of the issuer are concerned and that the board of directors has been so advised by an independent expert acceptable to the JSE. The board of directors must obtain a fairness opinion (which must be included in the circular) prepared in accordance with Schedule 5, before making this statement unless the subject matter of a related party transaction is one of the following in which case the consideration should be compared to the valuation:
 - (i) property and a valuation report has been prepared in accordance

with paragraphs 13.20 to 13.31; or

- (ii) mineral assets and a competent person's report has been prepared in accordance with Section 12 by an independent competent person and such report contains a valuation.

- 10.5 Where a general/annual general meeting of the issuer has been called to approve a transaction and, after the date of the notice of meeting but prior to the meeting itself, the transaction becomes a related party transaction, the JSE may require that the issuer either:
- (a) takes immediate steps to amend the relevant resolution by including the condition referred to in paragraph 10.4(e) and give notice of the amendment to shareholders by way of a circular. Such circular must also contain any information required by paragraph 10.9 that was not contained in the original circular accompanying the notice of general/annual general meeting; or
 - (b) withdraws the notice of the general/annual general meeting and convenes a fresh general/annual general meeting complying with paragraph 10.4.

Transactions not regarded as related party transactions

- 10.6 A transaction will not be regarded as a related party transaction if any of the following situations apply:
- (a) the issuer does not have any equity securities listed;
 - (b) the issuer is an external company with a secondary listing on the JSE;
 - (c) the transaction is one where both of the percentage ratios referred to in paragraph 9.6 are equal to or less than 0.25%.

Small related party transactions

- 10.7 In the case of a transaction with a related party where one or both of the percentage ratios referred to in paragraph 9.6 are less than or equal to 5%, but exceed 0.25%, the usual requirements for a transaction with a related party set out in paragraph 10.4 do not apply and, instead, the issuer must, prior to completing the transaction:
- (a) inform the JSE in writing of the details of the proposed transaction;
 - (b) provide the JSE with written confirmation from an independent professional expert acceptable to the JSE that the terms of the proposed transaction with the related party are fair as far as the shareholders of the issuer are concerned;
 - (c) publish details of the proposed transaction in accordance with paragraph 10.4(a), including a statement that paragraph 10.7(b) has been complied with, that the transaction has been declared to be fair and that the fairness opinion will lie for inspection at the issuer's registered office for a period of 28 days from the date of announcement; and
 - (d) comply with the usual requirements regarding transactions with related parties as per paragraph 10.4, if the independent professional expert states that the transaction is not fair.

Aggregation

- 10.8 The JSE will require all transactions to be aggregated that are entered into by the

issuer, or any of its subsidiaries, with the same related party, and/or any of its associates, in any twelve month period and which have not been approved by shareholders or announced in terms of paragraph 10.7.

Contents of circular

10.9 A circular in respect of a related party transaction must be issued within 60 days of the publication of the terms announcement, must comply with the general requirements relating to circulars set out in Section 11 and must also include:

- (a) a responsibility statement in accordance with paragraph 7.B.22;
- (b) in all cases, the information required by the following paragraphs in relation to the issuer:

Paragraph	
7.A.1	Name, address and incorporation
7.A.27	Major shareholders
7.B.17(b)	Preliminary expenses and issue expenses
7.E.10	Material change
7.F.7	Experts' consents
7.G.1	Documents and consents to be available for inspection
9.21(f)	Pro forma financial information

- (c) in the case of a transaction where the related party is a director, or an associate of a director, of the company (or its holding company) the information specified by the following paragraphs:

Paragraph	
7.B.20	Directors' interests in securities
7.B.21	Directors' interests in transactions

- (d) full particulars of the transaction, including the name of the related party concerned, a description of the relationship between the issuer and the related party, the nature and extent of the interest of such party in the transaction and all details required in terms of paragraph 9.15;
- (e) the fairness statement by the board of directors and the fairness opinion or valuation upon which the directors' statement is based, as required in terms of paragraph 10.4(f);
- (f) a statement that the related party and its associates will be taken into account in determining a quorum at the general/annual general meeting, but that their votes will not be taken into account in determining the results of the voting at such meeting in relation to any resolution in connection with the related party transaction;
- (g) if the transaction also falls within Category 1, the information required to be included in a Category 1 (refer to Section 9) circular; and
- (h) in the case of a transaction involving immovable freehold or leasehold property, the applicable information required by Section 13.

Section 11

Circulars, Pre-listing Statements/Prospectuses and Announcements

Scope of section

This section sets out the requirements that apply to all circulars, pre-listing statements and announcements published by issuers.

Where the circular, pre-listing statement or announcement, or the transaction or matter to which it relates, has unusual features or where it is not possible to comply with the relevant requirements set out in this section, the JSE must be consulted at an early stage in order to discuss the details of the transaction and, where necessary, to obtain a ruling from the JSE.

When a new applicant or existing issuer issues a prospectus, the presumption is made that, apart from compliance with the Act, such prospectus will also comply with and contain all necessary disclosures as if it were a pre-listing statement subject to compliance with the Listings Requirements. For the purposes of this section and its appendix, any reference to a pre-listing statement includes reference to a prospectus and vice versa.

11.1 Circulars and pre-listing statements must:

- (a) provide a clear and adequate explanation of the subject matter;
- (b) if voting or other action is required:
 - (i) contain all information necessary to allow the holders of the securities to make a properly informed decision; and

 - (iii) in the case of dematerialised shareholders, the CSDP or broker will automatically action the surrender of ownership title in accordance with the corporate action or after having received an election instruction;

The document concerned must state that dematerialised shareholders' elections should be provided to their appointed CSDP or broker in the form stipulated in the custody agreement entered into between the shareholder and the CSDP or

broker;

- (v) the form of proxy included in the circular should state that it is for completion by certificated shareholders and own name dematerialised shareholders only. 11.1A Certain information which must be disclosed in a circular and/or pre-listing statement may be incorporated by reference pursuant to paragraphs 11.61 and 11.62.

Approval

- 11.2 (a) All announcements that are required to be made in terms of the Listings Requirements must be approved by the issuer’s sponsor before they are released over SENS and published in the press. The JSE will only approve those sections of an announcement which contain a corporate action timetable as required in terms of Schedule 18 (announcements which contain corporate action timetables may therefore not be released until they are approved by the JSE). The JSE may review announcements after they have been published to ensure that the minimum information (as required in terms of the Listings Requirements) has been disclosed. The JSE may require the publication of additional information if it determines that the required minimum information has not been disclosed.
- (b) Circulars, pre-listing statements/prospectuses and notices of general/annual general meetings relating to paragraph 16.2(a) to (cc) may not be distributed to shareholders or placed on any website unless they have been approved by the JSE.
- (c) Circulars and notices of general/annual general meetings relating to paragraph 16.2(hh) to (jj) may not be distributed to shareholders or placed on any website until they have been approved by the issuer’s sponsor. The JSE may review circulars and notices of general/annual general meetings after they have been distributed to shareholders to ensure that the minimum information (as required in terms of the Listings Requirements) has been disclosed. The JSE may require the publication/distribution of additional information if it determines that the required minimum information has not been disclosed.

Where more than 20% of the gross fees of the registered valuer received from the issuer, the asset manager or management company of the issuer or the issuer's related parties or any other party by the registered valuer for the last financial year, the registered valuer will not be deemed by the JSE as independent.

Section 14

Pyramid Companies

Scope of section

This section contains additional Listings Requirements pertaining to Pyramid Companies.

The main headings of this section are:

Section 14.1 General

Section 14.2 Pyramid companies

General

14.1 The requirements contained within the Listings Requirements apply to pyramid companies, except where specifically overruled by the requirements of this section.

Pyramid companies

14.2 The JSE considers that any situation involving a proliferation into more than one listed company of the same basic assets requires its careful control. Accordingly, the following guidelines and requirements should be considered in pyramid company situations.

Classification as pyramid companies

14.3 Any new applicant must make full disclosure to the JSE of any factors that could render it a pyramid company and any existing listed company shall consult the JSE before entering into any commitment, arrangement or agreement that could render it a pyramid company in relation to another listed company.

14.4 The JSE will classify a listed company as a pyramid company where it:

- (a) may exercise, or cause the exercise, of 50% or more of the total voting rights of the equity securities of a listed company (“listed controlled company”); and
- (b) derives 75% or more of its total attributable income before tax from such listed controlled company, **or** the value of its shareholding in the listed controlled company represents 50% or more of its gross assets, with both measured, as far as possible, at fair value.

14.5 The JSE may declassify a company as a pyramid company when it no longer meets the thresholds upon which its classification as a pyramid company was based.

Listing of pyramid companies

14.6 The listing of pyramid companies is prohibited by the JSE, unless such pyramid company is the result of an unbundling or partial unbundling transaction. Where the listing of a pyramid company is the result of a partial unbundling, such pyramid company will be given 6 months from the date of the unbundling to introduce alternative assets that satisfy the criteria for listing in Section 4. Failure to meet this requirement may result in the suspension and ultimate removal of the listing of such pyramid company. Furthermore, the JSE will not

grant a listing to a pyramid company forming part of an unbundling transaction nor maintain the listing of a company that is to become a pyramid company as a result of an unbundling transaction:

- (a) which is or will become a second-stage pyramid company, being the pyramid company of another listed pyramid company. In such event, the second stage pyramid company will be given 6 months from the date of unbundling to introduce alternative assets which satisfy the criteria for listing in Section 4. Failure to meet this requirement may result in the suspension and ultimate removal of the listing of the second stage pyramid company;
- (b) unless, either:
 - (i) the minority holders of equity securities in the listed controlled company are offered equity securities on the same terms as applicable to the controlling shareholders, as described in the Takeover Regulations and the Act, of such listed controlled company, in proportion to their holdings in the listed controlled company; or
 - (ii) the controlling shareholders of the pyramid company give irrevocable written undertakings to the JSE that they will not enter into any affected transaction, as described by the Takeover Regulations and the Act in relation to the pyramid company, unless the other party to such affected transaction undertakes to the JSE to make a comparable offer to the holders, excluding the pyramid company, of the equity securities in the listed controlled company in accordance with the provisions of the Takeover Regulations and the Act;
- (c) unless the listed controlled company has either been listed for more than two years or it satisfies each of the following criteria:
 - (i) 50% or more of the listed controlled company's gross assets or 50% or more of its total attributable income before tax is derived from operations that have been listed for at least 12 months;
 - (ii) the listed controlled company is not classified by the JSE as a pyramid company;
 - (iii) the body of management that manages the listed controlled company has held such position, with only non material changes to such body of management, for a continuous period of at least 12 months prior to the listing of the pyramid company;
 - (iv) the management of both the listed controlled company and the proposed pyramid company must have been predominantly the same for the period referred to in paragraph 14.6(c)(iii); and
 - (v) the listed controlled company has issued audited financial statements covering the period referred to in paragraph 14.6(c) (iii), that have not been qualified by the listed controlled company's auditor;
- (d) in respect of a listed controlled company that is listed on the DCM or VCM; and
- (e) unless the cover of the circular relating to the creation of a pyramid company contains a warning that it will reduce the effective voting influence of shareholders in the listed controlled company.

14.7 The JSE may delist a listed pyramid company that ceases to meet the percentages referred to in paragraph 14.4.

- (b) if documents are received by the JSE on or before 10h00 on a business day, they will be deemed to have been lodged at 10h00 on such business day; and if they are received after 10h00 on a business day, they will be deemed to have been lodged at 10h00 on the following business day ("the deemed lodgement time");
- (c) within 120 hours of the deemed lodgement time of the first submission, the JSE will provide the relevant sponsor with informal comment. The JSE may insist on a further informal comment submission where additional corporate actions or transactions are inserted after the initial lodgement of the documentation;

Informal approval

Section 18

Dual Listings and Listings by External Companies

Scope of section

The main headings are:

- Section 18.1 General
- Section 18.2 Primary listings
- Section 18.3 Secondary listings
- Section 18.23 Dual listings
- Section 18.26 External companies
- Section 18.27 Dual listed companies structure
- Section 18.42 Fast-track Listing Process
- Section 18.43 Conditions of Listing
- Section 18.44 Pre-Listing Announcement
- Appendix to Section 18

General

- 18.1 (a) An applicant issuer seeking a dual listing on the JSE may decide (subject to being classified in terms of the Listings Requirements as a primary or secondary listing) where it intends to have its primary or secondary listing or listings.
- (b) Where appropriate, an applicant must be registered as an external company in terms of Section 23 of the Act before making application for a listing on the JSE. An applicant issuer must obtain a legal opinion as to whether it is required to register as an external company. A copy of this legal opinion must be furnished to the JSE on application for listing.

Primary listings

- 18.2 An applicant issuer seeking a primary listing on the JSE must comply in full with all the Listings Requirements.

Secondary listings

Conditions for listing

- 18.3 An applicant issuer seeking a secondary listing on the JSE must:
- (a) comply with the conditions for listing as set out in Section 4 or Section 21, unless otherwise stated in the Listings Requirements or agreed to by the JSE (full details must be disclosed in the pre-listing statement). The conditions for listing in Section 4 must be read with regard being had to the jurisdiction in which the applicant issuer is incorporated;
 - (b) confirm that it has a primary listing on another exchange and that:
 - (i) the exchange is a member of the World Federation of Exchanges (“WFE”); or
 - (ii) it has subscribed capital, as defined in Section 4.28(a) of the Listings Requirements, of at least R500m;

- (c) confirm that the primary listing referred to in paragraph 18.3(b) above is at least on an equivalent board/exchange to that for which application is being made on the JSE. The JSE will therefore not grant a secondary listing on the JSE Main Board for an applicant issuer that has a primary listing on a junior/secondary market of an exchange; and
 - (d) not have traded in its securities on the JSE in respect of which a secondary listing is sought of more than 50% of both the total volume and value traded in those securities on all markets in which it is listed over 12 months.
- 18.4 Secondary listing status means that once an applicant issuer is listed, it will only be required to comply with the Listings Requirements of the exchange where it has its primary listing, save as otherwise specifically stated in the Listings Requirements.
- 18.5 The applicant issuer must upon application to the JSE confirm that it is in full compliance with all the requirements of the exchange/competent authority on which it has its primary listing. The JSE may request that this confirmation be supported by a letter from the relevant exchange/competent authority.
- 18.6 The JSE will not grant a listing or list securities which are not listed in the country of incorporation or in the country of primary listing, unless the applicant issuer can demonstrate that the absence of such a listing is not due to any negative or problematic circumstances, events or regulatory issues.
- 18.7 Compliance with paragraph 21.3(a) is not required, provided that the applicant issuer appoints and maintains a sponsor in accordance with Section 2.
- 18.8 Compliance with paragraph 21.3(d) and (g) is not required.
- 18.9 An applicant issuer must either:
 - (a) have the required spread in accordance with paragraph 4.28(e) and (f) (in the case of a Main Board listing) or 21.3(c) (in the case of an ALT^x listing) on the South African share register; or
 - (b) make arrangements, to the satisfaction of the JSE's clearing and settlement division, to ensure that sufficient scrip is available on the South African share register.
- 18.10 An applicant issuer must appoint and maintain a sponsor.

Pre-listing statements

- 18.11 An applicant issuer must produce a pre-listing statement in compliance with the relevant Listings Requirements save as otherwise specifically stated in the Listings Requirements. Where the disclosure requirements of Section 7 relate to continuing obligations, the JSE may allow the applicant issuer to address this in the context of the requirements of the exchange where it has its primary listing. The procedure for approval as contained in Section 16 will be applicable.
- 18.12 The applicant issuer must disclose in the pre-listing statement headline earnings per share and diluted headline earnings per share together with an itemised reconciliation between headline earnings and the earnings used in the calculation.
- 18.13 The JSE will, for purposes of the pre-listing statement, accept financial information prepared in accordance with the following accounting frameworks:
 - (a) IFRS;
 - (b) IFRS as adopted by the European Union;
 - (c) United Kingdom GAAP;
 - (d) United States GAAP;

- (e) Australian GAAP; and
 - (f) Canadian GAAP.
- 18.14 For purposes of the pre-listing statement, the JSE may accept extracts of financial information which have been prepared in accordance with paragraph 18.13 provided that:
- (a) the information was published subsequent to the applicant issuer being granted a listing on the exchange where it has its primary listing and in accordance with that exchange's Listings Requirements;
 - (b) the extracts are in compliance with IAS 34; and
 - (c) the pre-listing statement contains full details of the applicant issuer's accounting policies.
- 18.15 Notwithstanding paragraphs 18.13 and 18.14 above, the applicant issuer must, via its sponsor, obtain a formal ruling from the JSE on the exact presentation of the financial information in the pre-listing statement.
- 18.16 For purposes of the pre-listing statement, the JSE will accept a competent person's report (as required by Section 12) which has been prepared within the 12 months prior to listing on the JSE, provided that it has been prepared in accordance with SAMREC, Joint Ore Reserves Committee Code or National Instrument 43-101 and that there have either been no changes since that date or that any changes are reported on by the competent person. Applicant issuers who do not comply with the aforementioned must produce a new competent person's report in compliance with one of the aforementioned reporting codes and this report must be approved by the JSE's Readers Panel.
- 18.17 Applicant issuers must obtain a legal opinion as to whether it is required to register as an external company. This opinion must be submitted to the JSE.
- 18.18 The JSE may allow applicant issuers to modify the relevant Part I and II documents required in Section 16 where full compliance would be in conflict with the requirements of this section or the exchange where it has its primary listing.

Continuing obligations

- 18.19 The JSE will allow the requirements of the primary exchange to take precedence in relation to applicant issuers with a secondary listing on the JSE, with the following exceptions:
- (a) the annual financial statements and any other communication with shareholders must state where the primary and secondary listings of the applicant issuer's securities are;
 - (b) when an applicant issuer wishes to release any information on another exchange, it must ensure that such information is also released on SENS and that such release takes place no later than the equivalent release on any other exchange provided that, if the JSE is not open for business, it must ensure that such information is released through SENS at the commencement of business on the next business day. The announcement must be submitted via the applicant issuer's sponsor, albeit that the announcement does not require the approval of the sponsor;
 - (c) it must publish, in its interim and year-end results, headline earnings per share and diluted headline earnings per share together with an itemised reconciliation between headline earnings and the earnings used in the calculation; and

- (d) issuers must advise, and obtain approval from, the JSE with regard to the timetables for corporate actions stipulated in Schedule 18. Issuers must ensure that the JSE is notified in advance in order to ensure that the JSE can accommodate the processing of these corporate actions for shareholders on the South African share register.
- 18.20 The applicant issuer must submit to the JSE, together with the applicant issuer's annual financial statements pursuant to paragraphs 3.19 and 3.21(a), details of the volume and value of securities traded (over the previous 12 months), on all exchanges where it has a listing, in order for the JSE to consider the applicant issuer's continued secondary listing status.
- 18.21 If both the volume and value of securities traded on the JSE exceeded 50% of the total volume and total value of those securities (over the previous 12 months) traded on all exchanges where the applicant issuer has a listing, then the applicant issuer's listing status on the JSE in respect of those securities may be converted to a primary listing. The converse would apply when both the volume and value of securities traded on the JSE was 50% or below.
- 18.22 The applicant issuer must advise its shareholders, by releasing an announcement over SENS, each time that its listing status is changed.

Dual listings

- 18.23 A company with a dual listing must immediately notify the JSE, in writing, of any suspension or removal of listing on any other exchange on which it has securities listed.
- 18.24 If an applicant issuer decides to move its primary listing from the JSE to another exchange but keeps a secondary listing on the JSE, it must comply fully with the relevant provisions of this section and obtain the approval of its shareholders. A 50% plus 1 majority of the votes of all shareholders present or represented by proxy at the general meeting, excluding any controlling shareholder, its associates and any party acting in concert, must be cast in favour of such a resolution. A secondary listing onto another exchange only requires the approval of the issuer's directors.
- 18.25 If an applicant issuer has applied and been granted permission for its JSE-listed securities to be listed on another exchange, it is required to ensure that the securities will be accepted for transfer, without delay, if presented in any of the centres in which the securities are listed.

External companies

- 18.26 An external company with a listing on the JSE must appoint and maintain, whilst it remains listed on the JSE, a person authorised to accept service of due process and notices on its behalf in the Republic of South Africa and must notify the JSE of such appointment (or termination, providing that, in the event of termination, another person must immediately be appointed and their details provided in accordance with this paragraph), including:
 - (a) the name of the person appointed ("person") and the person's address for services of due process and notices;
 - (b) if different, the person's business and residential address;
 - (c) the person's business and residential telephone number;
 - (d) the person's e-mail address; and

- (e) any change in the above particulars.

Dual listed companies structure

- 18.27 A Dual Listed Companies (“DLC”) structure applies to an aggregated group, with combined businesses, accounted for under two separately listed companies, one housing the South African (“SA”) based businesses (“the SA listed company”), with its primary listing on the JSE, and the second company housing the offshore business entities (“the overseas listed company”) with its primary listing on the LSE or on another exchange acceptable to the JSE. If the primary listing of the overseas listed company is not on the JSE, then it must have a secondary listing on the JSE. The SA listed company and the overseas listed company together comprise the DLC structure.
- 18.28 All the conditions for listing, set out in Section 4 of the Listings Requirements, must be complied with in respect of each company comprising the DLC structure to be listed on the JSE.
- 18.29 The proportion of the combined business that each company comprising the DLC structure represents, should be discussed with the JSE well in advance of implementing the DLC structure in order to obtain the necessary in principle consents and/or rulings.
- 18.30 The companies in the DLC structure must be able to demonstrate that they participate in the control of the combined business. This must be evidenced through a formal agreement and/or veto rights, and/or such other mechanisms acceptable to the JSE.
- 18.31 Every company comprising the DLC structure will be required to comply with all continuing obligations provided that, in the event of a conflict in the requirements of the relevant exchanges, the most stringent requirements must be complied with. This includes the Code of Corporate Practices and Conduct, which will apply to directors of any board or committee and relevant employees of the DLC structure, as well as the directors of every company comprising the DLC structure. Companies are encouraged, at an early stage, to discuss with the JSE how compliance with continuing obligations will be achieved.
- 18.32 The related party transaction provisions set out in Section 10 of the Listings Requirements will apply to the companies comprising the DLC structure but not in respect of transactions necessary to constitute the DLC structure or transactions between the companies comprising the DLC structure and/or their respective groups.
- 18.33 Variations to any agreement governing the relationship between the companies comprising the DLC structure will be considered to fall within Section 10 of the Listings Requirements.
- 18.34 Transactions undertaken by the companies comprising the DLC structure will be subject to the transaction requirements set out in Section 9. The categorisation tests will be calculated by comparing the whole of the target with the whole of the DLC structure.
- 18.35 Controlling shareholder provisions will apply to any controlling shareholder of either company comprising the DLC structure.
- 18.36 Common accounting policies should be used for the companies comprising the DLC structure.
- 18.37 Aggregated annual financial statements must be published in accordance with IFRS for the merged DLC structure. In the event that the annual financial

statements published for the merged DLC structure are not in accordance with IFRS, a comprehensive reconciliation to IFRS must be published and presented in Rands. Annual financial Statements for the companies comprising the DLC structure may be published as supplementary information to the aggregated accounts of the DLC structure.

- 18.38 Interim financial information, on an equivalent basis to paragraph 18.37, on the merged DLC structure, and for the separate companies, respectively, must be published.
- 18.39 Where an announcement is required, it must be released in accordance with the relevant exchange's requirements and simultaneously on both the JSE and the overseas listed company's exchange(s).
- 18.40 With respect to any calculations/categorisations/measurements in terms of the Listings Requirements applicable to either company comprising the DLC structure, the DLC will be regarded as one combined entity.
- 18.41 Where there is a conflict between the requirements of the relevant exchanges, the most stringent requirements must be complied with.

Asset backed securities

- 19.22 This section sets out the requirements for the listing of Asset Backed Securities ("ABS") including securitisation issues, as defined. ABS will be listed in the investment product sector of the Main Board.

Definitions

- 19.23 In these Listings Requirements pertaining to the listing of ABS, unless the contrary intention appears, the following terms shall have the meanings assigned to them below:
- "asset backed securities" or "ABS" means securities backed by assets which, at

the time of the relevant issue, are evidenced by agreements. The assets are intended to produce funds to be applied towards interest payments due on the securities, if applicable, and for the repayment of principal on maturity, except those securities in whole or in part, on real property or other physical assets;

“entity” means a company registered pursuant to the Companies Act, a public company registered as a bank pursuant to the Banks Act, a private company registered pursuant to the Companies Act which is a subsidiary of a public company registered pursuant to the Companies Act, of which the equity of such public company may or may not be listed on the JSE, a trust registered pursuant to the Trust Property Control Act or a company or trust which, in addition to its registration pursuant to the relevant act, is also registered under regulations enforced by the Financial Services Board. This may also include vehicles incorporated outside of the republic of South Africa and that have legislative or definitional requirements that are similar to that referred to above;

“issuer” mean an entity that issues asset backed securities;

“principal amount” means the capital amount of an asset backed security payable on the redemption date by way of a structured, pre-approved, audited and rated amortisation of the note;

“securitisation” means a structure incorporating a diversified pool of cash generating assets, usually purchased by an issuer, funded by the issuance of asset backed securities by such an issuer.

General

- 19.24 Due to the complex nature of ABS the JSE must be consulted at an early stage before formal application for listing is made. Depending on the nature and structure of any particular issue, the requirements set out in the following paragraphs may be modified or additional requirements may apply.
- 19.25 Once application has been made to, and approval granted by, the JSE in relation to an issue of ABS, those ABS will be listed by the JSE and traded on the JSE trading system. The trading system will identify each issue of ABS that are listed, as well as the issuer and the salient terms of the issue. ABS will be traded in the same manner as any other securities on the JSE trading system. The JSE will only in extraordinary circumstances suspend the listing of an ABS and not necessarily on the suspension of the underlying security or failure of performance on the underlying asset class.
- 19.26 ABS trades will be settled through Strate and must be freely transferable.
- 19.27 Issuers need not comply with Section 8 (Financial Information), Section 9 (Transactions) or Section 10 (Transactions with Related Parties).

Sponsor

- 19.28 An issuer of ABS must comply with the provisions of paragraphs 2.2 to 2.6 in Section 2 regarding the appointment of a sponsor.

Criteria for listing of asset backed securities

- 19.29 An issue of ABS must:
- (a) have committed capital (to be received from the issue) of at least R50 million prior to listing; or such other amount as determined by the JSE after taking account of the nature of the asset and instrument;
 - (b) be issued through an issuer that has the quality of insolvency remoteness from the arranger;

- (c) have assets that are held by a trust, which must be administered by independent trustees representing the interests of the holders of the ABS. A separate trust is required for each class of asset with respect to the issuance of ABS relating to a different composition of assets. The assets may, however, also be held via a vehicle other than a trust provided the JSE is satisfied that such vehicle provides similar protections to safeguard the assets and, in particular, the powers and duties of the directors (or, in the event that the vehicle is not a company, the persons with corresponding duties and powers in relation to that vehicle) must be limited as though the director is a trustee. Thus, the provisions of this paragraph that apply to trustees and trusts must apply mutatis mutandis to the directors and the vehicle used to hold the assets;
- (d) have a management agreement with a service provider and an arrangement for an alternative service provider over the life of the structure if so required;
- (e) have a liquidity facility in place in order to service cash flows to investors as provided for in the offering circular in the event of corporate actions, interest payments or any other receivables resulting in cash flow from the underlying assets.

19.30 Where the underlying assets are equity in nature the ABS must:

- (a) have underlying assets that are listed on the JSE, unless otherwise determined by the JSE;
- (b) be fully covered at all times; and
- (c) have underlying assets which are minority interests and must not confer legal or management control of the listed companies.

19.31 Where the underlying assets are debt and/or securitisation listings, the ABS must have a credit rating with respect to the underlying assets, issued by an independent rating agency that must be reviewed annually.

19.32 Where the underlying assets are securitisation listings the ABS must have a credit rating issued by an independent rating agency, acceptable to the JSE, with respect to the quality of the listed ABS, which rating is to be reviewed annually. Alternatively, the applicant issuer must satisfy the JSE that adequate insurance policies are in place, with insurance companies acceptable to the JSE, as an alternative to such credit rating.

19.33 The issuer must:

- (a) satisfy the JSE that it has the relevant expertise to arrange an issue of ABS or has access to such expertise; and
- (b) confirm that it will always, in normal market circumstances, endeavour to provide and maintain a reasonable bid and offer. Circumstances when the JSE may relieve the issuer from its responsibility to maintain a reasonable bid and offer until the issue is resolved include (but are not limited to), when there is no bid and offer in the underlying market, when, in the opinion of the calculation agent, an instrument can be reasonably shown to have no value, when an issuance is sold out and/or the issuer is experiencing technical difficulties. The JSE may, in its sole discretion, determine that an issuer be relieved of this responsibility for a specific period or product issuance.

19.34 In the instance where the performance of the ABS is guaranteed (by means of a guarantee or an over-the-counter derivative), the guarantor must comply with the following criteria:

- (a) it must be a member of the JSE, Life Offices' Association of South Africa,

- Council of South African Banks, Merchant Bankers' Association, South African Futures Exchange or any other person in South Africa or elsewhere, whether natural or juristic, in good standing and acceptable to the JSE;
- (b) it must prove to the JSE that it has the relevant expertise to issue the ABS or has access to such expertise;
 - (c) the guarantor must disclose to the JSE any material dealings, including those of a corporate finance nature, other than in the ordinary course of business, by it or its associates, in the securities in respect of which ABS are to be issued, during the six week period prior to the date of formal application for listing of the ABS; and
 - (d) It must either:
 - (i) satisfy the JSE:
 - (1) that it has net tangible assets of not less than R2 billion in jurisdictions acceptable to the JSE; or
 - (2) undertake that, throughout the duration of that issue, it will maintain at least R2 billion of its assets in the above-mentioned jurisdictions; or
 - (ii) provide a guarantee in a form acceptable to the JSE from a third party that is acceptable to the JSE. If such guarantor is not resident in the Republic of South Africa, the guarantee must state that South African law governs the guarantee and that the guarantor accepts the non-exclusive jurisdiction of the South African courts.

Depository Receipts

- 19.68 This section sets out the requirements pertaining to the listing of Depository Receipts ("DR").

Definitions

- 19.69 In these Listings Requirements pertaining to the listing of DRs, unless the context clearly indicates a contrary intention, the following terms shall have the meanings below assigned to them below:

"Depository" means a bank (or institution), acceptable to the JSE, that issues DRs representing the securities of an issuer that are held in trust by the depository in the issuer's local market. The depository may also act as a registrar, transfer agent and corporate actions agent and may cancel or issue the DRs for withdrawal or for deposit of the securities, all in accordance with a deposit agreement with the issuer for a sponsored program;

"depository receipt" or "DR" means an instrument representing an issuer's

securities, where the instrument confers rights in respect of such securities;

“issuer” means a company that has been admitted to listing, or which is the subject of an application for admission to listing, on an exchange as contemplated in paragraph 18.3(b);

“sponsored DR” means that the DR is established at the direction of the issuer and in accordance with a deposit agreement between the issuer and the depository; and

“fully covered” means DRs must at all times represent the issuer's underlying securities held by the depository or its custodian, or any collateral held in terms of any pre-release arrangement.

General

19.70 Due to the complex nature of DRs the JSE must be consulted at an early stage before formal application for listing is made. Depending on the nature and structure of any particular issue, the requirements set out in the following paragraphs may be modified or additional requirements may apply.

Sponsor

19.71 The issuer of DRs must comply with the provisions of Section 2 regarding the appointment of a sponsor.

Criteria for the DRs

19.72 An applicant seeking a listing of DRs must satisfy the following criteria:

- (a) it must be a sponsored DR;
- (b) the DRs must be issued by a depository which must be independent of the issuer;
- (c) the securities of the issuer must be held by a trust, which trust must be administered by independent trustees representing the interests of the holders of the DRs. The securities may, however, also be held by the depository or via a vehicle other than a trust, provided the JSE is satisfied that such vehicle or depository provides similar protection to safeguard the securities and, in particular, the powers and duties of the directors (or, in the event that the vehicle is not a company, the persons with corresponding duties and powers in relation to that vehicle) must be limited as if the director is a trustee. Thus, the provisions of paragraph 19.72 that apply to trustees and trusts must apply *mutatis mutandis* to the directors and the vehicle used to hold the securities;
- (d) the entity referred to in (c) above must hold in trust, for the sole benefit of the holders of DRs, the securities to which the DRs relate, all rights relating to the securities and all the money and benefits that it may receive in respect of them, subject only to payment of remuneration and proper expenses of the entity;
- (e) the DRs must be fully covered at all times;
- (f) the DRs must be fully paid up and freely transferable;
- (g) the securities which the DRs represent must be free from all liens and any restrictions on the right of transfer to the depository;
- (h) there must be a duly signed deposit agreement in accordance with paragraph 19.75 in place between the issuer, the depository and the custodian (if applicable);

- (i) 20% of the DRs for which application for listing has been made must be held by the public and the number of public DR holders must be at least 50 (the JSE may accept a lower percentage or number if it considers that the market will operate properly with such percentage or number), unless a market maker has been appointed in terms of paragraph 19.82; and
- (j) the entity referred to in (c) above must be independent from the issuer, unless otherwise agreed to by the JSE, and such entity must be insolvency remote.

19.73 An issuer must:

- (a) demonstrate to the JSE that it meets the Listings Requirements set out in paragraphs 18.1 to 18.6;
- (b) be in full compliance with all the requirements of the exchange on which it has its listings; and
- (c) make arrangements to the satisfaction of the JSE to ensure that sufficient DRs are available on the South African DR register.

19.74 The depository must satisfy the JSE that it has the relevant expertise to arrange an issue of DRs or has access to such expertise.

The Deposit agreement

19.75 The deposit agreement must provide, without limitation, for:

- (a) the appointment of the depository by the issuer with authorisation to act on behalf of the issuer in accordance with the deposit agreement;
- (b) the status of DRs as instruments, representing ownership interests in securities of an issuer, that have been deposited with the depository;
- (c) the status of beneficial holders of DRs as the legal owners of those DRs;
- (d) the role of the depository to issue DRs as agent of the issuer and to arrange for the deposit of the securities which the DRs represent;
- (e) the duties of the depository, which must include the duty to keep in South Africa and make available for inspection a register of holders of DRs and the transfers of the DRs, as well as the duty to keep a record of the deposits of securities which the DRs represent, the issue of DRs, the cancellation of DRs and the withdrawal of securities;
- (f) the role and duties of the custodian, if applicable, appointed by the depository to hold the deposited securities for the account of the depository on behalf of the holders of the DRs, segregated from all other property of the custodian;
- (g) the mechanism for the issue and registration of DRs by the depository upon receipt of securities in the issuer and the form of the DR;
- (h) the right of DR holders to surrender DRs to be cancelled in exchange for the delivery of the shares which the DRs represent, subject to payment of any applicable charges and taxes and any legal or regulatory restrictions;
- (i) the right of DR holders to corporate action entitlements. The deposit agreement should address the rights (if any) and procedures applying to cash distributions, distributions of shares, rights issues or any other distribution accruing to the securities which the DRs represent, as per Schedule 18 and paragraphs 11.17(a)(i) to (x) or such other manner acceptable to the JSE;
- (j) to the extent applicable, the right of DR holders to exercise the voting rights attached to the securities represented by the DRs and the procedures

- by which DR holders will be notified of shareholder meetings or solicitations of proxy votes and their entitlement to issue instructions to the depository as to how to exercise their voting rights;
- (k) the manner in which any corporate action, or other reclassification of the issuer's securities, will be represented by and accrue to the DRs, in accordance with the principle that holders of DRs are to be treated as having generally equivalent rights to holders of the securities which the DRs represent;
 - (l) the procedures by which the depository and/or the custodian, at the direction of the depository, will, in consultation with the issuer, fix corporate action dates in accordance with Schedule 18;
 - (m) the procedures by which the depository will, at the direction of the issuer, despatch to holders of DRs copies of all notices, reports, voting forms or other communications sent by the issuer to its shareholders and make available for inspection at its principal office, and at the office of the custodian and sponsor, copies of any such notices, reports or communication received from the issuer and such information must also be made available on the issuer and depository's websites;
 - (n) the conditions and process for the issue of new DRs if any DR instrument is lost, destroyed, stolen or mutilated;
 - (o) the obligations of holders of DRs, including any liabilities for taxes and other charges and the obligation to disclose the beneficial ownership of the DRs on request of the issuer, the depository or the JSE;
 - (p) a clear statement of the fees and charges payable by holders of DRs, including fees and charges payable to the depository and the custodian (if applicable);
 - (q) procedures for the replacement or removal of the depository and/or the custodian by, or with the consent of, the issuer, including an obligation to inform DR holders, by advance announcement, of any prospective resignation, removal and replacement of the depository and/or the custodian;
 - (r) an obligation to inform DR holders, in advance of, and to seek their prior consent to, any material changes to their existing rights and obligations under the deposit agreement, by achieving a 75% majority of the votes cast in favour of such material change by all DR holders entitled to vote, present or represented by proxy at the general meeting convened to approve such material change;
 - (s) procedures for the amendment of the deposit agreement; and

Conditions for listing

Suitability

- 21.2 (a) ALT^X is a market for small to medium companies that are in a growth phase and applicants that meet the criteria for listing on the Main Board or any other sector of the List will not ordinarily be granted a listing on ALT^X and the JSE reserves the right to request such applicants to route their applications to those other sectors of the List; and
- (b) when issuers with a listing on ALT^X reach the stage that they comply with the criteria specified in paragraph 4.28, the JSE may transfer their listing to the Main Board. Issuers that comply with the criteria specified in paragraph 4.28 may also make application to the JSE to transfer their listings to the Main Board.
- 21.3 In addition to the requirements of paragraphs 4.1 to 4.27, an issuer wishing to apply for a listing on ALT^X must comply (and after the listing has been granted must comply on a continuing basis) with the following requirements:
- (a) The applicant issuer must appoint a DA and the terms of the appointment must be in accordance with paragraph 21.12;
 - (b) The applicant issuer must have share capital of at least R2 million (including reserves but excluding minority interests and revaluations of assets; and excluding intangible assets that are not supported by a valuation by an independent professional expert acceptable to the JSE and prepared within the previous six months);

 - (i) the applicant provides historical financial information for three years as provided in paragraph 8.4; or
 - (ii) the applicant issuer is governed by listings requirements that the JSE has found acceptable and those requirements do not require or allow forecast financial information to be presented. The JSE must be consulted at an early stage as to which listings requirements it deems acceptable;
- (g) The applicant issuer's auditor or attorneys must hold in trust 50% of the shareholding of each director and the DA ("the relevant securities") in such applicant issuer from the date of listing and a certificate to that effect must be lodged with the JSE by the issuer's auditor or attorneys. The relevant securities, whether new or existing, are to be held in trust until the publication of the audited results for the periods referred to in paragraph 21.3(f), after which 50% may be released and the balance one year thereafter. The relevant securities may only be released after notifying the JSE of the intention to so release;
- (h) [Repealed]
- (i) With regard to compliance with the provisions of Section 13, an ALT^x issuer does not need to meet the profit forecast criteria as set out in paragraph 13.2(a); and
- (j) The applicant must have control (which for the purposes of this section is defined as at least 50% + 1 of the voting shares) over the majority of its assets unless it is in compliance with Section 15 (other than the capital requirement set out in paragraphs 15.3 and 15.4).
 - (i) control (which for the purposes of this section is defined as at least 50% + 1 of the voting shares) over the majority of its assets unless it is in compliance with Section 15 (other than the capital requirement set out in paragraphs 15.3); or
 - (ii) it must have a reasonable spread of direct interests in the majority of its assets and the right to actively participate in the management of such assets, whether by voting or through other rights which give it influence in the decisions relating to the assets.

Corporate governance

21.5 The following provisions regarding corporate governance apply:

- (i) A narrative statement of how it has applied the principles set out in Chapter 2, Board and Directors (Role and Function of the Board) of the King Code, providing an explanation that enables its shareholders to evaluate how the principles have been applied. Only the principle headings must be addressed in Chapter 2 and not the other chapters as referenced for more detail; and

 - (b) the date of the publication of the applicant issuer's annual financial statements, whichever is the longer.

Notwithstanding the above provisions, the DA must be allowed to attend any audit committee meeting of the applicant issuer should it wish to attend same. The DA is to be an observer at these meetings and not a member.

Public shareholders

- 21.6 In addition to the provisions of paragraphs 4.25 and 4.26, any shareholding held beneficially by the DA (whether directly or indirectly), in trust for the period contemplated in paragraph 21.3(g) will not be regarded as being held by the public.

Issues for cash

- 21.7 Issuers must comply with all the provisions of the Listings Requirements relating to general issues of shares for cash, with the following exceptions:
 - (a) the percentage in paragraph 5.52(c) may not exceed 50%; and
 - (b) the approval, as required in paragraph 5.52(e), is subject to achieving a 75% majority of the votes cast in favour of such resolution by all equity securities holders present or represented by proxy at the general meeting.

Pre-listing statements

- 21.8 Issuers must comply with all the provisions of Section 6 of the Listings Requirements, with the exception that the percentage in paragraphs 6.19(h) and 9.22 is 100%.

Financial information

- 21.9 All the provisions of Section 8 are applicable, with the exception that the period referred to in paragraph 8.4 is only one year. Applicant issuers must consider the provisions of International Accounting Standard 1, which deals with comparative information.

Transactions

- 21.10 Issuers must comply with all the provisions of Section 9 of the Listings Requirements. Notwithstanding the provisions of paragraph 9.5, a transaction will be categorised as a Category 1 transaction where any percentage ratio defined in paragraph 9.6 is 50% or more and, where the percentage ratio is less than 50% but equal to or more than 5%, the transaction will be categorised as a Category 2 transaction. Transaction circulars issued pursuant to the Listings Requirements must only address the information for summary circulars pursuant to Appendix 2 to Section 11. - (a) subject to paragraph 21.11(c), the percentage in paragraph 10.6(c) is equal to or less than 10%;

 - (e) related party transactions are subject to the Listings Requirements, where both the percentage ratios referred to in paragraph 9.6 are greater than 50%.

Designated Adviser (“DA”)

Appointment

- 21.12 A new applicant seeking a listing of securities on ALT^X must appoint a DA in terms of a written contract and must ensure that it has a DA at all times.
- 21.13 The DA must comply with, and is subject to, all the provisions of the Listings Requirements as though they were a sponsor.
- 21.14 All references in the Listings Requirements to sponsors apply mutatis mutandis to DAs for companies that are applying for, or which have, a listing on ALT^X.

Eligibility criteria

- 21.15 A DA must meet the requirements for a sponsor at the time of applying for and on being admitted to the list of DAs. Existing sponsors must apply to become a DA and must meet the eligibility criteria in terms of Schedule 16 and Section 2 at the time of applying to become a DA.

Responsibilities

- 21.16 The DA’s role is of particular importance to the successful operation of ALT^X, since it is the requirement of the JSE that each issuer must, with the guidance and assistance of the DA, comply with and discharge its responsibilities under the Listings Requirements. In this regard, the DA is expected to advise the issuer on all of the issuer’s responsibilities in a competent, professional and impartial manner.
- 21.17 The DA must ensure, at all times, that neither its conduct nor its judgement impair the integrity and reputation of ALT^X or the JSE.
- 21.18 The DA must immediately inform the JSE, in writing, if the issuer does not comply with the applicable regulation as defined in paragraph 21.19(f).
- 21.19 The DA must, prior to listing, confirm in writing to the JSE that:
- (a) all the documents required by the Listings Requirements have been so submitted;
 - (b) it considers the new applicant to be suitable for listing on ALT^X;

- (c) the new applicant complies with all of the conditions for listing set out in the Listings Requirements;
- (d) the pre-listing statement is in compliance with the Listings Requirements and that:
 - (i) the information contained in the pre-listing statement is accurate and complete in all material respects and not false or misleading;
 - (ii) there are no other matters, the omission of which would make any statement in the pre-listing statement false or misleading;
 - (iii) statements of fact and opinion expressed by the directors in the pre-listing statement have been arrived at after due and careful consideration on the part of the directors and are founded on bases and assumptions that are fair; and
 - (iv) the directors of the new applicant have made sufficient enquiries so as to enable them to give the confirmations set out in the “responsibility statement” contained in the pre-listing statement;
- (e) there are no matters, other than those disclosed in the pre-listing statement or otherwise in writing to the JSE, which should have been disclosed for the JSE to be able to consider the application for listing of the relevant securities; and
- (f) the DA (or other adviser(s) acceptable to the DA) has explained to the directors of the new applicant the nature of their responsibilities under the Listings Requirements, the Act, the Takeover Regulations and IFRS (“applicable regulation”) and the DA (or other adviser(s)) has satisfied itself to the best of its knowledge and belief, having made due and careful enquiries that:
 - (i) the directors have the requisite expertise and experience;
 - (ii) they understand the nature of those responsibilities and can be expected to honour their obligations under the Listings Requirements and other applicable regulation;
 - (iii) they can be expected to prepare and publish all information necessary for an informed market to take place in the applicant issuer’s securities; and
 - (iv) the information supplied on the director’s declaration has been verified and confirmed as true.

21.20 The DA must take all reasonable steps to brief all new appointees to the board of directors of the issuer as to the nature of their responsibilities under the Listings Requirements, other applicable regulations and the general nature of their obligations in relation to shareholders. The DA must also ensure that:

- (a) the directors of the new applicant have completed the DIP prior to listing or that appropriate arrangements have been made with the JSE in accordance with paragraph 21.3(d); and
- (b) all new appointees complete the DIP within two months of appointment as directors.

21.21 The directors of the issuer must be informed by the DA (or other advisers acceptable to the DA), on a timely basis, of any amendment or supplement to the Listings Requirements, or other applicable regulation.

21.22 The DA shall, prior to publication, review with the issuer all periodic financial information announcements and other documentation detailed in Section 11 with a view to ensuring that the directors of the issuer, after due and careful consideration, understand the importance of accurately disclosing all material

information to shareholders and the market.

- 21.23 The DA must regularly review the issuer's actual trading performance and financial condition in order to ensure that appropriate disclosure is made in terms of paragraph 3.4.
- 21.24 The DA must ensure that at least one of its approved executives attends all board of directors meetings of the issuer, in an advisory capacity, to ensure that all Listings Requirements and applicable regulations are complied with.

Shares held by DAs

- 21.25 A DA, subject to paragraph 21.29, may hold shares or other securities in an applicant issuer for which that DA acts.
- 21.26 [Repealed]
- 21.27 The DA's holding of such securities, as well as the contractual basis upon which that holding arose, must be published in the pre-listing statement issued at the time of listing of the securities in question.
- 21.28 All and any dealings by the DA (including its employees and directors) in the securities of the issuer, must be disclosed and published, mutatis mutandis, in the same manner as is applicable to directors of the issuer in accordance with paragraphs 3.63 to 3.74.
- 21.29 Securities held by the DA are subject to the provisions of paragraph 21.3(g).

Termination

- 21.30 An applicant issuer must advise the JSE in writing (providing a copy to the DA) of the appointment or resignation of any DA. Where a DA resigns, the applicant issuer and the DA must immediately inform the JSE separately in writing of the reason for the resignation. In such a situation, the applicant issuer has 10 business days to appoint a new DA from the date of resignation of the DA, unless the JSE decides otherwise. The replacement DA must ensure that, before accepting an appointment, it has requested the written reasons for the resignation as submitted to the JSE from the outgoing DA. The outgoing DA must supply the reasons to the replacement DA within two business days of such request and the replacement DA must take account of the reasons for the resignation before accepting the appointment. Failure to comply with this requirement may result in action being taken in pursuant to paragraph 21.33.
- 21.31 In the event that the appointment of the DA is terminated by the issuer, for whatever reason, such termination must be approved by the board of directors of the issuer. Once the termination of the DA has been approved by the board of directors, the issuer and the DA must submit a report to the JSE stipulating the reasons for the termination, within 48 hours of such termination. In the circumstances set out in this paragraph 21.31, an issuer must immediately publish an announcement, stating the reasons for the termination and that the issuer's listing is under threat of suspension and possible termination in accordance with paragraph 21.33. The issuer must make immediate arrangements to appoint a replacement DA, within 10 business days of the date on which the former DA ceased to act, and must inform the JSE and publish a further announcement immediately after the appointment has been made.
- 21.32 The replacement DA must ensure, before accepting the appointment, that it has requested the report referred to in paragraph 21.30 from the outgoing DA. The outgoing DA must supply this report to the replacement DA within two business days of such request and the replacement DA must take account of the reasons for the termination before accepting the appointment.
- 21.33 If an issuer fails to appoint a DA within the period referred to in

paragraphs 21.30 or 21.31, the JSE may suspend trading in the issuer's securities. If, after a further month from the date of expiry of the period referred to in paragraphs 21.30 or 21.31, the issuer has failed to appoint a replacement DA, the issuer's listing may be removed by the JSE.

22.7 The role of the IFRS adviser includes the following:

- (a) when required to do so by the audit firm/individual auditor/reporting accountant and/or reporting accountant specialist, provide technical IFRS assistance and advice in support of the assurance opinion. Status

- 22.9 If an audit firm, individual auditor, IFRS adviser, reporting accountant and/or reporting accountant specialist does not fulfil the responsibilities above or fully comply with the eligibility criteria set out in Schedule 8, either at the time of application or any time thereafter, the JSE will:

 - (iii) terminate the accreditation of and remove the name of the auditor, IFRS adviser, reporting accountant and/or reporting accountant specialist from the JSE list of Auditors and their advisers.
- 22.11 Implicit in the relationship between the JSE and an auditor, IFRS adviser, reporting accountant and/or reporting accountant specialist and as a result of the

functions of these parties, its duty to make full and frank disclosure to the JSE of any issues that may impact on its suitability to perform its responsibilities and discharge its obligations as set out in the Listings Requirements. Furthermore, it is incumbent on an auditor, IFRS adviser, reporting accountant and/or reporting accountant specialist to, in the event of any potential contravention of the Listings Requirements, the presence of any of the issues as set out in 22.5(f) and 22.10 and/or any other factors that may impact on its ability to suitability perform its responsibilities, provide compelling reasons to prove to the satisfaction of the JSE that its is still competent and suitable to fulfil the responsibilities and obligations that it wishes to undertake.

Schedule 5 Independent fairness opinions

Scope of this schedule

The objectives of this schedule are as follows:

- (a) to provide sponsors and issuers with certainty, at an early stage of the process, as to the acceptability or otherwise to the JSE of a nominated independent professional expert who will issue a fairness opinion;
- (b) to provide guidelines regarding the required quality of independent fairness opinions generally; and
- (c) to ensure consistent and detailed reporting practices with regard to fairness opinions.

As the issues of independence and competence will be unique to every transaction, this schedule provides guidance rather than specific rules. The overriding objective is to ensure that the board of directors receives competent and adequate advice from an acceptable independent and competent third party regarding a transaction. The board of directors must ensure that any director who is party to the transaction (being the subject matter of the fairness opinion) is excluded from the process of mandating the expert and providing the

necessary recommendations to shareholders. The issuer must confirm this in terms of Schedule 2 Form B3.

5.1 A fairness opinion must:

- (a) be prepared by an independent professional expert*, acceptable to the JSE, who has no material interest either in the transaction or in the success or failure of the transaction;
- (b) make appropriate disclosure where the independent professional expert has any existing or continuing relationship with the issuer and/or any other parties involved in the transaction; and
- (c) set out all of the material factors and assumptions taken into account in the preparation of the statement (as set out in paragraph 5.8 below).

* Refer to paragraph 5.12 below for professional experts deemed to be independent and not independent by the JSE.

5.2 At an early stage in a contemplated transaction and preferably before engaging a party to prepare a fairness opinion, the sponsor on behalf of the issuer, must submit to the JSE:

- (a) a declaration of independence completed by the nominated independent professional expert, in the form set out in Schedule 2 Form B1;
- (b) a declaration of competence completed by the nominated independent professional expert, in the form set out in Schedule 2 Form B2; and
- (c) a declaration by the issuer, in the form set out in Schedule 2 Form B3.

The above declarations must be submitted for every transaction.

5.3 The JSE may, unless the issuer is able to provide additional information to satisfy the JSE, require the issuer to appoint a different independent professional expert to prepare the fairness opinion if (based on the information received in terms of paragraph 5.2 above and the JSE's investigation thereof) the JSE is not satisfied as to:

- (a) the independence of the nominated independent professional expert; and/or
- (b) the competence of the nominated independent professional expert with regard to the particular transaction; and/or
- (c) any reasons given by the issuer for the appointment of the nominated independent professional expert.

5.4 The JSE undertakes to give the sponsor its approval, pre-approval or disapproval for the appointment of the independent professional expert within 120 hours of receipt of the duly completed declarations required in paragraph 5.2 above. The JSE may pre-approve an independent professional expert for a period of up to two years, on application, provided the (i) expert's team, (ii) their roles within the team and (iii) area of expertise/industry remain unchanged from the date of initial application. In the event that any of the above information changes, the independent professional expert will have to follow the normal submission and approval process pursuant to paragraph 5.2 above. No documentation will be accepted for review by the JSE until approval for the appointment has been given.

5.5 Before issuing a fairness opinion, the independent professional expert must perform a valuation of the issuer and/or the subject of the transaction. Where a valuation has been prepared by a competent third party (in respect of assets such as property or mineral reserves and rights, for example), the independent professional expert should set out the manner in which he has satisfied himself

that he can rely upon the valuation.

- 5.6 The JSE's request for the opinion of an independent professional expert may result in a statement that the transaction is fair. Where this is not the case and the fairness is impaired, the independent professional expert should give full reasons for his opinion in this regard. Even if the opinion is that the transaction is fair, the independent professional expert must, where appropriate, emphasise critical matters upon which it has relied in arriving at the opinion.
- 5.7 The JSE only requires that the expert opine on the fairness of a transaction although it would allow the expert to opine on the reasonableness, provided detailed disclosure is made in this regard. Fairness is based on quantitative issues and reasonableness on qualitative issues. For illustrative purposes, in the case of a disposal to a related party, the transaction may be said to be fair if the consideration payable by the related party is equal to or greater than the value of the business that is the subject of the transaction. In other instances, even though the consideration may be lower than the value of the business, the transaction may be said to be reasonable in certain circumstances, after considering other significant qualitative factors.
- 5.8 The content of the fairness opinion is at the discretion of the independent professional expert, but must include at least the following basic elements:
- (a) title;
 - (b) addressee;
 - (c) date of statement;
 - (d) opening or introductory paragraph with the purpose for which the report has been prepared;
 - (e) reference to the relevant JSE Listings Requirement(s) or Panel rule(s) in terms of which the opinion is being issued;
 - (f) headings identifying the major sections including, but not limited to, introduction, procedures and the opinion;
 - (g) an explanation as to how the terms "fair" and, if so mandated by the board of directors "reasonable", as indicated in paragraph 5.6 above, apply in the context of the specific transaction;
 - (h) details of the information and sources of information;
 - (i) identification and discussion of both the external and internal key value drivers, sensitivities performed and assumptions used;
 - (j) if applicable, a summary of the manner in which the independent professional expert has satisfied itself as to the appropriateness and reasonableness of the underlying information and assumptions;
 - (k) a full explanation of the significant factors that led to the opinion given;
 - (l) any limiting conditions;
 - (m) the relationships between the issuer (and any other parties involved in the transaction) and the independent professional expert, as required by paragraph 5.1(b) above and as identified in the declaration completed in terms of paragraph 5.2(a) above and disclosure of the number and value of shares acquired, if the expert's fees were paid for in shares;
 - (n) confirmation that a valuation has been performed and identification of the valuation methodologies applied and, where there has been reliance upon a third party valuation, confirmation that the independent expert is satisfied

with this valuation;

- (o) a summary of other factors taken into account or procedures carried out in reaching the opinion;
- (p) a statement that an individual shareholder's decision may be influenced by such shareholder's particular circumstances and, accordingly, that a shareholder should consult an independent adviser if in any doubt as to the merits or otherwise of the transaction;
- (q) the opinion;
- (r) the independent professional expert's name, address and authorised signature; and
- (s) any other information that the independent professional expert feels is appropriate.

5.9 The date on which the opinion is issued must be the same as the date that the directors authorise the submission of the relevant circular to the JSE for formal approval.

5.10 The independent professional expert has a duty to evaluate all the information provided in a critical manner, as required in paragraph 5.8(j) above. This in no way implies that the information must be audited or that the accuracy of all information must be checked. There must be a statement as to how the information has been evaluated and whether or not the expert believes that such information is reasonable, particularly where the information contains forecasts prepared by the management and/or directors of the issuer. Any statement indicating that there has been no independent verification or any other similar statement would only be permissible subject to the following:

- (a) the experts stating clearly what is meant by "no independent verification"; and
- (b) such statement not invalidating any work that has been done in terms of this paragraph.

5.11 The JSE has the right, but not the obligation, to request the independent professional expert to;

- (a) clarify any aspect of the statement; and/or
- (b) expand the statement so as to address any issues of concern to the JSE.

5.12 **Independence of professional experts**

(a) Subject to paragraph 5.12(b), an independent professional expert deemed to be independent by the JSE for purposes of paragraph 5.1 above are:

- (i) the auditors or reporting accountants of the issuer;
- (ii) in respect of mineral companies, the competent person of the issuer; and
- (iii) the sponsor of the issuer,

provided the expert,

- (i) for the past 18 months, has had no shareholding in the applicant issuer;
- (ii) for the past 18 months, has had no board representation on the applicant issuer;
- (iii) is not employed by the applicant issuer;

- (iv) has had no relationship with any party to the corporate action, other than the applicant issuer, (in a capacity as set out in paragraph 5.12(a) above); and
 - (v) has no interest in the success of the corporate action other than its reasonable professional fee (with no success fee element) for acting as independent professional expert;
- (b) For purposes of a delisting pursuant to paragraph 1.14(d), the independent professional expert (including its staff) must not:
- (i) have any relationship with the applicant issuer or with any party involved in the delisting;
 - (ii) have had any relationship with the applicant issuer or with any party to the delisting within the immediate preceding two years; and
 - (iii) be related to any person who has or has had a relationship contemplated in (i) and (ii) above,
- unless otherwise agreed by the JSE.

- 5.13 Professional experts which are deemed by the JSE not to be independent for purposes of paragraph 5.1 above are:
- (a) any financial institution involved in the transaction, which has a direct or indirect interest in the corporate action;
 - (b) any adviser to the applicant issuer in relation to the corporate action; and

Schedule 8

Accreditation of auditors, reporting accountants and IFRS advisers

This schedule contains certain Listings Requirements applicable to the accreditation of audit firms, individual auditors, IFRS advisers, reporting accountants and reporting accountant specialists and should be read in conjunction with Sections 3 and 22.

Introduction

- 8.1 This schedule sets out the Listings Requirements of the JSE pertaining to eligibility criteria for audit firms, individual auditors, IFRS advisers, reporting accountants and/or reporting accountant specialists and the procedures to be followed in order to be accredited by the JSE and to be entered onto the JSE list of Auditors and their advisers.

General eligibility criteria

- 8.2 The audit firm, individual auditor, IFRS adviser, reporting accountant and reporting accountant specialist must:
- (a) comply with the specific criteria set out below for the area in which it is applying to be accredited;
 - (b) to the satisfaction of the JSE, be suitable to fulfil the responsibility that it wishes to undertake, which suitability shall be determined based on the information contained in its declaration and with a view to ensuring that the integrity of the markets operated by the JSE are upheld; and
 - (c) where it has previously been denied accreditation on the JSE list of Auditors and their advisers or has been removed from the JSE list of Auditors and their advisers, demonstrate, to the satisfaction of the JSE, that it is now suitable to be entered on the JSE list of Auditors and their advisers, and that such accreditation will not damage the integrity of the markets operated by the JSE.

8.3 An audit firm and individual auditor must be registered with the IRBA or a similar regulatory or professional body for auditors in a jurisdiction other than the Republic of South Africa.

(a) Criteria applicable to an audit firm and individual auditor registered in a jurisdiction other than the Republic of South Africa

- (i) The regulatory or professional body for auditors in that jurisdiction must have performed a firm-wide independent quality control (ISQC1) review on the audit firm. The audit firm must make the decision letter on the review from the regulatory or professional body for auditors available to the JSE. The JSE will consider the recommendations made in the decision letter by the foreign regulatory or professional body for auditors in that jurisdiction and, in certain instances, consult with the foreign body or the IRBA in this regard.
- (ii) The requirements of paragraphs 8.3(b)(iii)(1) and 8.3(b)(iv)(1) and (2) below, regarding accreditation of an IFRS adviser and details of contact persons, are applicable to an audit firm registered in a jurisdiction other than the Republic of South Africa.
- (iii) The requirements of paragraph 8.3(c)(iii) below, regarding individual auditors, are applicable to individual auditors registered in a jurisdiction other than the Republic of South Africa.

(b) Criteria applicable to the audit firm, in all instances other than (a) above

All of the following criteria must be met by the audit firm in order to satisfy the JSE that it is competent to fulfil the role of the auditor of an applicant issuer. These criteria are also applicable in instances where the audit firm wants to perform the work of a reporting accountant:

- (i) The IRBA must have completed a firm-wide independent quality control (ISQC1) inspection on the audit firm. The audit firm must make the IRBA firm inspection decision letter available to the JSE. The JSE will apply the conclusion made in the IRBA decision letter in the following manner. If the decision letter states:
 - (1) that the audit firm will only be subject to an inspection in the next inspection cycle, then the firm has met this criterion until the next inspection cycle; or

- (2) that the audit firm is to be scheduled for a re-inspection within 1 year from the date of the last inspection, then the firm has met this criterion until the re-inspection is performed within 1 year. Once the re-inspection is completed, the IRBA decision letter should state that the firm will only be subject to an inspection in the next inspection cycle. If not, the audit firm will not be accredited or its accreditation will be withdrawn until such time as the IRBA firm inspection decision letter states that the audit firm will only be subject to an inspection in the next inspection cycle.
- (ii) At any point in time, the majority of individual auditors of the audit firm reviewed by IRBA must only be subject to an engagement inspection again in the next inspection cycle, as referred to in paragraph 8.3(c)(i)(1) below, and at least three individual auditors must have had an engagement inspection by the IRBA and hence not fit into 8.3(c)(ii) below.
- (iii) The audit firm must provide the JSE with adequate information to demonstrate that it has:
 - (1) an internal JSE accredited IFRS adviser in its service or has contracted with an external JSE accredited IFRS adviser to advise the audit firm on IFRS compliance when required; and
 - (2) a reporting accountant specialist, where applicable, to fulfil the role as set out in paragraph 8.45 of Section 8.
- (iv) The audit firm must nominate the following individual/s to act as a contact between the JSE and the audit firm in the following communication areas and must inform the JSE of any changes to such individuals:
 - (1) a senior person within the audit firm tasked with the responsibility of the accreditation of auditors with the JSE and to deal with general communication with the JSE on matters relating to the auditor or the Listings Requirements;
 - (2) a senior internal IFRS adviser or an external IFRS adviser, where such a person is contracted by the audit firm, to deal with any IFRS related communication; and
 - (3) if applicable, the senior JSE accredited reporting accountant specialist, to deal with any reporting accountant related Listings Requirements communication.

(c) Criteria applicable to the individual auditor

- (i) The individual auditor must have undergone an engagement inspection by the IRBA on an appropriate public interest engagement. The most recent IRBA engagement inspection decision letter must be supplied to the JSE. The JSE will apply the conclusion in the IRBA decision letter on the engagement inspection in the following manner:
 - (1) For new applications made before 31 March 2015, if it states that the inspection was satisfactory and/or the individual auditor will only be subject to an engagement inspection in the next inspection cycle, then the individual auditor has successfully met this criterion until the next inspection cycle;or

- (2) For new applications made before 31 March 2015, if it states that the individual auditor is to be scheduled for a re-inspection within 1 year from the date of the last inspection, then the individual auditor has successfully met the criterion until the performance of the re-inspection within 1 year. If, after the re-inspection the IRBA decision letter does not state that the individual auditor will only be subject to an engagement inspection in the next inspection cycle, the individual auditor will not be regarded as meeting this criterion and will not be accredited or its accreditation will be withdrawn until such time as the IRBA decision letter states that it will only be subject to an engagement inspection in the next inspection cycle.
- (3) For new applications made on or after 31 March 2015, if it states that the inspection was on an appropriate public interest engagement for purposes of JSE accreditation and that the inspection was satisfactory and/or the individual auditor will only be subject to an engagement inspection in the next inspection cycle and, then the individual auditor has successfully met this criterion until the next review cycle.
 - (ii) Alternatively, if the IRBA has not completed a file review as set out in 8.3(c)(i) above, the individual auditor must provide a confirmation letter from the IRBA to the JSE, confirming that they are/were not subject to an engagement inspection by the IRBA because they are registered as a “non attest” auditor.
 - (iii) The individual auditor must confirm to the JSE that it is familiar with the specific auditing and financial reporting requirements applicable to applicant issuers as detailed in Sections 3, 8, 13, 15 and 21. In support of this, the individual auditor must demonstrate that it has successfully completed JSE recognised training on the Listings Requirements, or must undertake to successfully complete such training within 6 months from the date of its application. In addition, the individual auditor must undertake to successfully complete specific JSE recognised update courses as and when required and directed by the JSE.

8.4 A person wishing to be accredited as an IFRS adviser must confirm and provide the JSE with adequate information to demonstrate that:

The JSE may undertake an assessment of the applicant's IFRS work previously performed in order to satisfy itself as to the acceptability of the IFRS adviser. This assessment may be done in consultation with the FRIP. The IFRS consulting referred to in paragraph 8.4 above must include a combination of the following:

- (a) the review of financial statements before being issued to assess IFRS compliance;
- (b) advising internal or external clients on the interpretation and/or application of IFRS in so far as recognition, measurement and disclosure of transactions are concerned;

Introduction

9.2 As a result of a need to disseminate relevant company information to the market on a real time basis, the JSE has established a system called the Stock Exchange News Service (“SENS”). All relevant company information received by SENS will be electronically transmitted to the SENS subscribers which include the major wire services, who will immediately disseminate such information to their customers. SENS will facilitate early, equal and wide dissemination of relevant company information, and will improve communication between applicant issuers and the market.

Timely submission and release of relevant company information

- 9.3 (a) All relevant company information must be released by the applicant issuer on the SENS system as soon as possible after authorisation by the applicant issuer. To promote the equal release of such information and confidentiality prior thereto, in terms of paragraph 3.5 of Section 3, price sensitive information may not, subject to paragraph 3.6 to 3.8, be released (even subject to a time embargo):
- (i) during JSE trading hours, until such time as such information has been published through SENS in terms of paragraph 9.7 below; or
 - (ii) outside JSE trading hours, until such time as such information has been authorised by the applicant issuer and, if required, approved (in terms of paragraph 9.6 below), and arrangements have been made for such information to be published through SENS prior to the commencement of trading on the JSE on the next business day.

Registration of submitters

- 9.4 (a) The JSE will register the first user, called the Super User, for every sponsor, designated adviser, debt sponsor and issuer. These Super Users will be informed by email of their sign-on and password. A registered Super User is required to fill in the external registration form on the Issuer Regulation System for every additional user it wants to register on the system. On approval the new user will be notified by email.
- (b) Only sponsors and designated advisers are allowed to submit SENS announcements on behalf of equity applicant issuers. ETF issuers, debt

issuers, interest rate issuers and warrant issuers are allowed to submit their own announcements or they can submit through their sponsor. Regulatory bodies are allowed to submit their own announcements.

Method and form of submission

- 9.5
- (a) Relevant company information must be submitted to SENS through the JSE website.
 - (b) As indicated in paragraph 3.45 of Section 3, the relevant company information must be in English and must conform to the specifications set out in this schedule, to prevent any delay in publication through SENS.
 - (c) A maximum of 400 characters per line is allowed.
 - (d) File names should not include any of the following characters #, %, &, *, <, >, ?, |, { or }.
 - (e) The pdf file must not exceed 3.5 megabyte.
 - (f) Tab spacing must not be used. If columns with figures are necessary, they must be aligned using the space bar and not with tab spacing.

Approval of certain submissions

- 9.6
- (a) Company announcements requiring JSE approval will, be forwarded to the relevant JSE staff for approval. The relevant JSE staff will scrutinise the announcement as soon as reasonably possible. If the relevant JSE staff approve the announcement without any comments thereon, the relevant JSE staff will immediately communicate their approval to SENS. However, if the relevant JSE staff approve the announcement subject to certain required amendments, the relevant JSE staff will communicate such amendments to the sponsor or submitter and the announcement will be required to be resubmitted. This procedure will continue until the announcement is approved by the JSE and SENS has been notified by the JSE of such approval. After receiving approval from the JSE staff, SENS will release the announcement on the date and time as stipulated by the submitter on the activity tab.
 - (b) If a company announcement requires the approval of another regulatory authority, e.g. the South African Reserve Bank, Panel or the Competition Board, the sponsor of the company, as indicated in paragraph 9.3 above, must state on the activity tab whether or not such regulatory approval has been obtained.

Publication through SENS

- 9.7
- (a) All company information will be published through SENS as soon as practically possible after such information has been approved (if necessary) in terms of paragraph 9.6 above.
 - (b) Publication through SENS will take place by the SENS system electronically transmitting the company information to SENS subscribers, which include the major wire services, who will immediately disseminate such information to their customers.

SENS Processing

- 9.8
- (a) Submission of documents will be processed on a “first-in-first-out” basis.
 - (b) Only documents submitted in PDF and TXT file formats will be accepted.

Publication on other markets

- 9.9 (a) After relevant company information relating to an applicant issuer with a primary listing on the JSE has been approved by the JSE (if necessary) in terms of paragraph 9.6 above, such applicant issuer must, as indicated in paragraph 3.81 of Section 3, ensure that the same information is made available to each other exchange on which its securities are listed, and, as far as possible, ensure that such information is released simultaneously on the respective markets. If, however, such information is published through SENS at any time when it cannot be released on another market or exchange, it must be published as soon as possible thereafter on the other relevant market(s)/exchange(s) in accordance with such market(s)/exchange(s) disclosure requirements. Relevant company information relating to an applicant issuer with a primary listing on the JSE may not be released on any other market/exchange, unless it is released in terms of paragraph 9.3(a) above.
- (b) Applicant issuers with a secondary listing on the JSE should, as far as possible, ensure that the same relevant company information is published, through SENS, at the same time that it is released on any other market/exchange on which its securities are listed. If, however, such information cannot simultaneously be published through SENS because it is released on the other market/exchange outside of SENS operational hours, the company should ensure that such information is published through SENS as soon as possible but no later than the next time that trading on JSE commences.
- (c) Sponsors of applicant issuers with dual listings, should liaise with SENS and the other exchanges with a view to achieving the above objectives.

Confirmation of publication through SENS

- 9.10 Confirmation of publication through SENS will be sent electronically to the submitter in its preferred communication method as per the registration form. If additional confirmation is required, the additional notifications tab in the SENS submission must be completed.

Procedural requirements of SENS

- 9.11 Notwithstanding prior publication through SENS, relevant company information may be published in the press (in accordance with paragraphs 3.46 and 3.47 of Section 3) as soon as possible after it has been approved by the JSE (if necessary) in terms of paragraph 9.6 above.

Indemnity

- 9.12 (a) The JSE will endeavour to ensure that relevant company information submitted to SENS is published in the form submitted to SENS. The JSE, however, makes no undertaking, representation or warranty, either in this regard or as to the accuracy or completeness of the information published through SENS.
- (b) The JSE shall, in particular, save in the event of the JSE's own wilful default or gross negligence, not be liable either to the person submitting the relevant company information or to any other person for (or in respect of) any direct, indirect or consequential liability, loss, damage or cost of any kind or nature, howsoever arising and whether or not as a result of incorrect, inaccurate or defective information published through SENS, or

the failure of any software or hardware, the destruction of data, system malfunction, interruption of communication links or eventuation of any form of force majeure.

- (c) Each applicant issuer indemnifies the JSE and holds the JSE harmless against all and any loss (direct, indirect or consequential), liability, action, suit, proceeding, cost, demand and damage of all and every kind or nature, directly or indirectly arising from reliance on or receipt or use of the service or from the provision of the service (or its failure) as well as, but not limited to, the circumstances set out above, save when such loss, liability, action, suit, proceeding, cost, demand or damage is directly attributable to the JSE's own wilful default or gross negligence.

Copyright

- 9.13 Any person that submits relevant company information to SENS for publication is deemed to warrant to the JSE that it is the owner of the copyright and other intellectual property rights in such information ("the rights") or, if it is not the owner of such rights, that it has submitted such information with the owner's consent. The owner shall, in submitting or causing such information to be submitted to SENS, be deemed to have licensed the JSE to disseminate such information through SENS and the JSE shall, accordingly, not infringe any of the owner's rights by so doing.

Schedule 10 Requirements for the MOI

No application for listing will be considered until the MOI of the applicant issuer has been approved by the JSE.

All amendments to the MOI of the applicant issuer must be submitted to the JSE for approval before such amendments are submitted to shareholders for approval.

The MOI must be in English and must comply with the requirements in this Schedule 10 in respect of the applicant issuer.

The requirements set out in this Schedule 10 are not exhaustive. The JSE will not allow the MOI to contain any provisions that are unlawful, will in any way restrict free dealings in securities (unless otherwise required by statute) or may, in the JSE's opinion, be unreasonable.

There must be no provision in the applicant issuer's and/or its subsidiary company/ies' MOI that is in conflict with any provision in the Listings Requirements or that prevents the enforcement of any provision in the Listings Requirements. In the event that is the MOI

contains such a provision, the applicant issuer must amend the MOI of the applicant issuer and/or its subsidiary company/ies accordingly.

This does not prevent the JSE from taking action against the relevant parties in terms of Section 1 of the Listings Requirements.

Prior to harmonisation of the MOI with the Act and as of 1 May 2011, where the Listings Requirements prescribes a requirement which is not provided for in the unharmonised MOI and the Listings Requirement states that it must be provided for in the MOI then, until the MOI is harmonised, that requirement shall apply to the applicant issuer and to its directors, notwithstanding the fact that it has not yet been provided for in the unharmonised MOI.

Contents of MOI for applicant issuers

The following provisions must be included in the MOI of applicant issuers, unless otherwise indicated below:

10.1 Unissued securities

Unissued equity securities shall be offered to existing shareholders, pro rata to their shareholdings, unless such securities are to be issued for an acquisition of assets. However, the MOI must provide that shareholders in general meeting may authorise the directors to issue unissued securities, and/or grant options to subscribe for unissued securities, as the directors in their discretion deem fit, provided that such corporate action(s) has/have been approved by the JSE and are subject to the Listings Requirements.

10.2 Transferability of securities and transfer of securities

- (a) Securities for which listing is sought must be fully paid up and freely transferable, unless otherwise required by statute. Notwithstanding the provisions of Section 40(5) of the Act, the JSE will not list shares that are not fully paid for upon listing.
- (b) All authorities to sign transfer deeds granted by holders of securities for the purpose of transferring securities that may be lodged, produced or exhibited with or to the company at any of its transfer offices shall, as between the company and the grantor of such authorities, be taken and deemed to continue and remain in full force and effect, and the company may allow the same to be acted upon until such time as express notice in writing of the revocation of the same shall have been given and lodged at the company's transfer offices at which the authority was lodged, produced or exhibited. Even after the giving and lodging of such notices, the company shall be entitled to give effect to any instruments signed under the authority to sign, and certified by any officer of the company, as being in order before the giving and lodging of such notice.

10.3 Ratification of ultra vires acts

The proposal of any resolution to shareholders in terms of Sections 20(2) and 20(6) of the Act must be prohibited in the event that such a resolution would lead to the ratification of an act that is contrary to the Listings Requirements; unless otherwise agreed with the JSE.

10.4 Rules

The directors' power to make, amend or appeal rules as contemplated in Section 15(3) of the Act must be prohibited.

10.5 Preferences, rights, limitations and other share terms

- (a) Securities in each class for which listing is applied must rank *pari passu* in respect of all rights. It must be noted that a statement that "securities in

each class rank pari passu” shall be understood to have the meaning attributed thereto in paragraph 3.29 of the Listings Requirements.

- (b) Every holder of an ordinary share must have one vote in respect of each share that he holds and must be entitled to vote at every general/annual general meeting, whether in person or by proxy.
- (c) The holders of securities, other than ordinary shares and any special shares created for the purposes of black economic empowerment in terms of the BEE Act and BEE Codes, shall not be entitled to vote on any resolution taken by the company, save for as permitted by paragraph 10.5(h) below. In instances that such shareholders are permitted to vote at general/annual general meetings, their votes may not carry any special rights or privileges and they shall be entitled to one vote for each share that they hold, provided that their total voting right at such a general/annual general meeting may not exceed 24.99% of the total voting rights of all shareholders at such meeting.
- (d) Any amendment to the MOI must be approved by a special resolution of ordinary shareholders, save where such an amendment is ordered by a court in terms of Sections 16(1)(a) and 16(4) of the Act. Amendment, for the avoidance of doubt, shall include, but shall not be limited to:
 - (i) the creation of any class of shares;
 - (ii) the variation of any preferences, rights, limitations and other terms attaching to any class of shares;
 - (iii) the conversion of one class of shares into one or more other classes;
 - (iv) an increase in the number of securities of a class;
 - (v) a consolidation of securities;
 - (vi) a sub-division of securities; and/or
 - (vii) the change of the name of the company;
- (e) If any amendment relates to the variation of any preferences, rights, limitations and other terms attaching to any other class of shares already in issue, that amendment must not be implemented without a special resolution, taken by the holders of shares in that class at a separate meeting. In such instances, the holders of such shares may be allowed to vote at the meeting of ordinary shareholders subject to paragraph 10.5(c) above. No resolution of shareholders of the company shall be proposed or passed, unless a special resolution, of the holders of the shares in that class, have approved the amendment.
- (f) In addition to the above and for the avoidance of doubt, if there are listed cumulative and/or listed non-cumulative preference shares in the capital of the company, the following right must attach to such shares:

“No further securities ranking in priority to, or pari passu with, existing preference shares, of any class, shall be created without a special resolution passed at a separate general meeting of such preference shareholders.”
- (g) Preferences, rights, limitations or other terms of any class of shares of a listed company must not be varied and no resolution may be proposed to shareholders for rights to include such variation in response to any objectively ascertainable external fact or facts as provided for in Sections 37(6) and 37(7) of the Act.

- (h) Subject to the provisions of paragraph 10.5(c) above, the MOI may provide that holders of preference shares shall have the right to vote at any general/annual general meeting of the listed company–
- (i) during any special period, as provided for in (iii) below, during which any dividend, any part of any dividend on such preference shares or any redemption payment thereon remains in arrears and unpaid; and/or
 - (ii) in regard to any resolution proposed for the winding-up of the company or the reduction of its capital;
 - (iii) the period referred to in paragraph (i) above shall be the period commencing on a day specified in the MOI, not being more than six months after the due date of the dividend or redemption payment in question or, where no due date is specified, after the end of the financial year of the company in respect of which such dividend accrued or such redemption payment became due.

10.6 **Capitalisation issues**

Any capitalisation issue by an applicant issuer must at least be subject to the fulfilment of the requirements set out in Section 47 of the Act. The applicant issuer's MOI may not call for any less stringent requirements.

10.7 **Scrip dividend and cash dividend elections**

The grant of the right of election must not be prohibited by the MOI.

10.8 **Payments to securities holders**

Schedule 12 Working capital

Introduction

12.1 The JSE wishes to advise that it has received numerous requests from sponsors for guidance on their responsibility and that of the listed company in terms of the letter that the JSE requires from sponsors on working capital statements in terms of paragraph 2.12 of Section 2.

The JSE has decided to issue guidance on this matter in order to dispel some of the uncertainty prevailing within the industry regarding this issue. It should be

noted that the following are minimum requirements and does not absolve sponsors from their duty to carry out additional procedures that might be appropriate or warranted in a particular case.

Compliance with paragraph 2.12 of Section 2 will remain the responsibility of the sponsor, but the board of directors of the issuer will be responsible for undertaking the necessary procedures to provide sponsors with the comfort necessary to issue the required letter.

Directors' responsibilities

12.2 Directors are required to perform the following as a minimum:

- (a) the financial director must prepare a working capital pack (as defined in 25.5) and a qualifying quorum of the board of directors, including the chairman of the audit committee ("the directors") must approve the working capital pack;
- (b) the financial director must obtain written confirmation from facility providers addressed directly to the sponsor(s) confirming that all facilities are currently in place and that facility providers are not in the process of reviewing the facilities with a view to withdrawing them;
- (c) if there are renewable clauses underlying the provision of the facilities, then the financial director must obtain confirmation from the providers (addressed to the sponsors) that there is no reason why the facilities would not be renewed subject to any reasonable obligation being satisfied;
- (d) a resolution must be passed by the directors stating that the working capital available to the group is sufficient for its present requirements, that is, for at least the next twelve months from the date of issue of the relevant document. This resolution must be passed after due and careful enquiry has been made by the directors on the working capital requirements of the group for the next twelve months; and

if the company decides to use the services of their accountants/auditors to perform any of the above-mentioned, then the sponsor must be informed. In such instance the directors must confirm to the sponsor that they have reviewed the auditor's work and that they are satisfied with it.

Sponsors' responsibilities

12.3 Sponsors are required to perform the following as a minimum:

- (a) a meeting must be held with the directors in order to explain the implications of the working capital statement;
- (b) the sponsor must advise the directors of their obligation to exercise reasonable care in performing their duties in relation to the working capital statement;
- (c) the sponsor must obtain the written confirmation referred to in 25.2(b) and (c) above;
- (d) the sponsor must obtain a working capital pack (as defined in 25.5 below) from the directors and should, as a minimum:
 - (i) obtain a letter of representation from the directors confirming that they have carefully considered all matters relating to the working capital statement, have brought all material matters to the attention of the sponsor and that the working capital available to the group is sufficient for at least twelve months from the date of issue of the

relevant document;

- (ii) be satisfied that, prima facie, the working capital pack supports the directors' statement on the working capital.

Working capital pack

12.4 The working capital pack must include the following:

- (a) a working capital forecast for at least the next 12 months (in compiling such working capital forecast it is a requirement that any other forecasts, such as income, expenditure, cash flows, statement of financial position and other items, are made that are necessary in preparing the working capital forecast);

- (h) if the company uses the auditors to produce the working capital pack then this must be stated in the working capital pack; and
- (i) if the company used the auditors to produce the working capital pack it should include details of the work performed by the directors to evaluate the work of the audit.

Schedule 14
Requirements for share incentive schemes

Share option schemes and share incentive schemes ("schemes") are to be used to incentivise staff and may not be used for trading purposes. The following provisions apply to all schemes involving the issue of equity securities (including options) by issuers (or

trusts or special purpose vehicles formed for this purpose) to, or for the benefit of, employees and other persons involved in the business of the group and which result in a dilution of the shareholding of equity securities holders in the issuer or applicant. This includes the issue of equity securities from the authorised but unissued share capital, as well as the use of equity securities held as treasury shares. The rules set out below apply to schemes as contemplated for companies at listed company level and also to schemes of all subsidiaries of issuers which provide for the issue of equity securities in the listed holding company.

The JSE must be consulted on the application of these provisions to schemes intended to apply to employees of associates.

- 14.1 The scheme must be approved by equity securities holders passing an ordinary resolution (requiring a 75% majority of the votes cast in favour of such resolution by all equity securities holders present or represented by proxy at the general meeting to approve such resolution) and must contain provisions relating to:
- (a) the category of persons to whom, or for the benefit of whom securities may be purchased or issued under the scheme (“participants”);
 - (b) the number of equity securities which may be utilised for purposes of the scheme must be stated and this number may not be exceeded without equity securities holders’ approval as required above. Use of the wording “from time to time” or a percentage is prohibited;
 - (c) a fixed maximum number of equity securities for any one participant;
 - (d)(i) the amount, if any, payable on application or acceptance, subscription or exercise, as the case may be;
 - (ii) the basis for determining the price (if any and regardless of the form that it takes) payable by participants and the period after or during which such payment must be made. This must be a fixed mechanism for all participants. Repricing of options is prohibited; and
 - (iii) the period in which payments, or loans to provide the same, may be paid;
 - (e) the voting, dividend, transfer and other rights, including those arising on a liquidation of the issuer, attaching to the securities and to any options (if appropriate);
 - (f) the basis upon which awards are made;
 - (g) the treatment of options (vested and unvested) in instances of mergers, takeovers or corporate actions; and
 - (h) the rights of participants who leave the employment of the issuer whether by termination, resignation, retirement or death insofar as their early departure from the scheme is concerned.
- 14.2 The provisions relating to the matters contained in paragraph 14.1 above cannot be altered without the prior approval of equity securities holders in accordance with paragraph 14.1 above, excluding all the votes attaching to all equities securities owned or controlled by persons who are existing participants in the scheme. Only the equity securities which have been acquired in terms of the relevant scheme and may be impacted by the changes will be excluded from the said vote.
- 14.3 (a) The scheme must provide, in the event of a sub-division or consolidation of securities, for an adjustment to the number of equity securities that may be utilised in terms of paragraph 14.1(b) above and the amount payable in terms of paragraph 14.1(d) above. Such adjustment should give a

participant entitlement to the same proportion of the equity capital as that to which he was previously entitled.

- (b) The scheme may provide, in the event of a capitalisation issue, a special dividend, a rights issue or reduction of capital for adjustment to the fixed maximum number in paragraph 14.1(c) above and the amount in terms of paragraph 14.1(d) above. Such adjustment should give a participant entitlement to the same proportion of equity capital as that to which he was previously entitled.
- (c) The issue of equity securities as consideration for an acquisition, the issue of securities for cash and the issue of equity securities for a vendor consideration placing will not be regarded as a circumstance requiring adjustment.
- (d) The company's auditor, or other independent advisers acceptable to the JSE must confirm to the JSE, in writing, that any adjustments made in terms of paragraph 14.3 are in accordance with the provisions of the scheme. Such written confirmation must be provided to the JSE at the time that any such adjustment is finalised.
- (e) Any adjustment made in accordance with paragraph 14.3 above must be reported on in the issuer's annual financial statements in the year during which the adjustment is made.
- (f) Allocated equity securities which are not subsequently issued to the identified participant/s, for example as a result of forfeiture, must revert back to the scheme.

14.4 Executive directors may not be appointed as trustees of schemes. Non-executive directors, subject to any restriction as contained in the Act, may be appointed as trustees of the scheme, provided that they do not benefit from the scheme.

14.5 The trustees may not be participants under the scheme.

14.6 The resolution to approve a scheme must make specific reference to the scheme and be accompanied by either the full scheme or a summary of the principal terms as set out in paragraphs 14.1 and 14.3 above and must be circulated to equity securities holders.

14.7 The scheme document, if not circulated to the equity securities holders, must be available for inspection by equity securities holders during normal business hours at the issuer's registered office and in Johannesburg. The full scheme must be open for inspection for a reasonable period of time (being not less than 14 days).

14.8 The issuer must summarise in its annual financial statements the number of securities that may be utilised for purposes of the scheme at the beginning of the financial year, changes in such number during the accounting period and the balance of securities available for utilisation for the purposes of the scheme at the end of the financial year.

14.9 With regards to the trading of shares on behalf of schemes, the following requirements apply:

- (a) equity securities may only be issued or purchased by a scheme once a participant or group of participants to whom they will be allocated, has been formally identified (e.g. applicants to whom options over securities have been issued);
- (b) equity securities held in trust may only be sold:
 - (i) once the employment of a participant has been terminated or a

participant is deceased; or

- (ii) on behalf of the participant, once the rights of ownership have vested;
 - (c) unless a scheme explicitly provides for the purchase of securities through the market, in order to satisfy obligations in terms of the scheme, no purchases through the market will be permitted. Any shares purchased through the market will not be taken into account when calculating the number of shares utilised by the scheme;
 - (d) the provisions of paragraphs 3.63 to 3.74 apply mutatis mutandis to any dealings by the issuer or a scheme involving securities relating to the scheme, save for the circumstances pursuant to paragraph 3.92 being present; and
 - (e) a scheme may not purchase securities during a prohibited period as defined in paragraph 3.67 unless it has in place a purchase programme where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and has been submitted to the JSE in writing prior to the commencement of the prohibited period. The issuer must instruct an independent third party, which makes its investment decisions in relation to the issuer's securities independently of, and uninfluenced by, the issuer, prior to the commencement of the prohibited period to execute the purchase programme submitted to the JSE; and
 - (f) in the event that the purchase was made during a prohibited period through a purchase programme pursuant to paragraph 14.9(e), an announcement must be made pursuant to paragraph 14.9(d) which must include a statement confirming that the purchase was put in place pursuant to a purchase programme prior to prohibited period in accordance with the Listings Requirements.
- 14.10 Equity securities held by a share trust or scheme will not have their votes at general/annual general meetings taken into account for the purposes of resolutions proposed in terms of the Listings Requirements. Such equity securities will also not be taken into account for purposes of determining categorisations as detailed in Section 9.

General

- 14.11 Any issue of equity securities to employees, which do not fall within the rules of an issuer's scheme, will be treated as a specific issue of shares for cash as contemplated in paragraph 5.51.
- 14.12 Rolling over (including the arrangement assuming that equity securities which have already vested and been issued in terms of the scheme, and which usually revert back to the number referred to in paragraph 14.1(b) after a 10-year period) is prohibited.
- 14.13 Back-dating of options i.e. the practise of issuing options retrospectively is not permitted. The date upon which the decision to issue options is determined must be the date upon which all the components relating to the scheme i.e. the strike price, etc., are determined.

This schedule contains certain Listings Requirements applicable to sponsors and should be read with Section 2.

Introduction

16.1 This schedule sets out the Listings Requirements of the JSE pertaining to the eligibility criteria of sponsors.

16.2 A sponsor may be a company, partnership or sole proprietor with sufficient executive staff to execute all sponsor requirements and responsibilities in

accordance with the Listings Requirements.

16.3 The responsibilities of a sponsor are set out in Section 2.

Qualifications for approval

16.4 A sponsor must satisfy the JSE:

- (a) that it is competent to discharge the responsibilities of a sponsor; and
- (b) that it accepts the responsibilities of a sponsor and agrees to discharge those responsibilities at all times to the satisfaction of the JSE.

Eligibility criteria

16.5 The following criteria must be met by a sponsor in order to satisfy the JSE that it is competent to fulfil the role of sponsor:

(a) **Employment of staff with relevant experience**

- (i) a sponsor will be expected to have staff who have considerable relevant corporate finance experience;
- (ii) a sponsor must be able to demonstrate to the JSE's satisfaction, that at least three of its executive staff:
 - (1) were registered as Approved Executives by the JSE as at 15 August 2008 and will continue to be so classified subject to paragraphs 16.5(a)(iv) and 16.14; or
 - (2) have passed an examination as approved by the JSE from time to time ("the examination");and each have relevant practical experience in advising on the general application of the Listings Requirements under the supervision of an Approved Executive in accordance with schedule 16.5(a)(iii).

Such executive staff will be classified as Approved Executives and recorded as such by the JSE.

- (iii) An Approved Executive who is providing the supervision referred to in paragraph 16.5(a)(ii) above must:
 - (1) notify the JSE in writing at the commencement of the relevant period, providing full details of the candidate; and
 - (2) declare to the JSE at the end of the relevant period, that the candidate is suitable to be an Approved Executive who will be able to properly fulfil all the responsibilities of a sponsor.

If a candidate moves from one employer to another and wishes to continue with his programme of practical experience, then arrangements must be made in order that an Approved Executive with the new employer continues with the necessary supervision. Before embarking on this exercise, the Approved Executive must obtain full details of the candidate's previous experience.

- (iv) From time to time, the JSE will arrange courses relating to the Listings Requirements and all Approved Executives must attend these in order to remain registered.
- (v) the sponsor's Approved Executives must not have been:
 - (1) convicted of an offence resulting from dishonesty, fraud or

embezzlement;

- (2) censured or fined by a self regulatory organisation or recognised professional body;
- (3) barred from entry into any profession or occupation; or
- (4) convicted in any jurisdiction of any criminal offence or an offence under legislation relating to the Act, have been a director or alternate director or officer of a company at the time such company was convicted of any similar offence;

- (vi) if the relevant criteria detailed in 16.5(a)(i) to (iv) above are not satisfied, the JSE may still accept the applicant as a sponsor but not as a DA, provided that such sponsor has demonstrated to the JSE's satisfaction that it has the necessary expertise and adequacy of staff to properly discharge the responsibilities of a sponsor. In such instance such sponsor must have at least one executive approved as an Approved Executive by the JSE. In this instance the JSE will record whichever executive staff members have qualified for Approved Executive classification as well as the details of the other sponsor staff employed ("employment status"). The JSE reserves the right to review such sponsor's status if and when there is any change to such sponsor's employment status, which must be notified to the JSE within 48 hours of such change.

(b) Adequate supervision of staff

- (i) a sponsor must ensure that all staff who do not qualify for classification are supervised and managed by Approved Executives whenever they are involved in sponsor activities; and
- (ii) a sponsor must have appropriate controls and procedures to ensure that staff involved in sponsor activities do not act beyond their authority.

(c) Sufficiency of staff

- (i) arrangements must be in place to ensure that a sufficient number of Approved Executives are always available to ensure that the sponsor's responsibilities are properly discharged at all times.

(d) Independence and objectivity in professional dealings

- (i) a sponsor may not act for an applicant issuer if:
 - (a) the JSE believes, in its sole discretion, that the sponsor's procedures to ensure and maintain independence and objectivity in professional dealings in relation to the applicant issuer and a corporate action, as disclosed in the Schedule 17 by the sponsor pursuant to this Schedule 16, cannot be achieved and/or maintained; or
 - (b) the sponsor is also the applicant issuer or is a subsidiary, an associate or a division of the applicant issuer, save for the routine administrative issues pursuant to Practice Note 1/2003;
- (ii) (a) a sponsor must provide details of any matters that might reasonably be expected to impair its independence and objectivity in its professional dealings in relation to the applicant issuer to the applicant issuer in respect of an ongoing appointment. A sponsor must also disclose details of any such

conflicts pursuant to the provisions of paragraph IV (Conflicts of Interest) Appendix to Schedule 16.

A sponsor must also disclose details of any such conflicts pursuant to the provisions of paragraph IV (Conflicts of Interest) Appendix to Schedule 16.

The application process

- 16.6 Applications to become a sponsor must be made to the JSE by submitting the sponsor application form (as set out in paragraph 16.21 below).
- 16.7 An applicant will be required to nominate a person to act as the primary contact with the JSE concerning the application.
- 16.8 The JSE will advise the applicant of the result of the application in writing.

Fees

- 16.9 The relevant fees, as determined by the JSE from time to time, are published and available on the JSE's website, www.jse.co.za, per Section 17.
- 16.10 If annual subscription fees payable by a sponsor are not paid by 31 January of any year, no document from such sponsor will be accepted for submission to the JSE until the fees have been paid in full.

Register

- 16.11 A register of sponsors will be published by the JSE.

Designations

- 16.12 A sponsor will be able, but not required, to state on its business documentation that it is a sponsor registered with the JSE and may similarly disclose its Approved Executives.

Continuing requirements

Annual confirmation

- 16.13 Each time the annual subscription is paid, sponsors are required to advise the JSE whether or not it still meets the eligibility criteria, and specifically, whether or not it continues to have a minimum of three Approved Executives in its employ.
- 16.14 Individuals who wish to remain as registered Approved Executives must submit a sworn affidavit to the JSE by no later than 31 January of each year confirming that they were actively involved in providing advice on the application of the Listings Requirements during the previous twelve months and that they will continue to do so in the next twelve months. Failure to make this submission will result in the removal of the individual from the register.

Issues affecting approved executive status

- 16.15 Whenever an Approved Executive of a sponsor resigns and moves employment to another sponsor, such person must notify the JSE.

Issues affecting sponsor status

- 16.16 A sponsor, excluding sponsors appointed in terms of paragraph 16.5(a)(vi) above, must inform the JSE within 48 hours, in writing, if any of its Approved Executives leave its employment (including the situation where an Approved Executive is no longer physically present in the sponsors offices and providing advice to issuers) and, if such departure causes the sponsor to have less than three Approved Executives in its employ it will have a period of three months in which to re-satisfy the eligibility criteria detailed in paragraph 16.5 above, failing which (unless the JSE provides dispensation in terms of paragraph 16.5(a)(vi)) the sponsor's status will be suspended until such criteria are satisfied. The JSE will publish such details of the suspension of sponsors.
- 16.17 A sponsor may resign as a sponsor by giving written notice to the JSE and the relevant applicant issuer.
- 16.18 If the departure of Approved Executives results in a sponsor no longer having any Approved Executives, the JSE will suspend the sponsor's status, announcing same through SENS, until the sponsor re-qualifies in accordance with paragraph 16.5.
- 16.19 If, at any time, the JSE considers that a sponsor or Approved Executive is no longer competent, the JSE may suspend the sponsor or Approved Executive on reasonable notice to the sponsor. If the sponsor or Approved Executive is dissatisfied with the JSE's decision in this regard they should notify the JSE in accordance with paragraph 1.4 of Section 1.
- 16.20 Notwithstanding acceptance by the JSE of a sponsor's resignation, or withdrawal by the JSE of a sponsor's status, the sponsor shall continue to be subject to the jurisdiction of the JSE for a period of one year following the resignation or withdrawal of status.
- 16.21 A sponsor must immediately notify the JSE by e-mail and letter if any of the events below occur (failure to make full and timely disclosure to the JSE may result in disciplinary action against the sponsor):
- (a) any of the sponsor's Approved Executives are:
 - (i) convicted of an offence resulting from dishonesty, fraud or embezzlement;
 - (ii) censured or fined by a self regulatory organisation, or recognised professional body;

Code of ethics and standards of professional conduct applicable to sponsors, designated advisers and debt sponsors

Preamble

The JSE Code of Ethics and Standards of Professional Conduct (“Code and Standards”) is essential for the maintenance of exceptional regulation in the listed environment. All sponsors, designated advisers, debt sponsors and their approved executives (“Sponsors and Executives”) must adhere to the Code and Standards.

Code of ethics

Sponsors and Executives should, in the context of the JSE sponsor function, exercise the utmost integrity, competence, diligence, and confidentiality in their dealings with the JSE, their clients and prospective clients, employers and colleagues. The following fundamental principles should be applied:

- A Integrity and Objectivity.** Sponsors and Executives should remain transparent and honest in all professional and business relationships and should not allow bias, conflict of interest or undue influence of others to override their professional judgement.
- B Professional Competence and Due Care.** Sponsors and Executives have an ongoing duty to maintain their professional knowledge and skill at such a level as to ensure that their clients receive competent and professional service in line with up-to-date developments in professional and best practice, legislation and the Listings Requirements. Sponsors and Executives should act diligently and in accordance with applicable technical

and professional standards when rendering professional services.

- C **Confidentiality.** Sponsors and Executives should respect the confidential nature of information acquired in the context of professional and business relationships. Such confidential information may not be used by Sponsors and Executives for personal gain and should not be disclosed to third parties without due authority or unless there exists a legal obligation of disclosure.

Standards of professional conduct

Sponsors and Executives must comply with the following Standards of Professional Conduct:

I PROFESSIONALISM

- A **Knowledge of the Law.** Sponsors and Executives must know and comply with all applicable laws, rules, regulations and codes (including the Listings Requirements and the Code and Standards) of any government, regulatory organisation, licensing agency or professional association governing their professional activities. In the event where there is any conflict of these laws and/or rules, regulations or codes, Sponsors and Executives must comply with the more onerous of the law, rule, regulation or code.
- B **Independence and Objectivity.** Sponsors and Executives must exercise reasonable care and judgment in order to achieve and maintain independence and objectivity in their professional dealings. Sponsors and Executives must not offer, solicit, or accept any gift, benefit, compensation or consideration that may reasonably be seen to compromise their independence or objectivity.
- C **Faithful Representation.** Sponsors and Executives must not knowingly make any misrepresentations or omissions of fact in relation to the provisions of the Listings Requirements. Sponsors and Executives must, without delay, inform the JSE in the event that they become aware of any such misrepresentations or omissions of fact by, or on behalf of, their clients (whether existing, former or prospective).
- D **Misconduct.** Sponsors and Executives must not engage in any conduct involving dishonesty, fraud, deceit or the commission of any act that may reflect adversely on the JSE or on the professional reputation, integrity, or competence of the Sponsor or Executive.

II INTEGRITY OF CAPITAL MARKETS

- A **Material Non-public Information.** Sponsors and Executives in possession of material price-sensitive, non-public information must not trade on or disclose this information to third parties (unless a legal obligation of disclosure exists).
- B **False Markets.** In order to protect the integrity of the capital markets, Sponsors and Executives must refrain from prohibited market practices and false statements, as stipulated in the FMA, and take steps to make their clients aware of their responsibility in this regard.

III DUTIES TO CLIENTS

- A **Prudence and Care.** Sponsors and Executives should act with reasonable care.
- B **Fair Dealing.** Sponsors and Executives must deal fairly and objectively

with all clients when furnishing advice on the Listings Requirements or engaging in other professional practices relating to their duties as sponsors.

C Preservation of Confidentiality. Sponsors and Executives must keep confidential all information pertaining to existing, former and prospective clients, unless:

- 1 The information relates to illegal activity on the part of the existing or former client;
- 2 Disclosure of the information is required by law or in terms of the Listings Requirements; or
- 3 The existing, former or prospective client consents to the disclosure of the information.

Details of any such conflicts of interest must also be included in any prospectus/pre-listing statement or circular of the applicant issuer. Sponsors and Executives must ensure that such disclosure is presented prominently under a separate heading, is worded in plain language and that it communicates effectively the nature and extent of the conflicts as well as the procedures that are in place to manage/mitigate such conflicts.

Practice note: 1/2003

Introduction

During the various presentations on the 2003 Listings Requirements which became effective 1 September 2003, certain issues were raised which have prompted the JSE Limited (“JSE”) to provide clarity and guidance on those Requirements in the form of this Practice Note.

Year-end results

The following guidance is provided by the JSE regarding the announcement of year-end results and publication of annual financial statements in order to remove any confusion that may have arisen as a result of incorrect interpretation of the new listings requirements (“LR”) dealing with these issues.

Terms used herein:

“financials”	the annual report of the company which contains the audited annual financial statements as well as supplementary information which is distributed to the holders of securities (excluding those securities holders in the dematerialised environment who have elected not to receive same) or in the context of preliminary or provisional reports just the annual financial statements;

Circulars and notices of annual general meetings

In instances where the Listings Requirements require an applicant issuer to send a circular to its securities holders (including but not limited to general issues of shares for cash and general repurchases), the JSE will allow the circular to be substituted by the required disclosure being made in the applicant issuer's annual report/annual financial statements provided all the required information is either:

- (a) included in the notice of annual general meeting; or

- (b) clear cross references are included in the notice of annual general meeting indicating where in the annual report/annual financial statements the information can be obtained.

Sponsors

Applicant issuers are required to have an appointed sponsor at all times with effect from 1 January 2004. Applicant issuers may utilise the services of a non-independent sponsor, as contemplated in paragraph 2.3, for certain routine administrative issues provided that a lead independent sponsor is appointed for all other transactions/corporate actions. The routine administrative issues that the JSE will accept are as follows:

- (a) submission of periodic financial information in terms of paragraphs 3.11 to 3.25;
- (b) notification of changes to the board of directors in terms of paragraph 3.59;
- (c) disclosure of directors dealings in terms of paragraphs 3.63 to 3.74;
- (d) additional listings in terms of an approved share incentive/option scheme;
- (e) capitalisation issues and scrip dividends/cash dividend elections;
- (f) general issues for cash;
- (g) general repurchases;
- (h) general payments;
- (i) name changes;
- (j) MOI/amendments; and
- (k) category 2 transactions.

The JSE reserves the right in its sole discretion to require the appointment of an independent sponsor for the above routine administrative issues. Applicant issuers must ensure that an independent sponsor is appointed as soon as it becomes aware of a potential transaction/corporate action not included in the above.

General: Administrative Issues

Guidance Letter: Rulings

Date: 21 June 2012

Background

With effect from 1 April 2006 the JSE Limited (“JSE”) introduced its revised documentation inspection fee structure. As part of that structure we introduced a fee for formal rulings. That fee was initially R3 000 (excluding VAT) and taking into account the annual inflationary increases currently sits at R3 930.

We remind you that the principle behind the introduction of this fee was that the staff of the Issuer Regulation Division (“Division”) spend a substantial amount of time considering these rulings which are then binding on the JSE.

The Division continues, as in the past, to provide general telephonic guidance and advice but such advice is not binding on the JSE. The Division deals with a high volume of calls during any given day and the information provided to us during telephonic discussions is, more often than not, incomplete.

Reminder of ruling request process

The following instances require payment of the ruling fee:

- Requests for dispensation from the Listings Requirements (“LR”);
- Requests for interpretation of the LR;
- Requests for guidance on the application of the LR; and
- Requests for confirmation that the LR have been correctly interpreted.

Furthermore we remind you that every ruling request must be accompanied by a letter from an approved executive of the Sponsor / Designated Adviser, which letter must contain their detailed consideration of the matter the subject of the ruling request. A standalone letter from a listed company will not be considered as a valid ruling request.

The JSE is committed to comply with the standard turnaround times of 5 business days for these ruling requests. It is likely however that in the instances of an incomplete submission or a highly complex matter that the turnaround times may become longer. We undertake to keep you informed about such potential delays.

Revised approach to billing for ruling request

The JSE has decided to revise the current billing model for ruling requests as in many instances:

- the ruling is highly complex or contains several different requests covering various sections of the LR; and

- complex interpretation matters or dispensation requests are not identified before the submission of a document and are left to be resolved as part of the documentation review process. (This practice in itself is undesirable as it can cause unnecessary delays to the standard documentation submission process).

In light of the above we wish to advise the following:

- the standard fee per ruling request (which is currently R3 930) can be charged multiple times despite the fact that there may be only one ruling request letter;
- a ruling fee may be charged, in addition to the standard documentation inspection fee, if during the course of the review process there are any complex dispensation or ruling requests.

Multiple charges can be made, inter alia, when the ruling request:

- cuts across more than one section of the LR. For example an additional fee would be charged in instances of a ruling request dealing with a categorisation (section 9) and a related party (section 10) matter; or
- is of a highly technical or complex nature, which requires extensive debate and consideration (for example for a complex multiple events transaction or a BEE deal).

As it relates to charging ruling fees during the documentation process, this will be done where the matter needs to be taken to the JSE's technical committee for consideration. The additional billing will only be made if the second reader on the document believes that the additional charge is warranted. The JSE undertakes to be reasonable in this approach and will ensure that the Sponsor/ Designated Adviser are advised if we believe additional fees should be charged.

This revised approach will be effective for all rulings and documents submitted on or after 1 July 2012.

Guidance Letter: Submission of Agreements to the JSE

Date: 14 August 2012

There has been some confusion on the point on how and when agreements should be submitted to the JSE in the submission, review and approval process (the "Submission Process"). Issuers are required to send out certain circulars to their shareholders within a fixed period of time pursuant to the JSE Listings Requirements and as such the status of the signed agreement/s become vital in the Submission Process.

We appreciate the commercial realities of transactions and that in certain cases agreements are in the process of being negotiated between the lawyers and/or other external parties by the time the first submission is contemplated or has reached the JSE. On this basis, the JSE has considered the matter internally and has come to the following suggested approach for the submission of agreements to the JSE in order to facilitate the Submission Process:

- The rule in principle: It is preferred that signed agreements are submitted to the JSE at the first submission.
- The compromise approach: If it is not possible (due to whatever reason) to submit signed agreements at first submission, the JSE is willing to facilitate the Submission Process and will accept draft agreements for review at first submission. Final signed versions of any agreements should however reach the JSE prior to informal approval being granted with copies duly marked-up reflecting clearly any and all changes to the agreements against the previous draft agreements submitted to the JSE.

Should the compromise approach be elected, there are certain considerations that should be taking into account:

- Should the marked-up changes to the draft agreements be substantial, taking into account the complexities of the changes, the volume and number of agreements involved (the “considering factors”), the JSE will inform the sponsor that it will require more time to review and consider the additional changes to the agreements.
- The JSE will charge additional fees pro rata to the documentation fees, should the JSE be of the view that, based on the considering factors, more time and allocation of resources will be required to finalise the Submission Process.

As a result the above compromise approach may have an impact on the timetable and fees of the transaction and as such this approach should be carefully considered prior or at an early stage of the Submission Process. It should be noted that minor marked-up changes to agreements would not trigger additional time or fees from a JSE perspective.

It is in the interest of all parties that the JSE review any documents (along with agreements) in the Submission Process in a swift and efficient manner. Where agreements are involved it would be beneficial to all parties to have the final signed agreements as soon as possible in order to avoid potential delays, confusion or extra fees.

Guidance Letter: Information to be included in SENS announcements

Date: 2 October 2013

The Issuer Regulation Division (“**the Division**”) wish to inform Sponsors and Designated Advisors that the following information is required to be included in the relevant SENS announcements issued on behalf of issuers. This information is used by various stakeholders and it is important that same is included.

- The source of the distribution with regards to payment of dividends, cash disbursements and capitalisation issues (i.e. whether it is capital or revenue in nature) must be disclosed in the declaration announcement.
- The ISIN for a Letter of Allocation with regard to a Rights Offer/Claw-back Offer must be included in the declaration announcement.
- With regard to schemes, if part elections (i.e. a combination of cash or shares) are possible, this fact together with what the default will be must be disclosed in the declaration announcement.
- The restrictions that exist in certain countries must be disclosed in the declaration announcement, specifically with regard to rights offers. Additionally, disclosure must be made on how non-residents are dealt with in a particular corporate action including whether they may participate or not.

Kindly note that dual-listed issuers must advise and obtain approval from the JSE with regard to the timetables for corporate actions stipulated in Schedule 24. Issuers must ensure that the JSE is notified in advance in order to ensure that the JSE can accommodate the processing of these corporate actions for shareholders on the South African share register. Please refer to the further information in the guidance letter dated 10 March 2010.

Date: 13 February 2014

In order to ensure that companies applying for a listing on AltX are able to present a comprehensive business plan to the AltX Advisory Committee (“**the Committee**”), we have prepared this guidance letter. This process has become necessary as to standardise and improve the business plan presentations to ensure a fair and equitable process based on the information presented.

Set out below is the process to be followed prior to being granted an opportunity to present to the Committee.

In terms of paragraph 21.37 of the JSE Listings Requirements (the “**Requirements**”) the directors of the issuer, as well as the Designated Advisor (“**DA**”), must present, in person, a detailed business plan (including but not limited to historic and forecast financial information) to the Committee prior to being granted a listing. The Committee shall then advise the JSE as to the eligibility of the issuer. The JSE shall consider the advice of the Committee and exercise its discretion whether or not to grant the issuer a listing.

The JSE will only allow a first submission in respect of an AltX listing if the Committee has confirmed the eligibility of the applicant issuer in writing.

Various issues have recently arisen in respect of the presentation of the business plan and the JSE has therefore decided to issue a guidance letter in this regard.

The aim of this guidance letter is to prescribe the minimum content and process for a business plan to be submitted and presented to ensure that the Committee has all the relevant information to make an informed decision which in turn will avoid delays in the approval process.

It’s important to note that the Issuer Regulation Division (the “**Division**”) will assume full responsibility for this process with immediate effect. Members of the Issuer and Investor Relations Division will still attend Committee meetings but will no longer be responsible for this process.

Business Plan: Minimum Content

1. General Overview of the Issuer

The aim of the general overview is to provide general introductory information in respect of the issuer to the Committee, which must as a minimum address the following:

- Full name and registration number of the issuer and major subsidiaries;
- Place and date of incorporation of the issuer and major subsidiaries;
- Details of the DA;
- Full names, addresses and CV’s of the board of directors of the issuer and major subsidiaries, including dates of appointment;
- Details of the business of the issuer, including a diagram of the group structure;
- Details of the primary exchange (if applicable); and
- Full details of any capital that will be raised and in which jurisdictions.

2. Industry

The aim of the industry disclosures is to focus on the industry in which the issuer intends to operate as a listed company, which must as a minimum address the following:

- General overview of the industry with reference to current market conditions;
- Basic entry criteria to enter the industry (required licenses or other);
- Experience of directors and senior management of the issuer with specific reference to the industry; and

- Customer profile.

3. Strategy of the Issuer

The aim of the strategy disclosures is to explain the competitiveness of the issuer in the industry, which must as a minimum address the following.

- Reason for listing on AltX;
- The vision and mission of the issuer;
- Feasibility of current business approach, including a SWOT analysis (strength, weaknesses, opportunities and threats);
- BEE status and developments; and
- Marketing plan, including details of feasibility studies and research undertaken.

4. Financial Position and Performance

The aim of the financial disclosures is to provide details of the financial status of the issuer, which must as a minimum address the following:

- The issuer's audited historical financial statements in accordance with IFRS for the preceding three years (or a lesser period since incorporation), including a summarised overview of the financial highlights for each year;
- The medium and long term forecasts with clearly documented assumptions. The manner in which the assumptions tie in with the issuer's strategy must be addressed; and
- Details of current and near future funding requirements of the issuer.

5. Regulatory Environment

The aim of the regulatory disclosure is to confirm and illustrate compliance with the basic listing entry criteria, which must as a minimum address the following:

- Method of listing;
- Compliance with paragraph 21.3 of the Requirements;
- Mineral and property companies must illustrate compliance with paragraphs 12.5–12.7 and 13.3 respectively;
- Details of the legal and policy frameworks of the issuer in order to comply with industry and regulatory obligations of the issuer; and
- Any matter that the DA and/or the directors of the issuer, feel should be brought to the attention of the JSE which may have a regulatory or business impact on the issuer.

6. AltX Business Plan Process

- The submission must be made by the DA using the “Webstir” system of the Division;
- The Webstir submission must be made to the Division before 10h00 and the event type of “Business Plan” must be selected;
- This Webstir submission will then be allocated to a Corporate Finance Officer (“**the CFO**”) who will conduct a review of the business plan to ascertain whether it contains the required disclosures pursuant to the provisions of this guidance letter;
- The CFO will provide feedback to the DA within 72 hours of the Webstir submission. The feedback will either be (i) confirmation that the business plan contains the required disclosures or (ii) comments on the business plan that must be addressed by the issuer and DA;

- In the event of comments on the business plan, the review process will continue in the ordinary course for submissions to Corporate Finance (with 48 hours turnaround) until the CFO confirms that the business plan contains the required disclosures;
- The DA will then be permitted to make the formal submission of the business plan for consideration by the Committee;
- The submission of the business plan to the Committee must be made in the usual manner through Webstir by 10h00;
- The Division will convene a Committee meeting at the JSE as soon as is convenient for all parties. The DA will be notified of the time, date and location of the Committee meeting and the presence of both the DA and the directors of the issuer will be required; and
- The DA will be notified in writing within 48 hours from the conclusion of the Committee meeting regarding the outcome.

Guidance Letter: Procedure for approval of documentation

Date: 8 April 2014

Paragraphs 16.3 and 16.4 of the JSE Listings Requirements (the “**Requirements**”) address the procedure for approval by the JSE of documents submitted through a sponsor pursuant to paragraph 16.2 of the Requirements.

The above paragraphs address the three step approval process, being (i) informal comments, (ii) informal approval and (iii) formal approval, as well as the JSE’s turnaround times for comments/approval. Based on our experience, documents submitted to the JSE from first submission to formal approval generally take up to four submissions over a period of approximately four to six weeks. This can of course be sooner or later depending on the complexity of the document and/or issues raised.

It has come to our attention that on several occasions the number of submissions made have exceeded five and/or it has taken a period of between five and eight months to obtain formal approval from the JSE, notwithstanding the strict turnaround times imposed on the JSE for comments/approval.

A prolonged submission process (both in number of submissions and the period of time in respect of submissions) is not a favourable situation for the JSE, sponsor or the issuer for various reasons and has been identified as an area of risk for the JSE. A submission to the JSE must be well prepared by the sponsor and the issuer to ensure that an objective and focused review can be applied by the JSE within (i) a reasonable number of submissions and (ii) a reasonable period of time. Taking into account the high volume of submissions dealt with by a Corporate Finance Officer (“**CFO**”) at any point in time, it is imperative that the submission process remains current and active to ensure objective consideration of the document as a whole (without piecemeal considerations over a substantial period of time).

Timing in respect of Procedure for Approval

In order to minimise the risk and encourage an active review process, the JSE hereby wishes to draw your attention to the revised approach in respect of the procedure for the approval of documentation.

The procedure for approval must not exceed five submissions and a period of three months. In the event that (i) the number of submissions and/or (ii) the period is exceeded, the JSE may elect to reject the submission as a whole. The sponsor will be allowed to resubmit, however, this submission will be treated as a first submission and will be

allocated to a new CFO and second reader for consideration and review. The reason for this approach is that CFOs are required to undertake an objective and focussed review on the document as a whole within a reasonable period of time. Several submissions, as well as submissions over a lengthy period of time, (i) will inevitably have a negative impact on the review process and (ii) may impact the time a CFO has allocated to other complete and timely submissions.

We do accept that there may be valid reasons for a delay in the submission process, however, we would encourage issuers and sponsors to discuss any matters which may cause a delay in the submission and review process with the JSE or motivate the reason/s for the delay adequately during the submission process. In these circumstances the provisions above may not be applied by the JSE.

We further believe that this revised approach will improve the quality of first submissions, as there have been instances where first submissions have been made without certain material information being included, merely for the sake of getting the document into the JSE review process.

SECTION 1

Guidance Letter: Fairness opinions on delisting

Date: 5 March 2012

We refer to the practice letter that we issued in May 2010 relating to the above. In that letter we indicated that we would not allow the application of a minority discount in order to determine whether an offer is fair in the case of a delisting. Since that communication we have engaged extensively with several parties on this topic. Specific concern has been raised as to the extent to which the JSE becomes involved in valuation methodologies being applied by an independent expert. This letter serves to replace the practice letter dated 13 May 2010.

When issuing an opinion on a delisting in terms of paragraph 1.14 of the Listings Requirements ("LR") as read with Schedule 5 and the Securities Services Act, 2004:

- The expert must perform a valuation of the entity as whole.
- The expert is not prohibited from applying any discounts or premiums to such valuation which they believe impact their valuation in order to opine whether the offer is fair or not.
- The expert's opinion must include full disclosure of the valuation number both including and excluding any discount or premium applied. There must be separate disclosure of the details and value attributed to each of the different types of discounts or premiums the expert has applied to the valuation in reaching their opinion.
- The expert must explain why they believe each of the discounts or premiums is relevant in the circumstances.
- The inclusion of a valuation range (for both the entity valuation and the discounts/premiums) as opposed to an absolute figure is acceptable, but that range should not be so wide as to render it meaningless and the opinion must include justification for the size of the range. The JSE may ask the expert to narrow that range.

The above request to include additional disclosure in the fairness opinion issued by an expert in the case of a delisting is within the ambits of paragraph 5.11 of Schedule 5 of the LR. We will therefore not be making a separate amendment to the LR at this stage.

SECTION 3

Guidance Letter: Cautionary Announcements

Date: 18 May 2012

It has come to the attention of the JSE that certain issuers are releasing bland cautionary announcements which in many instances may not be required and as a result may cause unnecessary speculation in the market. This may be as a result of a misunderstanding of the JSE Listings Requirements (the “Requirements”) pertaining to cautionary announcements and the JSE has therefore decided to issue guidance on this matter. It is important to note that a bland cautionary announcement is merely an early warning announcement to the market and does not provide sufficient information to assist shareholders or the market in understanding the nature of the subject matter of the cautionary announcement.

Cautionary announcements: General

A cautionary announcement is required in the following circumstances:

Immediately after an issuer acquires knowledge of any material price sensitive information and the necessary degree of confidentiality of such information cannot be maintained or if the issuer suspects that confidentiality has or may have been breached, an issuer must publish a cautionary announcement. An issuer that has published a cautionary announcement must provide updates thereon in the required manner and within the time limits as prescribed in the Requirements (see paragraph 3.9 of the Requirements for the full text).

The trigger for a cautionary announcement is the possession of material price sensitive information (“material price sensitive information”).

An issuer is therefore only required to release a cautionary announcement when the following two tests have been applied in the affirmative:

- it acquires knowledge of material price sensitive information; and
- the confidentiality of such information cannot be maintained or if the issuer suspects that confidentiality has or may have been breached.

Obligation of disclosure

We wish to remind you that an issuer must always publish an announcement in respect of the following:

- Details of any developments in the issuer’s sphere of activity that is/are not public knowledge and which may, by virtue of its/their effects, lead to material movement of the reference price of such issuer’s listed securities pursuant to paragraph 3.4(a) of the LR (“general commercial information”); and/or
- Once terms have been agreed, verbally or in writing, in respect of any corporate action in accordance with the Requirements e.g. a terms announcement pursuant to Section 9 of the LR.

If during the period of negotiation, material price sensitive information and/or general commercial information is kept confidential, it is not necessary to publish a cautionary announcement.

Qualification: General commercial information

It should be noted that Bulletin 2 of 2012 was issued on 17 February 2012 dealing with amendments to confidential information, which is attached for ease of reference. The effected paragraphs in the Requirements were paragraphs 3.5–5.8.

Paragraph 3.4(a) of the Requirements (as mentioned above) refers to the announcement of general commercial information unless kept confidential for a limited period of time in terms of paragraph 3.6. The amendments in Bulletin 2, which included a new paragraph 3.6 did not carry through the reference to a “limited period of time”.

The reference to a “limited period of time” in the previous paragraph 3.6 referred to a period where negotiations are taking place. On this basis, at some point in time of negotiations regarding general commercial information certainty will be achieved. The intention of paragraph 3.4(a) is that as long as general commercial information can be kept confidential for a limited period of time there would be no requirement to release an announcement. However, as soon as a point of certainty is achieved during negotiations that result in general commercial information, an announcement will have to be released. If at any time the confidentiality of general commercial information cannot be maintained, a cautionary announcement must be released.

We intend to update the relevant requirement to achieve the desired result.

Recommendation

We recommend that the following be taken into account in relation to the release of cautionary announcements:

1. Issuers must ensure that they have sufficient internal controls and policies in place to ensure that all material price sensitive information and/or general commercial information is kept confidential.
2. Cautionary announcements should only be released when the confidentiality of material price sensitive information and/or general commercial information can no longer be maintained or if the issuer suspects that confidentiality has or may have been breached.
3. If issuers have sufficient controls and policies in place (e.g. non-disclosure/confidentiality agreements) to contain material price-sensitive information and/or general commercial information (subject to a limited period of time), it is not necessary to release a cautionary announcement. However, when the terms of a relevant corporate action pursuant to the Requirements are agreed upon or when there is certainty with regards to the general commercial information, an announcement containing all the relevant details pursuant to the Requirements must be made.
4. Issuers should refrain from releasing bland cautionary announcements to avoid unnecessary speculation in the market. Additional details that can be made available should rather be included to give investors and market participants an indication of the nature of the material price sensitive information and/or general commercial information.
5. In deciding whether to release a cautionary announcement, issuers must carefully consider Section 76 of the Securities Services Act dealing with “False, misleading or deceptive statements, promises and forecasts”.

Guidance letter: Directors' dealings

Date: 6 October 2008

Background

The JSE Limited ("JSE") has not only received numerous requests for interpretations on the Listings Requirements relating to certain types of directors' dealings but we have also noticed that the disclosures in certain announcements have not been in full compliance with paragraph 3.63(b). The JSE has therefore decided to issue guidance in order to provide more clarity.

Definition of director

Paragraph 3.63(a) stipulates very clearly which parties need to disclose their dealings and we do not believe that any further guidance on this particular requirement is necessary other than to confirm that it primarily includes directors (as defined in the Companies Act and including alternate directors) and company secretaries of both the listed company and any of its major subsidiaries as well as any associate of these parties. The Listings Requirements contains a clear definition of "associate."

Definition of transaction or dealing

The one area where we feel that additional guidance may be appropriate relates to the definition of "transaction" as referred to in paragraph 3.64.

The requirement refers to "securities relating to the issuer". The definition of securities in the Listings Requirements refers to the definition as contained in the Securities Services Act ("SSA") 36 of 2004, and for ease of reference, we have included that definition in Annexure 1. In determining whether dealing in a security must be disclosed one must first take account of the definition as contained in the SSA and secondly whether the security in question could provide direct or indirect exposure to the share price of the listed company. In addition, paragraph 3.64 also provides specific examples including warrants, single stock futures and other derivatives issued in respect of an issuer's securities.

In order to provide further guidance on this definition we feel that it may be useful to deal with particular categories of transactions which we have encountered in the past and which must be disclosed.

- Ordinary shares – this will be a normal sale or purchase of shares in the listed company. It will also include a purchase or sale of nil paid feters in terms of a rights offer.
- Subscription of securities – this includes a subscription by a director of new shares in terms of an issue of shares for cash, rights offer or any other means.
- Agreements to sell/purchase or subscribe for securities – this must be announced when the agreement is signed irrespective of whether any shares are issued or cash flows at that time.
- Options – this will normally relate to a formal share option scheme but can also be any other option. It should be noted that each stage of an option must be announced including the acceptance, acquisition, disposal and exercise.
- Single stock futures – the purchase or sale of a single stock future must be announced. It should be noted that if shares are sold and the equivalent exposure is purchased through a single stock future, then both legs of the transaction (the sale of

the shares and the purchase of the single stock future) must be announced even if it is believed that the director's exposure has not changed. The closing out of a single stock future is also a transaction as defined and is therefore subject to the Listings Requirements. The JSE accepts that the rolling of a single stock future is merely an extension of an existing position and is therefore not subject to the Listings Requirements.

- Contracts for difference – the approach to single stock futures applies equally to these contracts.
- Donations – donations made or received fell within the ambit of the Requirements and must be announced.

Clearance to deal

This particular aspect of the Requirements is generally well understood with a couple of exceptions. Certain transactions, as described above (e.g. options and single stock futures) have many legs to them and the general rule is that every leg of a transaction requires clearance to deal. An aspect which has been misinterpreted in the past is that all associates of directors require clearance. The JSE is mindful of the fact that it is not possible in all cases for a director to prevent an associate from dealing and it therefore follows that it would serve no purpose for that director to request permission prior to such a trade by the associate. The general test which must be applied in these cases is whether the director can prevent the associate from trading and an example of this would be the case of a minor child (being an associate of a director) where the director can legally prevent the trade from taking place. Another example could be where a spouse or a company in which a director has a 35% interest (defined as an associate) enters into a transaction but the director does not have the legal ability to stop the trade from happening. In these cases, directors must dearly observe the provisions of paragraph 3.71 and 3.72.

Prohibited periods

Prohibited periods are dearly defined within the Listings Requirements but the JSE is often approached for an interpretation where a director is obligated to take delivery of shares without having a choice in the matter. An example of this could be where he/she has an option which was purchased or obtained and which can only be exercised on a specific date that happens to fall within a prohibited period. This could also be the case with a single stock future where delivery of the shares has to take place in a prohibited period. The JSE is generally amenable to allowing these trades to take place in these periods but a ruling on the specifics must be sought from the JSE. The JSE's decision in this regard will be separate from any potential implications relating to the insider trading provisions of the SSA.

Guidance on disclosures required

Name of director: John Davies (this is the name of the director/company secretary who traded).

Name of company: ABC Limited (this is the name of the listed company).

Date of transaction: 1 March 2008 (this is the date upon which the transaction is entered into).

Note: 100 cents (there will be no price in the case of a donation).

Total value: R 100 000.00 (this will generally be the number of securities multiplied by the price – a deemed value based on the prevailing market price must be included in the case of a donation. In the case of options the value will be the number of options multiplied by the strike/exercise price. The existing requirements do not stipulate that profits/losses made on options must be disclosed in the announcement and it is therefore not required at the moment).

Class of securities: ordinary shares (this is the actual security which has been traded – examples are ordinary shares, options, warrants, single stock futures, contracts for difference, etc).

Options: (strike/exercise price, strike/exercise date, periods of exercise/vesting)

In the case of transactions by associates, this will include a description of the relationship e.g. sale of shares by director's wife/minor child. Some examples of different interests are:

Guidance Letter: Participation by directors in share incentive/option schemes

Date: 29 July 2010

The JSE Limited (“JSE”) amended the Listings Requirements earlier this year with an effective date of 1 April 2010. Included amongst the amendments was paragraph 3.84(f)(iii) which stipulates that directors who participate in a share incentive/option scheme will not be regarded as independent in terms of the Listings Requirements.

The JSE has received a number of enquiries on this matter and in particular the implications on shares/options that were issued prior to 1 April 2010. It is not the intention of the JSE to apply this requirement retrospectively and we therefore wish to advise that any shares or options that were issued under a scheme prior to 1 April 2010 will not be regarded as affecting a director's independence in terms of paragraph 3.84(f)(iii). However, any shares or options issued to a non-executive director on or after 1 April 2010 will result in that director no longer being classified as independent in terms of the Listings Requirements.

We trust that this clarifies the position, but please feel free to contact us if you have any further questions.

Guidance Letter: Procedural requirements of the Stock Exchange News Service (“SENS”)

Date: 5 May 2014

As a result of the need to disseminate relevant company information to the market on a real time basis, the JSE established SENS. The purpose of SENS falls within the sphere of the general principles of the JSE Listings Requirements (the “**Requirements**”) to ensure that full, equal and timeous public disclosure is made to all holders of securities and the general public at large regarding the activities of an issuer that are price sensitive.

Paragraph 19.2 of Schedule 19 (Procedural requirements of SENS), which is a schedule to the Requirements, addresses the requirement to disseminate relevant company information to the market. Certain issues have come to our attention in respect of the use of SENS by issuers for the dissemination of relevant company information and the JSE wishes to issue the following guidance.

Relevant Company Information

Relevant company information is defined in Schedule 19 of the Requirements, which means company announcements and price sensitive company releases.

Thus, announcements must be released on SENS if a positive obligation is placed on the issuer pursuant to the provisions of the Requirements to release certain information on SENS or when such information is required to be released because it constitutes price sensitive information. See the definition of price sensitive information in the Requirement for further guidance.

Relevant company information must be factually supportable and must relate directly to the issuer. As a rule, the JSE will not consider the following information as relevant company information:

- Any information which constitutes marketing information of the issuer or the issuer's sphere of activity. Marketing information for the purposes of the guidance letter would be any information that would in the normal course be considered as an advertisement of the products of the issuer or the issuer itself; and
- Any information that is not factually supportable or contains features of human emotion, such as derogatory or malicious statements.

Secondary Listed Issuers

Issuers with a secondary listing on the JSE are reminded that any information required to be released on its primary exchange must also be released on SENS pursuant to the provisions of Section 18 of the Requirements.

Exceptions

Notwithstanding the above provisions, the JSE will allow for the following to be released on SENS:

- We understand that some issuers are accustomed to release details of presentations on SENS in relation to the issuer's sphere of activity. Although such presentations may be meaningful to a selected audience, these presentations are normally not considered to be relevant company information or price sensitive information (the eligibility criteria for SENS). We do however understand that issuers would like to use SENS as a platform to make such presentations public and in this regard the JSE will continue to accept the publication of presentations linked to the issuer's sphere of activity on SENS, however, the JSE will only allow a notice of availability via a website link to be published on SENS and not the full presentation;
- Issuers may release company related information through SENS:
 - such as operational updates, provided such information is relevant to (i) the issuer's sphere of activities and (ii) to investors; and
 - which is required to be published under Statute.

General

In considering whether an announcement should be released, issuers must always take account of the rationale and purpose of SENS being a mechanism for the dissemination of relevant company information. Issuers must therefore guard against releasing unnecessary information that may overwhelm investors and dilute the importance and relevance of SENS announcements. Issuers should consult with their sponsors or designated advisers to ensure compliance with this guidance letter and the Requirements.

Guidance Letter: Guidance on corporate governance

Date: 30 September 2014

The JSE has over time received numerous requests for clarity regarding our approach to corporate governance as set out in the Listings Requirements (the "**Requirements**"). The JSE's general approach to corporate governance in relation to the King Code on

Corporate Governance for South Africa (the “**King Code**”) is that certain principles are mandatory (as set out in 1 and 2 below) with the balance being adopted on an “apply or explain” basis (as set out in 3 below). It is very important to note that there are additional provisions in the Companies Act No. 71 of 2008 (the “**Companies Act**”) that must be complied with, specifically regarding the composition of the board, audit committee and social and ethics committee. We expect issuers to take the necessary advice as it relates to matters pertaining to the Companies Act.

The JSE has issued this guidance to clarify compliance with various items of the King Code as set out in the Requirements.

This guidance letter replaces the guidance letter dated 31 January 2013 and serves as the current guidance on corporate governance from a JSE perspective pursuant to the Requirements. The guidance letter is further issued after various discussions between the JSE, the members of the King Committee and the Institute of Directors.

1. Mandatory Principles for Main Board issuers

Paragraph 3.84 of the Requirements stipulates that issuers **must** comply with certain specific requirements concerning corporate governance and issuers do not have the option of explaining any non-compliance. It should be understood that although the King Code is generally adopted on an “apply or explain” basis, these provisions require mandatory compliance and as must be adhered to.

Requirement	Principle	JSE Guidance
3.84(a)	There must be a policy detailing the procedures for the appointment to the board.	This policy must be clearly articulated and disclosed in the relevant documentation.
	Appointments must be formal and transparent and a matter for the board as a whole, assisted where appropriate by a nomination committee.	This must be reflected in the policy referred to above.
	Where appropriate the issuer may appoint a nomination committee.	Issuers must consider, given the size and composition of their board, whether it requires such a committee.
	If a nomination committee is appointed, such committee must only constitute non-executive directors and the majority must be independent. The committee must be chaired by the chairman of the board.	The definitions of non-executive director and independent director in terms of paragraph 3.84(f)(ii) and (iii) must be complied with. The nominations committee must be chaired by the Lead Independent Director if required pursuant to paragraph 3.84(c) below.
3.84(b)	There must be a policy evidencing a clear balance of power and authority at board level to ensure that no one director has unfettered powers.	This policy must clearly demonstrate the balance of power referred to and disclosed in the relevant documentation.
3.84(c)	Issuers must have a CEO and a chairman and these positions must not be held by the same person.	Self-explanatory and no guidance required.
	The chairman must either be an independent non-executive director or the issuer must appoint a lead independent director as defined in	A lead independent director must be appointed in the case where an executive chairman is appointed or where the chairman is not independent.

	the King Code.	
3.84(d)	Issuers must appoint an audit committee in compliance with the King Code.	<p>With regard to the composition of the audit committee, the committee must comprise at least three independent non-executive directors.</p> <p>If an issuer has an independent non-executive chairman of the board, he/she may be a member of the audit committee, subject to the following provisions:</p> <ul style="list-style-type: none"> • All the other members of the audit committee (at least two) are independent non-executive directors; • He/she may not be the chairman of the audit committee; • The dual role (chairman of the board and member of the audit committee) is specifically disclosed to shareholders at the annual general meeting referred to in Section 94(2) of the Act; and • Shareholders approve the appointment of the chairman to the audit committee at the annual general meeting. <p>The JSE is aware that some issuers combine the audit and risk committee. Given the difference in the membership of these committees, issuers must ensure that in these instances that the membership of the combined committee meets the more stringent independence criteria of the audit committee as set out in the King Code.</p>
	Issuers must appoint a remuneration committee in compliance with the King Code.	The remuneration committee must only comprise of members of the board and should have a majority of non-executive directors. The majority of the non-executive directors serving on the remuneration committee must be independent. The chairman of the board must not chair the remuneration committee, but may be a member of it.
	Where appropriate, issuers must appoint a risk and nomination committee.	Issuers must consider, given the nature of the business and composition of the board of directors, whether it requires such committees.
	The composition of such committees, a brief description of their mandates, the number of meetings held and any other relevant information must be disclosed in the annual report.	The risk committee must have a minimum of three members. Membership of the risk committee should include executive and non-executive directors. Those members of senior management responsible for the various areas of risk management should attend the meetings. The chairman of the board may be a member of this committee but must not

		chair it.
3.84(e)	Brief CV of each director must be provided in respect of a new listing. It should further be noted that a brief CV for each director standing for election or re-election must accompany the relevant notice of meeting.	CV must contain sufficient information to allow shareholders to make an informed assessment of the director.
3.84(f)	Capacity of directors in relation to executive, non-executive and independent must be categorised and disclosed in the relevant documentation.	The provisions in this section must be applied in determining the relevant capacities of the directors. This determination must be taken into account in the composition of the respective committees referred to above.
3.84(g)	Issuers must have a full time executive financial director. 3.84(h)	The audit committee must consider on an annual basis, and satisfy itself of the appropriateness of the expertise and experience of the financial director and report thereon in the annual report.	The fact that the audit committee has executed this responsibility must be clearly stated in the annual report.

3.84(j)	The provision deals with the arms-length relationship between the board of directors and the company secretary and the board of directors' responsibility in relation thereto.	Self-explanatory and no guidance required.

2. ALTx issuers

Requirement	Principle	JSE Guidance
The following applies to ALTx issuers as regards corporate governance: 21.5(i)	A narrative statement of how it has applied the principles set out in Chapter 2, Board and Directors (Role and Function of the Board) of the King Code, providing an explanation that enables its shareholders to evaluate how the principles have been applied. Only the principle headings must be addressed in Chapter 2 and not the other chapters as referenced for	Issuers must only address the principles of Chapter 2 of the King Code as set out in the headings, without reference to other chapters as may be contained in the body of each principle.

	more detail.	
21.5(ii)	A statement addressing the extent of its application of the principles set out in Chapter 2 of the King Code and the reasons for each and every instance of non-application during the accounting period	The statement must be made on an “apply or explain” basis.

3. Main Board Issuers: “Apply or explain” Principles – non-mandatory principles

Paragraph 8.63(a) of the Requirements deal with all the principles of the King Code that are not mandatory in terms of 1 and 2 above.

The JSE has adopted the Practice Note issued by the Institute of Directors in Southern Africa: “King III Reporting in terms of the JSE Listings Requirements” dated January 2013.

The JSE will expect main board issuers, in accordance with the King Committee recommendations, to:

- address **all** the principles as set out in the King Code, which currently covers 75 principles;
- disclose how each and every principle has been applied or explain why or to what extent they were not applied;
- document the assessment of the 75 principles in the form of a register which must be made available on the website of the issuer (the “**Register**”); and
- review the Register on a regular basis to ensure that the disclosures are current and remain relevant.

Once the Register is placed on the website of the issuer, the JSE will allow such issuers to cross-reference compliance with the principles in the King Code by referring to the website where the register can be viewed. This approach will result in an issuer not being required to publish the full register in its annual report and/or circulars issued pursuant to the Requirements.

The JSE further supports the recommendation of the King Committee to include a summary of the application of all the principles contained in Chapter 2 of the King Code in an integrated/annual report.

SECTION 4

Guidance Letter: Control – par 4.28 of the Listings Requirements

Date: 25 March 2004

The JSE Securities Exchange South Africa (“JSE”) has received various enquiries relating to the interpretation and application of paragraph 4.28(d)(i) of the Listings Requirements. In light of this, the JSE has decided to issue a letter setting out the interpretation and the applicability of the requirement.

Background

The Listings Requirements afford shareholders of the listed company the right to vote and have their wishes implemented on certain transactions (including but not limited to category 1 transactions and issues of shares for cash) and any structure/agreement that could dilute that right in any way would be in contravention of this requirement. The JSE has enforced the principle behind this requirement for a number of years under the general principles, without it being included in the main body of the Listings Requirements. During the re-write of the Listings Requirements last year, it was decided to introduce paragraph 4.28(d)(i). We believe this requirement is in line with international best practice. The JSE also believes that it is important for a listed company to have control over the majority of its assets to ensure that the shareholders of the company are not merely passive investors. In other words, shareholders of the listed company must have the ability to decide what is done with the underlying assets. The requirements do make provision for certain exemptions as contained in paragraph 4.28(d)(ii).

Interpretation

The requirement refers to control and this could be interpreted as meaning 35% as defined in the Listing Requirements. The intention however, as stipulated above, is for the listed company to have full control (i.e. 50% + 1) over the assets to ensure that it can effectively influence and control those assets. This interpretation implies that the JSE would not allow the creation of structures which would effectively result in the issuer “forfeiting” full control over certain matters by the creation of high voting shares, golden shares or shares that confer “negative control” to a specific shareholder in any of the companies within the group.

Applicability

This requirement is contained in section four which deals primarily with new listings. The requirement is therefore applicable to new listings in the first instance. It is important to note that it was not our intention, nor would it make any sense, to only make this requirement applicable to new listings. It should therefore be noted that this requirement is also applicable from a continuing obligations perspective and issuers must ensure that they comply with this requirement at all times.

General

The JSE would strongly recommend that issuers contact their sponsors whenever a structure or transaction is contemplated that could give rise to a possible contravention of this requirement in order for the sponsor to obtain ruling from the JSE in this regard.

SECTION 5

Guidance Letter: Guidance in fairness opinions relating to an issue of shares for cash in terms of the JSE Listings Requirements

Date: 11 November 2010

The JSE Limited (“JSE”) amended paragraph 5.51(f) of the Listings Requirements (“LR”) in October 2007 (regarding a specific issue of shares for cash) in order to remove the need for a fairness opinion under certain circumstances. The main intention behind the amendment was to remove the need for a fairness opinion in instances where shares are issued to a related party at a market related price (as determined in terms of paragraph 5.51(f)(ii) and the full cash payment is received at the same time.

The JSE has noticed in some instances shares are issued to related parties for cash, and although the issue is at a market related price, the issue is also directly or indirectly funded by the company i.e. in accordance with Section 38 of the Companies Act (No. 61 of 1973). This was not what was intended when the JSE relaxed the LR and the JSE therefore wishes to confirm that it will insist on a fairness opinion where shares are issued for cash to related parties and the issuer provides direct or indirect financial assistance in the funding of the issue. This may include, but is not limited to, the following:

- a company providing all or some of the funding themselves;
- a company providing a third party guarantee; or
- the payment for the transaction being deferred to a later stage.

It must be noted that the fairness opinion in these instances must cover the entire deal including the fact that the issuer is funding the purchase of the shares. Consideration must also be given to the substance of the transaction as in most of these instances the commercial reality of the deal is that the party has been given an option and this must be factored into the opinion.

SECTION 7

Guidance Letter: Guidance on 7.B.23 on the JSE Listings Requirements

Date: 14 December 2011

The JSE has decided to issue further guidance on paragraph 7.B.23 states:

The prospectus/pre-listing statement/circular must be signed by every director of the applicant (or by his agent or attorney, with a copy of the authority of any such agent or attorney); provided that where responsibility for any information contained in different parts of the prospectus/pre-listing statement/circular has been extended to or accepted by any other person(s), such other person(s) (or his/their agent or attorney) shall also sign the prospectus/pre-listing statement/circular and it shall be stated clearly for which part or parts of the prospectus/pre-listing statement/circular each signatory bears responsibility.

Introduction

It has come to the attention of the JSE that some confusion exists in respect of the signing of the prospectus, pre-listing statement and circular (the “document”) by every director as envisaged by 7.B.23. It should be noted that the signing of the document is personal and attached to each director. Therefore, the document must be signed by the director or by (i) his agent or (ii) attorney.

It should be noted that that the action required by each director pursuant to 7.B.23 (i.e. the signing of the document) should not be confused with the approval of a transaction by the board of directors as a whole and the subsequent authorisation of any one of them (or other) to execute the transaction documents (or any other document incidental thereto) on behalf of the Issuer.

The object of 7.B.23 is that each director approve and sign the document, which is additional to and separate from the approval of the transaction by the board of directors as a whole.

We have also been made aware of the logistical difficulties in obtaining these signatures from directors due to scheduling difficulties of directors and transaction timetables.

On this basis, the JSE issues further guidance on the interpretation of 7.B.23.

Prospectus, pre-listing statement and circular

The JSE will accept, in respect of each director, the following as it relates to the signing of the document, as the case may be:

- the original signature of the director on the document;
- a duly executed power of attorney authorising any director or another to sign the document on the director’s behalf;
- a round robin resolution of the board of the Issuer signed by each and every director authorising one of them or another to sign the document on their behalf; or
- minutes of a fully constituted board meeting of the Issuer duly signed by the chairman of the meeting authorising one of them or another to sign the document on their behalf.

Guidance on execution: Power of attorney

Save for any director(s) which will be signing the document in his/her personal capacity, every other director of the Issuer may sign and provide a power of attorney to authorise another to sign the document on the director's behalf, which must contain the following provisions as a minimum:

- the full name(s), title and capacity of the director giving the power of attorney;
- a specific reference to the document including a summary of all the provisions covered (the purpose of the summary is to link the power of attorney to the relevant corporate action.);
- a statement that the said director has read and understood the contents of the document;
- confirmation that the said director has given his/her consent to the party signing the document on his/her behalf;
- signature by the director;
- signature by at least one witness;
- signature date.

Guidance on execution: Round robin resolution or minutes of a fully constituted board meeting

The directors may elect to pass a round robin resolution signed by each and every director authorising one of them or another to sign the document on their behalf or in the alternative provide board minutes duly signed by the chairman of a fully constituted board meeting authorising one of them or another to sign the document on their behalf. It should be noted that if this route is chosen, either all the directors must sign the round robin resolution or all directors need to be present at the board meeting.

The round robin resolution must contain the following provisions as a minimum:

- the full name(s), title and capacity of the director signing the round robin resolution
- a specific reference to the document including a summary of all the provisions covered (the purpose of the summary is to link the authorisation to the relevant corporate action.)
- a resolution covering the following:
 - a statement that the said director(s) have read and understood the contents of the document;
 - confirmation that the said director(s) has given his/her consent to the party signing the document on his/her behalf;
 - signature by each director;
 - signature date;
 - signature in counterpart will be acceptable;

the board minutes must contain the following provisions as a minimum:

- confirmation that all the directors were in attendance at the meeting;
- a specific reference to the document including a summary of all the provisions covered (the purpose of the summary is to link the matters to be discussed to the relevant corporate action);
- a resolution covering the following:
 - that all the directors have read and understood the contents of the document;

- that all the directors have given their consent to the party signing the document on their behalf;
- the minutes signed by the chairman of the meeting;
- signature date.

On the basis that the signing of the document is personal to the director as envisaged in 7.B.23, the round robin resolution or minutes of a fully constituted board meeting will be acceptable to the JSE on the basis that each director will be authorising a mutual other to sign the document on his/her behalf. This should be distinguished from a duly constituted board meeting where a quorum can be achieved without the presence of all the directors.

For the avoidance of doubt –

- board minutes will not be accepted where all the board members are not present; and
- authorisation for the purposes of this guidance note may be given to another director or a duly authorised third party (e.g. the company secretary).

General note

A power of attorney, round robin resolution or minutes of a fully constituted board meeting (the “authorisations”) may be an original document or a photocopy and must be delivered to the JSE by the Sponsor or Designated Adviser of the Issuer, either in person, or sent via email in the form of a scanned document. Please note that *the* Sponsor or Designated Adviser thereby takes responsibility for verifying the authenticity of the authorisations.

If a Sponsor or Designated Adviser, as the case may be, elects to send the authorisations via e-mail, it must be sent to the JSE from an official company e-mail address of the Sponsor or Designated Adviser and not from a personal e-mail address.

SECTION 9

Guidance Letter: Amending transaction terms as approved by shareholders

Date: 8 May 2012

Background

The JSE has recently received several requests to consider amendments to transactions as previously approved by shareholders in general meeting (“approved transaction”) on the basis that the proposed amendments are not material to shareholders and therefore do not require shareholder approval.

It has been the JSE’s firm position that it cannot and will not make an assessment on materially on behalf of shareholders as far as it relates to a proposed amendment to an approved transaction. It has been the JSE’s approach to refer any amendments to an approved transaction (irrespective of materiality) back to shareholders for their due consideration in order that they may exercise their vote in respect thereof.

Review of approach

The JSE endeavors to be pragmatic in its approach and in recent cases compelling arguments have been provided to the JSE that certain proposed amendments to approved transactions were (i) not material and (ii) not in conflict with the approved transaction (the “considering factors”), and therefore did not require the further approval of shareholders in general meeting.

The JSE wishes to advise that the general rule still applies that amendments to approved transactions must be approved by shareholders in general meeting. However, the JSE is willing to consider amendments to approved transactions, on application, where the considering factors can be clearly evidenced and supported. The JSE will seek confirmation on the considering factors from (i) the board of the issuer, (ii) the auditors of the issuer, (iii) the legal advisers of the issuer and (iv) such expert/s as the JSE may deem appropriate in its discretion (the “confirming parties”).

The JSE is aware that the general rule of referring matters back to shareholders on the mere fact that it is an amendment to an approved transaction may have timing and cost implications (in certain cases to the detriment of shareholders) and has therefore revised its approach from the general rule.

Each and every amendment to an approved transaction will be considered on its own merit and no general precedent will be created in respect of the JSE's approach. Once the JSE is satisfied with the various representations made by the relevant parties as regards the considering factors, the JSE may issue a letter of no objection in respect of the amendments to the approved transaction not being referred back to shareholders. The JSE will require that an announcement be released on SENS addressing each of the considering factors as reported by the confirming parties and stating clearly that the amendments to the approved transaction will not be referred back to shareholders for approval.

In order for the JSE to take a view on the considering factors in respect of a proposed amendment to an approved transaction, the JSE will require and rely on the following

- A letter signed by a director of the Issuer clearly explaining the nature of the amendments to the approved transaction and the rationale for such amendments, also stating clearly why, in the board's opinion (as supported by the necessary board minutes), the proposed amendments to the approved transaction are not material and not in conflict with the approved transaction;
- A letter signed by the appointed auditors showing the pro forma financial effects of the proposed amendments on the approved transaction; and
- A letter signed by the legal advisers of the Issuer clearly explaining the nature of the amendments to the approved transaction and the rationale for such amendments, also stating clearly why, in the lawyer's opinion, the proposed amendments to the approved transaction are not material and not in conflict with the approved transaction.

The JSE may request the submission of irrevocable undertakings, signed by shareholders of the issuer, (i) supporting each of the considering factors, (ii) specifying the proposed amendments to the approved transaction and (iii) stating clearly that should those amendments be proposed at a general meeting of shareholders of the issuer, that such shareholders would vote in favour of such proposed amendments. Such irrevocable undertakings should exceed the threshold required for the passing of the said resolutions as regards the approved transaction.

The above is not an exhaustive list and the JSE may consider any external factors that may have bearing on the considering factors.

Guidance Letter: Related party issues – Schemes of arrangement and offers

Date: 2 April 2012

The JSE recently consulted with various stakeholders and market participants regarding the application of the related party provisions of the JSE Listings Requirements (the "Requirements") as it relates to (i) schemes of arrangement for the purpose of a recommended take-over ("Scheme") and (ii) offers to shareholders of a target company ("Offers").

The purpose of the letter is to provide guidance on the related party implications for a listed offeror company in Offers and Schemes, which Offers and Schemes are primarily regulated by the Takeover Regulations Panel ("TRP") created by the Companies Act No. 71 of 2008.

For purposes of this guidance note, it should be noted that focus is placed on the offeror in the context that it is a listed company on the JSE. The regulation involved in respect of the target company and its shareholders are undertaken by the TRP subject to paragraph 11.54 of the Requirements.

Schemes

A Scheme is one of the methods used in effecting a take-over. A Scheme by definition is an arrangement proposed by the offeror between a company and its members and accordingly requires the target company's board to approve the Scheme documentation submitted to shareholders for their consideration and approval.

Although a Scheme is primarily regulated by the TRP, the JSE's jurisdiction in relation to a Scheme is over the listed offeror company as it would be a transaction (an acquisition) for such listed offeror company pursuant to Section 9 of the Requirements. The JSE

will therefore also assess the relationship between the listed offeror company and the target company in accordance with the provisions of section 10 of the Requirements.

Offers

An Offer involves an offer by an offeror to shareholders of a target company and there may be no involvement by the target company's board

As in the case with a Scheme, the JSE's jurisdiction in relation to an Offer is over the listed offeror company as it would be a transaction (an acquisition) for such listed offeror company pursuant to Section 9 of the Requirements.

Taking into account the nature of such an Offer and the number of shareholders of the target company that may be involved, the JSE will normally only enact the related party provisions of Section 10 of the Requirements where there is a common controlling shareholder present in both the listed offeror company and the target company. The JSE is of the view that such common controlling shareholder would be in a position to influence the board's decision of the listed offeror company as it relates to the determination of the Offer price and may even control the boards of both the listed offeror company and target company. On this basis, the normal provisions of a related party transaction would apply for the listed offeror company (including the preparation of a fairness opinion as it relates to the Offer price).

The JSE reserves the right to assess the relationship between the listed offeror company and the shareholders of the target company in accordance with the provisions of section 10 of the Requirements.

In cases where any of the shareholders in the target company have board representation in the listed offeror company, the JSE will require appropriate corporate governance measures to be applied by the listed offeror company. Thus, such representative on the board of the listed offeror company may not participate in any way whatsoever as it relates to the determination whether an Offer will be made and the subsequent quantum of the Offer price to be offered by the listed offeror company.

Guidance letter: **Approved executive sign-off on submissions to the JSE**

Date: 18 May 2012

The JSE Limited ("JSE") has noticed in certain cases that the first submission checklist and /or schedule 17 declaration is not submitted for "smaller" documents such as articles of association, share schemes, and specific payments.

In light of this we felt that it would be appropriate to remind approved executives of their responsibilities in terms of the Listings Requirements ("LR") in order to avoid any delays in the approval process.

Paragraph 16.2 of the LR details the types of documents that must be submitted through a sponsor and you will note that the "smaller" documents referred to above is specifically covered in this paragraph. Paragraph 16.3 deals with the procedures for documents requiring JSE approval and 16.3(a) states that all submissions must be accompanied by, inter alia, the first submission checklist signed by an approved executive. The first submission checklist is contained in the Appendix to section 16 and calls for, inter alia, a signed sponsor declaration as contained in Schedule 17.

Schedule 17 deals with three aspects and must be signed by the responsible approved executive. First and foremost there is confirmation that the submission complies with the

LR. Secondly, there is confirmation that the approved executive will review each submission before it is submitted to the JSE and it finally deals with independence. Based on the above we wish to advise that we will longer accept any submissions that are not properly signed-off as explained to above. Please ensure that this is adhered to avoid delays in the approval process.

SECTION 10

Guidance Letter: Fairness opinion: related party transactions in respect of property and mineral assets

Date: 25 October 2012

Fairness opinion: related party transactions in respect of property and mineral assets

Typically for a related party transaction the directors of the issuer must make a statement indicating whether or not the related party transaction is fair insofar as shareholders of the issuer are concerned and that the board of directors has been advised by an independent expert acceptable to the JSE. The board of directors must obtain a fairness opinion prepared in accordance with Schedule 5 of the JSE Listings Requirements (the “Requirements”). Before issuing a fairness opinion, the independent professional expert must perform a valuation of the issuer and/or the subject of the transaction.

In 2007, with the introduction of the amendments to paragraph 10.4(f) of the Requirements, the JSE adopted a pragmatic approach to fairness opinions prepared pursuant to certain related party transactions. The provisions of paragraph 10.4(f) allow for a fairness opinion, resulting from a related party transaction, to be dispensed with in the event that (i) property or (ii) mineral assets form the subject matter of the related party transaction and where the value thereof is supported by the necessary valuations. The rationale for the approach being that a valuation is performed on the asset, which is then compared against the consideration paid or received in respect of that asset. The only basis under which such a comparison can take place on a like for like basis is if the consideration paid or received in respect of the asset is clearly ascertainable and determinable in the form of cash, without any consideration whatsoever of outside variables. The fairness opinion becomes superfluous where the value of the asset can be weighed outright against the cash consideration received or paid for the asset.

It should therefore be noted that the exemption on a fairness opinion as envisaged above does not apply where the consideration received or paid for the asset is in the form other than cash, such as the issue of shares in the issuer.

Therefore, only in the event that a related party transaction involves –

- property and/or mineral assets, as the subject matter of the acquisition or disposal pursuant to a related party transaction;
- the value of which has been determined and supported by a valuation –
 - For property assets it would be a valuation report prepared in accordance with paragraphs 13.20 and 13.31 of the Requirements; and
 - For mineral assets it would be a valuation included in a competent person’s report prepared in accordance with Section 12 of the Requirements by an independent competent person.
- the consideration received or paid is settled in cash,

the requirement for a fairness opinion may be dispensed with.

For the avoidance of doubt, the above principle applies equally to paragraph 13.10 of the Requirements which provides that an issuer is exempt from providing a fairness opinion where a related party transaction involves property, the subject of the valuation report prepared in accordance with paragraphs 13.20 to 13.31. It should be noted however, that property is specifically defined and described in section 13 as being immovable property consisting of land and buildings.

The exemption from obtaining a fairness opinion set out in paragraphs 10.4(f) in respect of (i) property or (ii) mineral assets is subject to the following two factors being present:

- The transaction involves an asset only, not a business, shares in a company, or a stake in a joint venture or partnership; and
- The consideration received or paid is settled in cash.

It should be noted that once a transaction involves more than an asset as envisaged above other factors may come into play which could impact the valuation as:

- There could be other assets and liabilities within the entity that may need to be considered; and
- There are other valuation considerations that need to be taken into account when the related party transaction involves a business or a group of assets.

SECTION 13

Guidance Letter: Annual declaration process for auditors, IFRS advisors and reporting accountant specialists

Date: 30 April 2014

Guidance Letter: Reporting of restatements

Date: 8 October 2014

From 2009 accredited auditors were responsible for reporting restatements of results to the JSE. These notifications would then trigger correspondence between the JSE and the issuer. This reporting responsibility will shift to the issuer with effect from the implementation of the 2014 revision of the JSE Listings Requirements (“**the Requirements**”). This letter aims to provide guidance to issuers as to how to fulfil this new responsibility. It also incorporates the information previously set out in our letter of June 2013 which dealt with certain aspects of the reporting responsibility and as such that 2013 letter has been withdrawn.

When to report a restatement

New paragraph 3.14 of the Requirements states the following:

“In the instance where an applicant issuer restates previously published results, for whatever reason, they must submit a restatement notification to the JSE containing details of the restatement and the reasons therefor. Such notification must be submitted within 24 hours from the restated results being published on SENS.”

For the sake of clarity we wish to confirm that previously published results cover interim results, preliminary results, provisional results, abridged results and annual financial statements whether published separately or as part of another document which are restated and republished.

How to report a restatement

The restatement notification must be sent via email to the following email address: restatements@jse.co.za. The notification should contain sufficient information through a detailed narrative for the JSE to understand the nature and circumstances that led to each specific restatement, as well as details regarding how and when the need for restatement was identified. The impact of the restatement on previously published results should also be included.

Which restatements

Restatements (also sometimes called re-presentations) of previous published results can occur in the following instances:

- (i) a new accounting standard or interpretation is issued by the IASB, which requires retrospective application;
- (ii) a voluntary change of accounting policy or change in the application of IFRS;
- (iii) the application of IFRS 5 – Non-current Assets Held for Sale and Discontinued Operations and/or paragraph 28 of IAS 33-Earnings per Share;
- (iv) a reclassification of amounts disclosed in the prior period financials;
- (v) the correction of a material prior period error; and/or
- (vi) for some other reason.

Historically the JSE required to be advised of any restatement. Going forward the JSE does not wish to be advised of any restatements under points (i) and (iii).

Furthermore, the same restatement will often appear in the interim results, preliminary or provisional results and the annual results. Notification of restatements resulting from category (ii) above need only occur once for each change.

Guidance letter: Application of IFRS for antecedent interest on linked units

Date: 9 October 2014

The JSE wishes to bring to your attention a recent matter arising from its pro-active monitoring activities dealing with the treatment of antecedent interest payable by property entities with linked units. This matter was also referred to the Financial Reporting Investigation Panel (“FRIP”) for their advice.

Fact pattern

In this specific instance a property entity (“**the issuer**”) with a debenture linked to an ordinary share (“**linked unit**”) issued new linked units between two debenture distribution dates.

The issuer:

- (i) Determined the amount of interest attributable to the newly issued linked units from the last distribution date to the issue date (“**antecedent interest**”) and accounted for this as income;
- (ii) Did not correctly apply their own accounting policy to measure the debenture at fair value plus transaction costs at initial recognition; and
- (iii) Thereafter incorrectly fair valued the debenture, instead of measuring it applying amortised cost using the effective interest rate method.

Application of IFRS

The treatment of antecedent interest in terms of the above fact pattern is not in accordance with International Financial Reporting Standards (“**IFRS**”). It is neither revenue in terms of *IAS 8 – Revenue* standard nor income in terms of the *Framework*. The FRIP advised that this antecedent interest forms part of the cash inflow on the issue of the linked units and should be recognised as part of the debenture liability’s initial carrying amount using the effective interest rate method (*IAS 18.30 and IAS 39.09*).

IAS 39.43 states that when a financial asset or financial liability is recognised initially, an entity shall measure it at its fair value plus, in the case of a financial asset or financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability. Thus the fair value of the debenture liability as determined initially should include the antecedent interest portion, since it is a component of the debenture portion’s future contractual cash flows.

Furthermore the debenture liability is then amortised using the effective interest rate in accordance with *IAS 39 – Financial Instruments: Recognition and Measurement* for every separate issue of debentures (linked units).

Conclusion

The JSE urges issuers to pay careful attention to their accounting treatment for both antecedent interest and the measurement of debentures. Whilst we understand that the linked unit structures are in the process of being collapsed, we wish to highlight these

principles to ensure that issuers do not take the same approach as it relates to dividends that they may believe accrue on the shares issued in place of the linked unit structures.

Guidance letter: Updated training courses for auditors and reporting accountant specialists

Date: 10 October 2014

We refer to the JSE letter dated 30 May 2014 (the “**May letter**”) with regards to the recognised training courses for auditors and reporting accountant specialists. This letter provides an update on the content of that letter and therefore replaces the May letter.

The 2014 amendments to the JSE Listings Requirements (the “**Requirements**”) referred to in the May letter has been completed and the JSE recently issued Service Issue 18. Auditors and reporting accountants will be required to attend the updated JSE recognised training courses in order to remain accredited. Furthermore, all presenters that are providing the training must submit their presentations as well as their credentials to the JSE for official recognition before they schedule any presentations.

There are two different courses which auditors need to be aware of:

- The Auditors Reporting Accountant Specialist Course; and
- !! The Auditors General Listings Requirements Course.

We wish to draw your attention to the fact that both the content and target audience for the two courses are different.

The Auditors Reporting Accountant Specialist Course (“RA Specialist Course”)

Auditors must attend the RA Specialist Course if they wish to register as a reporting accountant specialist and do not have the necessary experience and knowledge as specified in Schedule 15.6 (e)(ii) of the Requirements. The JSE has, at this stage, only approved one vendor, KAR Presentations, who is authorised to present this course.

The Auditors General Listings Requirements Course (“GLR Course”)

The GLR Course is compulsory for all listed company auditors. The obligation to attend this course can be fulfilled in the following manner:

1. Audit firms may hold in-house courses, provided the JSE has approved both the content of the training and the specific presenters who will be presenting the course; or
2. Auditors may attend courses presented by certain external parties who have had both their content and specific presenters approved by the JSE.

Annexure 1 to this letter provides broad guidelines as to the areas that the GLR Course must cover.

Process of approval

In order for the training to be recognised by the JSE, the parties presenting must:

- (i) ensure their course material covers the minimum content detailed herein;
- (ii) submit the presentation to the JSE for recognition; and

- (iii) provide details of the credentials of the presenters including their experience as it relates to the application of the Requirements.

Please ensure that the above is submitted to auditorsadmin@jse.co.za. We will require a minimum of 7 days to review and/or approve the presenter and training material.

The JSE will recognise the training even if it is given in different parts e.g. training on Part A aspects may be given separately from the Part B aspects (see **Annexure 1**).

Updated GLR Courses

For new applications, the JSE will only recognise training on Part A if it incorporates the 2014 amendments. As it relates to existing accredited auditors, updated training must have been completed by all individuals by 31 May 2015 in order for their accreditation to be renewed. The annual declarations for 2015 will have to specifically include confirmation that the individual auditor attended an updated course based on the 2014 amendments.

As it relates to Part B, given that the Headline Earnings Circular of 2009 was updated in 2012 and August 2013 we will only accept training that occurs on the new Headline Earnings Circular. Therefore for all new applications for auditor accreditation, the JSE will only recognise training done on the SAICA Circular 2/2013 – Headline Earnings. All existing accredited auditors will also be required to attend training on the SAICA Circular 2/2013 – Headline Earnings and to provide details to the JSE of during the 2015 annual declaration process.

The Financial Markets Act No. 19 of 2012 (“FMA”) replaced the Securities Services Act No. 36 of 2004 (“SSA”) and therefore as it relates to new auditor accreditation training will only be accepted provided the auditor has attended training on the market abuse provisions of the FMA and not the SSA.

Please contact Bernardine Joubert if you have any further questions regarding the above.

Yours faithfully

A.F. VISSER: GENERAL MANAGER

ISSUER REGULATION

Annexure 2

This annexure includes some frequently asked questions that we receive from auditors.

1. Is a foreign company listed on the JSE required to have a JSE accredited audit firm?
If the company is primary listed on the JSE, then they are required to have a JSE accredited audit firm.
If the company is secondary listed on the JSE, their auditor does not have to be accredited with the JSE.
However, registered foreign auditors cannot be accredited by the JSE as reporting accountants and therefore cannot sign off in a listing document on pro forma financial information.
2. Is a debt issuer required to have a JSE accredited audit firm?
No, this is not a requirement.
3. Is an Integrated Report required in terms of the Listings Requirements?
No, this is not a requirement.
4. What disclosure must be included in the annual report of a listed company for restrictive funding arrangements?
 - the restriction(s) on specified events attaching to the funding arrangement;
 - the funding provider(s); and
 - the amount of the funding.
5. When must an auditor modify his/her audit report?
In cases on non-compliance with paragraph 8.63(b)–(k), (m)–(p) of the Requirements.
6. As an auditor, I include my latest IRBA review in my annual declaration submission on 1 June every year. Am I still required to inform the JSE of the outcome of my file review when I receive it?
Yes, you are required to submit the outcome of your file review with 5 days of receipt from IRBA.
7. Do I still need to inform the JSE of any legal or disciplinary process even though it has not been finalised?
Yes, you need to inform the JSE as soon as you are notified of a possible legal or disciplinary process. The JSE must also be informed of the outcome of such process in due course.
8. When should I notify the JSE if I have been appointed or resigned as the auditor of a listed company and what should be included in my notification.
You must advise the JSE, within 48 hours from the date of notification of termination or resignation involving:
 - (a) the termination of the appointment of the audit firm/ partner;
 - (b) the resignation of the audit firm/ partner; and/or
 - (c) the appointment of a new audit partner as a result of rotation of audits amongst audit partners.

The notification must include the effective date of appointment/resignation, the details of the reason for termination or resignation and confirmation that there is no reportable irregularity.

9. Am I obliged to provide additional information if requested by the JSE regarding my IRBA reviews even though it may include confidential information relating to a listed issuer?

Section 22.5(d) of the Requirements state that the auditor must “provide to the JSE any information or explanation known to it, in such form and within such time limit as the JSE may reasonably require, for the purpose of verifying whether the Listings Requirements are being and have been complied with by it or by an applicant issuer”. Information requested by the JSE must therefore be adhered to in order to assist the JSE in their regulatory duties.

10. Where should all notifications from auditors be submitted?

All notifications must be submitted to auditorsadmin@jse.co.za.

11. As an auditor, can I just send all notifications and correspondence to the JSE?

All notifications and correspondence should be channelled through your audit firms’ primary contact, whether directly or indirectly by copying the primary contact in yours emails.

SECTION 18

Guidance Letter: Termination at the request of the issuer: Secondary listed issuers

Date: 20 June 2012

An issue was recently raised whether an issuer had to comply with the termination provisions (at the request of the issuer) pursuant to paragraph 1.13 of the JSE Listings Requirements (the "Requirements") in instances where the issuer was secondary listed on the JSE.

The factors for consideration presented to the JSE were the following:

On the basis that the primary exchange of the issuer did not require (i) shareholder approval or (ii) an offer to be made to shareholders in order to affect the termination of securities –

- the JSE (as the secondary exchange) should follow suit as the securities would be terminated in accordance with the requirements of the primary exchange; and
- the provisions of paragraph 18.19 of the Requirements dealing with the continuing obligations of secondary listed issuers did to specifically address adherence to the termination provisions as set out in paragraph 1.13 of the Requirements.

Paragraph 1.13: Termination of securities at the request of the issuer

The relevant provision relating to termination of securities at the request of the issuer has been extracted below from the Requirements for ease of reference:

- 1.13 An issuer may make written application to the JSE for a deletion of any of its securities from the List, stating from which time and date it wishes the deletion to be effective. The JSE may grant the request for termination, provided paragraphs 1.14 and 1.15 are properly complied with and perfected.
- 1.14 Prior to being able to effect paragraph 1.13, an issuer must send a circular to the holders of its securities complying not only with the requirements of paragraph 11.1 (contents of all circulars) but also with the following:
 - (a) where the issuer is a listed company, approval must be obtained from shareholders in general meeting for the termination of the listing prior to the issuer making written application for such removal;
 - (b) the reasons for termination must be clearly stated;
 - (c) an offer (which must be fair in terms of paragraph 1.14(d)) must be made to all holders of listed securities with terms and conditions provided in full; and
 - (d) a statement must be included by the board of directors confirming that the offer is fair insofar as the shareholders (excluding any related party/ies if it/they are equity securities holders) of the issuer are concerned and that the board of directors has been so advised by an independent expert acceptable to the JSE. The board of directors must obtain a fairness opinion (which must be included in the circular), prepared in accordance with Schedule 5, before making this statement.
- 1.15 Where approval is required in terms of paragraph 1.14(a), more than 50% of the votes of all shareholders present or represented by proxy at the general meeting,

excluding any controlling shareholder, its associates and any party acting in concert, and any other party which the JSE deems appropriate, must be cast in favour of such resolution, unless the JSE otherwise decides.

Dual Listings: Section 18 of the Requirements

In order to address this issue the meaning of secondary listing status should be understood. Secondary listing status means that once an applicant issuer is listed, it will only be required to comply with the listings requirements of the exchange where it has its primary listing, save as otherwise specifically stated in the Requirements.

Authority of the JSE

The section in the Requirements dealing with the termination provisions is contained in Section 1 of the Requirements. The scope of the section states clearly in the preamble that the section sets out the authority of the JSE regarding its powers to list, suspend and terminate listings, and its powers to enforce the Requirements.

These powers are general enabling powers applicable to all issuers, including issuers with secondary listings on the JSE.

The continuing obligations provisions: Paragraph 18.19 of the Requirements

It was argued that the termination provisions did not apply to the issuer on the basis that the Continuing Obligations Provisions did not include adherence to the termination provisions as set out in Section 1 of the Requirements.

It should be appreciated that the Continuing Obligations Provisions deal with continued disclosure as long as the issuer remains secondary listed on the JSE and it would therefore be out of place to deal with provisions dealing with the termination of securities.

This position is confirmed in the above definition of secondary listing status. Once an applicant issuer is listed, it will only be required to comply with the listings requirements of the exchange where it has its primary listing, save as otherwise specifically stated in the Requirements. Thus, as long as the secondary listed issuer is listed on the JSE it would need to comply with the Continuing Obligations Provisions of the JSE despite any contrary requirements of the primary exchange.

Conclusion

It should be noted that one of the objectives of the JSE is aimed at ensuring that its activities are carried out with due regard to the public interest. On the basis that secondary listed companies actively market and pursue investments from the South African public and others, there is no reason to believe that the Requirements, as they pertain to the termination of securities at the request of the issuer, do not apply to secondary listed companies which have securities listed on the JSE.

Secondary Listed Companies

Guidance Letter: Corporate actions and certain other events undertaken by secondary listed companies on the JSE

Date: 10 March 2010

The JSE Limited ("JSE") has received numerous requests from sponsors regarding the approval by the JSE of corporate actions or events specified in terms of paragraph 16.2 of the JSE Listings Requirements ("LR") undertaken by companies with a secondary listing on the JSE. In light of this and given some of the difficulties experienced by some companies we have decided to clarify our approach in relation to the above. In future, sponsors must submit to the JSE at least 5 working days prior to the date of the circular, a letter confirming the following:

- that all relevant approvals have been granted. These approvals will, amongst others, include approval from the listings or other competent authority of the exchange where the company has its primary listing and if applicable, approval from the South African Reserve Bank;
- that the circular as submitted is in compliance with Section 18 of the LR to the extent required;
- that approval has been granted by the Corporate Actions and Clearing and Settlement Departments of the JSE with regard to any procedural and timetable issues;
- that they are satisfied that there is nothing in the document that is in conflict with the LR (if there is a conflict, this must be brought to the attention of Issuer Services Division); and
- the contents of the documents will not lead to a reverse listing (as contemplated in Section 9 of the LR).

The JSE will, subject to compliance with the above, peruse the document and provide formal approval within 48 hours of the submission.

Certain corporate actions can be extremely complex and it should therefore be noted that for approval to be granted from the departments (as mentioned above) within at least 5 working days prior to the date of the document, they must have been consulted as far in advance of the process as possible.

As this is a new approach, we may have to change it if we experience any problems in the future. Please communicate this new approach to your clients with secondary listings on the JSE.

SECTION 19

Guidance Letter: Acceptable index providers

Date: 27 November 2008

Introduction

The JSE Limited (“JSE”) Listings Requirements, specifically section 19, make provision for the listing of certain instruments with an index as their underlying basis. In order to promote investor protection, the JSE requires that the index meets certain minimum requirements. In this regard, the JSE has established certain principles which will be used to determine whether the index and the party responsible for its calculation are acceptable. The principles, together with supporting guidelines, are set out in paragraphs 2 to 6 below.

Experience

The index provider must satisfy the JSE that it has adequate experience in calculating indices. The JSE will have regard to the following guidelines in considering whether an index provider has the required experiences:

- The index provider will be expected to have staff with considerable relevant experience. Experience could include the calculation of in-house benchmarks, custom indices or having worked with or been employed by a reputable index provider for a considerable period.
- The index provider must provide evidence that it has sufficient knowledge and experience in dealing with the impact of corporate actions on indices. This could be achieved by displaying a satisfactory track record of applying corporate actions correctly to an index.

Transparency

The construction of the index, including the treatment of corporate actions, must be clearly stated in the Ground Rules Document and its document must be publicly available to ensure full transparency. The JSE will have regard to the following guidelines in considering whether the Ground Rule Document is acceptable:

- It must contain the basic constitution of the index and the treatment of all known corporate actions must be clearly set out to ensure that they are dealt with timeously, objectively and consistently.
- Details of index reviews and the intervals at which such reviews are conducted must be clearly disclosed.
- It must include details of the process followed when there are changes to the index and how these changes will be communicated to investors.

Independence

An index provider must calculate the index objectively without undue influence from the organisation or fund which is issuing the instrument based on the index. Consequently, an index provider may not act as an index provider to any organisation or fund issuing the relevant instrument from which it is not independent except with the specific

approval of the JSE. The JSE will have regard to the following guidelines in considering whether to allow an index provider to act for an organisation or fund issuing the instrument from which it is not deemed to be independent:

- The department or business unit that is responsible for calculating the index must operate separately from the issuer of the instrument and this must be evidenced by clear “Chinese walls”.
- The department or business unit responsible for calculation the index must not have any reporting lines into the department or business unit responsible for issuing the instrument.
- The compliance officer of the organisation must confirm in writing that the two areas are sufficiently independent and separated to ensure that the one is not influenced at all by the other.
- A policy must be in place stipulating how matters will be dealt with that are not covered in the Ground Rules Document and this policy must ensure that decisions are taken in order that the interests of the issuer of the instrument may not be in conflict with the best interest of investors.
- Disclosure regarding the relationship between the index provider and the issuer of the instrument must be included in the listing documentation together with details on the index provider’s ability to act independently.

Continuity

Arrangements must be in place to ensure that a sufficient number of experienced staff are available to properly discharge the index provider’s responsibilities at all times. If the index provider does not have the necessary staff to fulfil this obligation, it must have alternative arrangements in place to ensure continuity at all times. The JSE will have regard to the following guidelines in considering whether the alternative arrangements are acceptable:

- The index provider must have an agreement in place with another index provider that will take over its responsibilities in the event of the index provider not being able to discharge its responsibilities for whatever reason.
- The other index provider referred to in (a) above must meet the criteria in considering was set out in this document and be approved by the JSE.

Technology

The index provider must demonstrate to the JSE that it has a robust index calculation system in place. The JSE will have regard to the following guidelines in considering whether the system is acceptable:

- The system must not be subject to manipulation. Confirmation of this must be provided to the JSE and the issuer of the instrument must confirm that it is satisfied with the controls implemented to avoid manipulation.
- The system must be designed to ensure continuity in the event of a system failure.

The JSE would encourage potential index providers to submit all the relevant documentation evidencing compliance with the above principles and guidelines early in the process in order to ensure that there are no unnecessary delays in the approval of a new listing.

Financial and audit related – Continuing obligations

Guidance Letter: Proactive monitoring of financial statements

Date: 16 February 2011

The JSE has released an announcement on SENS today regarding pro active monitoring of financial statements. As a reminder, compliance with SA GAAP was made a JSE Listings Requirement in 2000. In 2005 this was changed to compliance with International Financial Reporting Standards (“IFRS”). The obligation to comply with IFRS is therefore not new. What has changed, however, is the JSE’s approach to regulating this matter. It is important to note that our change is in line with international best practice.

From a practical process perspective, the pro active review will begin shortly. All financial statements published on or after 1 January 2011 will be eligible for review. You will not receive any notification that your results have been selected. We shall contact you if the review process has identified issues which in our opinion warrant further investigation. In line with King III and the new Companies Act, No. 71 of 2008, audit committees must receive and deal appropriately with any concerns or complaints relating to accounting matters. We would therefore expect to see the input of the audit committee on any correspondence which flows from the company in response to issues of an accounting nature raised by the JSE.

A well regulated securities market is fundamental for listed companies to be able enjoy the benefits of being listed. We hope that you will embrace this new process and trust that together we will enhance South Africa’s standing in the international market.

Guidance Letter: Summary of financial statements

Date: 25 July 2011

The Companies Act, No. 71 of 2008 (“the Act”) makes provision for a summary of financial statements to be sent to shareholders, the summary must however comply with the prescribed requirements in the Act or Regulations. Unfortunately neither the Act nor the Regulations have provided for the prescribed requirements for a summary of financial statements.

Listed companies must thus obtain the necessary advice in order to determine whether it is legal to distribute a summary of financial statements to their shareholders. If they do send such a summary, whether voluntary or in terms of the Act, the JSE, without condoning that it is correct to send a summary, shall at the very least require of the company in relation to annual financial statements to have a summary that follows the approach of the Listings Requirements as they relate to preliminary, provisional and abridged reports. In this regard the summary must:

- be prepared in accordance with the framework concepts and measurement and recognition requirements of IFRS and the AC 500 standards as issued by the Accounting Practices Board or its successor; and
- must also as a minimum contain –

- the information required by IAS 34: Interim Financial Reporting (in other words the disclosure requirements); and
- a statement confirming that it has been so prepared.

These requirements apply equally to the situation where a company voluntarily sends financial information in a summarised format for example in advance of the notice of annual general meeting.

In the event that a company wishes to provide a summary of their interim financial reports, preliminary reports, provisional reports and abridged reports, such a summary must fully comply with paragraph 8.57 of the Listings Requirements.

Guidance Letter: Presentation of financial results

Date: 14 September 2007

The JSE Limited (“JSE”) wishes to remind issuers that in terms of paragraph 8.57 of the JSE Listings Requirements, interim, preliminary, provisional and abridged reports (period results reports) must be prepared in accordance with, and containing the information required by, International Financial Reporting Standards (“IFRS”) on Interim Financial Reporting (i.e. IAS 34).

In order to confirm compliance with this Listing Requirement, we ask issuers to include a statement confirming that the period results reports have been prepared in terms of IAS 34. This statement would be in addition to the normal wording which confirms that the accounting policies are in terms of IFRS and are consistent with those of the previous annual financial statements.

The GAAP Monitoring Panel (“GMP”), in recent cases referred to it has identified serious deficiencies with respect to compliance with IAS 34, as well as issues relating to accounting for business combinations. These matters are detailed in the Annexure to this letter. We would urge all issuers to carefully consider the content to their period results reports in light of paragraph 8.57 of the Listings Requirements and these GMP findings in order to avoid contravening the Listings Requirements.

Finally, in the context of period results reports which have been reviewed or audited we refer you to the 2004 SAICA guide. Although the references in this guide are out of date, the principle remains the same, namely the period results report should actually have an auditor’s report separate from the underlying detailed annual financial statements.

Annexure

This annexure does not deal with all the requirements of the applicable standards. Its purpose is to set out deficiencies in financial reporting identified by the GMP in recent cases referred to it.

IAS 34: Interim financial reporting

- 1.1 It should be noted that IAS 34 applies to half-yearly reports AND any preliminary, provisional or abridged reports issued by a company.
- 1.2 The minimum disclosure required includes specific disclosures relating to segment reporting and business combinations.
- 1.3 IAS 34, paragraph 16, requires, inter alia, the following minimum disclosure requirements:

Segment information, including:

- 1.3.1 Revenues from external customers.
- 1.3.2 Inter-segment revenues.
- 1.3.3 Segment profit or loss.

Business combinations, including:

- 1.3.4 The effective changes in the composition of the group during the period, including business combinations, acquisition or disposal of subsidiaries and long-term investments, restructurings and discontinued operations.
- 1.3.5 Acquisition date of business combinations.
- 1.3.6 Percentage of voting equity instruments acquired.
- 1.3.7 Cost of acquisitions.
- 1.3.8 If equity is issued (or issuable) in payment for an acquisition, disclosure is required of the number of equity instruments issued or issuable and the fair value of those instruments/basis for determining fair value.
- 1.3.9 The amount of the acquiree's profit or loss since acquisition date included within group profit for the period.
- 1.3.10 The revenue and results of the group for the period as if the acquisition dates had been at the beginning of the period.
- 1.3.11 Any gain/loss recognised in reporting period relating to the business combinations effected in the period.

Basic and diluted earnings per share

- 1.4 Diluted earnings per share data must include the effects of all dilutive potential ordinary shares. Contingently issuable shares should be included in the calculation of diluted earnings per share. This includes share issues which are subject to the fulfilment of conditions which had not yet been fulfilled at the reporting date. If there is a dispute regarding whether there are further shares to be issued (e.g. a dispute whether an earn-out target triggering share issue has been met), that fact should be disclosed and appropriate treatment and disclosure in terms of IAS 37 and Schedule 4 to the Companies Act, No. 61 of 1973 is required. Contingently issuable shares are only treated as dilutive their issue would have a negative effect on EPS.

IFRS 3: Business combinations/IAS 27: consolidated financial statements

- 2.1 The income and expenses of a subsidiary are to be included in the consolidated financial statements from the "acquisition date" as defined in IFRS 3. Income and expenses of a subsidiary are to be excluded from the consolidated financial statements from the date upon which the holding company ceases to control the subsidiary.
- 2.2 In terms of IFRS 3, the acquisition date is the date upon which the company "effectively obtains control of the acquiree" and control is the "power to govern the financial and operating policies . . .".
- 2.3 The date upon which the company effectively obtains control must be considered, having regard to the financial substance and economic reality, not the legal form in the acquisition agreement.
- 2.4 The effective date set in an agreement does not determine the acquisition (or sale) date for accounting purposes.

- 2.5 Some acquisition agreements reflect effective dates which are many months before the agreement date and/or the date upon which the acquirer effectively obtained control of the acquiree.
- 2.6 In those circumstances, the financial substance and economic reality is that the profits earned up to the acquisition date are included within the purchase price (and represented by increased net asset value as at the acquisition date). Such a transaction should be accounted for based on the acquisition date as defined in IFRS 3 and not the contractual effective date. Appropriate accounting adjustments are required in order to eliminate from the group profits the profits of the acquiree between the contractual effective date and the acquisition date.
- 2.7 The acquirer must account for the results of an acquired business or subsidiary based on the date upon which the power to govern was obtained in substance and reality (and not legal form). This principle applies equally to the seller, which should account for the results up to the date that such control was transferred to the buyer, in substance and reality, i.e. when seller “ceases to control” as referred to in IAS 27.
- 2.8 The consideration as to whether, in substance and reality, the power to govern had been obtained (or given up) would include, inter alia, an assessment of the de facto ability to make policy decisions in relation to the acquiree.
- 2.9 A measure of this power is to consider the date from which the acquirer had actual management control of the acquiree.
- 2.10 It follows that the allocation of the purchase price to the identified assets of the acquiree should not be based on the fair values as at the legal effective date in the contract, but on the acquisition date, which must be determined in compliance with IFRS 3.
- 2.11 In circumstances where a take-over cannot legally be implemented until regulatory approvals have been obtained, it would be unlikely that control in substance and reality, could have been obtained by the acquirer prior to this approval.
- 2.12 The following counter arguments put forward were considered and rejected by the GMP:
 1. the fact that the acquirer would be in control of the target at the end of its next reporting period is entirely irrelevant to the assessment;
 2. the fact that the acquirer would control the accounting policies of target for the historic reporting period is irrelevant to the assessment. The selection of accounting policies to utilise in reporting the historic period, has no bearing on the date upon which the acquirer effectively obtained control of the target;
 3. a reference was made to “guidance on implementation and illustrative examples”. The only matter of relevance is the application supplement, being Appendix “B” to IFRS 3. This does not provide any indication that control for accounting purposes is based on an analysis of contractual rights and legal form. The question of effective control contemplated by IFRS 3 requires an analysis of the substance and financial reality which prevails over the legal form;
 4. although contractually, certain rights may have passed to the acquirer on the effective date set in the agreement, this is clearly not the date from which the acquirer effectively obtains control of the target for the purposes of IFRS 3; and
 5. the fact that there may have been no significant changes in the policies of the target during the reporting period, that the core management would remain the same and that the businesses were principally the same, are all entirely

irrelevant considerations in assessing the acquisition date for the purposes of IFRS 3.

Guidance Letter: Presentation of pro forma financial information

Date: 4 March 2010

The Johannesburg Stock Exchange (“JSE”) has received a number of enquiries relating to the presentation of certain pro forma financial information (“pro formas”) and we deemed it appropriate to communicate our position on this to all issuers to avoid any uncertainty.

Paragraph 8.15 of the JSE Listings Requirements (“LR”) is clear that it relates to pro formas in any information requiring submission to the JSE. Such information includes results announcements and annual financial reports. Some issuers have adopted a practice of including additional information in their results to show the impact of for example:

- the acquisition of an asset as if it had been acquired at the beginning of the period;
- the application or non application of a specific IFRS; or
- the results for a longer or shorter period than the previously reported results; for example, retailers adjust past results to show a comparable 53 – week period.

These examples are all pro formas for JSE purposes and the disclosure thereof must accordingly be done in full compliance with Section 8 of the LR. This is the case even if the issuer only discloses for example a pro forma profit or revenue figure without showing the entire income statement.

Guidance Letter: Presentation of constant currency information

Date: 16 August 2012

We refer to our guidance letter dated 4 March 2010 which addressed certain items which the JSE regarded as pro forma financial information (“**pro forma information**”). The guidance letter further stipulated that the items would be regarded as pro forma information for JSE purposes and the disclosure thereof must therefore be provided in full compliance with section 8 of the Listings Requirements (the “**Requirements**”). One of the items mentioned was the application or non-application of a specific International Financial Reporting Standard (“**IFRS**”).

The JSE has recently noted that the presentation of financial information on a “constant currency” basis is increasing and in light of discussions held with certain issuers, the JSE decided to issue specific guidance thereon in order to ensure consistency in (i) the presentation of financial information and (ii) the involvement of auditors. IFRS has specific requirements dealing with currency conversions and the presentation of a “constant currency” figure essentially ignores the IFRS requirements. The presentation of financial information on a “constant currency” basis therefore falls into the category of non-application of a specific IFRS requirement and can therefore be regarded as pro forma information.

The JSE acknowledges that where management information is reviewed by the Chief Operating Decision Maker (as defined in terms of IFRS 8 – *Operating Segments*) in a currency other than the presented currency of the financial statements, an issuer is

obliged to present such information in terms of IFRS 8 – *Operating Segments*. Where the issuer is obliged to present this information in compliance with IFRS 8 the JSE will not impose its pro forma requirements on such issuer. Similarly the JSE is not concerned if an issuer explains, as a matter of fact, how an underlying currency strengthened or weekend during a specified period. Such commentary is common with other line items within the income statement, for example where an issuer explains changes in volumes of units sold.

In all other instances, when an issuer presents financial information on a “constant currency” basis they must:

- (i) Comply with paragraphs 8.16 and 8.18 of the Requirements;
- (ii) Explain clearly what the base information is, i.e. whether it is the current or the comparative period that has been adjusted for the application of a constant currency;
- (iii) Explain clearly how that base information has been adjusted for the exchange rate changes. Where there is more than one foreign currency involved this explanation must:
 - (a) provide details of each of the material currencies of the issuer for both periods; and
 - (b) indicate how the average exchange rate was calculated;
- (iv) For constant currency information presented as part of or accompanying interim results of the issuer represented in terms of paragraph 3.15(a) of the Requirements, there must be a statement advising investors that this information has not been reviewed and reported on by the issuers’ auditors; and
- (v) For constant currency information presented as part of or accompanying any other results the issuer must obtain a limited assurance report, prepared in terms of IASE 3000, from their auditor on such information, and the auditors’ report must be available for inspection. In issuing their report, the auditor must consider the accuracy and the appropriateness of the basis of presentation of the constant current financial information.

Guidance Letter: **Accreditation of new auditors and reporting accountant specialists**

Date: 25 March 2013

The JSE would like to clarify the Listings Requirements (“**the Requirements**”) in respect of the accreditation process of new auditors and reporting accountant specialists (“**the accreditation process**”). We have found that numerous submissions are being made for the accreditation process without all the required documents being included from the beginning. This unfortunately causes an unnecessary delay in the overall approval process both for the JSE and the proposed new auditors.

We therefore request that **all** of the following documents be submitted by the primary contact of your audit firm for each new application made:

1. A signed declaration form;
2. A letter from IRBA confirming the audit partner’s registration;
3. The audit partner’s latest IRBA review decision letter or a letter from IRBA stating the date of when the review will take place;
4. Certificate as proof of attendance of the JSE Listings Requirements Course or confirmation of when it will be attended;

5. Certificate as proof of attendance of the Headline Earnings Per Share course or confirmation of when it will be attended;
6. In the case of an application made for a Reporting Accountant Specialist, a certificate as proof of attendance of the Reporting Accountant Specialist Course;
7. The following contact details:
 - Telephone number
 - Email address; and
8. Confirmation from the primary contact that the submission includes all of the information referred to in points 1 to 7 above.

Any submissions made other than in terms of the above process will be automatically rejected. The approval process will only commence once there has been compliance with the above, and it is incumbent on the audit firm to ensure that there is a complete submission.

Guidance Letter: Integrated reporting

Date: 27 June 2013

This letters aims to clarify the continued misunderstanding within the market as to the obligations of listed companies (“**Issuers**”) pursuant to the JSE Listings Requirements (“**the Requirements**”) and Integrated Reporting.

The Requirements

On 31 January 2013 the JSE issued a guidance letter on corporate governance pursuant to the provisions of the Requirements. The JSE’s general approach to corporate governance in relation to the King Code on Corporate Governance for South Africa (the “**King Code**”) is that certain principles are mandatory with the balance being adopted on an “apply or explain” basis. Chapter 9 of the King Code which deals with Integrated Reporting and disclosure is not a mandatory principle pursuant to our recent guidance and can therefore be applied on an “apply or explain basis”.

The Consultation Draft of the International IR Framework (“**Draft Framework**”)

The JSE applauds the work of the International Integrated Reporting Council (“**IIRC**”) and for the publication of the Draft Framework. We believe that this document is an improvement on the Discussion Paper issued by IIRC in September 2011. Nevertheless, we would therefore encourage Issuers to provide their comments on the Draft Framework to the IIRC.

In conclusion, the JSE wishes to advise Issuers that the production of an Integrated Report is not a mandatory principle from a Requirements perspective and neither is the application and compliance with the Draft Framework.

Guidance Letter: Application of IFRS 2 to share incentive schemes containing a cash settlement option

Date: 10 September 2013

The JSE wishes to bring to your attention a recent matter arising from its pro-active monitoring activities dealing with the treatment of cash settled options. The matter was also referred to the Financial Reporting Investigation Panel (“**FRIP**”) for their advice.

Fact pattern

The terms of an equity settled share based payment scheme permitted settlement in cash at the option of the Issuer. In the first year of vesting the Issuer settled certain of the employees share appreciation rights (“SARS”) in cash when requested to do so by the employees. In the subsequent years, further SARS were settled in cash, even in instances when no request was made by the employee.

The Issuer continued to treat the SARS as equity settled on the basis that the decision to settle in cash was made at settlement date based on an assessment of the commercial and economic factors, and what would be most beneficial to the Issuer. The Issuer had no stated policy with regards to cash settlement and contended that it thus did not have a present obligation of cash settlement, and continued to treat the scheme as equity settled.

Application of IFRS 2

Given the above fact pattern the SARS should have been treated as cash settled in terms of paragraphs 41 to 43 of IFRS 2. In considering this matter the FRIP noted that:

- Past behaviour and patterns of generally settling in cash shed light on the assessment of the likely conduct in the future indicating a rebuttable presumption of likely conduct;
- In circumstances where the Issuer cash settles the majority of SARS, this would be an indicator that a practice has been developed of settling SARS in cash (irrespective of its stated policy in this regard);
- Settlement in cash, even when not requested to do so by the holder of the right, would point to conduct of generally settling in cash, and establishes a business behaviour in relation thereto;
- The settling in cash in those circumstances (without the request from the holder of the right), would in fact be a stronger indication of an obligation to settle in cash than the circumstance in IFRS 2 paragraph 41 which contemplates that the counter-party specifically requests cash settlement;
- Even if the original intention was to settle in shares, in the Issuers case, the settlements in cash indicated a practice of cash settlement, which would drive the accounting thereafter; and
- For completeness, the assessment of whether the SARS were cash or equity settled would be a significant judgment that should be disclosed in terms of IAS 1.

Conclusion

The JSE urges Issuers to pay careful attention to their accounting treatment for share incentive shares where the scheme allows for cash settlement and this option is being utilised.

Guidance Letter: Annual declarations for external IFRS advisors

Date: 30 April 2014

We have reached that time of the year again where we require the annual declarations to be submitted by the external IFRS advisors.

The following letter sets out the process to be followed regarding the submission of the annual declarations:

Kindly note, that all annual declarations are to be submitted to the JSE by **1 June**.

1. All declarations are to be submitted:
 - (i) In hard copy to the JSE and marked for the attention of Bernardine Joubert; or
 - (ii) Emailed to auditorsadmin@jse.co.za.
2. The following documents must be attached to the declaration:
 - (i) A summary of the IFRS work done on each of the four categories set out below, detailing the number of hours spent and the applicable IFRS's per category:
 - review of financial statements for IFRS compliance;
 - advising internal /external clients on the interpretation and/or of IFRS;
 - providing practical training on the application and interpretation of IFRS; and
 - other practical matters (please provide details, with motivation as to why this should count as the interpretation of IFRS).

Please indicate the hours for each of the above categories separately. Kindly note that the hours spent on the preparation of training material should be excluded.
 - (ii) A list of clients to whom a service was provided. Please note that you must have provided a combination of the services across as many of these categories as possible.

Where you are part of an IFRS advisory group the information provided must confirm that the group has a comprehensive knowledge of IFRS and that each member of the group specialises in specific area/s. Please note that the period for which a contract is signed with each client must be specified.

 - (iv) A letter from IRBA and/or SAICA confirming each IFRS advisor's registration. One letter confirming the registration of all IFRS advisor's will also be accepted.
3. We refer to the letter issued by the JSE dated 29 August 2011, in which we provided guidance as to the types of hours we would not ordinarily consider as being practical, interpretative consulting. In response to concerns raised with us from IFRS Advisors, we wish to clarify the following:
 - (i) In determining whether the required hours have been met to comply with the annual accreditation process, hours spent on the following will be included provided that the IFRS Advisor motivates as to why these hours should be viewed as hours spent on the practical interpretation of IFRS.
 - Developing of training material (as opposed to merely preparing the presentation/slides);
 - Attendance of IFRS-related conferences;
 - Attendance of SAICA sub-committee meetings;
 - Reading of IFRS standards;
 - Compiling of annual financial statements;
 - Developing internal disclosure programmes/ manuals; and
 - Writing of articles.
 - (ii) As it relates to the timing of the information, we accept for practical purposes that a declaration submitted on 1 June might not be based on information for the 12 months from 1 June to 31 May. Please ensure that your declaration highlights the 12-month period you have used.
4. Please refer to our website for the fees that will be invoiced.

General

1. Kindly note that all declarations and related documents are to be sent to the JSE in one batch by 1 June.
2. Please take note of the guidance letter attached regarding the accreditation process.
3. Where possible, please submit the annual declarations electronically rather than in hard copies.
4. Please do not send any new applications as part of your annual declaration submission. All new registrations must be emailed separately to auditorsadmin@jse.co.za.

Please email auditorsadmin@jse.co.za should you have any queries regarding the above.

Guidance Letter: Reporting of restatements

Date: 8 October 2014

From 2009 accredited auditors were responsible for reporting restatements of results to the JSE. These notifications would then trigger correspondence between the JSE and the issuer. This reporting responsibility will shift to the issuer with effect from the implementation of the 2014 revision of the JSE Listings Requirements (“**the Requirements**”). This letter aims to provide guidance to issuers as to how to fulfil this new responsibility. It also incorporates the information previously set out in our letter of June 2013 which dealt with certain aspects of the reporting responsibility and as such that 2013 letter has been withdrawn.

When to report a restatement

New paragraph 3.14 of the Requirements states the following:

“In the instance where an applicant issuer restates previously published results, for whatever reason, they must submit a restatement notification to the JSE containing details of the restatement and the reasons therefor. Such notification must be submitted within 24 hours from the restated results being published on SENS.”

For the sake of clarity we wish to confirm that previously published results cover interim results, preliminary results, provisional results, abridged results and annual financial statements whether published separately or as part of another document which are restated and republished.

How to report a restatement

The restatement notification must be sent via email to the following email address: restatements@jse.co.za. The notification should contain sufficient information through a detailed narrative for the JSE to understand the nature and circumstances that led to each specific restatement, as well as details regarding how and when the need for restatement was identified. The impact of the restatement on previously published results should also be included.

Which restatements

Restatements (also sometimes called re-presentations) of previous published results can occur in the following instances:

- (i) a new accounting standard or interpretation is issued by the IASB, which requires retrospective application;
- (ii) a voluntary change of accounting policy or change in the application of IFRS;
- (iii) the application of IFRS 5 – Non-current Assets Held for Sale and Discontinued Operations and/or paragraph 28 of IAS 33-Earnings per Share;
- (iv) a reclassification of amounts disclosed in the prior period financials;
- (v) the correction of a material prior period error; and/or
- (vi) for some other reason.

Historically the JSE required to be advised of any restatement. Going forward the JSE does not wish to be advised of any restatements under points (i) and (ii).

Furthermore, the same restatement will often appear in the interim results, preliminary or provisional results and the annual results. Notification of restatements resulting from category (ii) above need only occur once for each change.

Guidance letter: Application of IFRS for antecedent interest on linked units

Date: 9 October 2014

The JSE wishes to bring to your attention a recent matter arising from its pro-active monitoring activities dealing with the treatment of antecedent interest payable by property entities with linked units. This matter was also referred to the Financial Reporting Investigation Panel (“FRIP”) for their advice.

Fact pattern

In this specific instance a property entity (“**the issuer**”) with a debenture linked to an ordinary share (“**linked unit**”) issued new linked units between two debenture distribution dates.

The issuer:

- (i) Determined the amount of interest attributable to the newly issued linked units from the last distribution date to the issue date (“**antecedent interest**”) and accounted for this as income;
- (ii) Did not correctly apply their own accounting policy to measure the debenture at fair value plus transaction costs at initial recognition; and
- (iii) Thereafter incorrectly fair valued the debenture, instead of measuring it applying amortised cost using the effective interest rate method.

Application of IFRS

The treatment of antecedent interest in terms of the above fact pattern is not in accordance with International Financial Reporting Standards (“**IFRS**”). It is neither revenue in terms of *IAS 8 – Revenue* standard nor income in terms of the *Framework*. The FRIP advised that this antecedent interest forms part of the cash inflow on the issue of the linked units and should be recognised as part of the debenture liability’s initial carrying amount using the effective interest rate method (*IAS 18.30 and IAS 39.09*).

IAS 39.43 states that when a financial asset or financial liability is recognised initially, an entity shall measure it at its fair value plus, in the case of a financial asset or financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability. Thus the fair value of the debenture liability as determined initially should include the antecedent interest portion, since it is a component of the debenture portion’s future contractual cash flows.

Furthermore the debenture liability is then amortised using the effective interest rate in accordance with *IAS 39 – Financial Instruments: Recognition and Measurement* for every separate issue of debentures (linked units).

Conclusion

The JSE urges issuers to pay careful attention to their accounting treatment for both antecedent interest and the measurement of debentures. Whilst we understand that the linked unit structures are in the process of being collapsed, we wish to highlight these principles to ensure that issuers do not take the same approach as it relates to dividends that they may believe accrue on the shares issued in place of the linked unit structures.

Guidance letter: Updated training courses for auditors and reporting accountant specialists

Date: 10 October 2014

We refer to the JSE letter dated 30 May 2014 (the “**May letter**”) with regards to the recognised training courses for auditors and reporting accountant specialists. This letter provides an update on the content of that letter and therefore replaces the May letter.

The 2014 amendments to the JSE Listings Requirements (the “**Requirements**”) referred to in the May letter has been completed and the JSE recently issued Service Issue 18. Auditors and reporting accountants will be required to attend the updated JSE recognised training courses in order to remain accredited. Furthermore, all presenters that are providing the training must submit their presentations as well as their credentials to the JSE for official recognition before they schedule any presentations.

There are two different courses which auditors need to be aware of:

- The Auditors Reporting Accountant Specialist Course; and
- !! The Auditors General Listings Requirements Course.

We wish to draw your attention to the fact that both the content and target audience for the two courses are different.

The Auditors Reporting Accountant Specialist Course (“RA Specialist Course”)

Auditors must attend the RA Specialist Course if they wish to register as a reporting accountant specialist and do not have the necessary experience and knowledge as specified in Schedule 15.6 (e)(ii) of the Requirements. The JSE has, at this stage, only approved one vendor, KAR Presentations, who is authorised to present this course.

The Auditors General Listings Requirements Course (“GLR Course”)

The GLR Course is compulsory for all listed company auditors. The obligation to attend this course can be fulfilled in the following manner:

1. Audit firms may hold in-house courses, provided the JSE has approved both the content of the training and the specific presenters who will be presenting the course; or
2. Auditors may attend courses presented by certain external parties who have had both their content and specific presenters approved by the JSE.

Annexure 1 to this letter provides broad guidelines as to the areas that the GLR Course must cover.

Process of approval

In order for the training to be recognised by the JSE, the parties presenting must:

- (i) ensure their course material covers the minimum content detailed herein;
- (ii) submit the presentation to the JSE for recognition; and
- (iii) provide details of the credentials of the presenters including their experience as it relates to the application of the Requirements.

Please ensure that the above is submitted to auditorsadmin@jse.co.za. We will require a minimum of 7 days to review and/or approve the presenter and training material.

The JSE will recognise the training even if it is given in different parts e.g. training on Part A aspects may be given separately from the Part B aspects (see **Annexure 1**).

Updated GLR Courses

For new applications, the JSE will only recognise training on Part A if it incorporates the 2014 amendments. As it relates to existing accredited auditors, updated training must have been completed by all individuals by 31 May 2015 in order for their accreditation to be renewed. The annual declarations for 2015 will have to specifically include confirmation that the individual auditor attended an updated course based on the 2014 amendments.

As it relates to Part B, given that the Headline Earnings Circular of 2009 was updated in 2012 and August 2013 we will only accept training that occurs on the new Headline Earnings Circular. Therefore for all new applications for auditor accreditation, the JSE will only recognise training done on the SAICA Circular 2/2013 – Headline Earnings. All existing accredited auditors will also be required to attend training on the SAICA Circular 2/2013 – Headline Earnings and to provide details to the JSE of during the 2015 annual declaration process.

The Financial Markets Act No. 19 of 2012 (“**FMA**”) replaced the Securities Services Act No. 36 of 2004 (“**SSA**”) and therefore as it relates to new auditor accreditation training will only be accepted provided the auditor has attended training on the market abuse provisions of the FMA and not the SSA.

Please contact Bernardine Joubert if you have any further questions regarding the above.

Yours faithfully

A.F. VISSER: GENERAL MANAGER

Annexure 2

This annexure includes some frequently asked questions that we receive from auditors.

1. Is a foreign company listed on the JSE required to have a JSE accredited audit firm?
If the company is primary listed on the JSE, then they are required to have a JSE accredited audit firm.
If the company is secondary listed on the JSE, their auditor does not have to be accredited with the JSE.
However, registered foreign auditors cannot be accredited by the JSE as reporting accountants and therefore cannot sign off in a listing document on pro forma financial information.
2. Is a debt issuer required to have a JSE accredited audit firm?
No, this is not a requirement.
3. Is an Integrated Report required in terms of the Listings Requirements?
No, this is not a requirement.
4. What disclosure must be included in the annual report of a listed company for restrictive funding arrangements?
 - the restriction(s) on specified events attaching to the funding arrangement;
 - the funding provider(s); and
 - the amount of the funding.
5. When must an auditor modify his/her audit report?
In cases on non-compliance with paragraph 8.63(b)–(k), (m)–(p) of the Requirements.

6. As an auditor, I include my latest IRBA review in my annual declaration submission on 1 June every year. Am I still required to inform the JSE of the outcome of my file review when I receive it?
Yes, you are required to submit the outcome of your file review with 5 days of receipt from IRBA.
7. Do I still need to inform the JSE of any legal or disciplinary process even though it has not been finalised?
Yes, you need to inform the JSE as soon as you are notified of a possible legal or disciplinary process. The JSE must also be informed of the outcome of such process in due course.
8. When should I notify the JSE if I have been appointed or resigned as the auditor of a listed company and what should be included in my notification.
You must advise the JSE, within 48 hours from the date of notification of termination or resignation involving:
(a) the termination of the appointment of the audit firm/ partner;
(b) the resignation of the audit firm/ partner; and/or
(c) the appointment of a new audit partner as a result of rotation of audits amongst audit partners.
The notification must include the effective date of appointment/resignation, the details of the reason for termination or resignation and confirmation that there is no reportable irregularity.
9. Am I obliged to provide additional information if requested by the JSE regarding my IRBA reviews even though it may include confidential information relating to a listed issuer?
Section 22.5(d) of the Requirements state that the auditor must “provide to the JSE any information or explanation known to it, in such form and within such time limit as the JSE may reasonably require, for the purpose of verifying whether the Listings Requirements are being and have been complied with by it or by an applicant issuer”. Information requested by the JSE must therefore be adhered to in order to assist the JSE in their regulatory duties.
10. Where should all notifications from auditors be submitted?

11. As an auditor, can I just send all notifications and correspondence to the JSE?
All notifications and correspondence should be channelled through your audit firms’ primary contact, whether directly or indirectly by copying the primary contact in yours emails.

Financial and audit related – Circulars

Guidance Letter: Letter to sponsors/ designated Advisers

Date: 4 March 2010

Presentation of financial information: role of the reporting accountant specialist, sponsor and designated adviser

The Johannesburg Stock Exchange (“JSE”) Listings Requirements (“LR”) as they relate to Reporting Accountant Specialists (“RA Specialist”) have been in force for more than a year now. In light of this the JSE felt that it would be appropriate to clarify the responsibilities of RA Specialists, Sponsors and Designated Advisers (“DA’s”) in terms of the LR.

Sponsors and DA’s (“collectively referred to as Sponsors”)

- (1) The Sponsor must assist the RA Specialist, on a timely basis, by providing it with the draft circular full details of the transaction and any changes as and when they occur.
- (2) On first submission of a circular, the Sponsor must submit to the JSE the signed letter required from the RA Specialist in terms of paragraph 8.56(a) of the LR (“the 8.56(a) letter”). Submission of the circular without the 8.56(a) letter will delay the approval process and may even result in a rejection of the entire submission. The JSE will also not review the pro forma financial information (“pro formas”) or historical financial information. It must be noted that if we accept the submission without the 8.56(a) letter, the next submission we will in all likelihood be treated as a first submission again for turnaround purposes.
- (3) The Sponsor must ensure that the JSE comments are provided to the RA Specialist, and as far as reasonably possible should ensure that the comments have been addressed before making subsequent submissions.
- (4) On formal submission the Sponsor must ensure that paragraph 8.56(b) is complied with.
- (5) The Sponsor must approve all announcements and if the RA Specialist is not involved in the announcement then it will take full responsibility for ensuring compliance with the LR including the financial effects. Whilst we do not expect the Sponsor to ensure compliance with complex International Financial Reporting Standards (“IFRS”) matters they must ensure compliance with the remainder of Section 8 of the LR as they relate to pro formas and should ensure that the issuer has sought the necessary advice on any complex IFRS matters.
- (6) As it relates to circulars, the directors of the issuer are responsible for the content thereof. The RA Specialist takes responsibility to sign-off on the information prepared by the issuer. The Sponsors responsibility in terms of 2.8(d) of the LR still applies (which advice extend to financial information). They should therefore still be involved in advising on the Section 8 requirements and at the very least should perform a reasonableness check and should ensure compliance with the remainder of Section 8 as explained in point 5 above.

The role of the RA specialist

A separate letter has been sent to RA Specialists confirming their roles and responsibilities in the submission process. In that letter we also provided a list of common and/or serious problems that we encountered in circulars over the past year. Sponsors are advised to review that letter in order to understand the RA Specialist role. The list of common problems should also be considered by Sponsors as they fulfill their responsibilities as it relates to approval of announcements and their involved in circulars.

Pro forma information

We also refer you to a separate letter sent to issuers regarding pro forma information. Sponsors are responsible for all submissions to the JSE and must therefore carefully consider that information and ensure that all pro forma is dealt with appropriately.

Guidance Letter: Letter to reporting accountant specialists

Date: 5 March 2010

Presentation of financial information: Role of the reporting accountant specialist, sponsor and designated adviser

The Johannesburg Stock Exchange (“JSE”) Listings Requirements (“LR”) as they relate to Reporting Accountant Specialists (“RA Specialist”) have been in force for more than a year now. In light of this the JSE felt that it would be appropriate to clarify the responsibilities of RA Specialists, Sponsors and Designated Advisers (“DA’s”) in terms of the LR.

Sponsors and DA’s (“collectively referred to as Sponsors”)

- The Sponsor must assist the RA Specialist, on a timely basis, by providing it with the draft circular and details of the transaction and any changes as they occur.
- On first submission of a circular, the Sponsor must submit to the JSE the signed letter required from the RA Specialist in terms of paragraph 8.56(a) of the LR (“the 8.56(a) letter”). Submission of the circular without the 8.56(a) letter will delay the approval process.
- The Sponsor must ensure that the JSE comments are provided to the RA Specialist.
- The Sponsor handles the flow of documents and submission process between the JSE and the RA Specialist.

RA Specialist:

Submission process

- The RA Specialist must on the first submission of a document submit a signed 8.56(a) letter confirming that they have:
 - provided the necessary advice on the applicable IFRS and the LR; and
 - reviewed the first submission document to confirm that their advice was followed.
- In order to comply with the above, the RA Specialist must have performed a detailed review of the historical information and pro formas that are to be submitted to the JSE. The JSE acknowledges that this letter is not a guarantee that the figures are final as some may change, but the intention is that all the principle issues must have been addressed and we would not expect the final pro formas to be materially different. The RA Specialist must not sign their letter if their comments have not been addressed or if they have not had sight of the document that is to be submitted to the JSE.
- In order to provide the necessary advice and ensure compliance with the LR, the RA Specialist must have considered the content of the circular and any supporting agreements, and not just their part of the circular. It is only after such a consideration that they will be able to identify any other corporate actions that need to be included in the pro formas and to be able to confirm that everything is correctly reflected.

- The RA Specialist must consider any comments received from the JSE and ensure that any changes made to the transaction are correctly reflected in the financial information sections.
- The RA Specialist must consider the need to consult with their IFRS specialist if there is any uncertainty.
- On formal submission the RA Specialist must either sign off on the reporting accountants report or must submit a signed confirmation in accordance with paragraph 8.56(b) of the LR that they have reviewed the final pro formas and confirm that all JSE comments have been addressed and the pro formas fully comply with IFRS and the LR.

Expectations of RA Specialist

- When the JSE introduced the RA Specialist role, we acknowledged that many parties required some time to find their feet with the new process. We have therefore in the past been relatively lenient with the quality of work performed by certain RA Specialists and provided more detailed comments than we would have expected.
- Now that the process and roles have been established, the JSE expects the RA Specialist to ensure that the information is at the required standard to eliminate any problems. We will be placing more reliance on their work in the submission process and are moving away from the practice of the past year of having every set of pro forma figures reviewed by our own internal specialists as well as the corporate finance officer responsible for the document.
- In future, it will only be the corporate finance officers that will be reviewing certain disclosures and any areas of non-compliance by the RA Specialists will be dealt with in terms of Section 1 the LR.

Guidance Letter: Letter to sponsors/designated advisers

Date: 4 March 2010

Presentation of financial information: role of the reporting accountant specialist, sponsor and designated adviser

The Johannesburg Stock Exchange (“JSE”) Listings Requirements (“LR”) as they relate to Reporting Accountant Specialists (“RA Specialist”) have been in force for more than a year now. In light of this the JSE felt that it would be appropriate to clarify the responsibilities of RA Specialists, Sponsors and Designated Advisers (“DA’s”) in terms of the LR.

Sponsors and DA’s (“collectively referred to as Sponsors”)

- (1) The Sponsor must assist the RA Specialist, on a timely basis, by providing it with the draft circular full details of the transaction and any changes as and when they occur.
- (2) On first submission of a circular, the Sponsor must submit to the JSE the signed letter required from the RA Specialist in terms of paragraph 8.56(a) of the LR (“**the 8.56(a) letter**”). Submission of the circular without the 8.56(a) letter will delay the approval process and may even result in a rejection of the entire submission. The JSE will also not review the pro forma financial information (“**pro formas**”) or historical financial information. It must be noted that if we accept the submission without the 8.56(a) letter, the next submission we will in all likelihood be treated as a first submission again for turnaround purposes.
- (3) The Sponsor must ensure that the JSE comments are provided to the RA Specialist, and as far as reasonably possible should ensure that the comments have been addressed before making subsequent submissions.
- (4) On formal submission the Sponsor must ensure that paragraph 8.56(b) is complied with.
- (5) The Sponsor must approve all announcements and if the RA Specialist is not involved in the announcement then it will take full responsibility for ensuring compliance with the LR including the financial effects. Whilst we do not expect the Sponsor to ensure compliance with complex International Financial Reporting Standards (“IFRS”) matters they must ensure compliance with the remainder of Section 8 of the LR as they relate to pro formas and should ensure that the issuer has sought the necessary advice on any complex IFRS matters.
- (6) As it relates to circulars, the directors of the issuer are responsible for the content thereof. The RA Specialist takes responsibility to sign-off on the information prepared by the issuer. The Sponsors responsibility in terms of paragraph 2.8(d) of the LR still applies (which advice extends to financial information). They should therefore still be involved in advising on the Section 8 requirements and at the very least should perform a reasonableness check and should ensure compliance with the remainder of Section 8 as explained in point 5 above.

The role of the RA specialist

A separate letter has been sent to RA Specialists confirming their roles and responsibilities in the submission process. In that letter we also provided a list of common and/or serious problems that we encountered in circulars over the past year. Sponsors are advised to review that letter in order to understand the RA Specialist role. The list of

common problems should also be considered by Sponsors as they fulfill their responsibilities as it relates to approval of announcements and their involvement in circulars.

Pro forma information

We also refer you to a separate letter sent to issuers regarding pro forma information. Sponsors are responsible for all submissions to the JSE and must therefore carefully consider that information and ensure that all pro forma is dealt with appropriately.

Guidance Letter: Letter to reporting accountant specialists

Date: 5 March 2010

Presentation of financial information: Role of the reporting accountant specialist, sponsor and designated adviser

The Johannesburg Stock Exchange (“**JSE**”) Listings Requirements (“**LR**”) as they relate to Reporting Accountant Specialists (“**RA Specialist**”) have been in force for more than a year now. In light of this the JSE felt that it would be appropriate to clarify the responsibilities of RA Specialists, Sponsors and Designated Advisers (“**DA’s**”) in terms of the LR.

Sponsors and DA’s (“collectively referred to as Sponsors”)

- The Sponsor must assist the RA Specialist, on a timely basis, by providing it with the draft circular and details of the transaction and any changes as they occur.
- On first submission of a circular, the Sponsor must submit to the JSE the signed letter required from the RA Specialist in terms of paragraph 8.56(a) of the LR (“**the 8.56(a) letter**”). Submission of the circular without the 8.56(a) letter will delay the approval process.
- The Sponsor must ensure that the JSE comments are provided to the RA Specialist.
- The Sponsor handles the flow of documents and submission process between the JSE and the RA Specialist.

RA Specialist:

Submission process

- The RA Specialist must on the first submission of a document submit a signed 8.56(a) letter confirming that they have:
 - provided the necessary advice on the applicable IFRS and the LR; and
 - reviewed the first submission document to confirm that their advice was followed.
- In order to comply with the above, the RA Specialist must have performed a detailed review of the historical information and pro formas that are to be submitted to the JSE. The JSE acknowledges that this letter is not a guarantee that the figures are final as some may change, but the intention is that all the principle issues must have been addressed and we would not expect the final pro formas to be materially different. The RA Specialist must not sign their letter if their comments have not been addressed or if they have not had sight of the document that is to be submitted to the JSE.
- In order to provide the necessary advice and ensure compliance with the LR, the RA Specialist must have considered the content of the circular and any supporting agreements, and not just their part of the circular. It is only after such a consideration that they will be able to identify any other corporate actions that need to be included in the pro formas and to be able to confirm that everything is correctly reflected.

- The RA Specialist must consider any comments received from the JSE and ensure that any changes made to the transaction are correctly reflected in the financial information sections.
- The RA Specialist must consider the need to consult with their IFRS specialist if there is any uncertainty.
- On formal submission the RA Specialist must either sign off on the reporting accountants report or must submit a signed confirmation in accordance with paragraph 8.56(b) of the LR that they have reviewed the final pro formas and confirm that all JSE comments have been addressed and the pro formas fully comply with IFRS and the LR.

Expectations of RA Specialist

- When the JSE introduced the RA Specialist role, we acknowledged that many parties required some time to find their feet with the new process. We have therefore in the past been relatively lenient with the quality of work performed by certain RA Specialists and provided more detailed comments than we would have expected.
- Now that the process and roles have been established, the JSE expects the RA Specialist to ensure that the information is at the required standard to eliminate any problems. We will be placing more reliance on their work in the submission process and are moving away from the practice of the past year of having every set of pro forma figures reviewed by our own internal specialists as well as the corporate finance officer responsible for the document.
- In future, it will only be the corporate finance officers that will be reviewing certain disclosures and any areas of non-compliance by the RA Specialists will be dealt with in terms of Section 1 of the LR.
